NOTES TO FINANCIAL STATEMENTS

NOTE 1 - DESCRIPTION OF PLAN

The following description of The Cogar Group, Ltd. Collective Bargaining Agreement Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

- (a). General - The Plan is a defined contribution retirement plan. The Plan covers union employees under certain collective bargaining agreements and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- (b). Contributions – The employer may contribute prevailing wage contributions up to the maximum amount allowable by law of pretax annual compensation. Participants can contribute amounts that are distributions from other qualified retirement plans. Employer's contributions are invested in the same manner as the individual participants elected for their respective contributions. Effective April 1, 2017, participant deferrals were allowed. Participants may contribute up to the maximum amount of pretax annual compensation allowable by law. Contributions are subject to certain limitations.
- (c). Participant Accounts - Each participant's account is credited with the employer's contribution, employee's contribution and Plan earnings. Allocations are based on the amount of the participant's elective deferral for the Plan year. Allocation of Plan earnings are based on the individual participant's account balances.
- (d). Vesting - Participants are immediately vested in employer's contributions and their contributions plus actual earnings thereon. Contributions and earnings are non-forfeitable.
- (e). Administration - The Plan's assets are held and managed by the Trustees of the Plan who invest plan contributions received and investment income, and make distributions to participants. Certain administrative functions are performed by officers or employees of the Employer. No such officer or employee receives compensation from the Plan, and administrative expenses are paid directly by the participating Employer.
- (f). Tax Status - The Plan is adopted from a prototype plan that received an Internal Revenue Service letter of determination as a tax exempt qualified retirement plan. The plan obtained its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.
- (g). Plan Amendments – On April 1, 2017 the Plan was amended to allow employee deferrals and limit participation in the plan to those union employees under contract number HSHQE4-15-A-00001. On December 1 the plan was amended again to allow union employees under the Federation of Police and Security (FOPS) at the Armed Forces Radiobiology Research Institute (AFFRI) prime contract number HU0001-17-c-D001 subcontract number USUHS-2016-001 to participate in the plan.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

The following is a summary of the Plan's accounting policies:

- (a). Basis of Accounting - The financial statements of the Plan are prepared using the accrual basis of accounting.
- (b). Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.
- (c). Investment Valuation and Income Recognition - The Plan's investments are stated at fair value with the exception of insurance contracts which are reported at contract value. Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Gains and losses are reported in net increase (decrease) in fair value of investments.
- (d). Payment of Benefits - Benefits are recorded when paid.
- (e). Expenses – Certain expenses of the Plan are paid by the Plan, unless otherwise paid by the Sponsor. Expenses that are paid by the Sponsor are excluded from these financial statements. Fees related to the administration of disbursements are charged directly to a participants account and are included in administrative expenses.

NOTE 3 - INFORMATION CERTIFIED BY TRUSTEE/CUSTODIAN

The plan administrator has elected the method of compliance permitted by Section 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Accordingly, Voya Retirement Insurance and Annuity Company (VOYA) has certified to the completeness and accuracy of all investments reflected on the accompanying statements of net assets available for benefits as of December 31, 2017 and 2016, the schedule of assets held for investment purposes as of December 31, 2017, and the related investment activity reflected in the statements of changes in net assets available for benefits for the year ended December 31, 2017.

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 4 - FAIR VALUE MEASUREMENTS-Continued

ASC-820 *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 input consists of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Investments Measured at Net Asset Value

These investments are priced daily using the unadjusted net asset value (NAV) as of the reporting date, which is the basis for current transactions. They consist of investments in pooled separate accounts of VOYA, investing in fixed income and equity security mutual funds. Because they are recorded at net asset value, they have been excluded from the fair value hierarchy.

NOTE 5 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a benefit-responsive investment contract with VOYA. VOYA maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the plan. The crediting interest rate is based on a formula agreed upon with the issuer, but may not be less than the guaranteed rate, determined annually. The guaranteed investment contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

The contract value of the investment contract at December 31, 2017 and 2016 was \$830 and \$146,006, respectively.

The contract meets the fully benefit-responsive investment contract criteria and therefore is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

The Plan's ability to receive amounts due is dependent on the issuer's ability to meet its financial obligations. The issuer's ability to meet its contractual obligations may be affected by future economic and regulatory developments.

Certain events, such as the premature termination of the contract by the Plan or the termination of the Plan, would limit the Plan's ability to transact at contract value with VOYA. The Plan administrator believes the termination of the contract or the Plan is not probable.

THE COGAR GROUP, LTD. COLLECTIVE BARGAINING AGREEMENT PLAN

NOTES TO FINANCIAL STATEMENTS (Continued)

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the employer has the right, under the Plan, to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100 percent vested in their accounts.

NOTE 7 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - RELATED PARTY TRANSACTIONS AND PARTY IN INTEREST TRANSACTIONS

Certain investments at December 31, 2017 and 2016 represent funds managed by VOYA. Therefore, these transactions qualify as party-in-interest transactions.

NOTE 9 - EMPLOYER CONTRIBUTION RECEIVABLE

During 2017 the Plan sponsor entered into a collective bargaining agreement with a union where it was to withhold seventy five cents per hour up to forty hours a week and remit the amounts to the union 401k plan. The union had no plan, and the sponsor segregated the funds in a payable account on its general ledger until the issue was resolved. On December 1, 2017, the sponsor amended this Plan to allow these employees to participate in the Plan. As the employees set up accounts in 2018 the funds were transferred to them.

NOTE 10 - SUBSEQUENT EVENTS

Events that occur after the statement of net assets available for benefit date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the statement of net assets available for benefits date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the statement of net assets available for benefits date require disclosure in the accompanying notes. Management evaluated the activity of the Plan through October 26, 2018, the date the financial statements were available to be issued, and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements.
