Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by Section 29 CFR 2520.13-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Ohio National Life Insurance Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as December 31, 2017 and 2016 and for the year ended December 31, 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

NOTE 1 - DESCRIPTION OF PLAN

The following description of AC & A Retirement Plan (the "Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provision.

General

The Plan is a defined contributions plan and was originally established on January 1, 2016 upon adoption of the *Ohio National Life Insurance Company Defined Contribution Volume Submitter Plan* ("Plan Agreement") for the benefit of the eligible employees of AC & A LLC. During 2017, the Plan was amended to allow the eligible employees of Applied Composite Engineering, Inc. and Encore Composite Structures, Inc. to participate in the Plan. All three companies are members of a controlled group and are referred to collectively herein as the "Employer".

Employees of the Employer may participate in the Plan upon meeting eligibility requirements, as described below. The Employer is responsible for the overall administration and operation of the Plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is designed to qualify under Section 401(k) of the Internal Revenue Code (the "IRC").

Ohio National Life Insurance Company is ("Ohio National") is the Plan's asset custodian. Ohio National holds and distributes the funds of the Plan in accordance with the Plan's provisions and the instructions of the Employer.

Eligibility

All employees who are a minimum of 21 years of age and have completed 90 days of eligible service are eligible to participate in the Plan. Following satisfaction of the eligibility requirements, employees can enroll on January 1st and July 1st.

Participant Contributions

Tax-Deferred Contributions
A Participant in the Plan may elect to have voluntary tax-deferred contributions deducted from their pay, for each pay period, up to the annual maximum allowed under the IRC, which was $18,000 for the year ended December 31, 2017.

After-Tax Roth Contributions
A Participant may designate part or all of their Plan contributions as either tax-deferred contributions or as after-tax roth contributions provided that their aggregate combined tax-deferred contributions and after-tax roth contributions for the calendar year do not exceed to the annual maximum allowed under the IRC ($18,000 for 2017). A Participant may change or suspend their after-tax Roth Contribution election.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Rollover Contributions
A Participant who receives a qualifying rollover distribution from an eligible retirement plan may make a rollover contribution into the Plan even though the Participant has not otherwise become eligible to participate in the Plan. However, amounts that are attributable to after-tax Roth contributions may not be rolled into the Plan.

Catch-Up Contributions
In addition to the tax-deferred contributions and/or after-tax Roth contributions described above, Plan participants who will be at least 50 years old by the end of the calendar year and who have contributed the maximum amount of tax-deferred contributions and/or after-tax roth contributions for the year may make additional catch-up contributions to the Plan in accordance with, and subject to, the limitations of the IRC. The catch-up contribution limit was $6,000 for the year ended December 31, 2017.

Employer Contributions

In accordance with the Plan Agreement, the Employer makes safe harbor contributions in an amount equal to 100% of a participant's contributions that do not exceed 3% of a participant's compensation plus 50% of the participant's elective deferrals that exceed 3% but do not exceed 5% of compensation. The Employer's annual safe harbor contribution was $204,175 for the year ended December 31, 2017.

The Employer may also make discretionary matching contributions equal to a discretionary percentage, as determined by the Employer, of the participants' elective deferrals. There were no discretionary matching contributions declared or paid for the year ended December 31, 2017.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with (a) the participant's contributions (b) Company matching safe harbor and discretionary matching contributions (when applicable) made to the Plan; and (c) investment earnings. Each participant's account is charged with participant specific fees, such as withdrawal fees, and allocations of investment losses and administrative expenses. Allocations are based on participant earnings or account balances, as defined in the Plan Agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investment Options

The Plan offers various investment options which are managed by outside investment managers. Upon enrollment in the Plan, participants may direct their contributions in any of the investment options offered at the time. Participants should refer to the investment literature provided by the Plan Sponsor for a complete description of the investment options and for the detail composition of each investment fund.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Vesting

Participants are fully vested in their tax-deferred and after-tax Roth contributions, roll-over contributions, catch-up contributions and Employer safe harbor contributions.

Each participant would attain a vested and nonforfeitable right in the Employer discretionary matching contributions (when applicable) in accordance with the following schedule:

Years of Service	Vested Percentage
Less and 2 years	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 years or more	100%

Benefit Payments

Upon termination of service, participants or their beneficiaries may receive all or a portion, as elected, of the vested interest in the participant's account in a lump sum payment or roll over his or her account balance into another qualified plan. Terminated participants with a vested account balance of $1,000 or less (excluding rollovers) will receive an automatic cash-out distribution. Terminated participants with a vested account between $1,000 and $5,000 (excluding rollovers) can elect to receive a lump-sum distribution or rollover their account balances into another qualified plan within a reasonable period of time following the date the participant terminates employment.

Terminated participants with vested account balances of $5,000 or more may elect to receive a distribution of their vested account balance in either a single lump-sum or installments over a period of not more than the participant's (or the participant's beneficiary's) assumed life expectancy.

In-service account withdrawals are permitted for participants who suffer certain financial hardships and meet criteria established by the Internal Revenue Service ("IRS"). In-service account withdrawals are also permitted for participants who have reached the normal retirement age (65 years old).

Any withdrawals by participants prior to terminating employment with the Employer and prior to age 65 are subject to ordinary personal income taxes and penalty. Additionally, withdrawals by terminated participants, prior to the attainment of age 59½, which are not rolled over into another qualified plan, are also subject to ordinary income taxes and penalty.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Forfeitures

There were no forfeited accounts during the year ended December 31, 2017. Forfeitures would be added to any Employer discretionary matching contributions and allocated in the same manner.

Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Accounting Method

The Plan financial statements have been prepared on the accrual basis of accounting in accordance with Accounting Principles Generally Accepted in the United States of America ("GAAP").

Use of Estimates

In preparing financial statements in conformity with GAAP, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties

Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Income Taxes

GAAP requires management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merit, to be sustained upon examination by the IRS. The Employer has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2017 and 2016, there were no uncertain positions taken or expected to be taken. The Plan has not recognized any interest or penalties related to uncertain tax positions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Investment Valuation and Income

The Plan's investments are in pooled separate accounts and are stated at fair value, which is determined by Ohio National based on each fund's unit value as further described in Note 4. When calculating each pooled separate account's unit value, Ohio National uses the observable Net Asset Value (NAV) of the underlying investment. Pooled separate account purchases and sales are recorded on a trade-date basis and dividends are recorded when received.

Purchases and sales of investments are recorded on a trade date basis. Realized gains and losses are based on an average cost basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Costs and Expenses

The costs and expenses of the Plan are shared by the Plan and the Employer. Audit fees are paid by the Employer. Participant specific fees are paid out of the assets of the Plan allocated to corresponding participant accounts. Administration expenses not directly related to specific participants, including fees for direct investment transactions, recordkeeping, and trustee services, paid out of assets of the Plan, are allocated to participant accounts based on individual participant account balances. Investment related expenses are included in the net appreciation in fair value of the related investment.

Payment of Benefits

Benefit payments to participants are recorded upon distribution. There were no amounts allocated to accounts of persons who have elected to withdraw from the Plan as of December 31, 2017 and 2016.

NOTE 3 - INVESTMENTS AND INFORMATION CERTIFIED BY OHIO NATIONAL (UNAUDITED)

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.1038 of the U.S. Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditor not to perform any auditing procedures with respect to the following information certified by Ohio National, except for comparing such information certified by the asset custodian to information included in the Plan's financial statements and supplemental schedules.

As of December 31, 2017 and 2016, Ohio National certified the completeness and accuracy of net investments as follows:

	2017	2016
Pooled separate accounts	$ 1,411,601	$ 731,838

NOTE 3 - INVESTMENTS AND INFORMATION CERTIFIED BY OHIO NATIONAL (UNAUDITED) (Continued)

For the year ended December 31, 2017, Ohio National certified the completeness and accuracy of net investment income and loss as follows:

Net appreciation in fair value of pooled separate accounts	$ 183,155

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan uses Accounting Standards Codification ("ASC") 820 for fair value measurements which defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). To measure fair value, a hierarchy has been established that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs. As such, the hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are as follows:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 – Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly.

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable, including option pricing models, discounted cash flow models, and similar techniques.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following descriptions of the valuation methods and assumptions used by the Plan to estimate the fair values of investments apply to investments held directly by the Plan.

Pooled Separate Accounts: The Plan's investments in pooled separate accounts are valued at the NAV established by the fund manager on a daily basis. The NAVs are used as a practical expedient to estimate fair value and are based on the fair value of the underlying investments held by the funds. There are no redemption restrictions on these investments. In addition, the Plan has no unfunded commitments and the funds can be redeemed daily with no notice period.

NOTE 4 - FAIR VALUE MEASUREMENTS (Continued)

The following table shows the balances of these assets based on their GAAP designated levels as of December 31, 2017 and 2016:

	Assets at Fair Value as of December 31, 2017				
	Level 1	Level 2	Level 3	NAV	Total
Pooled separate accounts*	$ -	$ -	$ -	$ 1,411,601	$ 1,411,601
Total investments measured at fair value	$ -	$ -	$ -	$ 1,411,601	$ 1,411,601

	Assets at Fair Value as of December 31, 2016				
	Level 1	Level 2	Level 3	NAV	Total
Pooled separate accounts*	$ -	$ -	$ -	$ 731,838	$ 731,838
Total investments measured at fair value	$ -	$ -	$ -	$ 731,838	$ 731,838

* - Investments measured at fair value using net asset value per share (or its equivalent) as a practical expedient are not required to be classified in the fair value hierarchy. The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

There were no transfers between fair value levels during the years ended December 31, 2017 and 2016.

NOTE 5 - TAX STATUS

By a letter dated March 31, 2014, the IRS has determined that the form of the Plan Agreement and related trust meet are acceptable under Section 401(a) of the Internal Revenue Code ("IRC") for use by employers for the benefit of their employees. The Employer believes that the Plan is currently designed and operated in compliance with the applicable requirements of the Code and the Plan and related trust continue to be tax-exempt. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is still subject to federal and state income tax examinations by taxing authorities for the years ended December 31, 2017 and 2016.

NOTE 6 – RELATED-PARTY TRANSACTIONS

The Plan investments were pooled separate accounts managed Ohio National. Ohio National was the custodian as defined by the Plan and, therefore, transactions involving them qualify as party-in-interest transactions. Fees paid by the Plan for the investment management services amounted to $3,350 for the year ended December 31, 2017.

NOTE 7 - FINANCIAL STATEMENT PRESENTATION

The financial statements of the Plan contain certain classifications of assets, additions to net assets, and deductions from net assets that differ from the presentation of assets, income and expenses that are reported on Internal Revenue Service Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 as of December 31, 2017 and 2016:

	2017	2016
Net assets available for benefits per the financial statement	$ 1,411,601	$ 731,838
Net assets available for benefits per Form 5500	$ 1,411,601	$ 731,838

The following is a reconciliation of the increase in net assets available for benefits per the financial statements to the Form 5500 for the year ended December 31, 2017:

	2017
Net increase in assets available for benefits per the financial statements	$ 679,763
Net increase in assets available for benefits per Form 5500	$ 679,763

NOTE 8 - SUBSEQUENT EVENTS

Subsequent events were evaluated through October 15, 2018, which is the date the financial statements were available to be issued.
