WATSONVILLE COMMUNITY HOSPITAL MONEY PURCHASE PENSION PLAN

Notes to Financial Statements
Years Ended December 31, 2017 and 2016

NOTE 1. DESCRIPTION OF PLAN

The following description of the Watsonville Community Hospital Money Purchase Pension Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General: The Plan is a defined contribution plan, covering all hospital employees—except non-benefited employees, Hospital managers, highly compensated employees, and certain union employees—who are twenty-one years or older and have completed twelve months of service. Watsonville Community Hospital (the Hospital) is the Plan sponsor. Variable Annuity Life Insurance Co. (VALIC) is the Plan Administrator and also holds the assets of the Plan in trust. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: For 2017 and 2016, the Hospital contributed to the Plan each pay period an amount equal to six percent of the participants' eligible compensation for all qualified employees. Voluntary employee contributions are not permitted. The Plan is fully funded.

Participant Accounts: Each participant's account is credited with an allocation of (a) the Hospital's contributions, and (b) Plan earnings. Allocations are based on participant earnings or account balances, as appropriate. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Vesting: Participants are immediately vested in their employer contributions plus actual earnings thereon.

Payment of Benefits: Participants are entitled to receive the vested balance of their accounts upon death, disability, retirement, termination of employment, or upon request after reaching age 59 ½. On termination of employment, a participant with a vested account balance of greater than \$5,000 may elect to receive either a lump-sum amount equal to the value of his or her account, or annual installments over the life expectancy of the participant. Participants with a vested account balance of \$5,000 or less may be paid in a lump sum.

Forfeited Accounts: At December 31, 2017 and 2016, unallocated non-vested accounts totaled \$13,494 and \$13,475, respectively. Amounts forfeited will be used to reduce future employer contributions. During the years ended December 31, 2017 and 2016, no forfeitures were used to reduce employer contributions.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting: The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates: The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Accounting for Fully Benefit-Responsive Investments: Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measurement attribute, for that portion of the net assets attributable to fully benefit-responsive investment contracts, because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the Plan.

Investment Valuation and Income Recognition: Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Investment Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance company. See note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits: Benefits are recorded when paid.

Plan Expenses: Certain expenses of maintaining the Plan are paid directly by Watsonville Community Hospital and are excluded from these financial statements. Investment management fees and other fees related to investments of the Plan are paid from the earnings of the Plan's investments.

NOTE 3. FAIR VALUE MEASUREMENTS

Following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31:

<i>Assets at Fair Value as of December 31, 2017</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 28,411,281</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 28,411,281</u>
<i>Assets at Fair Value as of December 31, 2016</i>				
	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Mutual funds	<u>\$ 24,600,397</u>	<u>\$ --</u>	<u>\$ --</u>	<u>\$ 24,600,397</u>

NOTE 4. GUARANTEED INVESTMENT CONTRACT WITH VARIABLE ANNUITY LIFE INSURANCE COMPANY

The Plan has entered into a benefit-responsive guaranteed investment contract with Variable Annuity Life Insurance Co. (VALIC). VALIC maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract is fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. Contract value, as reported to the Plan by VALIC, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

**NOTE 4. GUARANTEED INVESTMENT CONTRACT WITH VARIABLE ANNUITY LIFE INSURANCE COMPANY
(Continued)**

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The crediting interest rate is based on a formula agreed upon with the issuer, but it may not be less than 2 percent for accounts setup after December 1, 2003. Such interest rates are reviewed on a monthly basis for resetting.

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include (1) amendments to the Plan documents (including complete or partial Plan termination or merger with another Plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the Plan sponsor or other Plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator believes that any events that would limit the Plan's ability to transact at contract value with participants are probable of not occurring.

The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5. CERTIFIED INFORMATION

The financial information included in the Plan's financial statements as it relates to investment assets, investment transactions, investment income, and the schedule of assets (held at end of year) have been derived from information certified as complete and accurate by Variable Annuity Life Insurance Company, a subsidiary of American International Group, Inc. (AIG), the trustee of the Plan, in accordance with Section 29 CFR 2520.103-5(c) of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Security Act of 1974.

NOTE 6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Hospital has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

NOTE 7. TAX STATUS

The Plan obtained its latest determination letter on March 31, 2014 in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter. However, the Plan sponsor believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

The Financial Accounting Standards Board issued guidance that clarifies the accounting for uncertainty in income taxes recognized in the Plan's financial statements. In addition, the guidance prescribes a comprehensive model for recognizing, measuring, presenting, and disclosing in the financial statements tax positions taken or expected to be taken on a tax return, including positions that the Plan is not subject to income taxes. In addition, it provides guidance on de-recognition, classification, interest and penalties, accounting for interim periods, disclosure, and transition. Only tax positions that meet the more likely than not recognition threshold at the effective date may be recognized upon adoption of guidance.

As of December 31, 2017, the Plan has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

NOTE 8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9. PARTY-IN-INTEREST

VALIC is the custodian and administrator of the Plan and, as such, is a party-in-interest. The purchase by the Plan of certain proprietary funds sponsored by VALIC constitutes party-in-interest transactions, which are allowable transactions under the ERISA regulations.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation and financial reporting of the Plan. The Company pays these individuals' salaries and also pays other administrative expense on behalf of the Plan. Certain fees, to the extent not paid by the Company, are paid by the Plan.

These transactions are not deemed prohibited party-in-interest transactions, because they are covered by statutory and administrative exemptions from the Code and ERISA's rules on prohibited transactions.

The Plan's management is not aware of any subsequent events that would require recognition or disclosure in the financial statements.
