Independent Auditors' Report

To the Plan Administrator of
The Hollywood Roosevelt 401(k) Plan
Hollywood, California

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Hollywood Roosevelt Hotel 401(k) Plan, which comprise the statement of net assets available for benefits as of December 31, 2017 and 2016 and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Ascensus Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of December 31, 2017 and 2016 and for the year ended December 31, 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of Assets Held at End of Year as of December 31, 2017, are required by the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. Description of Plan

General

The following description of The Hollywood Roosevelt Hotel 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

The Plan is a defined contribution plan covering all full-time employees of Roosevelt Hotel LLC, (the "Sponsor" or "Company") as defined in the Plan, who have at least three months of service and twenty-one years of age and are not part of a collective bargaining agreement, a non-resident alien, a leased employee, an independent contractor or an intern. Effective April 1, 2015, the Plan elected to no longer be a participating employer in the Commune Hotels & Resorts 401(k) Plan which it had been a part of since 2013. As of that date, the Plan adopted the Ascensus Non-Standardized 401(k) Profit Sharing Plan resulting in a transfer-in from another plan totaling $4,886,739 being recognized in 2015. The Plan was considered a new plan for reporting purposes resulting in a short plan year for 2015 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Basic Plan Document on which the Plan is based was amended to comply with Treasury regulations published in January 2017.

Plan Administration

The Plan is managed by two members of Company management who are the trustees of the Plan. The Company's Board of Directors has oversight over the Plan's operations. The Plan's custodian and recordkeeper are Ascensus Trust Company and Ascensus Inc., respectively.

Contributions

Once eligibility requirements are met, participants may begin contributing at the beginning of the next month up to 100% of their eligible annual compensation on a pre-tax and post-tax basis, not to exceed the maximum allowed by the Internal Revenue Code (the "Code") totaling $18,000 in 2017. Participants may also contribute amounts representing distributions from other qualified plans. For participants with at least one year of service, the Company matches 100 percent of the first three percent of compensation deferred plus 50 percent of the next two percent ("safe harbor match").

Participants who have attained age fifty prior to the end of a plan year are eligible to make pre-tax catch-up contributions to the Plan not to exceed $6,000 for the 2017 Plan year.

Participant Accounts

An account is maintained for each participant and is credited with the participant's contributions, the Company's contributions, and an allocation of earnings and expenses, net of certain investment management fees. The Company's matching contribution is allocated among the funds within each participant account in the same manner as the employee's contribution. Investment income or losses are allocated to the participants' account in relation to the investment performance of each fund and the

1. Description of Plan (Continued)

Participant Accounts (continued)

proportion of each participant's account balance to the total balance in each fund. The benefit to which a participant is entitled equals the participant's accumulated vested account balance.

Investment Options

Investments in the Plan consist primarily of interests in registered investment companies managed by the Plan's Custodian. Upon enrollment in the Plan, participants may direct employer and participant contributions in any of the investment options offered under the Plan. Participants may change their investment options at any time.

Vesting

Participants are immediately vested in their contributions, the Safe Harbor Match contribution, plus actual earnings thereon.

Forfeitures/Suspense Account

Forfeitures from the prior plan were carried over and beginning April 1, 2015 may occur due to match error calculations or other adjustments as safe-harbor match is fully vested at all times. Forfeitures can be used to offset plan expenses of which $4,084 were used during 2017. At December 31, 2017 and 2016, such amounts totaled $4,874 and $5,222, respectfully, for use in future years.

Notes Receivable from Participants

Participants are eligible to borrow from their vested account balance, subject to approval by the Plan administrator. Total loans outstanding are limited to the lesser of $50,000 or one-half of the participant's vested account balance and must be a minimum of $1,000, in accordance with the Plan agreement. Loans bear interest at the bank's prime rate and are collateralized by the borrower's assignment of rights to their vested account, as acknowledged by a promissory note. Repayments are made over a maximum repayment term of 5 years. Loans for purchase of a home may extend up to thirty years. All loans become due and payable upon death or termination of employment.

Payment of Benefits

Upon termination of employment, a participant may elect to receive a lump-sum cash payment in an amount equal to the vested value of his or her account. Under mandatory cash-out provisions of the Plan, if the vested account balance is less than $5,000 the amount may be paid out in the form of a rollover without consent of the participant under the cash-out provisions of the Plan. Balances under $1,000 will be paid out in a lump sum. Participants may also receive disbursements from their account upon retirement or disability. Participant contributions may also be withdrawn for immediate and financial hardships, as defined in the Plan.

2. Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared under the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from net assets during the reporting periods. Actual results could differ from those estimates.

Concentration of Credit Risk

The Plan's investments include primarily registered investment company mutual funds that represent obligations by the counterparties to meet the terms of the financial instruments. Should one or more of the counterparties default, the Plan might lose amounts up to the recorded carrying value of the related instruments.

Risks and Uncertainties

The Plan provides for various investment options in mutual funds and other securities. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the accompanying financial statements.

Valuation of Investments and Income Recognition

Investments in shares of registered investment companies (mutual funds) are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. Purchases and sales of investments are reflected on a trade-date basis. Interest income is accrued as earned. Dividend income is accrued as of the ex-dividend date. The Plan presents, in the Statement of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of its investments, which consists of the realized gains or losses and unrealized appreciation (depreciation) on those investments.

Contributions

Participant contributions are recorded by the Plan in the year withheld from participant earnings. Employer contributions are recorded in the year in which they become obligations of the Company.

2. Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at the unpaid principal amount plus any accrued but unpaid interest. Delinquent participant loans are reclassified as deemed distributions in accordance with the provisions of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Investment Management Fees and Operating Expenses

Investment management fees and operating expenses charged to the Plan for investments in the various funds are deducted from the income earned on a daily basis and are reflected as a component of net appreciation/(depreciation) in the fair value of investments. Effective June 1, 2017, the Recordkeeping Service Agreement with Ascensus, Inc. was amended whereby credits from certain revenue producing funds are deposited into an Administrative Fee Credit Account ("Account") in the Plan based on the terms of the agreement. Investment advisor invoices are then paid out of this Account. Such amounts are included in Dividends and Interest and Administrative Expenses, respectively, in the Statement of Changes in Net Assets Available for Benefits. As of December 31, 2017, there was $9,761 in the Account to be used to pay applicable plan year expenses for which invoices had not been received as of the Plan year-end.

Administrative Expenses

Administrative expenses of the Plan can be paid out of Plan assets, including as noted above, or offset by forfeitures, however, the Company may also pay for such expenses (see Note 7).

Recent Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board issued Accounting Standards Update 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent) ("ASU 2015-07"). ASU 2015-07 removes the requirements to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. However, sufficient information must be provided to permit a reconciliation of the fair value of assets categorized within the fair value hierarchy to the amounts presented in the statement of financial position. ASU 2015-07 also removes the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. The Company is required to adopt the provisions of ASU 2015-07 for reporting periods beginning after December 15, 2015, but early adoption is permitted. The Plan adopted ASU 2015-07 in the 2015 plan year. Since ASU 2015-07 only affects fair value measurement disclosures, the retrospective adoption of ASU 2015-07 did not have a material effect on the Plan's financial statements

2. Summary of Significant Accounting Policies (Continued)

In July 2015, the Financial Accounting Standards Board issued Accounting Standards Update No. 2015-12, Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962) and Health and Welfare Benefit Plans (Topic 965): Part I – Fully Benefit-Responsive Investment Contracts, Part II - Plan Investment Disclosures and Part III - Measurement Date Practical Expedient ("ASU 2015-12"). The amendments in this update remove the requirement to record fully benefit-responsive investment contracts at fair value and designate contract value as the only required measure for these contracts. The amendments also remove the requirement to disclose (a) individual investments that represent five percent or more of net assets available for benefits, (b) the net appreciation or depreciation for investments by general type, however, the net appreciation or depreciation in investments is still required to be presented in aggregate and (c) disaggregation of investments by nature characteristics and risk. The amendments in this Update are effective for fiscal years beginning after December 15, 2015. Early adoption is permitted. Plan management adopted Part II of the ASU in the plan year 2015 and believes the amendments simplify and make disclosures more relevant to the users of the financial statements. Retrospective application did not affect net assets available for benefits. See Note 4 for further discussion and disclosures related to fair value measurements. Parts I and III are not applicable to the Plan.

3. Summary of Investment Data Certified by Custodian

The following information included in the financial statements and supplemental schedule was certified to be complete and accurate by Ascensus Trust Company, custodian, as of December 31, 2017 and 2016 within the meaning of 29 CFR 2520.103-5 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA:

4. Fair Value Measurement

Authoritative guidance establishes a framework for measuring fair value and defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The guidance also establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Under the guidance, the three levels of inputs that may be used to measure fair value are:

Level 1: Quoted prices for identical assets or liabilities in active markets.

Level 2: Observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3: Unobservable inputs that are supported by little or no market activity requiring significant judgment or estimation and that are significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016:

Money market fund: Highly liquid instruments purchased with an initial maturity of three months or less and considered to be cash equivalents.

Mutual funds: Valued at the net asset value ("NAV") of shares held by the Plan based on quoted market prices at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. Fair Value Measurement (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017 and 2016:

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 6,392,699	$ -	$ -	$ 6,392,699
Money market fund	259,692			259,692
Total investments at fair value	$ 6,652,391	$ -	$ -	$ 6,652,391

	Assets at Fair Value as of December 31, 2016			
	Level 1	Level 2	Level 3	Total
Mutual funds	$ 5,156,929	$ -	$ -	$ 5,156,929
Money market fund	229,266			229,266
Total investments at fair value	$ 5,386,195	$ -	$ -	$ 5,386,195

5. Tax Status

Effective April 1, 2015, the Plan adopted the Ascensus Non-Standardized 401(k) Profit Sharing Plan for which a favorable opinion letter was issued by the IRS dated March 31, 2014. The Plan administrator believes that the Plan is currently designed and is being operated in compliance with the applicable requirements of the Internal Revenue Code and is therefore exempt from income taxes. Accordingly, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017 there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2014.

6. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts and the net assets of the Plan will be allocated among the participants and their beneficiaries in accordance with the provisions of ERISA.

7. Party-in-Interest Transactions

The Plan allows for transactions with certain parties who may perform services or have fiduciary responsibilities to the Plan. Certain Plan investments are shares of mutual funds managed by the Custodian of the Plan. The Plan issues loans to participants, which are secured by the balances in the participant's accounts. The Company paid certain administrative expenses of the Plan, primarily audit and legal fees of approximately $33,700 during 2017. These transactions qualify as party in interest transactions for which a statutory exemption exists.

8. QNEC Employer Receivable

Included in the employer receivable balance of $14,878 in the accompanying statement of net assets available for benefits is a corrective qualified non-elective contribution (QNEC) totaling $10,783 at December 31, 2017 representing amounts owed to participants for the lost opportunity to defer on eligible compensation during 2017, Such amounts, plus any lost earnings, will be posted to the affected participant accounts as soon as administratively feasible.

9. Reconciliation of Financial Statements to Form 5500

As the Plan's Form 5500 is presented using the cash basis of accounting and the financial statements are presented on the accrual basis of accounting, the following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500:

December 31,		2017
Net assets available for benefits per the financial statements	$	6,935,468
Less: Employer QNEC receivable		(10,783)
Net assets available for benefits per Form 5500	$	6,924,685

The following is a reconciliation of employer contributions per the financial statements to the 5500:

Year Ended December 31, 2017		
Employer contributions received per the financial statements	$	233,818
Less: Employer QNEC receivable at December 31, 2017		(10,783)
Employer contributions received per Form 5500	$	223,035

10. Subsequent Events

Effective January 1, 2018, the Plan was amended to allow the employees of a related employer to contribute to the plan. In providing the disclosure contained in this Note, the Plan evaluated events occurring between the end of the plan year under audit and October 15, 2018, the date the accompanying financial statements became available to be issued.
