To the Board of Trustees
Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan
Glenwood Springs, Colorado

We have audited the financial statements of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan") as of and for the year ended December 31, 2017. Professional standards require that we provide you with the following information related to our audit.

Qualitative Aspects of Accounting Policies

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in the note 2 to the 2017 audited financial statements. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. There are no significant transactions that have been recognized in the financial statements in a different period than when the transaction occurred.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimates affecting the financial statements were:

- Estimating an allowance for uncollectible amounts (none at December 31, 2017 and 2016), based on management's experience with refunds and re-insurance, together with actual collections history since year-end.
- Plan benefit obligations, representing the estimated net cost of all benefit claims incurred but unpaid at the statement of net assets date. Because this is not based on an actuarial study – which would estimate the dollar amount of claims incurred during the Plan year but not reported for periods extending beyond the date of the financial statements – the amount of the Plan's benefit obligation may be understated, and our report is adjusted accordingly.

We evaluated the key factors and assumptions used to develop these estimates, and found them to be reasonable in relation to the financial statements taken as a whole.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management.

Corrected and Uncorrected Misstatements (continued)

The following misstatements detected as a result of audit procedures – converting from cash basis to accrual basis of accounting – were corrected prior to issuance of the audited 2017 financial statements:

- Reversing 2016 re-insurance receivable ($339,597) and accruing the 2017 re-insurance receivable ($340,062).
- Reversing 2016 benefit obligation ($479,901) and accruing the 2017 benefit obligation ($830,840).
- Reclassifying January 2017 insurance premium from prepaid expense to expense ($34,788).

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

As is required in all audit engagements, we have requested certain representations from management that are included in the management representation letter

Recommendations

In planning and performing our audit of the Plan's financial statements as of and for the year ended December 31, 2017, we noted the following opportunity for improvement of internal controls and day-to-day operations, which is presented for your consideration below.

Plan Governance and Oversight

In the course of our audit, we noted that the minutes of meetings of the Plan's Trustees are not maintained. Minutes serve as a record of the events of the Trustees' meetings and should document all important topics discussed and decisions reached. Meeting minutes can be a crucial document in the event of future legal challenges and in documenting compliance with IRS regulations and other regulatory and fiduciary issues. An appointed record-keeper should be responsible for taking minutes, so that every meeting will have one set of corresponding minutes. We very strongly suggest that, in the future, minutes be promptly prepared and retained for all meetings of the Plan Trustees.

This report is intended solely for the information and use of the Plan's Board of Trustees, management, and others within the organization and is not intended to be, and should not be, used by anyone other than those specified parties.

Sincerely,

McMahan and Associates, L.L.C.

INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees
Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan
Glenwood Springs, Colorado

Report on the Financial Statements

We have audited the accompanying financial statements of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2017 and 2016 and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purposes of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

INDEPENDENT AUDITOR'S REPORT
To the Board of Trustees
Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan
Glenwood Springs, Colorado

Basis for Qualified Opinion

As discussed in Note 2.D to the financial statements, the required actuarial present value of the Plan's benefit obligation was not available for the years ended December 31, 2017 and 2016. We have reviewed the procedures applied in valuing the benefit obligation and have inspected the underlying documentation. In our opinion, those procedures are not adequate to determine the fair value of the benefit obligation in conformity with accounting principles generally accepted in the United States of America. The effect on the financial statements of not applying adequate procedures to determine the fair value of the benefit obligation is not determinable.

Qualified Opinion

In our opinion, except for the effects on the financial statements of omitting the actuarial present value of the Plan's benefit obligations as described in the Basis for Qualified Opinion paragraph, the financial statements referred to above present fairly in all material respects, the net assets available for benefits of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan as of December 31, 2017 and 2016, and the changes in net assets available for benefits for the years ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as whole. The supplemental schedule on page 9 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the United States Department of Labor's *Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974*. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

1. Description of the Plan

The following description of Holy Cross Electric Association, Inc. Medical and Dental Benefits Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

A. General

The Plan provides medical and dental benefits to eligible current and former employees and eligible Directors of the plan sponsor, Holy Cross Electric Association, Inc. (the "Corporation"), a Colorado non-profit corporation which does business under the trade name Holy Cross Energy. The Plan, which was established by the Corporation on July 1, 1983, is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

B. Benefits

The Plan provides medical, dental, and prescription drugs benefits for active and eligible retired employees of the Corporation, retired Directors, and their dependents. Coverage for eligible retired employees and Directors extends one year for every three years of service with the Corporation, or until eligible for Medicare benefits. An unlimited maximum annual benefit per covered individual is available under the Plan. Plan benefits terminate at the date the participant ceases to be eligible for coverage, dies, or the Plan is terminated; whichever occurs earlier.

C. Contributions

The Plan is funded by contributions from the Corporation and participants. For 2017 and 2016, participant contributions were calculated at 10% of estimated premiums.

D. Termination

Although it has not expressed any intent to do so, the Corporation has the right to terminate the Plan, pursuant to the provisions of ERISA. In the event of Plan termination, any remaining net assets would be distributed to the Corporation and the Corporation would assume any liabilities.

2. Summary of Significant Accounting Policies

A. Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting which recognizes revenues (increases in net assets) when earned, and expenses (decreases in net assets) when incurred.

B. Cash and Cash Equivalents

The Plan considers all checking, savings, and money market accounts, as well as all investments with original maturities of less than 90 days when purchased, to be cash equivalents for the purpose of the Statement of Cash Flows, since all such funds are highly liquid.

2. Summary of Significant Accounting Policies (continued)

B. Cash and Cash Equivalents (continued)

Certificates of deposit held for investment that are not debt instruments and with original maturities of greater than 90 days when purchased are reported as "Investments – Other" in these financial statements.

C. Allowance for Uncollectible Amounts

The Plan utilizes the allowance method of recognizing uncollectible amounts, whereby an allowance for possible future uncollectibility of accounts receivable is established when collectibility becomes doubtful. No such allowance was required at December 31, 2017 and 2016, as all receivables were considered to be collectible.

D. Plan Benefit Obligations

Generally accepted accounting principles require the Plan to report the actual present value of the following benefit obligations: claims payable, claims incurred but not reported, and premiums payable to insurance companies. In the Plan's financial statements, claims incurred but not reported include only those claims reported between the Plan's year-end and the date the financial statements were prepared. An actuarial study – which would estimate the amount of claims incurred during the Plan year but not reported for periods extending beyond the date of the financial statements – was not available; therefore, the amount of the Plan's benefit obligation may be understated.

The changes in Plan benefit obligation are set forth below:

	2017	2016
Plan benefit obligation - Beginning of the year	$ 479,901	303,677
Claims accrued and/or approved for payment	4,995,525	4,120,921
Claims paid	(4,644,586)	(3,944,697)
Plan benefit obligation - End of the year	$ 830,840	479,901

E. Income Taxes

The trust established under the Plan to hold the Plan's assets is intended to qualify under section 501(c)(9) of the Internal Revenue Code and, accordingly, the trust's net investment income is exempt from income taxes. The Corporation believes that the Plan, as amended, continues to qualify and to operate in accordance with applicable provisions of the Internal Revenue Code granting tax-exempt status to the Plan.

F. Subsequent Events

Management has evaluated subsequent events through October 2, 2018; the date these financial statements were available to be issued.

2. Summary of Significant Accounting Policies (continued)

G. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan sponsor to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

3. Investments - Other

	2017	2016
Certificates of deposit, maturing within one year, interest at 0.2% - 0.4% p.a. (2016 - 0.2% - 0.4% p.a.)	$ 506,200	504,687

4. Credit Risk and Repurchase Agreement

The Federal Deposit Insurance Corporation ("FDIC") insures up to $250,000 per depositor at each separately chartered FDIC-member financial institution, without regard to the nature of the accounts. The Plan's uninsured cash balances totaled $516,354 at December 31, 2017 (2016 – $605,073).

The Plan has entered into a Sweep and Repurchase Agreement with Alpine Bank, under which funds in excess of a specified threshold are invested by Alpine Bank in obligations issued or guaranteed by the United States government or its agencies, with all such invested amounts available to the Plan upon demand (the "Underlying Securities"). At December 31, 2017 and 2016, the Sweep and Repurchase Agreement had a maximum balance of $2,000,000. Alpine Bank has granted the Plan security interests in the Underlying Securities, but the Underlying Securities are not the property of the Plan. Amounts invested under the terms of the Sweep and Repurchase Agreement are not insured by the FDIC and are not guaranteed by the United States government or its agencies.

Alpine Bank's obligations pursuant to the Sweep and Repurchase Agreement are general obligations secured by the Underlying Securities. Prior to any event of default, the Plan will be paid the repurchase price from the general assets of Alpine Bank rather than from proceeds resulting from the sale of the Underlying Securities. However, in the event of a default, the Plan will be entitled to its ratable portions of the proceeds from the sale of the Underlying Securities in an amount equal to the repurchase price, if sufficient, and the Plan shall become a general, unsecured creditor to Alpine Bank. To the extent that the Plan's ratable share of the proceeds from any sale of the Underlying Securities is not sufficient to cover Alpine Bank's obligation, the deficiency, if any, shall be paid from the general assets of Alpine Bank.

5. Insurance Premiums

	2017	2016
Excess loss insurance	$ 414,136	407,116
Life insurance	71,205	55,602
Long-term disability insurance	67,801	63,241
Total	$ 553,142	525,959

5. Insurance Premiums (continued)

The excess loss insurance limits the amount of claims to be paid by the Plan to $90,000 per participant per year for 2017 ($90,000 - 2016), and to an aggregate of $3,800,000 per year for 2017 (2016 - $3,800,000). Claims in excess of the specified and aggregate dollar amount are paid by the insurance.

6. Administration

Effective January 1, 2011, the Plan entered into an agreement with Regional Care, Inc. ("RCI") for the administration of the Plan. The agreement had an initial two-year term, and automatically renews for successive one-year terms unless otherwise terminated. RCI's responsibilities under the agreement include claims supervision, accounting, and other administrative services. RCI's compensation is paid as a monthly fee, and is determined using an agreed-upon rate per participant and number of dependents.

Effective January 1, 2017, the Plan entered into an agreement with Benefit Administrative Systems, LLC ("BAS") for the administration of the Plan. The agreement has an initial one-year term, and automatically renews for successive one-year terms unless otherwise terminated. BAS's responsibilities under the agreement include claims supervision, accounting, and other administrative services. BAS's compensation is paid as a monthly fee, and is determined using an agreed-upon rate per participant and number of dependents.

Administrative expenses are comprised of the following:

	2017	2016
