Plan for Nonunion Employees

Report on the Financial Statements

We have audited the accompanying financial statements of Pittsburgh Corning Corporation Investment Plan for Nonunion Employees (the "Plan"), which comprise the statement of net assets available for benefits as of January 1, 2018 and December 31, 2017 and the related statement of changes in net assets available for benefits for the one-day period ended January 1, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2018 Financial Statements

Our responsibility is to express an opinion on the 2018 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2018 financial statements.

Auditor's Responsibility for the 2017 Financial Statements

Our responsibility is to express an opinion on the 2017 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the *Basis for Disclaimer of Opinion on the 2017 Financial Statements* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2017 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the investments and participant notes receivable held by Vanguard Fiduciary Trust Company (the "Trustee") and related transactions in those investments were excluded from the scope of our audit of the Plan's 2017 financial statements, except for comparing the information provided by the Trustee, which is summarized in Note 3, with the related information included in the financial statements.

Disclaimer of Opinion on the 2017 Financial Statements

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion on the 2017 Financial Statements* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2017 financial statements.

Opinion on the 2018 Financial Statements

In our opinion, the 2018 financial statements referred to above present fairly, in all material respects, the net assets of the Plan as of January 1, 2018 and the changes in net assets for the one-day period ended January 1, 2018 in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As explained in Note 6 to the financial statements, the Plan was merged into the Owens Corning Savings and Security Plan and Owens Corning Savings Plan effective January 1, 2018. Our opinion has not been modified with respect to this matter

Pittsburgh Corning Corporation Investment Plan for Nonunion Employees

Notes to Financial Statements

January 1, 2018 and December 31, 2017

Note 1 - Plan Description

The following description of Pittsburgh Corning Corporation Investment Plan for Nonunion Employees (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a profit-sharing plan covering substantially all nonunion employees of Pittsburgh Corning Corporation (the "Corporation") who are (a) employed by the Company on a salaried or hourly basis; (b) paid by the Company, or by a participating domestic subsidiary, or are a U.S. citizen paid by a participating foreign subsidiary; (c) not in a class of employees covered by a collective bargaining agreement with a union, unless that agreement provides for the application of the Plan to employees in that unit; and (d) not leased employees. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA). Effective January 1, 2018, the Plan merged into the Owens Corning Savings and Security Plan and Owens Corning Savings Plan. See Note 6.

Contributions

The Plan provides for employee salary deferral contributions that range from 2 to 25 percent of annual compensation subject to maximum tax-deferred limitations established by the Internal Revenue Code. The Company makes monthly matching contributions of 50 percent on the first 6 percent of the participant's monthly contribution and supplemental matching contributions. Supplemental matching contributions are based on the Company's return on assets (ROA). The supplemental matching contributions range from 0 percent to 50 percent (in 5 percent increments) of the current plan year contributions (up to 6 percent) based upon the ROA of the Company for the prior plan year. ROA is determined each year by the Company. If an individual contributed to the Plan as of December 31 of the prior year (including those who would have been contributing as of December 31 absent legal contribution limits), he or she is eligible for the supplemental match in the current plan year. The maximum contribution rate for matching contributions and supplemental matching contributions is 100 percent of the first 6 percent of the participant's monthly contribution. The Company, at its discretion, may also make additional contributions, which are allocated on a per capita basis.

As of January 1, 2007, the Company enhanced the Plan in conjunction with the termination of the Retirement Plan for Salaried Employees of Pittsburgh Corning Corporation by instituting a 3 percent safe harbor contribution on behalf of all eligible participants.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of the Company's contributions and plan earnings and charged with an allocation of administrative expenses. Allocations are based on participants' compensation or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants may direct the investments of their account balances into various investment options offered by the Plan.

Vesting

Participants' contributions, the employer match contribution, and the employer discretionary contributions and related earnings are fully vested at all times and are not subject to forfeiture for any reason.

January 1, 2018 and December 31, 2017

Note 1 - Plan Description (Continued)

Benefit Payments

On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or various installment annuities. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A participant can elect to defer his or her distributions upon termination, if the total amount deferred is at least \$5,000, until the end of the year in which age 70½ is attained, at which time the initial withdrawal must occur. Plan participants may elect to receive distributions either in a lump-sum amount or by installment payments not to exceed 15 years.

Participants may request that all or a portion of their accounts be distributed in the case of financial hardship, as defined in the plan document. The plan administrator must approve any such hardship withdrawals.

Participant Notes Receivable

Participants may borrow from their accounts a maximum of 40 percent of the value of their individual account balances up to a maximum of \$50,000. The notes receivable are secured by the balance in the participant's account and bear interest at varying interest rates, which are commensurate with local prevailing rates, as determined periodically by the plan administrator. See plan document for repayment terms on the types of loans offered by the Plan.

Party-in-interest Transactions

Certain plan assets are in investment funds managed by Vanguard Fiduciary Trust Company or its affiliates. Vanguard Fiduciary Trust Company is the trustee of the Plan; therefore, these transactions qualify as party-in-interest transactions, as defined under ERISA guidelines.

Termination

As discussed in Note 6, the Plan merged into the Owens Corning Savings and Security Plan and Owens Corning Savings Plan effective January 1, 2018.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (GAAP) under the accrual method of accounting.

Investment Valuation

The Plan's investments are stated at fair value.

The common collective trust fund is valued at net asset value per share (NAV) (or its equivalent) of the fund, which is based on the fair value of the fund's underlying assets. There are no redemption restrictions or unfunded commitments on these investments. All other investments are valued based on quoted market prices reported in active markets. See Note 5 for additional information.

Participant Notes Receivable

Participant notes receivable are recorded at their unpaid principal balances plus any accrued interest. Participant notes receivable are written off when deemed uncollectible.

Benefit Payments

Benefits are recorded when paid.

January 1, 2018 and December 31, 2017

Note 2 - Summary of Significant Accounting Policies (Continued)

Administrative Expenses

Various administrative costs are paid by the Company.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain amounts and disclosures at the date of the financial statements and during the reporting period. Accordingly, actual results may differ from those estimates.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the financial statements.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including December 12, 2018, which is the date the financial statements were available to be issued.

Note 3 - Unaudited Information

Vanguard Fiduciary Trust Company (the "Trustee") holds the Plan's investments and participant notes receivable and executes all investment transactions. The investment and participant notes receivable balances as of December 31, 2017 are based solely on information certified by the Trustee.

Note 4 - Tax Status

The Plan has received a determination letter from the Internal Revenue Service indicating that the Plan, as designed, is qualified for tax-exempt treatment under the applicable section of the Internal Revenue Code (IRC). Accordingly, no provision for income taxes has been made in the accompanying financial statements.

Note 5 - Fair Value Measurements

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the valuation techniques and inputs used to measure fair value.

As a result of the merger discussed in Note 6, the Plan did not hold assets at January 1, 2018. The following table presents information about the Plan's assets measured at fair value on a recurring basis at December 31, 2017.

Level 1

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Plan has the ability to access.

Pittsburgh Corning Corporation Investment Plan for Nonunion Employees

Notes to Financial Statements

January 1, 2018 and December 31, 2017

Note 5 - Fair Value Measurements (Continued)

Level 2

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets, quoted prices for identical or similar assets in markets that are not active, and inputs other than quoted prices that are observable for the asset.

Level 3

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances whereby inputs used to measure fair value fall into different levels of the fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Plan's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

	Assets Measured at Fair Value at December 31, 2017	
	Investments (at Fair Value)	Level 1
Mutual funds	\$ 34,744,543	\$ 34,744,543
Investment measured at NAV - Common collective trust fund	1,155,490	
Total investments at fair value	<u>\$ 35,900,033</u>	

Note 6 - Plan Merger

Effective January 1, 2018, the Plan merged into the Owens Corning Savings and Security Plan and Owens Corning Savings Plan. Accordingly, all assets, participants, and their related account balances were transferred to the Owens Corning Savings and Security Plan and Owens Corning Savings Plan in January 2018.
