To the Plan Administrator of

Vertical Bridge Management LLC 401(K) Plan

We have audited the financial statements of Vertical Bridge Management LLC 401(K) Plan ("the Plan") for the year ended December 31, 2017, and have issued our report thereon dated November 20, 2018. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you October 16, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates affecting the financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no sensitive disclosures in the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no misstatements identified during the audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated November 20, 2018.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Supplementary Information Accompanying the Audited Financial Statements

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Gerstle, Rosen & Goldenberg, P.A.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Vertical Bridge Management LLC 401(K) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Vertical Bridge Management LLC 401(K) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management & Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2017, and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Compiled 2016 Financial Statement

Plan management is responsible for the accompanying financial statements of Vertical Bridge Management LLC 401(K) Plan, which comprises the statement of net assets available for benefits as of December 31, 2016. We have performed a compilation engagement in accordance with Statement for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule on page 13, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

VERTICAL BRIDGE MANAGEMENT LLC 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

Note 1 - Description of Plan

The following description of Vertical Bridge Management LLC 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code and covers all eligible employees of Vertical Bridge Management LLC (the "Company") who are age twenty-one or older and can be enrolled on the first day of the month following three months employed.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is administered by a trustee appointed by the Managing Members of the Company. The Plan was established effective August 1, 2014. The plan was amended on January 1, 2017.

Contributions

Each year participants may contribute up to 90% of pretax annual compensation as defined in the Plan up to the IRS limit for 2017 of $18,000 ($24,000 for employees age 50 or older; which includes the permitted "catch-up contribution"). Participant contributions during 2017 totaled $766,944.

The Company has elected to make safe harbor non-elective employer contributions to all eligible participants in the amount equal to 4% of eligible participant's compensation for the plan year. The Company contributed $418,330 for 2017.

Internal Revenue Code Section 415 (c)(1)(A) limits the 2017 sum of employee and employer contributions for each participant, to the lesser of 100% of annual compensation or $53,000 or $59,000 for those qualified for "catch-up contributions". Participants may roll funds into the plan from another qualified plan.

Participant Accounts

All investments in participants' accounts are participant-directed. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, which currently there are no matches and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 - Description of Plan (Continued)

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear a reasonable rate of interest as determined by the Plan Administrator. Principal and interest is paid through payroll deductions for a period not to exceed five years (60 months), unless the loan is taken for the purchase of a primary residence.

As of December 31, 2017 and 2016, there were participant loans outstanding in the amount of $89,744 and $25,114, respectively.

Distributions

Distributions of account balances are eligible to be made within a reasonable time after the occurrence of one of the following events:

- Normal retirement (the date on which a participant attains the age of 59 ½ years);
- Termination of employment;
- At age 70 ½ (normal retirement age) a participant is required to receive minimum distributions from the employer's plan no later than April 1, of that plan year, unless the participant is a 5% owner or more of the employer;
- Death, disability; or
- Termination of the Plan

There were no amounts allocated to accounts of persons who, as of December 31, 2017, have withdrawn from the Plan but have not been paid.

The plan at December 31, 2017 did not owe distributions to any active or terminated participant. Benefits paid to participants in 2017 totaled $140,165.

Note 1 - Description of Plan (Continued)

Plan Expenses

Participants are charged an annual recordkeeping and trustee fee, as designated in the Plan Documents. In addition, expenses related to transactions attributed to the individual accounts, such a loan processing fees, as defined in the Plan Documents, are paid by the Company.

For the year ended December 31, 2017, administration expenses totaled $1,252.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with the United States generally accepted accounting principles.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits, Cost and Expenses

Benefits are recorded when paid. Cost and expenses for administering the plan are deducted from participant account balances.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 3 – Fair Value Measurements

FASB ASC No. 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC No. 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

a) quoted prices for similar assets or liabilities in active markets;
b) quoted prices for identical or similar assets or liabilities in inactive markets;
c) inputs other than quoted prices that are observable for the asset or liability;
d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment companies: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

Note 3 – Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's total assets at fair value as of December 31, 2017:

	Level 1	Level 2	Level 3	Total
Money market fund	$ 50,201	$ -	$ -	$ 50,201
Mutual funds	2,753,227	-	-	2,753,227

Total Assets at Fair Value	$ 2,803,428	$ -	$ 127,958	$ 2,931,386

The following table set forth by level, within the fair value hierarchy, the Plan's total assets at fair value as of December 31, 2016:

	Level 1	Level 2	Level 3	Total
Money market fund	$ -	$ -	$ -	$ -

Total Assets at Fair Value	$ 1,243,773	$ -	$ 49,017	$ 1,292,790

Note 4 – Information Prepared and Certified by Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 4 – Information Prepared and Certified by Trustee (Continued)

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2017 and 2016 and net appreciation (depreciation) in fair value of collective investment funds, and interest and dividends for the year ended December 31, 2017 was obtained or derived from information supplied to the plan administrator. Accordingly, the trustee has certified to the plan administrator that the data included in the accompanying financial statements and supplemental schedule is complete and accurate.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 6 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is the reconciliation of Net Assets available for benefits per the financial statement for the year ended December 31, 2017 to the Form 5500:

Net Assets Available for Benefits per the financial statement	$	2,931,386
Receivables from Participants, 2017		(24,690)
Receivables from Employers, 2017		(13,524)
Net Assets Available for Benefits per Schedule H, Form 5500	$	2,893,172

Net Income per Financial Statement	$	1,638,596
Receivables from Participants, 2016		16,001
Receivables from Employers, 2016		7,902
Receivables from Participants, 2017		(24,690)
Receivables from Employers, 2017		(13,524)
Net Income per Schedule H, Form 5500	$	1,624,285

Note 7 – Tax Status

The Plan received its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since receiving the determination letter. However, the plan administrator and the trustee believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Party-In-Interest Transactions

Parties-in-interests are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain other. Certain plan investments are shares of mutual funds managed by Fidelity Management and Trust Company. Fidelity Management and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Participant loans held by Plan also reflect play-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Company. No such officers or employees receive compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

Note 10 – Subsequent Events

Management has evaluated subsequent events through November 20, 2018, the date on which the financial statements were available to be issued. No subsequent events have been noted.

To the Plan Administrator of

Vertical Bridge Management LLC 401(K) Plan

We have audited the financial statements of Vertical Bridge Management LLC 401(K) Plan ("the Plan") for the year ended December 31, 2017, and have issued our report thereon dated November 20, 2018. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you October 16, 2018. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the Plan are described in Note 2 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2017. We noted no transactions entered into by the Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no sensitive estimates affecting the financial statements.

Certain financial statement disclosures are particularly sensitive because of their significance to financial statement users. There were no sensitive disclosures in the financial statements.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. There were no misstatements identified during the audit.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated November 20, 2018.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the Plan's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Supplementary Information Accompanying the Audited Financial Statements

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with U.S. generally accepted accounting principles, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of the Plan Administrator and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

Gerstle, Rosen & Goldenberg, P.A.

INDEPENDENT AUDITORS' REPORT

To the Plan Administrator and Participants of
Vertical Bridge Management LLC 401(K) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Vertical Bridge Management LLC 401(K) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2017, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Fidelity Management & Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2017, and for the year then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Report on Compiled 2016 Financial Statement

Plan management is responsible for the accompanying financial statements of Vertical Bridge Management LLC 401(K) Plan, which comprises the statement of net assets available for benefits as of December 31, 2016. We have performed a compilation engagement in accordance with Statement for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statement nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on the financial statement.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule on page 13, which is the responsibility of plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

VERTICAL BRIDGE MANAGEMENT LLC 401 (K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017

Note 1 - Description of Plan

The following description of Vertical Bridge Management LLC 401(K) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General

The plan is a defined contribution plan under Section 401(k) of the Internal Revenue Code and covers all eligible employees of Vertical Bridge Management LLC (the "Company") who are age twenty-one or older and can be enrolled on the first day of the month following three months employed.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA") and is administered by a trustee appointed by the Managing Members of the Company. The Plan was established effective August 1, 2014. The plan was amended on January 1, 2017.

Contributions

Each year participants may contribute up to 90% of pretax annual compensation as defined in the Plan up to the IRS limit for 2017 of $18,000 ($24,000 for employees age 50 or older; which includes the permitted "catch-up contribution"). Participant contributions during 2017 totaled $766,944.

The Company has elected to make safe harbor non-elective employer contributions to all eligible participants in the amount equal to 4% of eligible participant's compensation for the plan year. The Company contributed $418,330 for 2017.

Internal Revenue Code Section 415 (c)(1)(A) limits the 2017 sum of employee and employer contributions for each participant, to the lesser of 100% of annual compensation or $53,000 or $59,000 for those qualified for "catch-up contributions". Participants may roll funds into the plan from another qualified plan.

Participant Accounts

All investments in participants' accounts are participant-directed. Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution, which currently there are no matches and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant's account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Note 1 - Description of Plan (Continued)

Vesting

Participants are immediately vested in their contributions and the Company's safe harbor contributions, plus actual earnings thereon.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear a reasonable rate of interest as determined by the Plan Administrator. Principal and interest is paid through payroll deductions for a period not to exceed five years (60 months), unless the loan is taken for the purchase of a primary residence.

As of December 31, 2017 and 2016, there were participant loans outstanding in the amount of $89,744 and $25,114, respectively.

Distributions

Distributions of account balances are eligible to be made within a reasonable time after the occurrence of one of the following events:

- Normal retirement (the date on which a participant attains the age of 59 ½ years);
- Termination of employment;
- At age 70 ½ (normal retirement age) a participant is required to receive minimum distributions from the employer's plan no later than April 1, of that plan year, unless the participant is a 5% owner or more of the employer;
- Death, disability; or
- Termination of the Plan

There were no amounts allocated to accounts of persons who, as of December 31, 2017, have withdrawn from the Plan but have not been paid.

The plan at December 31, 2017 did not owe distributions to any active or terminated participant. Benefits paid to participants in 2017 totaled $140,165.

Note 1 - Description of Plan (Continued)

Plan Expenses

Participants are charged an annual recordkeeping and trustee fee, as designated in the Plan Documents. In addition, expenses related to transactions attributed to the individual accounts, such a loan processing fees, as defined in the Plan Documents, are paid by the Company.

For the year ended December 31, 2017, administration expenses totaled $1,252.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in conformity with the United States generally accepted accounting principles.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits, Cost and Expenses

Benefits are recorded when paid. Cost and expenses for administering the plan are deducted from participant account balances.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Note 3 – Fair Value Measurements

FASB ASC No. 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC No. 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

a) quoted prices for similar assets or liabilities in active markets;
b) quoted prices for identical or similar assets or liabilities in inactive markets;
c) inputs other than quoted prices that are observable for the asset or liability;
d) inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value.

Registered investment companies: Valued at the net asset value ("NAV") of shares held by the Plan at year end.

Note 3 – Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table set forth by level, within the fair value hierarchy, the Plan's total assets at fair value as of December 31, 2017:

	Level 1	Level 2	Level 3	Total
Money market fund	$ 50,201	$ -	$ -	$ 50,201

Note 4 – Information Prepared and Certified by Trustee

The plan administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 4 – Information Prepared and Certified by Trustee (Continued)

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2017 and 2016 and net appreciation (depreciation) in fair value of collective investment funds, and interest and dividends for the year ended December 31, 2017 was obtained or derived from information supplied to the plan administrator. Accordingly, the trustee has certified to the plan administrator that the data included in the accompanying financial statements and supplemental schedule is complete and accurate.

Note 5 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 6 – Reconciliation of Financial Statements to Schedule H of Form 5500

The following is the reconciliation of Net Assets available for benefits per the financial statement for the year ended December 31, 2017 to the Form 5500:

Net Assets Available for Benefits per the financial statement	$	2,931,386
Receivables from Participants, 2017		(24,690)
Receivables from Employers, 2017		(13,524)
Net Assets Available for Benefits per Schedule H, Form 5500	$	2,893,172

Net Income per Financial Statement	$	1,638,596
Receivables from Participants, 2016		16,001
Receivables from Employers, 2016		7,902
Receivables from Participants, 2017		(24,690)
Receivables from Employers, 2017		(13,524)
Net Income per Schedule H, Form 5500	$	1,624,285

Note 7 – Tax Status

The Plan received its latest determination letter on March 31, 2014, in which the Internal Revenue Service stated the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). The Plan has been amended and restated since receiving the determination letter. However, the plan administrator and the trustee believe the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

U.S. generally accepted accounting principles require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 8 – Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 9 – Party-In-Interest Transactions

Parties-in-interests are defined under Department of Labor regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer, and certain other. Certain plan investments are shares of mutual funds managed by Fidelity Management and Trust Company. Fidelity Management and Trust Company is the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Participant loans held by Plan also reflect play-in-interest transactions.

Certain administrative functions are performed by officers or employees of the Company. No such officers or employees receive compensation from the Plan. Some administrative expenses of the Plan are paid directly by the Company.

Note 10 – Subsequent Events

Management has evaluated subsequent events through November 20, 2018, the date on which the financial statements were available to be issued. No subsequent events have been noted.
