INDEPENDENT AUDITORS' REPORT

To the Trustees and Plan Administrator of
U.S. Gas & Electric, Inc. 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of U.S. Gas & Electric, Inc. 401(k) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2017 (in liquidation) and 2016 (ongoing), and the related statement of changes in net assets available for benefits for the year ended December 31, 2017 (in liquidation), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule of assets (held at end of year). We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2017 and 2016, and for the year ended December 31, 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

As discussed in Note 1 to the financial statements, the Trustees of U.S Gas and Electric, Inc., the Plan's sponsor, approved a plan of liquidation on November 1, 2017 and determined liquidation is imminent. Substantially all assets of the Plan were transferred to the Crius 401(k) Plan on December 29, 2017 (see Note 1). As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2016 financial statements to the liquidation basis used in presenting the 2017 financial statements. Our opinion is not modified with respect to this matter.

The supplemental schedule of assets (held at end of year) as of December 31, 2017 is required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

FOR THE YEAR ENDED DECEMBER 31, 2017

NOTE 1 – DESCRIPTION OF THE PLAN

The following description of the U.S. Gas & Electric, Inc. 401(k) Plan (the “Plan”) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan’s provisions.

GENERAL

The Plan, which was established on January 1, 2009, is a defined contribution plan covering eligible employees of U.S. Gas & Electric, Inc. (the “Employer,” the “Company,” or the “Plan Sponsor”) who have reached age 18 and on the first day of the quarter following the completion of six months of service, as defined in the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”).

TRANSFER OF ASSETS TO THE CRIUS 401(K) PLAN

On July 5, 2017, the Company was acquired by Crius Energy Management, LLC (“Crius”). Subsequent to the acquisition, on November 1, 2017, the trustees of the Plan approved a transfer of all the assets of the Plan into the Crius 401(k) Plan (an existing plan controlled by the acquiring Company). Substantially all assets of the Plan were transferred into the Crius 401(k) Plan on December 29, 2017. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2016 financial statements to the liquidation basis used in presenting the 2017 financial statements.

CONTRIBUTIONS

Each year, participants may contribute up to 100% of pre-tax or after-tax (Roth) annual eligible compensation up to the maximum amount allowable per the annual limits established in the Internal Revenue Code (“IRC”). Participants who are 50 years of age or older may elect to defer additional amounts (called “catch-up contributions”) to the Plan for that year. These “catch-up contributions” are also subject to IRC limitations. In addition, participants may be permitted to deposit distributions received from other plans and certain individual retirement accounts into the Plan (“Rollovers”).

In order to maintain “safe harbor” status, the Plan Sponsor will make matching contributions equal to three percent of each participant’s eligible compensation for the Plan year. In addition, each year, the Plan Sponsor may make discretionary matching contributions to the Plan up to four percent of a participant’s eligible compensation for the Plan year. During the year ended December 31, 2017, there were no discretionary matching contributions to the Plan.

NOTE 1 – DESCRIPTION OF THE PLAN (CONTINUED)

CONTRIBUTIONS (CONTINUED)

Participants direct the investment of their contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contributions, the Company's safe harbor matching contributions, any Rollovers into the Plan, and an allocation of the Company's discretionary matching contributions, if any, and Plan earnings or losses. Each participant's account is reduced by any withdrawals or distributions and an allocation of administrative fees paid by the Plan. Allocations are based on participant earnings or accounts balances, as defined by the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

VESTING

Participants are immediately 100% vested in their elective deferrals, catch-up contributions, Rollovers, and the Company's safe harbor matching contributions. However, to be vested in discretionary matching contributions made by the Plan Sponsor to the Plan, participants must be employed with the Plan Sponsor for a specified period of time.

A participant is 100% vested in discretionary matching contributions after six years of service according to the following schedule:

<u>Years of Service</u>	<u>Vested Percentage</u>
Less than 2	0%
2	20%
3	40%
4	60%
5	80%
6	100%

A participant must provide a minimum of 1,000 hours of service each year to complete a year of vesting service. The Plan provides for 100% vesting of Company contributions and earnings thereon upon death, disability or attainment of normal retirement age, as defined in the Plan document.

On December 29, 2017, substantially all assets of the Plan were transferred to the Crius 401(k) Plan. Upon the date of termination, all participants were fully vested in their accounts.

PAYMENT OF BENEFITS

Upon termination of service due to death, disability or retirement, a participant or the named beneficiary may elect to receive a distribution of the vested portion of the participant's account balance in the form of a single lump-sum payment. Withdrawals under the Plan are allowed for hardship (as defined by the IRC) or the attainment of age 59^{1/2}.

HARDSHIP WITHDRAWALS

A participant who is experiencing a financial hardship, as defined in the Plan document, may request a withdrawal of all or any portion of such participant's salary deferral contributions, Rollovers plus earnings, if any. For the year ended December 31, 2017, hardship withdrawals amounted to approximately \$76,000, which is included in benefits paid to participants in the accompanying Statement of Changes in Net Assets Available for Benefits (in liquidation).

FORFEITURES

Forfeitures are those amounts of the Plan Sponsor's discretionary matching contributions in which a participant is not fully vested at the time of termination. Forfeitures of non-vested account balances may be used either to pay administrative expenses or to offset the Plan Sponsor's discretionary matching contributions. During the year ended December 31, 2017, there were no forfeitures used to pay administrative expenses or to offset the Plan Sponsor's discretionary matching contributions. At December 31, 2017 and 2016, there were no available forfeitures to reduce future administrative expenses or contributions.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

USE OF ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”) requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Management of the Plan determines the Plan’s valuation policies utilizing information provided by the investment advisors and trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold as well as held during the year.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

PLAN EXPENSES

Administrative expenses incurred in relation to the maintenance of the Plan are substantially paid by the Plan Sponsor and are excluded from these financial statements. Certain fees related to investment expenses are charged directly to the participant’s account and are included in administrative expenses. The remaining investment related expenses are included in net appreciation of fair value of investments.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market and credit risk. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the value of investment securities will occur in the near term and that such changes could materially affect the participant account balances and the amounts reported in the statements of net assets available for benefits. The Plan, through its investment advisor, monitors the Plan's investments and the risks associated therewith on a regular basis, which the Plan believes minimizes these risks.

SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through October, XX, 2018, the date the financial statements were available to be issued.

NOTE 3 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2017 (in liquidation) and 2016 (ongoing), and net appreciation in fair value of investments, interest and dividends for the year ended December 31, 2017 (in liquidation), was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company, the trustee of the Plan.

NOTE 4 – FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) Topic 820, Fair Value Measurements and Disclosures are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

NOTE 4 – FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Mutual Funds

Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (“NAV”) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-Directed Brokerage Accounts

Valued based on the fair value of the underlying investments. The underlying investments are carried at fair value based on quoted market prices.

The following table sets forth by level, within the fair value hierarchy, the Plan’s assets at fair value as of December 31, 2017 and 2016:

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Self-directed brokerage accounts	\$ 49	\$ --	\$ --	\$ 49
Investments at Fair Value	\$ 49	\$ --	\$ --	\$ 49

	Assets at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 5,204,193	\$ --	\$ --	\$ 5,204,193
Self-directed brokerage accounts	75,802	--	--	75,802
Investments at Fair Value	\$ 5,279,995	\$ --	\$ --	\$ 5,279,995

NOTE 5 – TAX STATUS

The Plan uses a volume submitted profit-sharing plan with CODA, which received an opinion letter from the Internal Revenue Service (“IRS”) dated March 31, 2014, that the Plan and related trust, as then designed, was in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving the opinion letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believes that the Plan is qualified and the related trust is tax-exempt.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Fidelity Management Trust Company. Fidelity Management Trust Company is the trustee as defined by the Plan document and, therefore, these transactions qualify as party-in-interest transactions. Fees incurred by the Plan for the investment management services are included in net appreciation in fair value of the investment, as they are paid through revenue sharing, rather than a direct payment. Fees paid by the Plan to Fidelity Management Trust Company for administrative services were approximately \$8,000 for the year ended December 31, 2017.
