Report of Independent Auditors

To the Plan Administrator and Those Charged with Governance
Peliton HR Administration 401(k) Profit Sharing Plan and Trust

Report on Financial Statements

We were engaged to audit the accompanying financial statements of Peliton HR Administration 401(k) Profit Sharing Plan and Trust (the Plan) which comprise the statements of net assets available for benefits as of March 7, 2018 (date of liquidation) and December 31, 2017 and the related statements of changes in net assets available for benefits for the period January 1, 2018 through March 7, 2018 (in liquidation) and the year ended December 31, 2017 (ongoing), and the related notes to financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by John Hancock Life Insurance Company, the Custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan Administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained certification from the Custodian as of March 7, 2018 and December 31, 2017 and for the period January 1, 2018 through March 7, 2018 (in liquidation) and the year ended December 31, 2017 (ongoing), that the information provided to the Plan Administrator by the Custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the financial statements. Accordingly, we do not express an opinion on the financial statements referred to in the first paragraph.

Emphasis of a Matter

As described in Note 1 to the financial statements, the Board of Directors of Peliton, LLC and its affiliates (the Sponsor), on March 7, 2018, approved the merger of the Plan into a multiple employer plan. As a result, the Plan has changed its basis of accounting from the going concern basis used in presenting the 2017 financial statements to the liquidation basis used in presenting the 2018 financial statements. Our opinion is not modified with respect to the matter.

Other Matter

Report on Supplemental Information

The supplemental information, Schedule H, line 4i – schedule of assets (held at end of year) as of March 7, 2018, is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. The supplemental information is the responsibility of Plan management. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental information.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

Note 1 – Description of Plan

The following description of the Peliton HR Administration 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General and eligibility

The Plan is a multiple-employer plan maintained by Peliton, LLC and its affiliates (the Company or Sponsor) as a defined contribution plan covering eligible employees of the Company and Adopting Employers. With the consent of the Company, an Adopting Employer or Participating Employer may adopt the Plan by executing an adoption agreement. The provisions of the Plan as applicable to the Participating Employer and its employees are based on the selections of the Participating Employer with respect to the variable features provided by the Plan Document and the adoption agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is a multiple-employer plan as described in Section 413(c) of the Internal Revenue Code (IRC). The Company is a Professional Employer Organization (PEO) and provides payroll processing and human resources to its clients. Each client of the Company has the option of adopting this Plan for the benefit of its employees. A client establishes its eligibility requirement related to age and length of service for its employees in accordance with the Plan Document and IRC. An Adopting Employer may elect to waive or change the service eligibility requirement for individuals who are performing services for the Adopting Employer as of the date the Plan is adopted. However, hiring individuals after the adoption date is subject to the standard requirements, unless otherwise elected.

The Plan's Retirement Committee is responsible for oversight of the Plan, determining the appropriateness of the Plan's investment offerings and monitoring investment performance.

Effective March 7, 2018, the Board of Directors of Peliton, LLC merged the Plan into a multiple-employer plan.

Contributions

Each year, participants may contribute up to 50 percent of their pre-tax annual compensation, as defined by the Plan, up to the maximum allowable under the Internal Revenue Code. Participants may also roll over amounts representing distributions from other qualified defined benefit or contribution plans. For the periods ended, March 7, 2018 and December 31, 2017, individual participants' contributions were limited to \$18,500. Participants who are age 50 and older may also contribute an additional \$6,000 for each of the period January 1, 2018 through March 7, 2018 and the year ended December 31, 2017.

Participants may change their contribution percentages at any time or may elect to completely suspend contributions at any time. A Participating Employer may also make a discretionary profit-sharing contribution and a discretionary matching contribution at an amount determined in accordance with the formula specified in the adoption agreement, if so elected in the adoption agreement. A Participating Employer may also elect to make safe harbor contributions intended to meet the requirements of Section 401(k)(12) of the IRC, if so elected in the adoption agreement. If a Participating Employer has elected to make a safe harbor contribution, the Participating Employer shall provide each participant with written notice of the participant's rights and obligations under the Plan. Participating Employer contributions, if any, are recorded in the year for which the contributions apply.

PELITON HR ADMINISTRATION 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Contributions, continued

All Participating Employer contributions are invested as directed by each participant within allowable investment options. Participating Employers' discretionary contributions amounted to \$34,115 and \$786,160 for the period January 1, 2018 through March 7, 2018 and the year ended December 31, 2017, respectively.

Participant accounts

Each participant account is credited with the participant's contribution and the Company's or the Participating Employer's safe harbor matching and discretionary contributions, as well as allocations of Plan earnings or losses. Allocations of fund earnings or losses are based on the participants' account balances as of the end of each quarter. All participant contributions are participant-directed and may be invested in one fund or allocated among different funds. Participants may change the allocation of contributions among funds pursuant to Plan provisions. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Allocation and vesting of benefits

Participants are immediately vested in their voluntary contributions and the Company's or Participating Employer's safe harbor contributions plus actual earnings thereon. The Company or the Participating Employer discretionary contributions made on behalf of a participant, and earnings thereon, vest in accordance with the schedule specified in the corresponding Participating Employer's adoption agreement. Participating Employers may also elect to make safe harbor contributions with automatic enrollment.

Forfeitures

Forfeitures are used to reduce the Participating Employer's elective contribution and/or used to pay Plan administration expenses. Forfeitures are allocated to participants' accounts in the same manner as Participating Employer's matching contributions. Total forfeitures utilized to reduce Participating Employer contributions for the period January 1, 2018 through March 7, 2018 and the year ended December 31, 2017 were \$3,458 and \$23,318, respectively.

Payment of benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in a lump-sum distribution, or in monthly installments. For termination of service due to other reasons, a participant may choose to leave the vested interest in the Plan if such amounts exceed \$5,000 or elect a lump sum distribution. Participants with vested amounts less than \$1,000 must elect a lump-sum distribution, and participants with a vested amount between \$1,000 and \$5,000 are placed in an IRA provided by the Plan Administrator or may elect a lump-sum distribution. Funds may also be accessed prior to the date they become distributable by way of a financial hardship withdrawal. Hardship withdrawals are allowable in accordance with Internal Revenue Service (IRS) guidelines.

PELITON HR ADMINISTRATION 401(k) PROFIT SHARING PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 1 – Description of Plan, Continued

Participant notes receivable

Plan participants may borrow from their fund accounts a minimum of \$1,000 and up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. The loans, which are collateralized by the balance in the participant's account, bear interest at 1% above the prime rate, determined as of the date of the loan request. Principal and interest are paid ratably through monthly payroll deductions. All loans are required to be repaid within a period of five years, except loans to acquire the participant's principal residence which must be repaid in a reasonable period of time, not to exceed fifteen years.

Administrative expenses

The Plan allows certain administrative expenses to be paid from Plan assets.

Plan administration

The Plan is administered by the Company pursuant to the terms and conditions of the Plan and trust. Under the terms of the Plan, by action of the Board of Directors of the Company, the Company may designate one or more of its employees to perform the duties of the Plan Administrator. John Hancock Life Insurance Company (John Hancock or the Custodian) is the Custodian and record keeper. Pinnacle Financial Services, Inc. is the Plan's third party administrator.

Note 2 – Summary of Significant Accounting Policies

Basis of accounting

The financial statements of the Plan have been prepared using the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Cash and cash equivalents

Cash is defined as cash and short-term investments with maturity dates of less than 90-days. The Plan's short-term investments are considered to be cash equivalents and are recorded at cost, which approximates current market value. From time to time, the Plan may have demand deposits at a bank in excess of the \$250,000 limit for insurance by the Federal Deposit Insurance Company.

Investment valuation and income recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts which are at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the investment advisor and the Custodian.

Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Purchases and sales of securities are recorded on a trade-date basis. Net appreciation includes the Plan's gains and losses on investments bought and sold, as well as held during the year.

NOTES TO FINANCIAL STATEMENTS, CONTINUED

Note 2 – Summary of Significant Accounting Policies, Continued

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses has been recorded as of December 31, 2017. Delinquent notes receivable from participants are recorded as distributions based upon the terms of the Plan Document.

Administrative expenses

Administrative expenses for the period ended January 1, 2018 through March 7, 2018 and the year ended December 31, 2017 were \$5,383 and \$31,124, respectively.

Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts of assets and changes in net assets and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and such differences may be material.

Risks and uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the high level of risk associated with certain investment securities and the level of uncertainty related to changes in the values of investment securities, it is at least reasonably possible that changes in risks in the near-term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Concentration of credit risk

Financial instruments which potentially subject the Plan to concentrations of credit risk consist of the Plan's debt securities included in investment vehicles. Management believes that the Custodian maintains the Plan's investments with high credit-quality institutions and attempts to limit the credit exposure of any particular investment.

Payment of benefits

The Plan records benefit when paid.

Excess contributions payable

Amounts payable to participants for contributions in excess of amounts allowed by the IRS are recorded as a liability with a corresponding reduction to contributions. The Plan subsequently refunded the 2017 excess contributions to the applicable participants.

Plan merger

By action of the Board of Directors and the Plan's Trustees, the Sponsor merged the Plan effective March 7, 2018, participants became fully vested in their accounts, and all assets were distributed to participants or rolled over to new plans.

Note 3 – Information Certified by the Plan’s Custodian

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, The John Hancock Life Insurance Company has certified that the following data included in the accompanying financial statements and supplemental schedule is complete and accurate:

- Investments and notes receivable from participants as shown on the statements of net assets available for benefits as of March 7, 2018 and December 31, 2017;
- Net investment activity and interest income on notes receivable from participants as shown in the statements of changes in net assets available for benefits for the period January 1, 2018 through March 7, 2018 and the year ended December 31, 2017;
- Investment information included in the footnotes and supplemental schedule of assets (held at end of year) as of March 7, 2018.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 4 – Fair Value Measurements

Accounting guidance provides a framework for measuring fair value and provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

Level 1	Unadjusted quoted prices for identical, unrestricted assets or liabilities in active markets that a plan has the ability to access.
Level 2	Quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means for substantially the full term of the assets or liabilities.
Level 3	Significant unobservable inputs.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the applicable methodologies used at December 31, 2017. During the year ended December 31, 2017, there were no transfers of financial instruments into or out of Level 3.

Note 4 – Fair Value Measurements, Continued

Following is a description of the valuation methodologies used for assets measured at fair value:

Pooled separate accounts - Valued at its NAV based upon the units of such pooled separate accounts held by the Plan at year-end multiplied by the respective unit value. The unit values of the pooled separate accounts are based upon significant observable inputs, but are not based upon quoted market prices in an active market and are therefore considered Level 2 investments within the fair value hierarchy.

Guaranteed contracts - Valued at NAV based on contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017:

	Fair Value Measurements as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Pooled separate accounts	\$ -	\$ 14,988,979	\$ -	\$ 14,988,979
Guaranteed contracts *	-	-	-	<u>333,013</u>
Investments, at fair value	<u>\$ -</u>	<u>\$ 14,988,979</u>	<u>\$ -</u>	<u>\$ 15,321,992</u>

* In accordance with subtopic 820-10, certain investments that were measured at contract value have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to present the reconciliation of the fair value hierarchy to line items presented in the statements of net assets available for benefits.

Note 5 – Fair Value of Investments in Entities that use Contract Value

The following table summarizes investments measured at fair value based on contract value as of December 31, 2017:

3 Year Guaranteed Interest Account	\$ 298,562
5 Year Guaranteed Interest Account	11,713
10 Year Guaranteed Interest Account	<u>22,738</u>
	<u>\$ 333,013</u>

The guaranteed funds can be redeemed daily. The Plan has no unfunded commitments at December 31, 2017.

Note 6 – Fully Benefit- Responsive Guaranteed Investments

Fully benefit responsive guaranteed investments are valued at the NAV of units of the respective collective trust. The NAV is used as a practical expectant to estimate fair value. This practical expedient would not be used if it was determined to be probable that the fund will sell the investment for an amount different from the reported NAV. Participant transactions (purchases and sales) may occur daily. The John Hancock Life Insurance Company maintains the contributions in a general account. The accompanying financial statements present the guaranteed accounts at contract value and do not classify them in the fair value hierarchy.

Note 7 – Party-In-Interest Transactions

The Plan's investments include shares of pooled separate accounts and guaranteed funds administered by the Custodian. Therefore, transactions in these investments qualify as party-in-interest transactions.

Note 8 – Plan Transfers

In the normal course of business, the Company adds employers, and assets from the individual qualified plans that the added employers previously sponsored are transferred into the Plan, when administratively feasible to do so. Likewise, as employers leave the Plan and adopt different qualified plans, assets attributable to these outgoing employers are transferred out of the Plan.

Note 9 – Tax Status

The Sponsor has established, and intends to maintain, the Plan as a qualified plan under Section 401(a) of the IRC which provides for exemptions from federal income taxation. The Plan obtained its latest determination letter on March 16, 2010, in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan has been amended since receiving the determination letter, however, the Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Note 10 – Subsequent Events

The Plan evaluated events occurring subsequent to March 7, 2018 through December 11, 2018, the date on which the financial statements were available to be issued, for matters that should be recorded in the financial statements or disclosed in the footnotes thereto.
