INDEPENDENT AUDITOR'S REPORT

401(k) Retirement Committee and Participants
LA DODGERS 401(K) PLAN

REPORT ON THE FINANCIAL STATEMENTS

We were engaged to audit the accompanying financial statements of *LA Dodgers 401(k) Retirement Plan* (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2017, and 2016, and the related statements of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

BASIS FOR DISCLAIMER OF OPINION

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by the trustees/custodians of the plan, Security Benefit Life Insurance Company and United Missouri Bank (except for comparing such information with the related information included in the financial statements and supplemental schedule). The plan administrator has informed us that the custodian/trustee, Security Benefit Corporation ("SBC"), holds the Plan's investment assets and executes investment transactions through its affiliates, Security Financial Resources ("SFR"), a provider of plan administration and Security Distributors, Inc., a broker/dealer registered with the SEC and Security Benefit Life Insurance. SBC also contracts noncustodial investment recordkeeping services with United Missouri Bank. Both United Missouri Bank (as a noncustodial recordkeeper) provided certification for the mutual funds and Security Benefit Life Insurance provided certification for the fixed income annuity contract as of December 31, 2017 and 2016, that the information provided to the plan administrator by them is complete and accurate.

DISCLAIMER OF OPINION

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

OTHER MATTER – OPINION NOT EXPRESSED ON SUPPLEMENTAL SCHEDULES

Supplemental schedules listed here are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the following supplemental schedules as of or for the year ended December 31, 2017:

1. Schedule 1 - Schedule of Assets (Held at End of Year)

2. Schedule 2 - Schedule of Delinquent Participant Contributions

REPORT ON FORM AND CONTENT IN COMPLIANCE WITH DOL RULES AND REGULATIONS

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Organization

The Plan was established by Los Angeles Dodgers, LLC (the "Company") under the provisions of Section 401(a) of the Internal Revenue Code (IRC), which includes a deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company. The Plan was established on March 1, 2004 and restated on January 1, 2012, when it converted to a Volume Submitter Profit Sharing Plan with CODA offered by ASC Institute LLC.

The plan assets are held by Security Benefit Corporation (SBC) through its affiliates. Security Financial Resources, Inc., a subsidiary of SBC, provides online plan services to the employer and participants.

The Plan is a participant-directed defined contribution plan and subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan recognizes The McCourt Company, LLC, Dodgers Dream Foundation and John McCourt Company, LLC, as adopting employers for the benefit of eligible employees.

Eligibility

Employees are eligible to participate in the Plan who have completed six months of service and worked 500 hours; there are no age requirements. Members of a collective bargaining unit, leased employees, baseball players and non-resident aliens are not permitted to participate in the Plan.

After completion of eligibility requirements, employees are permitted to participate in pretax elective deferrals, matching and discretionary profit sharing contributions. Employees become participants on the first day of each calendar month coinciding with or following the completion of the eligibility requirements.

Participant Contributions

Participants may elect to contribute their eligible pre-tax compensation to the Plan up to the amount allowable under the Plan document and subject to IRC limitations. Participants attaining age 50 before the end of the Plan year are eligible to make catch-up contributions, up to the maximum annual amount allowed by the IRC.

Participants may also contribute amounts representing rollover distributions from other qualified defined benefit or defined contribution plans. The plan will not accept rollovers of designated Roth contributions.

All contributions made by participants are deposited in the trust and allocated among the investment funds in accordance with the participants' effective elections.

NOTE 1 - DESCRIPTION OF PLAN - continued

Employer Contributions

Safe harbor contributions were made for the 2017 plan year. This method requires 100 percent match of salary deferrals up to 4% (not less than 4% and not more than 6%) of compensation.

The plan also permits discretionary matching contributions. The discretionary match is determined, by the employer, at the beginning of each plan year. No discretionary match was made for the 2017 Plan year. The Plan permits the employer to designate all or a portion of any matching contributions as "qualified matching" or "qualified nonelective."

All contributions made on a participant's behalf shall be deposited in the trust and allocated among the investment funds in accordance with the participant's effective elections.

Vesting

Participants are fully vested in their rollover and voluntary and safe-harbor contributions, plus actual earnings thereon.

The vested portion of any participant account attributable to other employer contributions (discretionary employer contributions and discretionary matching contributions) and the earnings thereon is based on years of credited service. A participant becomes 100 percent vested after three (3) years of credited service, or upon reaching normal retirement age, becoming disabled or upon his or her death. Participants vest according to the following schedule:

Discretionary Employer Matching Contributions And Discretionary Employer Contributions	
Years of Service	Percentage
Less than 1	0%
1	50%
2	75%
3 or more	100%

Investment Options

Fixed Annuity Account – Security Benefit Life Insurance Company

Participants may choose as one of its investments, Security Benefit Advisor 457 Variable Annuity (the Fixed Account) which is a separate account of Security Benefit Life Insurance Company (SBL) and established under Kansas law on August 25, 2003. Security Benefit's Fixed Account option is managed by Guggenheim Investments, a subsidiary of Guggenheim Partners.

The Fixed Account is subject to regulation and supervision by the Kansas Department of Insurance. In reliance on certain exemptive and exclusionary provisions, interests in the Fixed Account have not been registered as securities under the Securities Act of 1933 (the 1933 Act), and the Fixed Account has not been registered as an investment company under the Investment Company Act of 1940 (the 1940 Act). Accordingly, neither the Fixed Account nor any interests therein are generally subject to the provisions of the 1933 Act or the 1940 Act. Initial deposits were received April 12, 2004. The Fixed Account's assets are treated as applicable to variable annuity contracts and, therefore, are not chargeable with liabilities arising out of any other business SBL may conduct.

The Fixed Account Option is a group unallocated fixed annuity contract issued by Security Benefit Life Insurance Company ("SBL"), policy form GV4586. The obligations under the Fixed Account option are guaranteed by SBL's General Account in the event that the assets are not sufficient to meet the Fixed Account obligations.

The Owner is the employer whose name the Contract is issued to fund a retirement plan established by a unit of a state or local government under Section 457 of the Internal Revenue Code (IRC).

As an investment advisor, Guggenheim Investments manages Security Benefit's Fixed Account to provide:

1. An option for retirement accounts to provide a fixed crediting rate that is established on a quarterly basis, with a minimum rate that is set at the beginning of each calendar year

2. Adequate liquidity that allows retirement plan participants to move funds in and out of their accounts

Registered Mutual Fund Companies

In addition to the annuity contract offered by Security Benefit Life, participants may also invest in various mutual fund companies offered through Security Financial Resources, Inc. Under provisions of the contract, participant contributions and investment earnings are directed by the participants, which may be invested in various investment alternatives. Investment options include shares of various registered investment companies and an insurance contract account. Participants may elect to transfer investments from one investment fund to any other investment fund on a daily basis.

NOTE 1 - DESCRIPTION OF PLAN - continued

Participant Accounts

Individual accounts are maintained for each of the Plan's participants. Each participant's account is credited with the participant's contributions plus allocations of (a) the Company's contributions and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Fund investment expenses charged by the funds are netted against revenues before allocated to the participant accounts. Expenses for fees paid to the Plan's registered investment advisor (RIA) are reduced from participant accounts based upon participant account balances at the time the fees are paid to the RIA.

Forfeiture of Benefits

If a participant terminates prior to vesting 100 percent in any portion of the Company contributions, the forfeited balance from matching contributions shall be used to pay Plan administrative expenses. Any portion of forfeitures not used to pay Plan administrative expenses shall be used to reduce future employer contributions payable to the Plan. The forfeiture account activity for the plan years ended December 31, 2017 and 2016 is as follows:

Forfeiture Activity	2017	2016
Balance, Beginning of Year	$ 744	$ 728
Forfeitures Credited During the Year	15	-
Forfeitures Applied to Plan Expenses	-	-
Forfeitures Applied to Employer Match	-	-
Fixed Income Account Credit – Account Closed	-	-
Earnings	-	16
Forfeiture Balance - Year-End	$ 759	$ 744

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum amount equal to the lesser of $50,000 or 50 percent of their vested account balances. A loan setup fee is deducted from the participant's account for each loan that is processed. A participant is allowed two outstanding loans at any given time. Loan terms range up to five (5) years unless the loan is used for the purchase of a primary residence, for which the loan term may be extended. Loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined by the plan administrator. The interest rates on loans outstanding during 2017 and 2016 were between 4.25 and 7.00 percent with various maturity dates. Principal and interest is paid ratably through payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN - continued

Payment of Benefits

Upon termination of service due to death, disability or normal retirement age, a participant (or participant's beneficiary in the event of death) will receive a lump-sum distribution equal to the total value of the participant's account. If a participant is terminated for any other reason, the participant shall be entitled to receive a distribution equal to the value of the vested interest in his or her account. A mandatory 20 percent federal tax is withheld on cash distributions. As an alternative to a cash distribution, the participant or beneficiary may request a rollover distribution to another qualified plan. In the event of financial hardship, as defined by the Plan, a participant may request a distribution of any part of their elective deferral contributions. A participant may not make contributions to the Plan for the 6-month period following the date of a hardship distribution.

Administrative Expenses

The expenses related to administration of the Plan are paid by the Plan unless the Company elects to make such payment. Expenses paid directly by the Company are excluded from these financial statements. Investment related expenses are included in net appreciation of fair value of investments. Total administrative expenses paid from the plan for years ended December 31, 2017 and 2016 totaled $116,132 and $50,263, respectively.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan's termination, participants become 100 percent vested in their account balances.

Plan Amendments

There were no material plan amendments made during the plan year.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared under the accrual method of accounting.

Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2015-07, *Fair Value Measurement (Topic 820) Disclosures for Investments in Certain Entities that Calculate Net Asset Value per Share (or its equivalent*), which removes the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value (NAV) per share practical expedient. ASU 2015-07 also limits certain disclosures to investments for which the entity has elected to measure the fair value using the practical expedient. ASU 2015-07 is to be applied retrospectively, and for nonpublic filers is effective for years beginning after December 15, 2016, with early adoption permitted.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Accounting Pronouncements - continued

In July 2015, the Financial Accounting Standards Board issued Accounting Standards Update ("ASU") No. 2015-12, Plan Accounting: Defined Benefit Pension Plans, Topic 960; Defined Contribution Plans, Topic 962; and Health and Welfare Benefit Plans, Topic 965:

> Part (I) Fully Benefit-Responsive Investment Contracts: Eliminates the requirements to measure the fair value of fully benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measure for fully benefit responsive investment contracts.
>
> Part (II) Plan Investment Disclosures: Eliminates the requirements to disclose individual investments that represent 5 percent or more of net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Part II is to be applied retrospectively.
>
> Part (III) Measurement Date Practical Expedient. Allows a plan to measure its investments and investment-related accounts using the month-end closest to its fiscal year-end.

Plan management adopted the applicable ASUs and has concluded that the adoption did not have a significant impact on the Plan's financial statements as the ASUs primarily simplify disclosures and reporting presentation.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of registered investment companies are valued at the net asset value of shares held by the Plan at year-end. Investments in insurance company contracts are reported at contract value, as determined by Security Benefit, if the contract is fully benefit-responsive; otherwise, the investments are stated at fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividend income is accrued as of the ex-dividend date. Net realized and unrealized appreciation (depreciation) in fair value of investments represents the realized gain or loss on disposition of investments plus the unrealized increase or decrease in fair value of investments held from the beginning of the plan year or date of purchase, whichever is later.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - continued

Notes Receivable from Participants

As described in Accounting Standards Codification Topic 962, *Reporting Loans to Participants by Defined Contribution Pension Plans* (ASC Topic 962), FASB ASC 962-310-45-2 and ASU 2010-25 requires participant loans to be classified as notes receivable from participants, which are segregated from plan investments and measured at their unpaid principal balances plus any accrued but unpaid interest Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Contributions

Contributions are recorded on an accrual basis.

Payment of Benefits

Benefits are recorded when paid.

NOTE 3 – INVESTMENTS

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified that the following data included in the accompanying financial statements and supplemental schedule of assets (held at end of year) is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of December 31, 2017 and 2016;

- Net investment activity and interest income on notes receivable from participants as shown in the statement of changes in net assets available for benefits for the year ended December 31, 2017;

- Investment information included in the footnotes and on the supplemental schedule of assets (held at end of year) as of December 31, 2017.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule of assets (held at end of year).

The Plan maintains an investment in a guaranteed investment contract (Fixed Account Option) with Security Benefit Life Insurance. Security Benefit Corporation guarantees the obligations under the Fixed Account Option with Security Benefit's General Account in the event that the assets are not sufficient to meet the Fixed Account obligations. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The crediting interest rate is based on the earnings of the underlying assets in the entire medium-long term new portfolio compared to the minimum interest crediting rate, as stated in the contract, and prevailing market conditions.

NOTE 3 – INVESTMENTS - continued

The interest crediting rate is reviewed quarterly for resetting. The investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date. Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the ability of the Plan to transact at contract value with the issuer. The plan administrator does not believe that any such events, which would limit the Plan's ability to transact at contract value with participants, are probable of occurring.

For the year ended December 31, 2017, the average yield for the guaranteed investment contract were as follows:

Average Yield	2017
Based on Earnings of the Plan	1.25%
Based on Interest Credited to Participants	1.15%

NOTE 4 - FAIR VALUE MEASUREMENTS

Accounting Standards Codification Topic 820, *Fair Value Measurements* (ASC Topic 820), establishes a framework for measuring fair value. This framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC Topic 820 are described below:

ASC Topic 820 Fair Value Measurement Framework Fair Value Hierarchy Priority – Observable Inputs	
Level 1	Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
Level 2	Inputs to the valuation methodology include: a. Quoted prices for similar assets or liabilities in active markets; b. Quoted prices for identical or similar assets or liabilities in inactive markets; c. Inputs other than quoted prices that are observable for the asset or liability; d. Inputs that are derived principally from or corroborated by observable market data by correlation or other means. Note: If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
Level 3	Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

NOTE 4 - FAIR VALUE MEASUREMENTS - continued

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used must maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value:

- ***Registered Investment Companies***: Valued at the net asset value of shares held by the Plan at year end.

- ***Guaranteed Investment Contracts:*** Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There have been no changes in the methodologies used at December 31, 2017.

The following tables sets forth by level, within the fair value hierarchy as of December 31, 2017 and 2016:

Investments Classified at Fair Value Level
December 31, 2017

Description	Level 1	Level 2	Level 3	Total
Total Registered Investment Companies	$ 17,524,696	$ -	$ -	$ 17,524,696
Total Guaranteed Investment Contract	118,411	1,921,605	27,266	2,067,282
Total Investments	$ 17,643,107	$ 1,921,605	$ 27,266	$ 19,591,978

Investments Classified at Fair Value Level
December 31, 2016

Description	Level 1	Level 2	Level 3	Total
Total Registered Investment Companies	$ 13,079,479	$ -	$ -	$ 13,079,479
Total Guaranteed Investment Contract	46,200	2,230,231	16,107	2,292,538
Total Investments	$ 13,125,679	$ 2,230,231	$ 16,107	$ 15,372,017

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. We evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total net assets available for benefits.

NOTE 5 - TAX STATUS

The Plan was established on March 1, 2004 and restated on January 1, 2012, when it converted to a Volume Submitter Profit Sharing Plan with CODA offered by ASC Institute LLC. In a letter dated March 31, 2008, the Internal Revenue Service issued a favorable opinion accepting the plan as qualified under Section 401(a) of the Internal Revenue Code. Once qualified, the Plan is required to operate in conformity with the IRC to maintain its qualification. The plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and, therefore, believes that the Plan is qualified and the related trust is tax exempt. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by the taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 - ERISA BONDING REQUIREMENTS

The Plan was covered by a $500,000 fidelity bond for the year ended December 31, 2017 and is in compliance with ERISA bonding requirements.

NOTE 7 - PARTIES-IN-INTEREST AND RELATED PARTY TRANSACTIONS

Section 3(14) of ERISA defines a party in interest to include fiduciaries or employees of the Plan, any person who provides services to the Plan, an employer whose employees are covered by the Plan, a person who owns 50% or more of such an employer or employee association, or relatives of such persons just listed. Certain plan investments are managed by related affiliates of Security Benefit Life Company, the trustee of the Plan, and therefore, the transactions qualify as party-in-interest transactions. Fees for such services are paid by the Plan.

The plan sponsor is also a party-in-interest with respect to the Plan as personnel and facilities of the Company have been used to perform administrative functions for the Plan at no charge to the Plan. Notes Receivable from Participants and the related interest income are considered related party transactions.

In March 2012, Guggenheim Baseball Management acquired the LA Dodgers. Guggenheim Baseball Management is owned by Guggenheim Partners, LLC (Guggenheim), which is a global investment and advisory financial services firm. Among other investments, Security Benefit Corporation is also owned by Guggenheim. Since the LA Dodgers transferred their Plan Assets from Fidelity Management Trust Company to Security Benefit Corporation, the relationships between the three entities constitute related parties.

NOTE 7 - PARTIES-IN-INTEREST AND RELATED PARTY TRANSACTIONS - continued

Guggenheim Affiliates

Guggenheim Partners, LLC is a privately-held global investment and advisory financial services firm. Investments include its purchase of the LA Dodgers in March 2012 through its affiliated company, Guggenheim Baseball Management LLC. The Guggenheim Baseball Management LLC's controlling partner is Mark R. Walter who is the founder and chief executive officer of Guggenheim Partners, LLC. Mr. Walters is also chairman and is the controlling owner (through Guggenheim Partners, LLC) of the Los Angeles Dodgers. He is also serves as a trustee/ director of Security Benefit Corporation.

Guggenheim Partners, LLC, through its ownership of Guggenheim Partners Investment Management, LLC, owns Security Benefit Corporation. Security Benefit Corporation subsidiaries affiliated with the plan are as follows:

Security Financial Resources, Inc.: Provides non-discretionary plan recordkeeping and non-fiduciary investment services to the Plan. The certification of investments is provided by United Missouri Bank as the custodian of the plan's mutual funds and by Security Benefit Life Insurance Company for the Fixed Annuity Account 457.

Security Benefit Life Insurance Company: The Group Fixed Account is a group annuity contract issued by Security Benefit Life Insurance Company ("SBL"), the assets of which are held in a Security Benefit Life Insurance Company separate account. The assets of the separate account are managed by Guggenheim Partners Investment Management, LLC ("GPIM") under an investment management agreement between SBL and GPIM.

SBL pays GPIM an investment advisory fee to manage the assets in the separate account, but the investments held by the separate account are not owned by Guggenheim Partners or its affiliates. Although Security Benefit Life Insurance Company makes available mutual funds offered by Guggenheim Partners the plan administrator did not select any of these mutual funds for their plan. The investment certification of the fixed account is provided by SBL.

Security Distributors, Inc.: Established in 1962, is a Broker/Dealer registered with the SEC and serves as distributor of a family of mutual funds and variable annuities issued by Security Benefit Life Insurance Company. SDI brokers the purchases, exchanges and liquidations.

United Missouri Bank provides non-custodial recordkeeping services for the various mutual fund investments offered by SBC. The Security Benefit Group Fixed account is not part of the investments managed by United Missouri Bank. There are no Guggenheim Partner and/or affiliates mutual funds in the Los Angeles Dodgers' plan.

NOTE 8 - SIGNIFICANT RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities, in general, are exposed to various risks, such as interest rate, credit and overall market volatility. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 9 - PROHIBITED TRANSACTIONS

As required by ERISA Section 2510.3-102, the plan sponsor is required to segregate and deposit participant contributions to the Plan at the earliest date that they can be reasonably segregated from the Company's general assets, but in no event more than 15 business days following the end of the month in which amounts are withheld from wages.

As of December 31, 2017, cumulative deposits totaling $74,109 were remitted to the Plan beyond the period prescribed by these regulations. Although the participant contributions were remitted to the Plan, the delinquent contributions are reported as prohibited transactions on supplemental Schedule 2 to the financial statements pending the plan sponsor's calculation and restoration of lost earnings, in accordance with ERISA reporting requirements. The Company intends to make future contributions to the affected participant accounts to compensate those participants for lost investment earnings related to these delinquent contributions.

NOTE 10 - SUBSEQUENT EVENTS

Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement on net assets available for benefits but arose after the statement of net assets available for benefits date and before financial statements are available to be issued. The Plan has evaluated subsequent events through October 04, 2018 which is the date the financial statements were available to be issued. There were no significant events which occurred from the Plan's year-end of December 31, 2017 to October 04, 2018, the date the financial statements were available to be issued.
