Dear Board of Managers:

We are engaged to perform a Department of Labor (DOL) limited-scope audit of the financial statements of First Choice Medical Supply, LLC 401(k) Plan (the "Plan") as of and for the year ended January 09, 2018. Professional standards require that we communicate with you certain items including our responsibilities with regard to the financial statement audit and the planned scope and timing of our audit.

As stated in our engagement letter dated October 19, 2018, our responsibility, as described by professional standards, is to conduct our audit in accordance with auditing standards generally accepted in the United States of America except that, as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and as instructed by plan management, we will not perform any auditing procedures with respect to information prepared and certified to by Ascensus Trust Company, in accordance with DOL Regulation 2520.103-5, other than comparing the information with the related information included in the financial statement. Our audit does not relieve you or management of your respective responsibilities.

Our responsibility for the supplemental information accompanying the financial statements is to perform adequate procedures to evaluate whether the form and content of the supplemental information, other than that derived from the information certified to by the trustee, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Our audit will include examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. Our audit is designed to provide reasonable, but not absolute, assurance about whether the financial statements as a whole are free of material misstatement, whether due to error, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental regulations, including prohibited transactions with parties-in-interest or other violations of the Employee Retirement

Our audit will include obtaining an understanding of the plan and its environment, including its internal control, sufficient to assess the risks of material misstatement of the financial statements and as a basis for designing the nature, timing, and extent of further audit procedures. However, as part of the scope limitation discussed above, we will not consider the internal control relating to the information prepared and certified to by Ascensus Trust Company. However, we will communicate to you at the conclusion of our audit, significant matters that are relevant to your responsibilities in overseeing the financial reporting process, including any material weaknesses, significant deficiencies, and violation of laws or regulations that come to our attention.

Dear Lindy Crenshaw,

The Objective and Scope of the Audit

You have requested that we audit the financial statements of First Choice Medical Supply, LLC 401(k) Plan (the "Plan"), which consist of the statement of net assets available for benefits as of January 09, 2018, the statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) except that, as permitted by Regulation 2520.103-8 (or 2520.103-12) of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and as instructed by you, we will not perform any auditing procedures with respect to information prepared and certified by Ascensus Trust Company other than comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements as a whole. We also will not express an opinion on the supplemental schedule as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by Ascensus Trust Company, will be audited by us in accordance with U.S. GAAS and will be subjected to tests of your accounting records and other procedures we consider necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

The Responsibilities of the Auditor

Because of the inherent limitations of an audit, together with the inherent limitations of internal control, an unavoidable risk that some material misstatements (whether caused by errors, fraudulent financial reporting, misappropriation of assets, or violations of laws or governmental

regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

In making our risk assessments, we consider internal control relevant to the Plan's preparation and fair presentation of the financial statements and supplemental schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements and supplemental schedule that we have identified during the audit, including those that were remediated during the audit. Our responsibility as auditors is, of course, limited to the period covered by our audit and does not extend to any other periods.

As part of our audit, we will perform certain procedures, as required by U.S. GAAS, directed at considering the plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status. As we conduct our audit, we will be aware of the possibility that events affecting the plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of the audit. You should recognize, however, that our audit is not designed to nor it is intended to determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that plan management and, when appropriate, those charged with governance, acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America which includes determining if the certification from the qualified institution includes the fair value of investments as of the plan's year end;
2. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
3. For the supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements;
4. For identifying and determining that the plan complies with the laws and regulations applicable to its activities;
5. For maintaining adequate records, selecting and applying accounting principles and safeguarding assets; and
6. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;

- b. Additional information that we may request from management for the purpose of the audit; and
- c. Unrestricted access to persons within the plan from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from the plan administrator, management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit of the financial statements and to report on the supplemental schedules.

With respect to any nonattest services we perform, the Plan's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Management is responsible for informing us about related party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Other Relevant Information

You have not engaged us to prepare the plan's Form 5500 filing with the DOL. Because the audited financial statements are required to be filed with Form 5500, professional standards require that we read the Form 5500 prior to its filing. The purpose of this procedure is to consider whether information, or the manner of its presentation in Form 5500, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements. These procedures are not sufficient nor are they intended to ensure that the form is completely and accurately prepared. In the event that our report is issued prior to our having read Form 5500, you agree not to attach our report to the financial statements included with the Form 5500 filing until we have read the completed Form 5500.

The audit documentation for this engagement is the property of Harper, Rains, Knight and Company, P.A. and constitutes confidential information. Except as discussed below, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties.

We may be requested to make certain audit documentation available to the DOL pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of HRK's personnel. Furthermore, upon

request, we may provide copies of selected audit documentation to the DOL. We will mark all information as confidential and maintain control over the duplication of such information. However, the DOL may intend, or decide, to distribute the photocopies or information contained therein to others, including other governmental agencies.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

Cecil Harper, CPA is the engagement partner for the audit services specified in this letter. His responsibilities include supervising HRK's services performed as part of this engagement and signing or authorizing another qualified firm representative to sign the audit report. We expect to begin our audit on approximately October 22.

Our fees are based on the amount of time required at various levels of responsibility, plus actual out-of-pocket expenses. Invoices will be rendered every two weeks and are payable upon presentation. We estimate that our fee for the audit will be \$2,500 plus direct expenses. We will notify you immediately of any circumstances we encounter that could significantly affect this initial fee estimate.

If you intend to publish or otherwise reproduce the financial statements and make reference to our firm, you agree to provide us with printers' proofs or masters for our review and approval before printing. You also agree to provide us with a copy of the final reproduced material for our approval before it is distributed.

During the course of the engagement, we may communicate with you or your personnel via fax or e-mail, and you should be aware that communication in those mediums contains a risk of misdirected or intercepted communications.

During the course of the audit we may observe opportunities for economy in, or improved controls over, your operations. We will bring such matters to the attention of the appropriate level of management, either orally or in writing.

Our firm may transmit confidential information that you provided us to third parties in order to facilitate delivering our services to you. As applicable, we have obtained confidentiality agreements with all our service providers to maintain the confidentiality of your information and we will take reasonable precautions to determine that they have the appropriate procedures in place to prevent the unauthorized release of confidential information to others. We will remain responsible for the work provided by any third-party service providers used under this agreement. By your signature below, you consent to having confidential information transmitted to entities outside the firm. Please feel free to inquire if you would like additional information regarding the transmission of confidential information to entities outside the firm.

Reporting

We will issue a written report upon completion of our audit of the Plan's financial statements and supplemental schedule. Our report will be addressed to Nyx Nava, Plan Administrator, of the Plan. We cannot provide assurance that a limited-scope opinion as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements including our respective responsibilities.

We appreciate the opportunity to be your certified public accountants and look forward to working with you and your staff.

Dear Lindy Crenshaw,

The Objective and Scope of the Audit

You have requested that we audit the financial statements of First Choice Medical Supply, LLC 401(k) Plan (the "Plan"), which consist of the statement of net assets available for benefits as of January 09, 2018, the statement of changes in net assets available for benefits for the year ended, and the related notes to the financial statements.

We are pleased to confirm our acceptance and our understanding of this audit engagement by means of this letter. We will conduct our audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS) except that, as permitted by Regulation 2520.103-8 (or 2520.103-12) of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA) and as instructed by you, we will not perform any auditing procedures with respect to information prepared and certified by Ascensus Trust Company other than comparing the information with the related information included in the financial statements and supplemental schedules. Because of the significance of the information that we will not audit, we will not express an opinion on the financial statements as a whole. We also will not express an opinion on the supplemental schedule as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by Ascensus Trust Company, will be audited by us in accordance with U.S. GAAS and will be subjected to tests of your accounting records and other procedures we consider necessary to enable us to express an opinion as to whether they are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

regulations) may not be detected exists, even though the audit is properly planned and performed in accordance with GAAS.

In making our risk assessments, we consider internal control relevant to the Plan's preparation and fair presentation of the financial statements and supplemental schedules in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. However, we will communicate to you in writing concerning any significant deficiencies or material weaknesses in internal control relevant to the audit of the financial statements and supplemental schedule that we have identified during the audit, including those that were remediated during the audit. Our responsibility as auditors is, of course, limited to the period covered by our audit and does not extend to any other periods.

As part of our audit, we will perform certain procedures, as required by U.S. GAAS, directed at considering the plan's compliance with applicable Internal Revenue Code (IRC) requirements for tax-exempt status. As we conduct our audit, we will be aware of the possibility that events affecting the plan's tax status may have occurred. Similarly, we will be aware of the possibility that events affecting the plan's compliance with the requirements of ERISA may have occurred. We will inform you of any instances of tax or ERISA noncompliance that come to our attention during the course of the audit. You should recognize, however, that our audit is not designed to nor it is intended to determine the Plan's overall compliance with applicable provisions of the IRC or ERISA.

The Responsibilities of Management and Identification of the Applicable Financial Reporting Framework

Our audit will be conducted on the basis that plan management and, when appropriate, those charged with governance, acknowledge and understand that they have responsibility:

1. For the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America which includes determining if the certification from the qualified institution includes the fair value of investments as of the plan's year end;
2. For the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error;
3. For the supplemental schedules and that they were derived from, and relate directly to, the underlying accounting and other records used to prepare the financial statements;
4. For identifying and determining that the plan complies with the laws and regulations applicable to its activities;
5. For maintaining adequate records, selecting and applying accounting principles and safeguarding assets; and
6. To provide us with:
 - a. Access to all information of which management is aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, and other matters;

- b. Additional information that we may request from management for the purpose of the audit; and
- c. Unrestricted access to persons within the plan from whom we determine it necessary to obtain audit evidence.

As part of our audit process, we will request from the plan administrator, management and, when appropriate, those charged with governance, written confirmation concerning representations made to us in connection with the audit of the financial statements and to report on the supplemental schedules.

With respect to any nonattest services we perform, the Plan's management is responsible for (a) making all management decisions and performing all management functions; (b) assigning a competent individual to oversee the services; (c) evaluating the adequacy of the services performed; (d) evaluating and accepting responsibility for the results of the services performed; and (e) establishing and maintaining internal controls, including monitoring ongoing activities.

Management is responsible for informing us about related party transactions, including transactions with parties in interest, as defined in Section 3(14) of ERISA and the regulations thereunder.

Management is responsible for adjusting the financial statements to correct material misstatements and for affirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

Other Relevant Information

You have not engaged us to prepare the plan's Form 5500 filing with the DOL. Because the audited financial statements are required to be filed with Form 5500, professional standards require that we read the Form 5500 prior to its filing. The purpose of this procedure is to consider whether information, or the manner of its presentation in Form 5500, is materially inconsistent with the information, or the manner of its presentation, appearing in the financial statements. These procedures are not sufficient nor are they intended to ensure that the form is completely and accurately prepared. In the event that our report is issued prior to our having read Form 5500, you agree not to attach our report to the financial statements included with the Form 5500 filing until we have read the completed Form 5500.

The audit documentation for this engagement is the property of Harper, Rains, Knight and Company, P.A. and constitutes confidential information. Except as discussed below, any requests for access to our working papers will be discussed with you prior to making them available to requesting parties.

We may be requested to make certain audit documentation available to the DOL pursuant to authority given to it by law or regulation, or to peer reviewers. If requested, access to such audit documentation will be provided under the supervision of HRK's personnel. Furthermore, upon

request, we may provide copies of selected audit documentation to the DOL. We will mark all information as confidential and maintain control over the duplication of such information. However, the DOL may intend, or decide, to distribute the photocopies or information contained therein to others, including other governmental agencies.

You agree to inform us of facts that may affect the financial statements of which you may become aware during the period from the date of the auditor's report to the date the financial statements are issued.

We understand that your employees will prepare all confirmations we request and will locate any documents or invoices selected by us for testing.

Reporting

We will issue a written report upon completion of our audit of the Plan's financial statements and supplemental schedule. Our report will be addressed to Nyx Nava, Plan Administrator, of the Plan. We cannot provide assurance that a limited-scope opinion as permitted by Regulation 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA will be expressed. Circumstances may arise in which it is necessary for us to modify our opinion, add an emphasis-of-matter or other-matter paragraph(s), or withdraw from the engagement.

Please sign and return the attached copy of this letter to indicate your acknowledgment of, and agreement with, the arrangements for our audit of the financial statements including our respective responsibilities.
