Red Interactive Agency, LLC 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Red Interactive Agency, LLC 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016, and the related statement of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by American United Life Mutual Insurance Holding Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2017 and 2016 that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedules

The supplemental schedule of assets (held at end of year) as of December 31, 2017 is required by the Department of Labor's (DOL) Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion of this supplemental schedule.

The supplemental schedule of delinquent participant contributions for the year ended December 31, 2017 is required by the Department of Labor's (DOL) Rules and Regulation for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplemental schedule has been subjected to audit procedures performed in conjunction with the audit of the Plan's financial statements. The supplemental schedule is the responsibility of the Plan's management. Our audit procedures included determining whether the supplemental schedule reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplemental schedule. In forming our opinion on the supplemental schedule, we evaluated whether the supplemental schedule, including its form and content, is presented in conformity with U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. In our opinion, the supplemental schedule of delinquent participant contributions for the year ended December 31, 2017 is fairly stated, in all material respects, in relation to the financial statements as a whole.

Report on Form and Content in Compliance with DOL Rules and Regulation

The form and content of the information included in the 2017 financial statements and supplemental schedules, other than that derived from the information certified by the trustee, has been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

RED INTERACTIVE AGENCY, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2017

1. DESCRIPTION OF PLAN

The following description of the Red Interactive Agency, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employees who have completed ninety days of service. Employees (participants) may enter the Plan on January 1, April 1, July 1, and October 1, after eligibility requirements are met. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Administration of Plan

The Plan is administered by the Red Interactive Agency, LLC (the "Company"). The assets of the Plan are maintained under the custody of the Plan's independent trustee, American United Life Mutual Insurance Holding Company (the "Trustee" or "AUL"). Administrative expenses incurred by the Plan, which to date have not been significant to the Plan, are paid by the Company and the Plan.

Contributions

Under the terms of the Plan, participants may elect to defer a portion of their compensation on a pretax basis. The Internal Revenue Code (IRC) limited the total individual pretax contribution to \$18,000 for 2017. During 2017, the Plan introduced Roth contributions for participants. Catch-up contributions are permitted for participants who have attained age 50 before the end of the plan year. The catch-up provision provided these participants the opportunity to contribute an additional \$6,000 on a pretax basis for 2017.

The Company provides a matching contribution on the first 1% of gross compensation. The percentage is determined each year by the Company.

Participant Accounts

Participant accounts are credited with participant contributions and Company matching contributions, and are credited or charged, respectively, with their prorate share of investment income or losses. Participants may direct the investment of their account balance into a variety of investment funds with varying degrees of risk, ranging from common stocks to money market instruments. Participants are allocated a share of each fund's investment earnings/losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specified participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

RED INTERACTIVE AGENCY, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2017

1. DESCRIPTION OF PLAN (continued)

Participant Loans

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

The minimum loan amount is \$1,000. The maximum loan amount will not exceed the lesser of (a) or (b) below on the date the loan is requested.

- (a) \$50,000 reduced by the excess, if any, of the highest outstanding balance of loans from the Plan during the one-year period ending on the day before the date on which such loan is requested, over the outstanding balance of loans from the Plan on the date such loan is requested; or
- (b) 50% of the present value of the participant's vested benefit under the Plan while employed with Red Interactive Agency (determined without regard to any deductible participant contributions).

Vesting

Participant contributions and related net earnings are fully vested at all times. Company contributions and related net earnings vest at a rate of 20% per year of service and are fully vested after five years of service. Upon retirement, disability or death, account balances become 100% vested. If a participant's employment terminates before full vesting of the Company's contributions and related earnings is attained, the remaining non-vested balances are forfeited and will be used to pay plan administrative expenses and reduce future Company contributions.

Payment of benefits

On termination of service, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in their account. The Plan permits in-service withdrawals if the participant has attained the age of 59½, and hardship distributions are permitted if a participant meets certain criteria, as defined in the Plan documents.

Forfeitures

Forfeitures are the nonvested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and are first used to pay administrative and custodian expenses, and second to reduce future Company contributions.

Withdrawals

Participants can withdraw all or a portion of their contributed amounts if they have a financial hardship (as defined by the Plan) or terminate employment with the Company.

1. DESCRIPTION OF PLAN (continued)

Investment Elections

Upon enrollment in the Plan, the participant may direct his or her contributions to any of the investment options through the Trustee. Participants may elect from a variety of investment funds with varying degrees of risk, ranging from common stocks to money market instruments.

Termination of the Plan

Although the Company has not expressed an intention to discontinue the Plan, the Company may do so at any time. In the event of termination, all participants will become fully vested in all contributions and net earnings of the Plan, and the net assets of the Plan will be distributed to the participants.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting and present the net assets available for benefits and changes in those net assets in conformity with accounting principles generally accepted in United States of America. Investments are stated at the quoted market prices (fair value) of the respective funds. Investment gains and losses (realized and unrealized) are included in net appreciation in fair value of investments in the accompanying financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Accordingly, actual results could differ from those estimates.

Investment Valuation

Investments are held in mutual funds with OneAmerica and are stated at fair value, as determined by OneAmerica. The mutual funds are stated at fair value as reported to the Plan by OneAmerica based on the quoted market prices of the underlying mutual funds. The unit of value of the mutual fund is calculated by dividing the total value of the assets of the account by the number of units in the mutual fund. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation or depreciation in fair value of participant-directed investments consists of both the realized gains or losses and unrealized appreciation or depreciation of those investments.

RED INTERACTIVE AGENCY, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2017

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Contributions

Employee contributions to the Plan are recorded in the period the Company makes payroll deductions from Plan participants. Company contributions to the Plan are recorded based upon the required Company matching levels as defined in the Plan Document.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

Expenses of maintaining the Plan are paid by the Company and the Plan.

Subsequent events

The Plan has evaluated subsequent events through August 9, 2018, which is the date the financial statements were available to be issued.

3. FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from or corroborated by observable market data, by correlation, or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

RED INTERACTIVE AGENCY, LLC 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2017

3. FAIR VALUE MEASUREMENTS (continued)

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017.

Common stocks: Valued at the closing price reported on the active market on which the individual securities are traded.

Corporate bonds: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

U.S. government securities: Valued using pricing models maximizing the use of observable inputs for similar securities.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

	<i>Assets at Fair Value as of December 31, 2017</i>			
	<i>Level 1</i>	<i>Level 2</i>	<i>Level 3</i>	<i>Total</i>

4. INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The financial information relating to investments and investment activity, such as that reported in the Statements of Net Assets Available for Benefits, Statement of Changes in Net Assets Available for Benefits, Investment and the accompanying Schedule of Assets Held at the end of year, and the accompanying Schedule of Delinquent Participant Contributions, except for information related to contributions, benefit payments, and administrative expenses, has been certified by AUL, the trustee, as of December 31, 2017, and for the year ended December 31, 2017, in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations of Reporting and Disclosure under ERISA.

The Plan's independent auditors did not perform auditing procedures with respect to this information except for comparing such information to the related information included in the financial statements and supplementary schedule.

5. TAX STATUS

The Internal Revenue Service ("IRS") has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. GAAP requires management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2012.

6. PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by AUL. AUL is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Investment management fees and operating expenses charged to the Plan for investments are deducted from income earned on investments and are not separately reflected. Consequently, investment management fees and operating expenses paid to parties-in-interest are reflected as a reduction of investment return for such investments. Allocations are based on participant earnings, account balances, or specified participant transactions, as defined.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

8. DELINQUENT CONTRIBUTIONS

As disclosed in this accompanying supplemental schedule, certain employee deferrals were not remitted to the Plan within the timeframe required by the Department of Labor. The Company is currently in the remediation process.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
