Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis of Disclaimer of Opinion paragraph; however, we are not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis of Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 10, which was certified by SunTrust Bank, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis of Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2017 financial statements referred to in the first paragraph.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by SunTrust Bank, the custodian of the Plan. Their report, dated January 31, 2018, indicated that (1) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Leonard's 401(K) Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General – The Plan is a defined contribution plan covering all employees of Rekcut Photographic, Inc. (the Company) who have one year of service, a minimum of 1,000 hours, and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions – Participant contributions are limited to dollar amounts specified by the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options for participants. The Plan currently offers twenty-seven mutual funds and one collective trust fund as investment options for participants. Beginning with the year ended December 31, 2015, the Company elected safe-harbor status and reinstated the employer matching contribution of 3% of compensation. In addition, the Company contributes 0.5% of compensation, up to a maximum match of 4%.

Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Effective January 1, 2004, employer contributions made under the safe-harbor non-elective contributions are also immediately vested plus actual earnings thereon. Prior to January 1, 2004, employer non-elective matching contributions and actual earnings thereon are subject to a vesting schedule as follows:

Notes Receivable from Participants – Participants may borrow from their fund accounts. The minimum loan is $1,000 up to the lesser of one-half of their vested account balance or $50,000. A maximum of one loan may be outstanding at any time. The loans are secured by the balance in the participant's account and bear interest at the prime rate plus 1% at the loan date. At December 31, 2017 and 2016, outstanding loans had interest rates ranging from 4.25% to 5.25%. Principal and interest is paid ratably by payroll reductions over the term of the loan.

1. Description of Plan – Continued

Forfeited Accounts – Forfeited non-vested accounts may be used to pay administrative expenses or reduce future employer contributions. During the year ended December 31, 2017, $15,133 was used to pay administrative expenses. At December 31, 2017 and December 31, 2016, forfeited non-vested accounts totaled $910 and $861 respectively.

Payment of Benefits – On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or partial withdrawals if certain conditions are met. Hardship distributions are permitted from all vested accounts that meet certain specified criteria. If account balances are below $5,000, distribution may be only a single lump sum.

2. Summary of Significant Accounting Policies

Basis of Accounting – The financial statements of the Plan are prepared on the accrual basis.

Estimates – The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition – The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of the collective trust funds are valued at the net asset value of shares held by the Plan at year-end. Participant loans are valued at their outstanding balances, which approximate fair value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on the investments bought and sold as well as held during the year.

Notes Receivable from Participants – Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest, and net of an allowance for doubtful accounts, if any. Delinquent participant loans are reclassified as distributions based on the terms of the Plan document.

Administrative Expenses – The Company pays for certain administrative expenses on behalf of the Plan, which were $5,764 for the year ended December 31, 2017.

Payment of Benefits - Benefits are recorded when paid.

3. Notes Receivable from Participants

At December 31, 2017 and 2016, the Plan had $85,232 and $106,963 in loans outstanding respectively, under the terms specified by the Plan. The loans earn interest at rates between 4.25% and 5.25%. Interest received on participant loans was $4,067 and $3,827 for the years ended December 31, 2017 and 2016 respectively. As of December 31, 2017, the loans are considered current and collectible. Loan balances are collateralized by the borrowers' account balances in the Plan. Payments on these loans are made by the participants each bi-weekly payroll period through payroll deductions.

4. Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying Statements of Net Assets Available for Benefits.

	Fair Value Measurements Using:			
	(Level 1)	(Level 2)	(Level 3)	Total
December 31, 2017				
Mutual funds	$ 5,452,953	$ -	$ -	$ 5,452,953
Collective trusts	-	-	-	811,617
	$ 5,452,953	$ -	$ -	$ 6,264,570
December 31, 2016				
Mutual funds	$ 4,997,989	$ -	$ -	$ 4,997,989
Collective trusts	-	-	-	362,698
	$ 4,997,989	$ -	$ -	$ 5,360,687

Professional standards establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority. Level 2 inputs consist of observable inputs other than quoted prices for identical assets and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on unadjusted quoted prices for identical assets in active markets of the shares held by the Plan at year-end.

Level 2 Fair Value Measurements

The fair value of investments is generally obtained directly from the fund house or other investment provider. If available, an attempt is made to receive share prices from more than one source, and a systematic comparison is performed and any difference in quoted share prices for the same fund is resolved by contacting the investment provider directly to ensure the correct share price is recorded.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

4. Fair Value Measurements – Continued

Following is a description of the valuation methodologies used at December 31, 2017 and 2016.

Mutual Funds: Value at the quoted net asset value (NAV) of shares held by the Plan at year-end. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common/Collective Trusts: Valued at estimated fair value by utilizing the net asset value of the shares held by the Plan at year-end. The NAV is based on the underlying investments held by the fund, less liabilities, and is based on quoted market prices or on values obtained by a pricing service.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Gains and losses (realized and unrealized) included in changes in net assets available for benefits for the year ended December 31, 2017 are reported in net appreciation in fair value of investments.

5. Investments

Certification by Custodian – The December 31, 2017 and 2016 Statements of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the year ended December 31, 2017, and the accompanying notes to the financial statements were prepared in part or entirely from information certified as complete and accurate by the custodian (SunTrust Bank) in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes total investments of $6,264,570 and $5,360,687, and notes receivable from participants of $85,232 and $106,963 at December 31, 2017 and 2016 respectively, and related net investment income and contributions of $1,322,745 for the year ended December 31, 2017. (See Note 8.)

6. Tax Status

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The Plan Administrator believes the Plan is no longer subject to income tax examination for years prior to 2014.

The Plan is required to determine whether it is more likely than not that a tax position will be sustained upon examination based on the technical merits of the position. A tax position that meets the more likely than not recognition threshold is measured to determine the amount of expense and benefit to recognize in the financial statements. The Plan has concluded that there are no significant uncertain tax positions requiring recognition in the financial statements.

7. Related Party Transactions

Certain Plan investments are shares of a mutual fund managed by SunTrust Bank. SunTrust Bank is the custodian of the Plan's assets and, therefore, these transactions qualify as party-in-interest transactions. The value of these mutual funds was $514,647 and $33,123 at December 31, 2017 and 2016 respectively.

8. Summary of Information Certified by the Plan Custodian

Financial information relating to those assets is included in the accompanying financial statements and supplemental schedules, and such information has been derived from reports prepared and certified by the custodians. 10. Risks and Uncertainties

The Plan provides for various investment options, which, in turn, invest in various investment securities. Investment securities are exposed to interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

11. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants are 100% vested in their employer and employee contributions and all earnings.

12. Participant Withdrawal from the Plan

There were no participants who left the Plan at December 31, 2017 that had requested a distribution of their account balance.

13. Subsequent Events

Management has evaluated events and transactions for potential recognition or disclosure through October 31, 2018, the date on which the financial statements were available to be issued.
