Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Global Holdings LLC 401k Profit Sharing Plan and Trust (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Predecessor Auditors' Disclaimer of Opinion on 2016 Financial Statements

The financial statements of the Plan as of December 31, 2016, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by the trustee. Their report, dated September 11, 2017, indicated that because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Minnesota Life Insurance Company, the insurance carrier of the Plan for the period March 16, 2017 to December 31, 2017, and INTRUST Bank, N.A., the trustee of the Plan for the period January 1, 2017 to March 15, 2017, except for comparing such information with the related information included in the financial statements. We have been informed

by the plan administrator that the insurance carrier and trustee hold the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the insurance carrier and trustee as of December 31, 2017, and for the year ended December 31, 2017, that the information provided to the plan administrator by the insurance carrier and trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of delinquent participant contributions and schedule of assets (held at end of year) are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on these supplemental schedules.

Report on Form and Content in Compliance with Department of Labor Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the insurance carrier and trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

GLOBAL HOLDINGS LLC 401(k) PROFIT SHARING PLAN AND TRUST
NOTES TO FINANCIAL STATEMENTS
AS OF DECEMBER 31, 2017 AND 2016, AND FOR THE
YEAR ENDED DECEMBER 31, 2017

Note 1 – Description of the Plan

Global Holdings LLC (the “Company” or “Employer”) sponsors the Global Holdings LLC 401(k) Profit Sharing Plan and Trust (the “Plan”). The following description provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan established for the benefit of the Company's employees, except for collective bargaining employees and nonresident aliens. The Plan is administered by the 401(k) Profit Sharing Plan Administrative Committee, which is a committee appointed by the Company's board of directors. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Prior to March 15, 2017, INTRUST Bank, N.A. (“Intrust”) was the trustee of the Plan. Effective March 15, 2017, the Company was named trustee and Minnesota Life Insurance Company (“Minnesota Life”), was appointed as insurance carrier of the Plan’s assets. Participant account balances were transferred to Minnesota Life into funds based on their date of birth, except for the Wells Fargo Stable Return Fund E, (the “Fund”), which is held by Wells Fargo, N.A. Participant balances that were in the Fund prior to the conversion remained in the Fund after the conversion. The conversion initiated a blackout period beginning March 10, 2017 and continuing through April 3, 2017. During the blackout period, contributions could not be applied to employee-selected funds with Minnesota Life or withdrawn from the Plan until Minnesota Life had time to accurately complete the conversion. During the blackout period, employee contributions continued to be made through payroll deductions, and the contributions were deposited and held in an interest-bearing account until the completion of the blackout period. At the end of the blackout period, these contributions were transferred to the investment options requested by each participant. Participant contributions to the Fund were not allowed after the conversion.

Eligibility

Non-excluded employees who have reached 18 years of age and have completed six months of service are eligible to participate in the Plan. Participants may enroll in the Plan immediately after satisfying eligibility requirements.

Contributions

Participants may contribute up to the maximum allowed by law of their compensation, as defined, as either pretax or Roth deferrals. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions.

The Plan also provides for Employer safe-harbor matching contributions. The fixed rate is equal to 100% of deferrals up to 3%, plus 50% of deferrals in excess of 3%, but not in excess of 5% of a participant's

eligible compensation, as defined. Employer matching contributions are based on deferrals made each payroll period.

Additional amounts may be contributed by the Employer under the Plan's non-elective provisions at the discretion of the Company's board of directors. Allocations of non-elective contributions are based on the proportion of each participant's compensation to the total of all participants' eligible compensation, as defined. No non-elective contributions were made in 2017.

Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Contributions are subject to certain Internal Revenue Code ("IRC") limitations.

Participant Accounts

Individual accounts are maintained for each Plan participant. Each participant's account is credited with participant contributions, Employer safe-harbor matching contributions, and allocations of Employer non-elective contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Investments

Participants may direct the investment of their contributions, Employer contributions and/or account balances into various investment options offered by the Plan and may change investments and transfer amounts between funds daily, except for the Fund, which was frozen to new contributions on March 15, 2017.

Vesting

Participants are vested immediately in all contributions plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their vested accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000, reduced by the highest outstanding loan balance during the preceding 12-month period, or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates determined by the administrator in a nondiscriminatory manner. Only two loans may be outstanding at any given time. Prior to March 15, 2017, principal and interest was paid ratably through payroll deductions or deducted directly from the participant's bank account. Subsequent to March 15, 2017, all payments are made through direct deductions from the participant's bank account. As of December 31, 2017, participant loans have maturities through 2022 at interest rates ranging from 4.25% to 5.25%.

Payment of Benefits

Upon retirement (attainment of age 65), termination, disability or death, a participant, or his or her beneficiary in the event of death, may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Additionally, participants may take in-service distributions upon reaching age 59½. Upon termination, automatic distributions are required for balances

of less than \$5,000. Generally, certain minimum distributions are required for participants who have separated from service and have reached age 70½.

The Plan allows hardship withdrawals, subject to account balance limits and applicable laws.

Administrative Expenses

Administrative expenses of the Plan are paid by the Plan or the Employer, as provided in the Plan document. Participants pay administrative costs for loans, distributions and qualified domestic relation orders.

All investment management and transaction fees directly related to the Plan investments are paid by the Plan. Management fees and operating expenses charged to the Plan for investments are deducted from income earned on a daily basis and are not separately reflected. Consequently, investment management fees and operating expenses are reflected as a reduction of investment return for such investments.

Note 2 – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (“GAAP”).

Use of Estimates

The preparation of the financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties

The Plan provides various investment options to its participants. Investment securities, in general, are exposed to various risks, such as interest rate risk, credit risk, and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the value of the participants’ account balances and the amounts reported in the financial statements.

Investment Valuation and Income Recognition

The Plan’s investments are stated at fair value, except for the Guaranteed Return Account which is reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Contract value is the amount Plan participants would receive if they were to initiate permitted transactions under the terms of the Plan (see Note 6). See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan’s gains and losses on investments bought and sold, as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the Plan document.

Payment of Benefits

Benefit payments are recorded when paid. There were no participants who had elected to withdraw from the Plan, but had not yet been paid as of December 31, 2017 or 2016.

Excess Contributions Payable

The Plan is required to return contributions received during the Plan year in excess of the IRC limits.

Subsequent Events

The Plan administrator has evaluated subsequent events through October 12, 2018, the date the financial statements were available to be issued.

Note 3 – Information Certified by the Trustee and Insurance Carrier

The following is a summary of the unaudited information regarding the Plan as of December 31, 2017 and 2016, and for the year ended December 31, 2017, included in the Plan's financial statements and supplemental schedule, that was prepared by or derived from information prepared by Minnesota Life Insurance Company, the insurance carrier for the Plan as of December 31, 2017 and for the period March 16, 2017 to December 31, 2017, and INTRUST Bank, N.A., the trustee of the plan as of December 31, 2016 and for the period January 1, 2017 to March 15, 2017, and furnished to the Plan administrator. The Plan administrator has obtained certifications from the trustee and insurance carrier that such information is complete and accurate.

* Excludes the Wells Fargo Stable Return Fund E balance of \$184,911 and earnings of \$2,608, which is held outside of Minnesota Life.

Note 4 – Fair Value Measurements

ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset and liabilities are classified in their entirety based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used for assets measured at fair value:

Pooled Separate Accounts – Group annuity contracts issued by Minnesota Life that invest in a mutual fund or a portfolio of securities managed by an investment firm. The unit value is based on the fair value of the underlying investments held by the fund less its liabilities.

Stable Value Collective Trust Fund – The Fund is a collective trust fund that has invested all of its assets in the Wells Fargo Stable Return Fund G (“Fund G”), a collective trust fund sponsored by Wells Fargo Bank, N.A. The net asset value (“NAV”) of the Fund is based on the underlying unit value reported by Fund G. Fund G has underlying investments in investment contracts and security-backed contracts of which Fund G’s NAV is based on the value of these underlying investments. The NAV is used as a practical expedient to estimate fair value.

As of March 15, 2017, this investment option was frozen. Subsequent to December 31, 2017, the Fund was liquidated and removed from the Plan’s investment options. There were no charges to participants as a result of the liquidation.

Mutual Funds – Valued at the daily closing price as reported by the fund, which represent the NAV of shares held by the Plan at year-end. The mutual funds held by the Plan as of December 31, 2016 are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

All fair value investments held as of December 31, 2017 are valued at NAV, see Note 5. The following table sets forth by level within the fair value hierarchy a summary of the Plan's investments measured at fair value on a recurring basis at December 31, 2016:

	Active Markets for Identical Assets (Level 1)	Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)	2016 Total
Mutual funds	<u>\$ 3,242,395</u>	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 3,242,395</u>
* Investments measured at NAV				<u>183,999</u>
Total investments				<u>\$ 3,426,394</u>

* In accordance with ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented on the statements of net assets available for benefits.

There have been no changes in the methodologies used at December 31, 2017 and 2016. During the years ended December 31, 2017 and 2016, there were no transfers between levels.

Note 5 – Net Asset Value (NAV) per Share

Note 6 – Guaranteed Return Account

The Plan's group annuity contract with Minnesota Life includes investments in pooled separate accounts held outside of the General Account of Minnesota Life and an investment in a Guaranteed Return Account ("GRA") that is held in the General Account of Minnesota Life. All contributions allocated to the GRA shall become part of Minnesota Life. All contributions allocated to the GRA shall be credited with interest as declared and changed from time to time by Minnesota Life for this contract, in accordance with its usual practices for contracts of this class. The GRA credited rate is expressed as an effective annual rate. Interest

will be credited daily at a rate equivalent to the GRA credited rate, which shall not be less than 1.00%.

The value of the GRA maintained under this contract is equal to all contributions allocated to the General Account on behalf of the Participant, plus interest and transfers into the General Account on behalf of the Participant, less any applicable administrative expense charge, any applicable state premium taxes, any previous withdrawals from the General Account, and any transfers out of the General Account on behalf of the participant.

Note 7 – Exempt Party-in-Interest Transactions

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan, including the Company. Certain plan investments are offered through a group annuity contract issued by Minnesota Life, the Plan's insurance carrier. The Plan also issues loans to participants, which are secured by the vested balances in the participants' accounts. These transactions qualify as party-in-interest transactions.

Note 8 – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 9 – Federal Income Tax Status

Prior to March 16, 2017, the Company used a prototype plan sponsored by Intrust. Intrust received an opinion letter from the Internal Revenue Service ("IRS"), dated March 31, 2014, that the Intrust prototype document satisfies the applicable sections of the IRC. Effective March 16, 2017, the Company adopted a prototype plan sponsored by Minnesota Life. Minnesota Life received an opinion letter from the IRS, dated March 31, 2014, that the Minnesota Life prototype document satisfies the applicable sections of the IRC.

The Plan itself has not received a determination letter from the IRS. However, the Plan's management believes the Plan is currently designed and is being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Note 10 – Nonexempt Party-in-Interest Transactions

The Company remitted certain 2017 participant contributions of \$54,340 to the custodian later than required by the Department of Labor (DOL) Regulation 2510.3-102. During 2018, the Company made appropriate corrections through the DOL's Voluntary Fiduciary Correction Program and paid the required excise tax on the transactions. In addition, participant accounts were credited with the amount of investment income that would have been earned had the participant contributions been remitted on a timely basis.
