SANCHEZ RESTAURANT 401(k) AND PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

1. DESCRIPTION OF PLAN

The following description of the Sanchez Restaurant 401(k) and Profit Sharing Plan (the Plan) provides only general information. The Plan is sponsored by LS Restaurant Management, Inc. (the Company and Plan Sponsor). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan, established on January 1, 2015, as amended from time to time, covering substantially all employees of the Company. Employees 21 and older are eligible to participate on the first day of the month following the completion of one year of service. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA) as well as all provisions of the federal income tax laws.

The Trustee is responsible for oversight of the Plan. The Investment Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance and reports to the Plan's Trustee.

Contributions

Participants may make tax-deferred contributions not to exceed the amount deductible for federal income tax purposes. Participants may also contribute or 'rollover' amounts representing distributions from other qualified defined benefit or defined contribution plans. Roth deferrals are also permitted by the Plan.

The Company has elected to make matching safe harbor contributions equal to the sum of 100% of the amount of the participant contributions that do not exceed 3% of their respective compensation, plus 50% of the participant contributions that exceed 3% (up to a maximum of 5%) of the respective participant's compensation. The Company may also elect to make discretionary matching and profit sharing contributions. However, during the years ended December 31, 2017 and 2016, no such election was made.

Participant Accounts

Each participant's account is credited with the participant's tax-deferred contributions, employer contributions (if any), and Plan earnings or losses on the assets of their self-directed investment funds. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their deferred salary contributions, the Company's safe harbor matching contributions, rollover contributions from other plans and actual earnings thereon. Vesting in the Company's profit sharing or matching discretionary contributions (if any) of their accounts plus actual earnings thereon is based on years of continuous service.

A participant is 100% vested upon retirement, permanent disability, death or reaching age 65 while employed by the Company. If a participant separates from the employment of the Company for any other reason, a participant shall be vested based upon the following schedule:

Year(s) of Vesting Service	Percentage Vested
1 but less than 2	20%
2 but less than 3	40%
3 but less than 4	60%
4 but less than 5	80%
5 or more years	100%

Notes Receivable from Participants

The Plan does not permit any new loans to be issued to participants. However, since the Plan accepts rollovers, the Administrator may, in a uniform and nondiscriminatory manner, accept rollovers of loans into the Plan. The Plan does not have any notes receivable from participants at December 31, 2017 and 2016.

Payment of Benefits

Distributions from the Plan will be made in a single lump-sum payment; or if an in-service distribution, may be received in partial distributions. If a participant's vested benefit in the Plan exceeds $5,000, the participant may also choose to receive installments, request a partial withdrawal, or defer receiving payments until age 70 ½. If the participant's vested benefit does not exceed $5,000, then the participant's benefit will be distributed in a lump-sum as soon as practicable following the event that led to the participant being entitled to a distribution.

Forfeited Accounts

Forfeitures may be used to pay Plan expenses or reduce employer contributions. Since inception of the Plan there have been no forfeitures through December 31, 2017. Accordingly, at December 31, 2017 and 2016, there were no unallocated forfeitures available to pay Plan expenses or reduce employer contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan's financial statements are prepared using the accrual method of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP) requires the Plan's management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's investment committee determines the Plan's valuation policies utilizing information provided by the investment adviser, custodian, and insurance company. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded on the accrual basis with dividends being recorded on the ex-dividend date. Net appreciation (depreciation) includes the gains and losses on the Plan's investments bought and sold as well as those held during the year.

Contributions

Participant and employer contributions are accrued in the period that payroll deductions are made from plan participants in accordance with salary deferral agreements and as such, become obligations of the Company and assets of the Plan.

Payment of Benefits

Benefits are recorded when paid.

Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to the administration of distributions from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

During the year ended December 31, 2017, the Plan incurred administrative fees of $362. These charges are reflected in the accompanying statement of changes in net assets available for benefits.

Recent Accounting Pronouncements

During the year ended December 31, 2017 and through October 16, 2018, there were several new accounting pronouncements issued by the Financial Accounting Standards Board (FASB). Each of these pronouncements, as applicable, has been or will be adopted by the Plan. Management does not believe the adoption of any of these accounting pronouncements has had or will have a material impact on the Plan's financial statements.

Subsequent Events

In preparing the financial statements, the Plan's management has reviewed, as determined necessary by the Plan's management, events that have occurred after December 31, 2017, up until the issuance of the financial statements, which occurred on October 16, 2018.

3. FAIR VALUE MEASUREMENTS

Accounting Standards Codification (ASC) Topic 820, *Fair Value Measurement*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017 and 2016.

Level 1 Fair Value Measurements

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Investments Measured at Net Asset Value

Collective trust funds: Valued at the net asset value (NAV) of units of a bank collective trust. The NAV, as provided by the trustee, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017 and 2016. Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement.

Assets at Fair Value as of December 31, 2017

	Level 1	Total
Mutual funds	$ 195,082	$ 195,082
Total asset in the fair value hierarchy	195,082	195,082
Investments measured at net asset value	-	-
Investments at fair value	$ 195,082	$ 195,082

Assets at Fair Value as of December 31, 2016

	Level 1	Total
Mutual funds	$ -	$ -
Total asset in the fair value hierarchy	-	-
Investments measured at net asset value	-	91,844
Investments at fair value	$ -	$ 91,844

4. RELATED-PARTY TRANSACTIONS AND PARTY-IN-INTEREST TRANSACTIONS

Great-West Trust Company, LLC through its subsidiary Empower Retirement (Empower), the Plan's former recordkeeper, provided certain administrative services to the Plan pursuant to a contract between the Company and Empower. Empower received revenue from mutual fund service providers for services it provided to the funds. This revenue was used to offset certain amounts owed to Empower for its administrative services to the Plan. On March 1, 2017, the Plan transferred all of its assets, consisting of interest-bearing cash, to a new asset custodian, Reliance Trust Company. Automatic Data Processing, Inc. (ADP) was the Plan's third-party administrator and recordkeeper during the year. Therefore, any transactions between the Plan and these parties qualify as party-in-interest transactions.

During the year ended December 31, 2017, fees paid by the Plan for investment management and administrative services to these parties totaled $362.

ADP, the Plan's recordkeeper, provides certain administrative services to the Plan pursuant to a contract between the Company and ADP. ADP receives revenue from mutual fund service providers for services ADP provides to the funds. A portion of the revenue received by ADP is credited to an account from which the Company can direct payment for eligible Plan expenses.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in their account balances.

6. TAX STATUS

The Plan, as originally drafted, is a Prototype Non-Standardized Profit Sharing Plan with Cash or Deferred Arrangement. The IRS has determined and informed the Sponsor of the prototype plan by a letter dated July 16, 2014, that the Plan is designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the IRC and ERISA and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

7. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rates, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefits.

It is not possible at this time to reasonably estimate the possible loss or range of loss, if any. We further caution that it is not possible to list all such factors, and you should not consider the identified factors as a complete list of all risks and uncertainties.

8. INFORMATION PREPARED AND CERTIFIED BY TRUSTEE (UNAUDITED)

For the years ended December 31, 2017 and 2016, the Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the DOL Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the auditors to not perform any auditing procedures with respect to the information certified by the respective trustees of the Plan in 2017 and 2016, except for comparing such information with the related information included in the accompanying financial statements and supplemental schedule.

The following information was obtained from data that has been prepared and certified to as complete and accurate by the custodian and trustees of the Plan as of December 31, 2017 and 2016, and for the year ended December 31, 2017:

	2017	2016
