THE HOMER LAUGHLIN CHINA COMPANY
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - PLAN DESCRIPTION

The following description of The Homer Laughlin China Company ("Company") 401(k) Profit Sharing Plan ("Plan") is provided for general informational purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended ("ERISA"), and is administered by the Retirement Plan Committee appointed by the Board of Directors of the Company. Transamerica Life Insurance Company ("Custodian") ("TLIC") has been appointed custodian of the Plan effective April 1, 2017. Huntington National Bank ("Trustee") is the trustee and investment manager of the Plan.

Eligibility

The Plan is a defined contribution plan covering all nonunion employees of the Company. Prior to April 1, 2013, each nonunion employee was eligible to participate in the Plan as an active participant if the employee had been an employee of the Company for at least 90 consecutive days, had completed at least 500 hours of service in an eligibility period, and was at least 21 years of age. Effective April 1, 2013, the Plan was amended so that the only eligibility requirement for each nonunion employee to participate in the Plan as an active participant is that the employee is at least 21 years of age. Unless and until such eligible employee files a written election with the Retirement Plan Committee either to contribute at a rate other than 3% or to not contribute and not participate in the Plan, the eligible employee shall automatically be a participant under the Plan who has elected to participate by contributing at a rate of 3% of the participant's monthly compensation into a Vanguard Target Retirement Fund commensurate with the participant's projected retirement date.

Contributions

Participants may elect to contribute, on a pre-tax basis, up to 100% of their total compensation via payroll deductions, subject to certain maximum limitations of the Internal Revenue Service ("IRS"). Participants who have attained age 50 by the end of the Plan year are eligible to make catch-up contributions. Participants are also permitted to make rollover contributions into the Plan from other qualified plans. Employer contributions to the Plan are made only as directed by the Company's Board of Directors. There were no employer contributions in 2017 or 2016 allocated or distributed to individual participant accounts.

401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 1 - PLAN DESCRIPTION (continued)

Contributions (continued)

Participant accounts are credited with the participant's contributions and an allocation of employer contributions, if any, and Plan earnings as defined in the Plan document. Participants are immediately 100% vested in their voluntary contributions, allocated employer contributions, and allocated earnings thereon. In addition, participants who receive qualified distributions from another qualified plan may be able to rollover such contributions into the Plan.

Loans

The Plan does not permit loans to participants.

Benefits and withdrawals

The benefit to which a participant is entitled is that benefit which can be provided from the participant's account. Participants are entitled to withdraw any portion of their vested account prior to retirement via hardship withdrawals, permanent disability, termination of employment, or death.

Situations which qualify for hardship withdrawals include educational expenses, purchase of a principal residence, extraordinary medical expenses, burial or funeral expenses, repair or damage to a participant's principal residence, as defined by the Internal Revenue Code ("Code"), and other similar financial emergencies. Upon reaching normal retirement age, participants may elect distributions from their accounts via lump-sum cash payments or various installment methods.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities as of the date of the financial statements and the reported amounts of changes in assets during the reporting period. Actual results could differ from those estimates.

THE HOMER LAUGHLIN CHINA COMPANY
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Administrative expenses

Administrative expenses are paid directly by the Company and, accordingly, are not reflected in the Plan's financial statements.

Benefits and withdrawals

Benefits and withdrawals paid to participants are recorded when applications for withdrawals are processed by the Trustee and paid.

Investments

Upon enrollment in the Plan, a participant may direct contributions in various investment options. Investment options available to participants include various equity, debt, international, indexed mutual fund options, Transamerica Stable Value Focus Option fund and Federated capital preservation fund. Investments are reported at value as determined by the Trustee. Shares of mutual funds are stated at fair value as measured by quoted market prices. The Plan's Federated capital preservation fund was stated at the net asset value of units held by the Plan at year end. The net asset value was used as a practical expedient to estimate fair value. The Plan's investment in the Transamerica Stable Value Focus Option fund is a fully benefit-responsive investment contract and is included in the financial statements at contract value. Contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully-benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment transactions are recorded on a trade-date basis. Net realized and unrealized appreciation in fair value of investments includes realized gains and losses on investments that were both bought and sold during the year. Interest and dividend income are recorded as earned. Gains, losses, dividends and interest income reported on investments recorded at net asset value are included in interest and dividend income.

The Plan's mutual funds and the Transamerica Stable Value Focus Option fund are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that significant changes in risks in the near term may materially affect the amounts reported in the accompanying financial statements.

Contributions

Participant contributions are recorded in the month withheld from the participant's wages. Employer contributions, if any, are recorded in the same month.

THE HOMER LAUGHLIN CHINA COMPANY
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Subsequent events

The Plan evaluates events and transactions occurring subsequent to the date of the financial statements for matters requiring recognition or disclosure in the financial statements. The accompanying financial statements consider events through October 10, 2018, the date on which the financial statements were available to be issued.

Recent accounting pronouncements

In May 2015, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") 2015-07, Fair Value Measurement (Topic 820) Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or its Equivalent), which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value (or its equivalent) ("NAV") per share as the practical expedient, which includes the Plan's investment in the Federated Capital Preservation Fund (see Note 4). The adoption of ASU 2015-07 did not have an impact on the Plan's net assets available for benefits or net additions but changed previous disclosure requirements.

NOTE 3 - TERMINATION OF THE PLAN

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their share of the trust.

NOTE 4 - INVESTMENTS

The Plan provides participants the opportunity to direct their contributions into separate investment funds. However, the investing activity within the funds is discretionary, and individual fund managers have the authority to make investment decisions.

Fair value measurements

Market price observability is affected by a number of factors, including the type of investment and the characteristics specific to the investment.

Investments with readily available active quoted prices or for which fair value can be measured from actively quoted prices generally will have a higher degree of market price observability and a lesser degree of judgment used in measuring fair value. Investments measured and reported at fair value are classified and disclosed in one of the following categories based on the extent of market price observability.

THE HOMER LAUGHLIN CHINA COMPANY
401(k) PROFIT SHARING PLAN

NOTES TO FINANCIAL STATEMENTS
(continued)

NOTE 4 - INVESTMENTS (continued)

Fair value measurements (continued)

Level I - Quoted prices are available in active markets for identical investments as of the reporting date. The type of investments included in Level I include listed mutual funds.

Level II - Inputs are other than quoted market prices included within Level I, however, are observable, either directly or indirectly for the investment. The Plan does not have any investments which fall under this category.

Level III - Pricing inputs are unobservable for the investment and includes situations where there is little, if any, market activity for the investment. The inputs into the determination of fair value require significant management judgment or estimation. The Plan does not have any investments which fall under this category.

The Plan's investment in the Federated capital preservation fund was measured at NAV and was therefore excluded from the fair value hierarchy. The NAV was used as a practical expedient to estimate fair value. The nature of the investment is such that Plan participants may redeem units at any time; however, a full Plan withdrawal may be subject to a one year withdrawal provision. The Fund invested in an unallocated group annuity insurance contract that seeks stability of principal and high current income by investing primarily in stable value products, including guaranteed investment contracts and synthetic guaranteed investment contracts issued by major insurance companies and money market instruments. There are no outstanding unfunded commitments.

Fair value of the Plan's assets were as follows as of December 31:

2017			
Investments measured at			
Level I	NAV	Total	
Mutual funds	\$ 11,821,370	\$ --	\$ 11,821,370

NOTE 4 - INVESTMENTS (continued)

Transamerica Stable Value Focus Option fund

The Plan holds a fully benefit-responsive stable value option with Transamerica Life Insurance Company ("TLIC"). The stable value option is included in the financial statements at contract value. The stable value focus option fund is a deposit liability of TLIC.

The assets are based on the general unallocated account of TLIC and the risk of the investment is based on TLIC insurance ratings.

Prior to January 1st and July 1st of each year, the effective annual rate of interest is established for the corresponding six-month period. Interest is credited, based upon the daily balance, at a rate that is the daily equivalent of the effective annual rate of interest applicable for the six-month period. There is no stated minimum or maximum interest rate for the stable value option.

The TLIC stable value option is backed by the general account of TLIC. TLIC declares rates periodically and backs the principal and interest of these investment choices, any guarantees are subject to the claims paying ability of the insurance company. The nature of the stable value option is such that the Plan participants may withdraw assets without restrictions, TLIC may impose a hold period at the contract level in the event of a full contract discontinuance or partial contract discontinuance. The occurrence of an event that limits the ability of the investment to transact at contract value between TLIC and a participant holding the investment is not probable.

NOTE 5 - FEDERAL INCOME TAX EXEMPTION

The Plan obtained its latest determination letter dated February 8, 2016, in which the IRS stated that the Plan, as designed, is in compliance with the applicable requirements of the Code. Accordingly, the accompanying financial statements do not include a provision for federal income taxes.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable taxing authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2014.

NOTE 6 - CERTIFICATION

The investment information contained in the financial statements and Schedule of Assets (Held at End of Year) has been certified as accurate and complete by TLIC for the period from April 1, 2017 to December 1, 2017 and by Huntington National Bank for the period from January 1, 2016 to March 31, 2017.

NOTE 7 - DELINQUENT PARTICIPANT CONTRIBUTIONS

The Company discovered that \$49,992 and \$40,092 of participant contributions were remitted to the Plan in an untimely manner during 2017 and 2016, respectively. The Company expects to reimburse the Plan during 2018 on behalf of the participants for lost earnings related to the 2017 and 2016 late contributions to correct prohibited transactions outside of the Voluntary Fiduciary Correction Program.
