NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2017 AND 2016

A. DESCRIPTION OF THE PLAN:

The following description of the Spectrum Orthopaedics, Inc. Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement and Summary Plan Description for a more complete description of the Plan's provisions.

General - The Plan is a profit sharing plan with a salary deferral feature established for the benefit of the employees of Spectrum Orthopaedics, Inc. ("Plan Sponsor") who must be 21 years of age or older to be eligible for deferral and additionally complete one year of service by the end of a twelve-month period, in which they must have completed 1,000 hours of service, to participate in any employer contributions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions - Each year participants may contribute up to 50% of pretax annual compensation, up to the maximum amount permitted by law and not less than 1% of their compensation, as defined by the Plan. Contributions may be made on a pre-tax basis or on an after-tax basis through a Roth deferral option. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The Plan has an automatic enrollment function for all eligible employees. Each eligible employee enters the Plan at a 3% deferral rate. In addition, the participants who enter the Plan under the automatic enrollment have an automatic escalation function which increase that participants deferral rate at 1% each year, until the participants reaches a 6% deferral rate. The participant can choose to opt out of the automatic increase and change their deferral rate at any time.

The Plan also provides for a Qualified Automatic Contribution Arrangement ("QACA"), unless elected otherwise, and provides for age based funds as the investment default option. As part of the QACA, the Plan Sponsor must make a QACA Nonelective Employer Contribution to each eligible active participant in an amount ranging from 3% to 25% of the active participant's compensation. For the year ended December 31, 2017, the Plan Sponsor elected to contribute 3% for the QACA Nonelective Employer Contribution, which totaled $224,070.

In addition, the Plan Sponsor has the option to make a profit sharing contribution of which the amount is at the discretion of the Plan Sponsor. The contribution is allocated to the participant's account in the proportion that each participant's compensation for the plan year bears to the total compensation of all participants within the same group for such year. The discretionary profit sharing contribution represents 10.33% of eligible wages for the first group, 3.95% of eligible wages for the second group, and 1.45% of eligible wages for the third group, totaling $486,752 for the year ended December 31, 2017. Participants direct the investment of all contributions into certain individual investment options offered by the Plan. All contributions are limited to the maximum allowed as a deduction under the Internal Revenue Code.

Participant Accounts - Each participant's account is credited with the participant's contribution, an allocation of the Plan Sponsor's contributions and Plan earnings. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

NOTES TO FINANCIAL STATEMENTS

A. DESCRIPTION OF THE PLAN (CONTINUED):

Vesting - A participant is fully vested immediately in elective wage deferrals and amounts rolled over from other plans plus actual earnings thereon. Vesting for employer matching contributions and employer discretionary contributions are based on years of continuous service. A participant is 100% vested after two years of credited service or upon retirement (age 59 ½), disability retirement or death while employed.

Payment of Benefits - On termination of service, a participant having a balance of more than $1,000 may elect to receive either a lump-sum or monthly distribution or a direct rollover distribution. A participant having less than a $1,000 balance may take a lump-sum distribution or a direct rollover distribution. If no election is made, a lump sum distribution will automatically be made as soon as reasonably practicable following the date the participant's application for distribution is received by the plan administrator. Non-terminated employees may make withdrawals from their elective deferral account balance as a hardship withdrawal prior to reaching normal retirement age. Hardship withdrawals are subject to additional rules and conditions as outlined in the Plan agreement.

Forfeitures - Discretionary contributions and matching contributions that are forfeited will be used to pay for administrative expenses incurred by the Plan. The portion of forfeitures not used to pay administrative expenses may be used to reduce any employer discretionary or matching contributions. During the years ended December 31, 2017 and 2016, no amounts were used from the forfeiture account. As of December 31, 2017 and 2016, forfeitures available were $39,420 and $26,872, respectively.

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of accounting - The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's trustees determine the Plan's valuation policies utilizing information provided by the trustee and investment advisors. See Note D for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the Plan's gains and losses on investments purchased and sold, as well as held, during the year.

Excess Contributions Payable - Amounts payable to participants for contributions in excess of amounts allowed by the Internal Revenue Service ("IRS") are recorded as a liability with a corresponding reduction to contributions. The Plan did not have excess contributions during the plan year ended December 31, 2017.

Payment of Benefits - Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

B. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED):

Administrative Expenses - Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses that are paid by the Plan Sponsor are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments.

Subsequent Events - The Plan has evaluated subsequent events through October 15, 2018, the date the financial statements were available to be issued.

C. INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE:

Information including investments held as shown on the statement of net assets available for benefits, and interest and dividend income and net appreciation in fair value of investments as shown on the statement of changes in net assets available for benefits as of December 31, 2017 and 2016 and for the year ended December 31, 2017 was obtained or derived from information provided by Fidelity Management Trust Company, the trustee, and furnished to the plan administrator. The plan administrator obtained certification of this information from the trustee that the information provided to the plan administrator was complete and accurate.

D. FAIR VALUE MEASUREMENTS:

The authoritative accounting guidance establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3).

The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification 820 are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

D. FAIR VALUE MEASUREMENTS (CONTINUED):

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 or 2016.

Mutual funds: Valued at the closing price reported on the active market on which the individual securities are traded. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value ("NAV") and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Money market fund: Money market accounts are stated at cost, which approximates fair value.

Common / collective trust fund: The common/collective trust fund consists of a stable value fund. The fair values of participation units held in the stable value fund are based on NAV to reflect all fund investments at fair value, including direct and indirect interests in fully benefit-responsive contracts. The stable value fund generally permits redemptions daily. If the fund experiences periods of insufficient liquidity, then the stable value fund may defer honoring any payment request until liquidity is sufficient. The Plan is permitted to redeem investment units at NAV on the measurement date. The NAV is reported to the Plan by the trustee and is used as a practical expedient to estimate fair value in accordance with authoritative accounting guidance.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

Assets Measured at Fair Value at December 31, 2017:

	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	$ 15,049,600	$ -	$ -	$ 15,049,600
Money market fund	79,435	-	-	79,435
	$ 15,129,035	$ -	$ -	15,129,035
Investments measured at net asset value:				
Common / collective trust fund				709,268
Total investments at fair value				$ 15,838,303

NOTES TO FINANCIAL STATEMENTS

D. FAIR VALUE MEASUREMENTS (CONTINUED):

Assets Measured at Fair Value at December 31, 2016:

	Level 1	Level 2	Level 3	Total
Investments at fair value:				
Mutual funds	$ 14,011,359	$ -	$ -	$ 14,011,359
Money market fund	30,862	-	-	30,862
	$ 14,042,221	$ -	$ -	14,042,221
Investments measured at net asset value:				
Common / collective trust fund				1,107,144
Total investments at fair value				$ 15,149,365

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2017 and 2016, respectively:

	Fair Value	Unfunded Commitments	Redemption Frequency (if currently eligible)	Redemption Notice Period
December 31, 2017				
Common / collective trust fund *	$ 709,268	$ -	Daily	1 day
December 31, 2016				
Common / collective trust fund *	$ 1,107,144	$ -	Daily	1 day

***** Investment strategy for these investments, valued using NAV per share, is not being presented since it is a fund that files a form 5500 as a direct filing entity ("DFE").

E. PLAN TERMINATION:

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTES TO FINANCIAL STATEMENTS

F. INCOME TAX STATUS:

Effective January 1, 2016, the Plan adopted the Fidelity Management & Research Co. Defined Contribution Volume Submitter Profit Sharing Plan. The volume submitter plan has received an opinion letter dated March 31, 2014 from the IRS as to the qualified status. The volume submitter opinion letter has been relied upon by this Plan. Although the Plan has been amended since adoption, the plan administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code. The plan administrator is not aware of any events that have occurred that might adversely affect the Plan's qualified status.

The authoritative accounting guidance requires the plan administrator to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

G. TRANSACTIONS WITH PARTIES-IN-INTEREST:

Fidelity Management Trust Company is the trustee of the Plan and holds all of the Plan's investments. Fidelity Management Trust Company is a party-in-interest of the Plan as defined by ERISA Section 3(14), and accordingly investment transactions in the funds are parties-in-interest transactions.

Certain legal and accounting fees and certain administrative expenses relating to the maintenance of participant eligibility records are absorbed by the Plan Sponsor. Other than as described above or pursuant to a trust agreement, the Plan has no agreements or transactions with any parties-in-interest.

H. RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

I. LOST OPPORTUNITY COST CONTRIBUTION:

During 2016, the Plan Sponsor inadvertently failed to deposit $77,989 of participant deferrals within the required timeframe as stated by the United States Department of Labor regulations. The Plan Sponsor has remitted these contributions and reimbursed the Plan for lost earnings of $116 during the year ended December 31, 2017 and lost earnings of $24 in June 2018.

Also, a disclosure has been made on Form 5500, Schedule H, Page 4, line 4a that $77,989 of participant contributions were not made within the time period described in 29 CFR 2510.3-102, which is considered a Section 4975(a) prohibited transaction.

J. SUBSEQUENT EVENT:

The Plan was amended effective January 1, 2018 to provide additional automatic enrollment provisions. Active participants with the exception of collectively bargained employees and employees of unrelated employers (who are not suspended from making deferral contributions) beginning on April 14, 2008 will be automatically enrolled at 3% if they are without a deferral election on file. The amount increases on the first day of the Plan year by 1%, in the second through fourth year, to a maximum of 6%. Participants can opt out of this auto-escalation feature at any time as well as change their deferral election once a month.
