Specialty Furnishings, Inc. 401(k) Profit Sharing Plan Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN

The following description of the Specialty Furnishings, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was established May 1, 1998, to provide retirement benefits for eligible employees of Specialty Furnishings, Inc. (the Company). The Plan is a defined contribution plan covering all employees who are eligible to participate, after meeting certain age and service requirements. After meeting the eligibility requirements, employees can enter the Plan on the first day of each quarter. The Plan is subject to certain provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Contributions

Participants may contribute a percentage of their pretax annual compensation as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified retirement plans. Newly hired eligible employees are auto-enrolled to make contributions of 2% of eligible compensation, unless they affirmatively elect not to participate in the Plan. Their contributions are invested in the BlackRock LifePath Index fund based on the year the participant was born until changed by the participant.

The Company may make a discretionary matching contribution and/or a discretionary profit sharing contribution to the Plan in addition to any salary reduction contributions. The Company made a discretionary matching contribution of 25% of employee deferrals in 2017. No profit sharing contribution was made in 2017.

Investments

All investments are participant directed.

Participant Accounts

Each Participant's account is credited with the participant's contributions and allocations of the matching contributions and Plan earnings, and charged with an allocation of administrative expenses and plan losses, if any. Allocations are based on participant earnings or account balances as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Specialty Furnishings, Inc. 401(k) Profit Sharing Plan Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Vesting

Participants are vested immediately in their contributions and rollovers and earnings thereon. Vesting in employer matching contributions and employer profit sharing contributions is based on years of continuous service, at 20% per year, beginning in the second year. A participant is 100 percent vested after six years of credited service. Participants become 100% vested in Company matching contributions and profit sharing contributions, regardless of the length of vesting service, if while employed by the Company, they attain the age of 65, become permanently disabled, or die.

Forfeitures

Any amounts forfeited by participants are used by the Company to reduce future employer contributions. At December 31, 2017 and 2016, there are no forfeited nonvested accounts. In 2017, employer contributions were reduced by \$3,873 from forfeited nonvested accounts.

Notes Receivable from Participants

The Plan allows participants to obtain loans from their individual accounts. Participants may borrow up to 50% of their vested account balance, subject to a minimum of \$1,000 and a maximum of \$50,000. Loans must be fully repaid within five years from date of issuance.

The notes receivable are collateralized by the balance in the participant's account and bear reasonable interest at rates established by the Company. The interest rate on notes receivable at December 31, 2017 and 2016, is 4.00%. Principal and interest is repaid ratably through payroll deductions.

Benefit Payments

Participants or beneficiaries are entitled to receive the vested balance of their account upon termination of employment, retirement, death, or permanent and total disability in a lump-sum amount unless the participant or beneficiary is receiving required minimum distributions. If the account balance is less than \$5,000, the distribution shall be paid in the form of a lump-sum payment as soon as administratively feasible.

Participants who have not separated from service are permitted to receive an in-service distribution upon reaching age 59.5 from their pre-tax deferral and rollover accounts.

Participants are permitted to make hardship withdrawals from their pre-tax deferral account if the withdrawal is for a reason specified in the Plan. Hardship withdrawals can include withdrawals to pay medical expenses, to purchase a principal residence, to pay tuition, to prevent eviction or foreclosure, to pay funeral expenses for a parent, spouse, child or dependent, or to pay expenses related to the repair of damage to principal residence that qualifies as a casualty deduction.

Specialty Furnishings, Inc. 401(k) Profit Sharing Plan Notes to Financial Statements

NOTE 1: DESCRIPTION OF PLAN (CONTINUED)

Other Receivables

As of December 31, 2017, an estimate of \$16,250 was recorded for deferral and match corrections, along with lost earnings, owed to the Plan by the Company due to plan compensation errors discovered in 2014, 2015, 2016 and 2017.

Administrative Expenses

Administrative costs paid by the Company include legal and accounting fees. Loan fees, which are charged to the participants' accounts, and certain consulting and administrative costs are paid by the Plan. Administrative expenses for the year ended December 31, 2017 were \$7,654.

Tax Status

The Plan adopted the OneAmerica Financial Partners, Inc. Defined Contribution Volume Submitter Plan on January 1, 2015, which received an opinion letter dated March 31, 2014. The letter indicates that the Plan and related trust are designed in accordance with the applicable regulations of the Internal Revenue Code ("IRC"). Any employer adopting this form of the plan will be considered to have a plan qualified under the IRC. Although the prototype plan has been amended since receiving the opinion letter; the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC, and the Plan and related trust continue to be tax-exempt. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America ("U.S. GAAP") requires Plan management to evaluate uncertain tax positions taken by the Plan. The Plan administrators are not aware of any uncertain tax positions taken or expected to be taken.

Plan Termination

Although it has not expressed any intent to do so, the Company has the rights under the Plan to discontinue its contributions at any time and terminate the Plan subject to provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with U.S. GAAP.

Specialty Furnishings, Inc. 401(k) Profit Sharing Plan Notes to Financial Statements

NOTE 2: SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclose contingent assets and liabilities at the date of the financial statements and amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan's investments include a pooled separate account and a fixed interest account which invests in various types of investment securities and in various companies within various markets. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Plan's financial statements and supplemental schedule.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment advisor determines the Plan's valuation policies utilizing information provided by the custodian. Plan participants may choose to invest in various funds. For a complete description of the Plan's investments, participants should refer to each investment's prospectus or agreement as provided by the custodian. See Note 4 for discussion of fair value measurements.

The Plan presents in the statement of changes in net assets available for benefits, interest, dividend income, and the net appreciation in fair value of investments, which consists of the realized gains and losses, capital gain distributions, and the unrealized appreciation on those investments.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and 2016. If a participant ceases to make loan repayments and the Plan Administrator deems the participant loan to be in default, the participant loan balance is reduced and a benefit payment is recorded. At December 31, 2017 and 2016, there were no participant loans which were deemed benefit payments.

NOTE 2: SUMMARY OF ACCOUNTING POLICIES (CONTINUED)

Payment of Benefits

Benefits are recorded when paid.

NOTE 3: INFORMATION CERTIFIED BY THE CUSTODIAN (UNAUDITED)

The following is a summary of unaudited information regarding the Plan as of December 31, 2017 and 2016, and for the year ended December 31, 2017, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by American United Life Insurance Company ("AUL"), the custodian of the Plan, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee that such information is complete and accurate.

Supplemental Schedule: All investment balances and information included in the supplemental schedule of assets (held at end of year).

NOTE 4: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB"), Accounting Standards Codification (ASC 820, *Fair Value Measurements* ("ASC 820")), defines fair value, establishes a framework for measuring fair value and requires additional disclosures about the use of fair value measurements. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements).

The three levels of the fair value hierarchy under ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are quoted prices available in active markets for identical investments as of the reporting date.

Specialty Furnishings, Inc. 401(k) Profit Sharing Plan Notes to Financial Statements

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2: Inputs to the valuation methodology are other than quoted prices in active markets, which are observable as of the reporting date. These inputs include quoted prices for similar assets in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Pooled Separate Account: Amounts allocated to a variable investment account within an AUL pooled separate account are credited to a participant's account in the form of accumulation units. The value of an accumulation unit of any investment account is determined at the close of each business day and is directly related to the net asset value of the shares of the underlying investment adjusted for any dividends or distributions received by AUL and the daily equivalent of any fee charged by AUL pursuant to the contract. The value of each accumulation unit is published each business day. Each investment account is invested by AUL exclusively in shares of a specific mutual fund or other investment entities as directed by the contract holder.

Fixed Interest Account: Amounts allocated to the fixed interest account will earn interest at the higher of the rate guaranteed under the contract or the current rates established and declared in advance by AUL. Interest rates for new contributions are declared prior to the beginning of a calendar quarter and are applicable to all contributions received in that quarter until the end of the calendar year next following the current year. Each quarter's contributions and the corresponding interest rate are tracked together in a quarterly interest rate pocket ("quarterly pocket"). At the end of the calendar year next following the current year, the quarterly pockets established in the prior year are converted to an annual interest rate pocket ("annual pocket") that is established and declared for each annual pocket and will remain in effect for at least that calendar year. The fixed interest account is backed by AUL's general account. The AUL general account is invested in a conservatively managed, well diversified portfolio consisting predominately of fixed-income investments (bonds, mortgages, and private placement) where the objective is to maximize long-term, risk-adjusted returns. The average interest rate being credited to assets in this investment as of December 31, 2017 and 2016 was 1.05% and 1.12%, respectively.

Specialty Furnishings, Inc. 401(k) Profit Sharing Plan Notes to Financial Statements

NOTE 4: FAIR VALUE MEASUREMENTS (CONTINUED)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables show the fair value of the Plan's investments at December 31, 2017 and 2016:

	2017	2016
Level 2 investments		
Pooled separate account	\$ 1,803,703	\$ 1,407,276
Fixed interest account	14,310	12,503
Total investments at fair value	\$ 1,818,013	\$ 1,419,779

NOTE 5: RELATED PARTY AND PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of a pooled separate account and a fixed interest account with AUL. AUL is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. During 2017, fees of \$7,654 were paid to AUL.

NOTE 6: DELINQUENT PARTICIPANT CONTRIBUTIONS

During the years ended December 31, 2014, 2015, 2016 and 2017, the Company did not timely deposit certain participant contributions and loan repayments (aggregating \$328,363) within the timeframe required by Department of Labor regulations. As such, these late deposits are considered prohibited transactions. The Company intends to file a Form 5330 and pay any applicable excise tax. The excise tax payments will be made from the Plan Sponsor's assets and not from the assets of the Plan. In addition, participant accounts will be credited with an amount representing lost earnings related to these late remittances.

NOTE 7: SUBSEQUENT EVENTS

Management has evaluated subsequent events through October 15, 2018, which is the date the financial statements were available to be issued, and have determined that there are no subsequent events that require disclosure under ASC 855 *Subsequent Events*.

Revenue Sharing Formula:

The investment options of the Plan include various portfolios within an AUL separate account. The separate account in turn invests in investment portfolios of certain open-end management investment companies. AUL receives indirect compensation from these investment companies for the services provided by AUL.

The compensation received by AUL is computed by each investment company by multiplying the daily account balance of the AUL separate account's interest in a particular portfolio by a predetermined percentage rate negotiated with the investment company. This indirect compensation is not charged to the plan or participants accounts but is paid directly by the investment company.

The investment company, the underlying investment portfolio, and the annual compensation percentages are shown below.
