Stink, Inc. Health Plan

Notes to Financial Statements
(Modified Cash Basis)

As of December 31, 2017 and 2016
and for the Year Ended December 31, 2017

1. Description of the Plan

The Stink, Inc. Health Plan (the "Plan") was established on January 1, 2015. The following description of the Plan provides only general information. Participants should refer to the associated plan documents for a complete description of the Plan's provisions. Stink, Inc. (the "Company") has the right to terminate, suspend, withdraw, or amend the Plan in whole or in part at any time, subject to the provisions set forth in the Employee Retirement Income Security Act of 1974 ("ERISA").

The Stink, Inc. Employee Benefit Trust (the "Trust") was established on March 1, 2015 to receive contributions to fund employee health and welfare benefits under the Plan for the eligible employees of the Plan Sponsor, its affiliates and subsidiaries, and such employees' eligible dependents. The Trust acts as a conduit for payment of premiums and other Plan expenses. The Trust is funded by irrevocable cash contributions paid by or at the direction of the Company or any eligible employer to be held, invested, reinvested, managed, administered, and distributed for the exclusive benefit of the participants. Stink, Inc. serves as Plan fiduciary and Plan sponsor and Comerica Bank serves as Trustee of the Trust. Boon Administrative Services, Inc. serves as the Third Party Administrator.

General

The Plan was established as an employee health and welfare benefit plan for the exclusive benefit of eligible employees of the Plan Sponsor and its affiliates. The Plan benefits include medical and pharmacy benefits for full time and part time employees.

At each annual enrollment, provisions, such as participant contribution rates, coverage, deductibles, copays, and out-of-pocket maximums, may change. Coverage is continued for employees who are on approved short term disability leave or leave under the Family and Medical Leave Act of 1993 ("FMLA"). Former employees and their dependents are eligible for continued coverage for the number of months specified under the Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA").

1. Description of the Plan (continued)

Eligibility

Each employee working at least 30 hours or more per week are eligible for coverage under the Plan with respect to himself or herself on the first day of the month following completion of the service waiting period of 30 days.

Contributions and Premiums

The Company pays contributions to the Plan to be used to fund benefits for employees based on either number of lives or hours worked. The Employer contribution is a set dollar amount either per life or per hour paid by each employee, per month, pursuant to governmental requirements in force at each work location. These contributions are held in the Trust.

Contributions are invested in assets held in a Trust account. Comerica Bank, the trustee, invests the Plan's funds as set forth in the Trust Agreement. Investments consist of money market funds and are reported at fair value.

Underwriters and actuaries of the insurance carriers have developed a set of rates applicable to the policies that have been issued to the Plan. The Plan sponsor is quoted a premium rate based upon plan design, location, and other demographic data. These rates are subject to change annually.

Benefits

The Plan benefits include self-insured medical and pharmacy benefits under the Smart Minimum Value Coverage Plan ("SmartMVP Plan") for full-time employees in San Francisco. The Plan provides self-insured medical benefits under the Smart Minimum Essential Coverage Plan ("SmartMEC Plan") for full-time employees in non-San Francisco cities. Benefit claims are processed by Boon Administrative Services, but the responsibility for payments to the providers is retained by the Plan. The Employer maintains an excess risk policy that reimburses the Plan for medical and pharmacy claims in excess of certain limits.

1. Description of the Plan (continued)

The plan benefits include fully-insured medical benefits under the ACE Indemnity Plan for part-time employees. Contributions received related to these premiums are paid directly from the Trust to Boon Administrative Services which then remits the premium dollars to ACE USA.

Administrative Fees and Expenses

Administrative fees, such as administrative service fees, trustee fees, PPO access, medical management and audit and accounting fees, are paid by the Plan, as allowed by the Plan document. The Company pays all other expenses.

2. Significant Accounting Policies

Method of Accounting

The financial statements of the Plan are prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles ("GAAP"). GAAP requires the accrual basis of accounting whereby revenues are recognized as earned and expenses are recognized as incurred.

Use of Estimates

The preparation of financial statements in conformity with the modified cash basis of accounting, which is a comprehensive basis of accounting other than GAAP, requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in either the financial statements, accompanying notes or supplemental schedules. Actual results could differ from those estimates.

2. Significant Accounting Policies (continued)

Risks and Uncertainties

The Plan provides for investments in various investment securities, which in general, are exposed to various risks, such as interest rate, credit, and overall market volatility risks. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such change could materially affect the amounts reported in the statements of net assets available for benefits and participant account balances. The Plan's investments are managed and monitored by the Trustee in accordance with the Plan's investment policy.

Investment Valuation

The Plan's investments are recorded at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

All investment information disclosed in the accompanying financial statements and supplemental schedules, including investments held at December 31, 2017, was obtained or derived from information supplied to the Plan administrator by Comerica Bank, the Trustee.

The guidance for fair value measurement establishes the authoritative definition of fair value, sets out a framework for measuring fair value, and outlines the required disclosures regarding fair value measurements. Fair value is the price that would be received to sell an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants at the measurement date. The Plan uses a three-tier fair value hierarchy based upon observable and non-observable inputs as follows:

- Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date.

2. Significant Accounting Policies (continued)

- Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly.
- Level 3: Unobservable inputs developed using the Plan's estimates and assumptions which reflect those that market participants would use.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

- *Money market funds:* Valued as cash equivalents, which approximates fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

2. Significant Accounting Policies (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016:

	December 31, 2017			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market funds	**$ 1,330,523**	**$ –**	**$ –**	**$ 1,330,523**
Total	**$ 1,330,523**	**$ –**	**$ –**	**$ 1,330,523**

	December 31, 2016			
	Level 1	**Level 2**	**Level 3**	**Total**
Money market funds	$ 1,340,684	$ –	$ –	$ 1,340,684
Total	$ 1,340,684	$ –	$ –	$ 1,340,684

Payment of Benefits

Benefits to participants are recorded by the Plan when actual payment is made.

Expenses

Health premiums are reported when incurred. Any refunds due to overpayments, subrogation, or adjustments are recorded in the period received and are shown netted with benefit payments.

Subsequent Events

The Company evaluated events occurring between the end of the most recent fiscal year and October 11, 2018, the date the financial statements and supplemental schedules were available to be issued. No events have occurred through that date that would impact the financial statements.

3. Claims Incurred but Not Reported

The Plan has not recorded an accrual for claims incurred, but not reported ("IBNR") at year-end. IBNR as of December 31, 2017 and 2016, for health claims incurred by active participants but not reported at that date, for accumulated eligibility of participants are estimated by the Company by analyzing claim lag studies. Such amounts are disclosed at an undiscounted amount because amounts typically are payable within one year. Any differences in the amounts estimated and actual amounts will be disclosed in future years.

As of December 31, 2017 and 2016 the total estimated liability for claims incurred and not reported was $1,482 and $63,461, respectively, including amounts that may be covered by the insurance carrier under the aggregate excess risk benefit agreement.

4. Information Certified by the Trustee

The Plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Comerica Bank, the trustee of the Plan, has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments at fair value, as shown in the statements of net assets available for benefits as of December 31, 2017 and 2016
- Schedule H, line 4i – schedule of assets (held at end of year) as of December 31, 2017
- Schedule H, line 4j – schedule of reportable transactions as of December 31, 2017

5. Related Party Transactions

Plan assets include investment in funds managed by Comerica Bank, the Plan's Trustee. Boon Administrative Services is the third party administrator. Transactions with the Trustee and third party administrator qualify as exempt party-in-interest transactions under ERISA. The Boon Insurance Agency receives allowable commissions from ACE on the fully-insured plan benefits.

6. Plan Termination

Upon termination of the Plan, the Trustee would distribute all remaining net assets in a nondiscriminatory manner for the benefit of participants and eligible persons. Remaining net assets are deemed to be those monies remaining after payment of all reasonable and necessary obligations and expenses of the Plan.

7. Income Tax Status

The Trust funding the Plan has not received an exemption letter from the Internal Revenue Service stating that the Trust is tax-exempt under Section 501(a) of the Internal Revenue Code ("the Code") as a Voluntary Employee Beneficiary Association; therefore, the Trust is a taxable trust. As an employee welfare benefit plan and related taxable trust, the Plan and Trust are required to operate in conformity with the Code and ERISA. The plan administrator believes the Plan and Trust are operating in conformity with the Code and ERISA. There is no tax liability for the plan years ended December 31, 2017 and 2016. Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
