Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Pershing Trust Co., the current custodian of the Plan, and Mid Atlantic Trust Company, the former custodian of the Plan, except for comparing this information with the related information included in the 2016 financial statements. We have been informed by the Plan Administrator that the current custodian holds the Plan's assets and the current and former custodian executes (executed) transactions. The Plan Administrator has obtained certifications from the custodians as of and for the year ended December 31, 2016, for the respective period that the information provided to the Plan Administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2016 financial statements. Accordingly, we do not express an opinion on the 2016 financial statements.

Other Matter – 2015 Financial Statements

The financial statements of the plan as of December 31, 2015 were audited by predecessor auditors. As permitted by 29 CR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the custodian. Their report, dated October 13, 2016, indicated that (a) because of the significance of the information that they did not audit, they were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements (b) the form and content of the information included in the financial statements other than that derived from the information certified by the trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – Supplemental Schedules

The supplemental schedule of assets held for investment purposes as of the year ended December 31, 2016 is required by the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purposes of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE PLAN

General

The Plan is a defined contribution plan, which covers substantially all employees of the Company who, effective as of January 1, 2015, have six months of service and are age eighteen or older. Six months of service is a six consecutive month period during which an employee has at least 500 hours of service, as defined in the Plan document and adoption agreement. The Plan excludes union employees, non-resident aliens, and leased employees. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Plan provisions enable qualified participants to defer up to 100% of eligible compensation, subject to certain Internal Revenue Code limits. The Company matches 100% of the first 3% of base compensation that a participant contributes to the Plan and 50% of the amount of the participant's compensation that exceeds 3% of the participant's compensation but that does not exceed 5% of the participant's contribution. The Plan also permits the Company to contribute an additional discretionary profit sharing amount each year, however, no discretionary contributions have been made to the Plan. The Plan also permits rollover contributions from other qualified retirement plans.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company matching contributions as well as any allocation of the Company's discretionary profit sharing contribution, and plan earnings.

Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investments of their contributions into the various funds provided. Participants may change their allocation of contribution or transfer money between investment options at any time during the year.

Vesting

Participants are immediately vested in their contributions and the safe harbor matching contributions, plus actual earning thereon. A participant is 100% vested in the Company's discretionary contributions plus actual earning thereon after five years of service.

Payments of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account. The Plan also provides for hardship withdrawals, which are subject to conditions stated in the Plan document.

NOTES TO FINANCIAL STATEMENTS

NOTE 1: DESCRIPTION OF THE PLAN (Continued)

Forfeited Accounts

Unvested amounts forfeited by terminated participants may be used by the Plan for the payment of Plan expenses or to reduce the employer contribution. At December 31, 2016 and 2015, there were no forfeited non-vested accounts.

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Plan investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Committee determines the Plan's valuation policies utilizing information provided by the investment custodian and insurance company. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Recent Accounting Pronouncements

In May 2015, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share (or Its Equivalent). The amendments in this update remove the requirement to categorize within the fair value hierarchy all investments for which fair value is measured using the net asset value per share practical expedient. However, sufficient information must be provided to permit reconciliation of the fair value of assets categorized within the fair value hierarchy to the amounts presented in the statement of financial position. The amendments also remove the requirement to make certain disclosures for all investments that are eligible to be measured at fair value using the net asset value per share practical expedient. The amendments in this update are effective for public business entities for fiscal years beginning after December 15, 2015. For all other entities, the amendments in this update are effective for fiscal years beginning after December 15, 2016. Early adoption is permitted. Upon adoption, the amendments shall be applied retrospectively to all periods presented. Plan management does not believe this will impact the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Accounting Pronouncements (continued)

In July 2015, the FASB issued ASU 2015-12, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), Health and Welfare Benefit Plans (Topic 965): (Part 1) Fully Benefit-Responsive Investment Contracts, (Part II) Plan Investment Disclosure, (Part III) Measurement Date Practical Expedient*. Part I eliminates the requirements to measure the fair value of benefit-responsive investment contracts and provide certain disclosures. Contract value is the only required measure for fully benefit-responsive investment contracts. Part II eliminates the requirements to disclose individual investments that represent 5 percent or more of the net assets available for benefits and the net appreciation or depreciation in fair value of investments by general type. Part II also simplifies the level of disaggregation of investments that are measured using fair value. Plans will continue to disaggregate investments that are measured using fair value by general type; however, plans are no longer required to also disaggregate investments by nature, characteristics and risks. Further, the disclosure of information about fair value measurements shall be provided by general type of plan asset. Part III provides a practical expedient to permit plans to measure investments and investment-related accounts as of a month-end that is closest to the plan's fiscal year-end, when the fiscal period does not coincide with a month-end. The ASU is effective for fiscal years beginning after December 15, 2015, with early adoption permitted. Parts I and II are to be applied retrospectively, with Part III to be applied prospectively. Parts I and III are not applicable to the Plan. Management has elected to adopt Part II early for the 2016 plan year.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

Certain Plan expenses are paid for by the Plan. All other expenses of maintaining the Plan are paid by the Company and are excluded from these financial statements.

Subsequent Event

Subsequent events have been evaluated through July 31, 2018, which is the date the financial statements were available to be issued.

NOTE 3: INFORMATION PREPARED AND CERTIFIED BY CUSTODIAN

Certain information related to investments disclosed in the accompanying financial statements and supplemental schedule, including investments held at December 31, 2016 and 2015, and net appreciation (depreciation) in fair value of investments, interest and dividends for the years ended December 31, 2016 and 2015, was obtained or derived from information supplied to the Plan Administrator and certified as complete and accurate by Pershing Company (the current custodian of the Plan) and Mid Atlantic Trust Company (the former custodian of the Plan).

NOTES TO FINANCIAL STATEMENTS

NOTE 4: INVESTMENTS

During 2016 and 2015 the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in as follows:

	<u>2016</u>	<u>2015</u>
	\$ 54,166	\$ (46,228)

NOTE 5: FAIR VALUE MEASUREMENTS

Generally Accepted Accounting Principles include a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2016 and 2015.

NOTES TO FINANCIAL STATEMENTS

NOTE 5: FAIR VALUE MEASUREMENTS (Continued)

Mutual and Money Market Funds: Valued at the net asset value (NAV) of shares held by the Plan at year end. NAV is based on the value of underlying assets owned by the fund minus its liabilities and then divided by the number of shares outstanding. NAV is a quoted market price in an active market.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2016 and 2015:

Assets at Fair Value as of December 31, 2016

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Money Market	\$ 72,402	\$ 0	\$ 0	\$ 72,402
Mutual Fund	<u>1,239,278</u>	<u>0</u>	<u>0</u>	<u>1,239,278</u>
Total assets at fair value	\$ 1,311,680	\$ 0	\$ 0	\$ 1,311,680

NOTE 6: PLAN TERMINATION

On October 20, 2017, the Board adopted a resolution that, effective as of that date, the Plan be terminated. As a result of this action, participants will become 100 percent vested in their accounts.

NOTE 7: PARTY IN INTEREST TRANSACTION

MATC/Pershing provide custodial and trustee services for the Plan. MATC/Pershing may receive revenue from certain mutual funds which is used to offset the custodial and trustee fees.

NOTES TO FINANCIAL STATEMENTS

NOTE 8: INCOME TAX STATUS

The Plan Administrator has not applied for a determination letter from the Internal Revenue Service because the Plan adopted a prototype plan, which has received a favorable opinion letter from the IRS. The Plan Sponsor made no changes in the approved language of the prototype document. The Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and that the Plan was qualified and the related trust was tax-exempt as of the financial statement date. Therefore, the Plan has no income subject to unrelated business income tax thus no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require management of an organization to evaluate tax positions taken by the organization and recognize a tax liability if the organization has taken an uncertain tax position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Plan management has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2016, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. There are currently no audits for any tax periods in progress.

NOTE 9: RISKS AND UNCERTAINTIES

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rates, market and credit. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.

NOTE 10: PLAN AMENDMENTS

Effective January 1, 2015, the Plan was amended and restated to comply with the Pension Protection Act of 2016 and other legislative and regulatory changes. As part of this restatement, the Plan was amended to change the eligibility period from one year to six months and to allow in-Plan Roth rollovers.
