### *Basis for Disclaimer of Opinion*

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Reliance Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements.

We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2017 and December 31, 2016, and for the year ended December 31, 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

***Disclaimer of Opinion***

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

***Basis of Accounting***

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements are prepared on the modified cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to that matter.

***Other Matter***

The supplemental schedule of assets (held at end of year) - modified cash basis as of December 31, 2017 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

**Report on Form and Content in Compliance with DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Participants direct the investment of contributions into various investment options offered by the Plan.

## 1. Description of the Plan (Continued)

### Participant Accounts

Each participant's account is credited with the participant's contribution, Plan Administrator contributions, earnings as allocated and forfeitures of terminated participants' non-vested accounts. The account is reduced by the payment of benefits and an allocation of administrative expenses. Allocations are based on participant earnings or account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Plan Administrator's contribution portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100 percent vested after 3 years of service.

### Notes Receivable from Participants

Participants may obtain a loan from the balance in their account. The loan may not be less than $1,000 nor exceed the lesser of $50,000 or 50 percent of the market value of the participant's vested account balance. A participant may have only one loan outstanding at any time. Loans must be repaid to the participant's account over a period not to exceed five years, unless the loan is for the purchase of a principal residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1 percent, which is commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. The prime rate was 4.50 percent at December 31, 2017.

### Benefit Payment

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in the participant's account, or annual installments only with respect to the lifetime required minimum distribution. For termination of service or for other reasons, a participant may receive the value of the vested interest in his or her accounts as a lump-sum distribution. Benefits are provided for early retirement at an attained age of 55 with 15 years of vesting service, and normal retirement at an attained age of 65, or may be deferred if the participant continues in active service with the Plan Administrator. Benefits are also provided upon specific hardship or attainment of age 59½.

### Forfeitures

Forfeited non-vested accounts are used to reduce future administrative expenses, Plan Administrator contributions or can be allocated to qualifying participants. At December 31, 2017 and December 31, 2016, forfeited non-vested accounts totaled $828 and $765, respectively. Also, in 2017, administrative expenses were reduced by $8,658 from forfeited non-vested accounts.

## 2. Summary of Significant Accounting Policies

### Basis of Accounting

The Plan's policy is to prepare its financial statements on the modified cash basis of accounting; consequently, certain revenue is recognized when received rather than when earned, and certain expenses are recognized when cash is disbursed rather than when the obligation is incurred. Contributions are shown on the accrual basis of accounting. Benefits are recorded when paid.

### Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

### Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2017 and December 31, 2016.

### Investment Valuation and Income Recognition

Investments are stated at fair value as certified by the custodian, Reliance Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income and dividends are recorded on the modified cash basis. Earnings on investments include the Plan's gains and losses on investments bought and sold as well as held during the year.

### Administrative Expenses

Certain expenses of maintaining the Plan are paid directly by the Plan Administrator and are excluded from these financial statements. Fees related to the administration of notes receivable from participants and requests for distributions are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in the earnings on investments.

### Subsequent Events

The Plan has evaluated for subsequent events through October 12, 2018, which is the date the financial statements were made available to be issued.

## 3. Fair Value Measurement

Fair value is the price at which an asset could be exchanged in a current transaction between knowledgeable, willing parties. Fair value measurements are categorized into one of three levels based on the lowest level of significant input used: Level 1 (unadjusted quoted prices in active markets); Level 2 (observable market inputs available at the measurement date, other than quoted prices included in Level 1); and Level 3 (unobservable inputs that cannot be corroborated by observable market data).

## 3. Fair Value Measurement (Continued)

The following is a description of the valuation methodologies used for assets measured at fair value:

**Mutual Funds**
Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the United States Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

**Common Collective Trust**
Valued at the NAV of units of a bank collective trust. The NAV, as provided by the Custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

There have been no changes in the methodologies used at December 31, 2017 and December 31, 2016.

The preceding methods described may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table presents information about Plan investments measured at fair value on a recurring basis as of December 31, 2017 and December 31, 2016, and indicates the fair value hierarchy of the valuation techniques utilized to determine such fair value:

| | December 31, 2017 | | | |
|---|---|---|---|---|

| | | | | $ 5,373,554 |

The following table for December 31, 2017 and December 31, 2016 sets forth a summary of the Plan's investment with a reported net asset value:

| | | Fair Value at December 31, | | | | | |
|---|---|---|---|---|---|---|---|
| | | 2017 | 2016 | Unfunded Commitment | Redemption Frequency | Other Redemption Restrictions | Redemption Notice Period |
| Reliance Trust Stable Value Fund | (a) | $ 139,934 | $ 202,120 | $ - | Daily | None | None |

(a) The objective of this fund is to preserve capital and provide stability of principal while earning current income that exceeds money market rates over the long-term.

## 4. Financial Certification (Unaudited)

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, the Plan has elected to utilize the certification of certain financial information by Reliance Trust Company in compliance with the audit requirements of the Act.

The following is a summary of the unaudited information included in the accompanying financial statements and supplemental schedule that was prepared and furnished to the Plan by Reliance Trust Company. The Plan has obtained a certification from Reliance Trust Company that such information is complete and accurate as of December 31, 2017 and December 31, 2016 and for the year ended December 31, 2017.

| | December 31, 2017 | December 31, 2016 |
|---|---|---|
| Assets as of | | |
| Non-interest bearing cash | $ 6,410 | $ 8,064 |
| Mutual funds at fair value | 6,540,077 | 5,171,434 |
| Common collective trust at fair value | 139,934 | 202,120 |
| Transactions for the year ended | | |
| Investment earnings | $ 1,056,333 | |

## 5. Party-in-Interest Transactions

Certain Plan investments are managed by Reliance Trust Company. Reliance Trust Company is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the administrative management services included in administrative expenses amounted to $36,279 for the year ended December 31, 2017. Fees paid by the Plan for investment management services are included in the gains and losses on investments as they are paid through revenue share, rather than a direct payment. The Plan Administrator pays directly any other expenses related to the Plan's operations.

## 6. Plan Termination

Although it has not expressed any intent to do so, the Plan Administrator has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination or partial termination, participants would become 100 percent vested in the Plan Administrator contribution portion of the participant's account.

## 7. Tax Status

The Plan uses a prototype plan document sponsored by Verisight, Inc. Verisight, Inc. received an opinion letter from the IRS dated March 31, 2014, which states that the prototype document satisfies the applicable provisions of the Internal Revenue Code (IRC). The Plan itself has not received a determination letter from the IRS. Although the Plan has been amended since receiving the determination letter, the Plan Administrator believes that the Plan is designed and currently being operated in compliance with the applicable provisions of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

## 8. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for plan benefits.

## 9. Corrective Distributions

For the year ended December 31, 2017, the Plan's actual deferral percentage and actual contribution percentage ("ADP/ACP") discrimination test was completed in 2018. Based on the results of this test, it was determined that the Plan had excess contributions of $24,627. These excess contributions were refunded to plan participants in 2018.

For the year ended December 31, 2016, the Plan's actual deferral percentage and actual contribution percentage ("ADP/ACP") discrimination test was completed in 2017. Based on the results of this test, it was determined that the Plan had excess contributions of $43,282. These excess contributions were refunded to plan participants in 2017.
