FRAM GROUP EMPLOYEE 401(k) SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 1 - DESCRIPTION OF PLAN

The following description of the FRAM Group Employee 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General and Eligibility: The Plan covers all employees who meet the eligibility requirements of the FRAM Group Operations LLC (the Company), and its subsidiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Plan was administered by the UCI-FRAM Group Retirement Committee (the Retirement Committee), acting on behalf of the Plan sponsor, the Company. During 2016, the administration of the Plan was assumed by the Retirement Benefits Administration Committee.

Effective July 1, 2015, the Plan was amended to reflect that Wells Manufacturing, LP (Wells), a subsidiary of the Company through July 1, 2015, ceased to be an adopting employer whose employees participate in the Plan. Effective July 1, 2015, the Company sold Wells and those participants are no longer contributing to the plan. In connection with this transaction, all Wells participants became 100% vested in their accounts.

On June 2, 2016, United Components, LLC filed a voluntary petition for reorganization under Chapter 11 in the U.S. Bankruptcy Court for the District of Delaware. The Plan is in joint administration with UCI International, LLC. UCI International, LLC. filed a plan of reorganization with related disclosure statement in the US Bankruptcy Court on August 26, 2016. In connection with the reorganization, effective July 1, 2016, the Plan was amended to reflect that Airtex Products, LP, Champion Laboratories, LLC, United Components, Inc. and ASC Industries, Inc. cease to be adopting employers.

Contributions: Each year participants may contribute any amount from 0% to 85% of pretax annual compensation, as defined in the Plan. Effective January 1, 2016, employees are automatically enrolled at a 2% and 5% deferral rate for bargaining and non-bargaining employees, respectively, upon becoming eligible to participate in the Plan and they may elect to change or discontinue deferrals at any time. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans.

Non-bargaining employees are entitled to receive a matching contribution from their respective employer equal to the first 5% of eligible compensation contributed by the participant. Additional matching contribution is permitted. Bargained employees are entitled to receive a matching contribution in accordance with the conditions outlined in their applicable collective bargaining agreement.

Participants employed on the last day of the Plan year are also entitled to receive an Employer Retirement Income Contribution (ERIC) equal to 2% of the participant's compensation. Bargained employees are entitled to receive an ERIC in accordance with the conditions outlined in their applicable collective bargaining agreement.

Participant Accounts: Each participant's account is credited with the participant's contributions, the employer's contributions, and investment income and is charged with withdrawals and an allocation of the Plan losses and administrative expenses, as defined in the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Each participant directs the investment of his or her account to any of the investment options available under the Plan.

NOTES TO FINANCIAL STATEMENTS
December 31, 2017 and 2016

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Notes Receivable from Participants: Participants may borrow from their vested account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. Loan transactions are treated as a transfer from the investment fund to the participant loan fund. Loan terms range from one to five years, except 25 years in the case of a loan used to acquire a dwelling unit that will be used as the principal residence of the participant. The loans are secured by the balance in the participant's account and bear interest at a rate reasonable at the time of application. Principal and interest are repaid through payroll deductions.

Vesting and Payment of Benefits: Participants are immediately vested in their contributions, safe-harbor matching contributions, and rollovers plus actual earnings thereon. Matching contributions made prior to 1/1/14 for non-bargaining employees who are not an eligible employee as of 1/1/14, and all matching contributions made for bargaining employees, except Preston USA division, are subject to the three years vesting schedule. Effective on April 1, 2016, Preston USA division shall be 100% vested regardless of the vesting services. Matching contributions made prior to 1/1/14 for non-bargaining employees who are an eligible employee as of 1/1/14 are 100% vested. Matching contributions made on or after 1/1/14 for all employees are 100% vested.

On termination of service, a participant may elect to receive either a lump sum amount equal to the value of the participant's account, or rollover the amount into another eligible form of investment. Withdrawals from participant accounts are permitted in accordance with terms in the Plan document. In certain circumstances, participants may make "hardship withdrawals" as defined in the Plan. Active participants may also take distributions from the Plan upon attainment of age 59½.

Retirement, Death and Disability: A participant is entitled to 100% of his or her account balance upon retirement, death or disability.

Forfeitures: Forfeitures of former participants' non-vested account balances may first be used to pay administrative expenses. Forfeitures of matching contributions that relate to excess amounts that have not been used to pay administrative expenses, shall be applied to reduce employer contributions made after the forfeitures are determined.

Plan Termination: Although it has not expressed any intent to do so, the Company has the right under the plan agreement to discontinue contributions at any time and to terminate the Plan subject to provisions of ERISA. In the event of plan termination, participants would become 100% vested in their Company contributions and earnings thereon.

Transfers to Other Plans: From time to time, changes in employee status require the transfer of funds between various defined contribution plans sponsored by the plan sponsor. Transfers to other plans reflected in the Statement of Changes in Net Assets Available for Benefits resulted from these types of transfers.

Subsequent Events: Plan management has evaluated subsequent events for recognition and disclosure through October 12, 2018, which is the date the financial statements were available to be issued.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared under the accrual basis of accounting.

Estimates: The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures, and actual results may differ from these estimates.

Investment Valuation and Income Recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See note 5 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants: Notes receivable from participants are measured at their unpaid balance plus any accrued but unpaid interest, with no allowance for credit losses, as repayments of principal and interest are received through payroll deductions and the notes are collateralized by the participants' account balances.

Payment of Benefits and Administrative Expenses: Benefits are recorded when paid. All Plan expenses are paid by participants unless paid by the Company at its discretion and in accordance with the Plan document. In addition, forfeitures may be applied toward the payment of Plan expenses.

NOTE 3 - INCOME TAXES

The Internal Revenue Service has determined and informed the Company by a letter dated February 15, 2017, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, plan management believes that the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Therefore, they believe that the Plan was qualified and the related trust was tax-exempt as of the financial statement date.

U.S. GAAP requires Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the organization has taken an uncertain position that more likely than not would be sustained upon examination by the IRS or other applicable taxing authorities. The Plan administrator has analyzed the tax positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2014.

NOTE 4 - UNAUDITED INFORMATION – CERTIFIED INVESTMENTS AND NOTES RECEIVABLE FROM PARTICIPANTS

Substantially all information pertaining to the Plan's investments and notes receivable from participants included in the financial statements, including the associated investment income and interest earned on notes receivable from participants, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company, the trustee of the Plan. This information has not been audited by independent accountants.

NOTE 5 - FAIR VALUE MEASUREMENTS

The fair value framework requires categorization of assets and liabilities into three levels based upon the assumptions (inputs) used to price the assets or liabilities. Level 1 provides the most reliable measure of fair value; whereas, Level 3 generally requires significant management judgment. The three levels are defined as follows:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the Plan has the ability to access as of the measurement date.

Level 2: Significant other observable inputs other than Level 1 prices such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data.

Level 3: Significant unobservable inputs that reflect the Plan's own assumptions about the assumptions that market participants would use in pricing an asset or liability.

In some cases, a valuation technique used to measure fair value may include inputs from multiple levels of the fair value hierarchy. The lowest level of significant input determines the placement of the entire fair value measurement in the hierarchy.

The following presents the valuation methods and assumptions used by the Plan to estimate the fair values of investments.

Registered Investment Companies: The fair values of mutual fund investments are determined by obtaining quoted prices on nationally recognized securities exchanges (Level 1 inputs).

Collective Trusts: The fair values of participation units held in collective trusts are based on the net asset values per unit as reported by the fund managers. All of the collective trusts provide for daily redemptions by the Plan at reported net asset values per share with no advance notice requirement.

Pooled Separate Accounts: The fair values of participation units held in pooled separate accounts are based on the net asset values reported by the fund managers as of the financial statement dates and recent transaction prices. The pooled separate accounts are restricted to one redemption per 30-day period.

The fair value amounts presented in this table for such investments are intended to permit reconciliation of the fair value hierarchy to the investments at fair value line item presented in the statement of net assets available for benefits.

NOTE 6 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 7 - PARTY-IN-INTEREST TRANSACTIONS

Parties-in-interest are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain others. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company. Delaware Charter Guarantee and Trust Company d/b/a Principal Trust Company is the Plan's trustee, and therefore, the Plan's payment of trustee fees, investment management and administrative fees to the trustee, or affiliates of the trustee, qualify as party-in-interest transactions. Certain plan investments are pooled separate accounts managed by affiliates of the trustee of the Plan, and these investments qualify as party-in-interest investments. Notes receivable from participants also reflect party-in-interest transactions.
