Auditors' Responsibility for the December 31, 2017 Financial Statements

Our responsibility is to express an opinion on the December 31, 2017 financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the December 31, 2017 financial statements.

Auditor's Responsibility for the June 30, 2017 Financial Statements

Our responsibility is to express an opinion on the June 30, 2017 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion on the June 30, 2017 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the June 30, 2017 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Wells Fargo Bank, N.A, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of June 30, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion on the June 30, 2017 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the June 30, 2017 Financial Statements paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the June 30, 2017 financial statements. Accordingly, we do not express an opinion on the June 30, 2017 financial statements.

Opinion on the December 31, 2017 Financial Statements

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2017 and June 30, 2017, and the changes in net assets available for benefits for the period from July 1, 2017 to December 31, 2017, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Plan was merged into Hearthside Food Solutions 401(k) Plan II effective December 31, 2017. Our opinion is not modified with respect to this matter.

Other Matter—Supplemental Schedule

Our audit of the financial statements as of December 31, 2017 and the period from July 1, 2017 to December 31, 2017 was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of Assets (Held at End of Period) as of December 31, 2017 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the

Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. Such schedule has been subjected to the auditing procedures applied in the audit of the December 31, 2017 financial statements and certain additional procedures, including comparing and reconciling such schedules and information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, such schedule is fairly stated in all material respects in relation to the financial statements as a whole.

Report on Form and Content of the June 30, 2017 Financial Statements in Compliance With DOL Rules and Regulations

The form and content of the information included in the June 30, 2017 financial statements, other than that derived from the information certified by the trustee have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

HEARTHSIDE FOOD SOLUTIONS, LLC – WENONA 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF DECEMBER 31, 2017 AND JUNE 30, 2017, AND
FOR THE PERIOD FROM JULY 1, 2017 TO DECEMBER 31, 2017

1. DESCRIPTION OF PLAN

The following description of the Hearthside Food Solutions, LLC – Wenona 401(k) Plan (the Plan) provides only general information. Participants should refer to the plan document for a complete description of the Plan's provisions.

General—The Plan is a defined contribution plan covering substantially all employees of Hearthside Food Solutions, LLC's Wenona, Illinois, location (the Company) that have completed six consecutive months of service and are age 18 or older. Employees who are members of a collective bargaining agreement between employee representatives and the Company, non-resident aliens, and leased, part-time or seasonal employees not expected to work at least five hundred hours in a plan year are not eligible to participate in the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Merger: Effective December 31, 2017, the Plan was merged with the Hearthside Food Solutions 401(k) Plan II. As a result, net assets of \$17,669,362 were reflected as a payable to Hearthside Food Solutions 401(k) Plan II in the Statement of Net Assets Available for Benefit as of December 31, 2017, and within Net Transfer Out of Plan in the Statement of Changes in Net Assets Available for Benefits for the period from July 1, 2017 to December 31, 2017. The asset transfer occurred on January 11, 2018. The merger does not impact participant benefits as the benefit provisions were incorporated in the Hearthside Food Solutions 401(k) Plan II.

Contributions—Participants may elect to reduce their salary and have that amount contributed to the Plan. The elective deferral amount may not be more than the lesser of: (a) 85 percent of their eligible compensation for the period, (b) the maximum dollar limit allowed under the requirements of the Internal Revenue Code (IRC), or (c) such lesser amounts as determined by the discrimination tests for the Plan. Participants who have attained age 50 or older during the plan year are eligible to make catch-up contributions. Contributions are permitted to be made pre-tax (tax deferred) and/or on a post-tax basis by electing the Roth option. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans and these amounts are reflected as rollover contributions.

The Company makes a matching contribution to each participant's account equal to 50 percent of the first 3 percent of eligible compensation that a participant contributes to the Plan, plus 20 percent of salary deferrals that exceed 3 percent of eligible compensation but do not exceed 8 percent of eligible compensation. Contributions are subject to certain IRC limitations.

Participants direct the investment of their contributions into various options offered by the Plan. The Plan currently offers mutual fund investment options and a common/collective trust fund investment option for participants. Changes in allocation of future contributions

and transfers among funds of presently invested contributions are permitted pursuant to the Plan provisions.

Participant Accounts—Each participant's account is credited with the participant's elective and, if applicable, rollover contributions, transfers to the Plan, matching Company contributions and an allocation of Plan earnings or losses. Participant accounts are charged with withdrawals and charged with an allocation of applicable administrative expenses. Allocations are based on participant earnings, account balances or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting—Participants are vested immediately in their elective, rollover and employer matching contributions plus actual earnings thereon. Participants are 100% vested in non-elective discretionary employer contributions after six years of service.

Notes Receivable from Participants—Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum of \$50,000 or 50 percent of their vested account balance, whichever is less. Loan terms include a minimum of 1 year and a maximum of 5 years, unless the loan is for the purchase of a primary residence in which the maximum term is 15 years. Loans are secured by the vested balance in the participant's account and bear interest at a fixed rate of interest of 2 percent above the prime rate of interest established by Wells Fargo Bank, N.A. Interest rates applicable to outstanding notes receivable as of December 31, 2017, ranged from 5.25 percent to 6.25 percent. Principal and interest are paid ratably through payroll deductions.

Payments of Benefits—On termination of service with the Company (including termination of service due to death, disability, or retirement) a participant with a vested account balance greater than \$5,000 may elect to delay distribution or elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or annual installments over a period of years not longer than the participant's life expectancy or the joint and last survivor life expectancies of the designated beneficiary. Participants with vested account balances less than \$5,000 receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan also allows for age 59.5 in-service withdrawals for elective deferrals only.

Additionally, a participant may also elect to have a portion or all of his or her distributions paid in the form of a direct custodian-to-custodian transfer to another eligible retirement plan designated by the participant. A participant may also receive a distribution of his or her elective deferral contributions if a participant has a financial hardship as defined in the Plan. Following a hardship withdrawal, participants are not allowed to contribute to the Plan for a period of six months.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting—The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP).

Use of Estimates—The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition—The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the

measurement date. The Plan administrator determines the Plan's valuation policies utilizing information provided by the custodian. The methods used to estimate the fair value of investments are described in Note 4.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants—Notes receivable from participants are measured at their unpaid principal balance plus any accrued by unpaid interest. Delinquent loans are treated as distributions based upon the terms of the plan document.

Payment of Benefits—Benefit payments are recorded when paid. Amounts allocated to accounts of persons who have elected to withdraw from the Plan but have not yet been paid at were \$35,770 and \$0 at December 31, 2017 and June 30, 2017, respectively.

Administrative Revenue (Expenses)—Certain expenses of maintaining the Plan are paid directly by the Plan and are included as administrative expenses in the Statement of Changes in Net Assets Available for Benefits. Any expenses paid by the Company on behalf of the Plan are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are reflected as a reduction of return for such investments and are not separately reported.

The Plan has a revenue-sharing agreement whereby certain investment managers return a portion of the investment fees to Wells Fargo Bank, N.A. to offset the Plan's administrative expenses. Future Plan expenses can be paid from any excess remaining revenue sharing amounts. For the period from July 1, 2017 to December 31, 2017, \$10,312 was used to offset Plan expenses. The Plan held no undistributed administrative revenues at December 31, 2017 and June 30, 2017, respectively.

Subsequent Events — The financial statements and related disclosures include evaluation of events up through and including October 12, 2018, which is the date the financial statements were available to be issued.

3. INFORMATION CERTIFIED AND PROVIDED BY THE TRUSTEE

The following is a summary of the unaudited information regarding the Plan as of June 30, 2017, included throughout the Plan's financial statements and supplemental schedule, that was prepared or derived from information provided by Wells Fargo Bank, N.A., the custodian of the Plan, and furnished to the Plan administrator.

The Plan administrator had obtained certifications from the custodian of the Plan that such information is complete and accurate.

June 30, 2017

Statements of Net Assets Available for Benefits

Investments—at fair value	\$ 16,812,351
---------------------------	---------------

Note 4: All investment balances and investment information, excluding the classification and level of investments in Note 4, Fair Value Measurements as of June 30, 2017.

4. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820 are described as follows:

Level 1—Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2—Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3—Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and June 30, 2017.

Shares of Registered Investment Companies (Mutual Funds)—Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trust Funds—The one common/collective trust fund held is the Wells Fargo Bank, N.A. Stable Return Fund (known as a “stable value fund”). The stable value fund is composed primarily of fully benefit-responsive investment contracts and is reported at fair value using net asset value (NAV) as a practical expedient. The fund calculates NAV per share in a manner consistent with the measurement principles in FASB ASC Topic 946 *Financial Services—Investment Companies*. Those measurement principles indicate that, in the determination of a stable value fund’s NAV, the relevant measurement is net assets which include the fully benefit investment contracts held by the fund at contract value. This NAV represents the Plan’s fair value since this is the NAV at which the Plan transacts with the fund. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported net asset value.

Participant transactions (purchases and sales) may occur daily. Participants transact at contract value and that the probability of not transacting at contract value is not probable. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months’ notification in order to ensure that securities liquidations will be carried out in an orderly business manner.

To assess the appropriate classification of investments within the fair value hierarchy, the availability of market data is monitored. Changes in economic conditions or valuation techniques may require the transfer of investments from one fair value level to another. In such instances, the transfer is reported at the end of the reporting period.

Plan management evaluated the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the period from July 1, 2017 to December 31, 2017, there were no transfers between levels.

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017 and June 30, 2017:

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies (mutual funds)	<u>\$ 17,099,305</u>	<u>\$ _____</u>	<u>\$ _____</u>	<u>\$ 17,099,305</u>

Investments—fair value	<u>\$ 16,572,120</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 16,812,351</u>

(a) In accordance with Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

5. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are shares of a common/collective trust fund managed by Wells Fargo Bank, N.A., the Trustee of the Plan, and therefore these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management services provided by Wells Fargo Bank, N.A. were included as a reduction of the return earned on investments and administrative revenue received by the Plan through the Plan's revenue-sharing agreement by Wells Fargo Bank, N.A. was used to offset the Plan's administrative expenses. These transactions qualify as party-in-interest transactions. Certain employees of the Company provide administrative services to the Plan. These employees are not paid by the Plan for their services.

6. FEDERAL INCOME TAX STATUS

The Plan has adopted a non-standardized form of a prototype plan sponsored by Wells Fargo Bank, N.A. The prototype plan has received an opinion letter from the Internal

Revenue Service dated March 31, 2014 stating that the prototype plan document, as then designed, was in compliance with the applicable requirements of the IRC. The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since the date of the aforementioned opinion letter, the Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017 and June 30, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of the liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

7. PLAN TERMINATION

The Company has the right to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. If the Plan is terminated, each participant's account balance will be distributed to the participant or named beneficiary.

Effective December 31, 2017, the Plan was merged into Hearthside Food Solutions 401(k) Plan II (an affiliated plan). Participants began participating in the new plan immediately. The plan merger does not impact participant benefits, as the benefit provisions for the Plan were incorporated in the Hearthside Food Solutions 401(k) Plan II.

8. RISKS AND UNCERTAINTIES

The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.
