Plan Management and Board of Trustees
Ohio Bricklayers Local No. 8 Pension Fund
Austintown, Ohio

We have audited the accompanying financial statements of Ohio Bricklayers Local No. 8 Pension Fund, which comprise the statements of net assets available for benefits as of April 30, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of Ohio Bricklayers Local No. 8 Pension Fund as of April 30, 2018 and 2017, and the changes in its financial status for the year then ended in conformity with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of assets (held at end of year) and reportable transactions are presented for the purpose of additional analysis and are not a required part of the basic financial statements, but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employees Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. These supplemental schedules have been subjected to the auditing procedures applied in the audit of the financial statements, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Ohio Bricklayers Local No. 8 Pension Fund

Notes to Financial Statements
For the Years Ended April 30, 2018 and 2017

Note A - Description of Plan

The Ohio Bricklayers Local No. 8 Pension Fund ("The Plan") is a multi-employer defined benefit pension plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and was established in 1964 under an agreement between Local No. 8, Bricklayers, Masons, and Plasterers International Union and the Builders Association of Eastern Ohio and Western Pennsylvania. The agreement provides, among other things, that the employers will contribute to the fund for hours worked by employees, at rates specified in the collective bargaining agreements.

Ohio Bricklayers Local No. 8 in Mahoning County and Columbiana Counties merged with Ohio Bricklayers Local No. 43 in Trumbull County effective October 1, 2007. The merged local unions are now referred to as Bricklayers Local No. 8 Mahoning County, Trumbull County, and Columbiana County. Each of these local unions had their own separate defined benefit pension plans which remain and continue as separate plans. Employer pension contributions continued to be deposited and credited into each of the separate plans based on the member's local union affiliation prior to the merger. The hourly contribution rate in effect for the years ended April 30, 2018 and 2017 was \$7.23 on hours worked except for Sundays and Holidays which is based on hours paid. Contributions for fiscal years 2018 and 2017 exceed the minimum funding requirements of ERISA. Of this contribution amount \$4.38 is allocated to the Local No. 43 plan for former Local No. 43 members with the balance going into this plan. Benefits from this plan for former Local No. 43 members are determined on a calculated factor based on the lower level of contributions made to the plan on their behalf. Contributions held by or owed to other geographical pension plans, under reciprocity agreements, are recorded as receivables or payables.

The purpose of the Plan is to provide a systematic plan for the retirement of employees working within the jurisdiction of Ohio Bricklayers No. 8 and under the conditions set forth in the Plan document, to provide a pension upon the retirement of an employee, the amount of which takes into account the hours worked and the contributions paid by contributing employers on behalf of such employee.

Should the plan terminate at some future time, its net assets will generally not be available on a pro-rata basis to provide participants benefits. Whether a particular participant's accumulated plan benefits will be paid depends on both the priority of those benefits and the level of benefits guaranteed by the Pension Benefit Guaranty Corporation (PBGC) at that time. Some benefits may be fully or partially provided for by the then existing assets and the PBGC's benefit guaranty, while other benefits may not be provided for by the then existing assets and the PBGC's benefit guaranty, while other benefits may not be provided at all.

Participants should refer to the Plan agreement for more complete information concerning vesting, benefits, and other provisions. The PBGC's benefit guarantee is contained in the Plan booklet which includes the Summary Plan Description and the Plan Document. Copies of the Plan booklet are available at the Fund Office.

Note B - Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Ohio Bricklayers Local No. 8 Pension Fund

Notes to Financial Statements
For the Years Ended April 30, 2018 and 2017

Note B - Summary of Significant Accounting Policies (continued)

Cash and Cash Equivalents

The Plan considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements. Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold during the year.

Employer Contributions Receivable

Contributions receivable represent employer contributions related to employee's hours worked on or prior to April 30. The balance is based on actual collections subsequent to year end. See Note A for additional information regarding employer contributions.

Reciprocity Agreements

The Plan has signed reciprocity agreements with other locals and amounts due from or due to other plans of those locals are recorded as accounts receivable or accounts payable.

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Administrative Expenses

The Plan's expenses are paid by the Plan, as provided by the plan document. Certain expenses incurred in connection with the general administration of the Plan are recorded as deductions in the accompanying statement of changes in net assets available for benefits. In addition, certain investment related expenses are included in the net appreciation (depreciation) of fair value of investments presented in the accompanying statement of changes in net assets available for benefits.

Reclassifications

Certain reclassifications have been made to the prior year financial statements in order for them to be in conformity with this year's presentation.

Subsequent Events

Subsequent events have been evaluated through November 07, 2018, which is the date the financial statements were available to be issued.

Note C - Actuarial Present Value of Accumulated Plan Benefits

The plan's actuaries determined the actuarial present value of accumulated plan benefits, which is the amount that results from applying actuarial assumptions to adjust the accumulated plan benefits to reflect the time value of money (through discounts for interest) and the possibility of payment (by means of decrements such as death, disability, withdrawal, or retirement) between the valuation date and the expected date of payment.

Ohio Bricklayers Local No. 8 Pension Fund

Notes to Financial Statements
For the Years Ended April 30, 2018 and 2017

Note C - Actuarial Present Value of Accumulated Plan Benefits (continued)

The most recent actuarial valuations were prepared by Cuni, Rust & Strenk Actuarial. The accumulated plan information as of April 30, 2017 and 2016 was as follows:

	April 30,	
	2017	2016
Actuarial present value of accumulated vested plan benefits:		
Active participants	\$ 6,641,067	\$ 6,538,503
Vested terminated participants	5,005,682	5,167,107
Retirees and beneficiaries	10,387,047	9,364,473
	<u>22,033,796</u>	<u>21,070,083</u>
Accumulated non-vested benefits	209,712	243,841
Total Accumulated Benefits	\$ <u>22,243,508</u>	\$ <u>21,313,924</u>
Net assets available for benefits	\$ <u>18,701,119</u>	\$ <u>17,011,228</u>

Based on their actuarial valuations the actuaries have determined that within the meaning of the Multiemployer Pension Plan Act of 1980 there was a withdrawal liability for the 2016-2017 and 2015-2016 plan years.

Changes in the value of accumulated plan benefits for the plan years ending April 30, 2017 and 2016 are as follows:

Value of Accumulated Plan Benefits as of April 30, 2015	\$ 20,339,805
Increase (Decrease) in value due to:	
Decrease in discount period	\$ 1,384,953
Plan amendment	-0-
Assumption change	241,844
Benefits paid	(1,128,600)
Plan experience and benefit accrual	<u>475,922</u>
Total Net Increase	<u>974,119</u>
Value of Accumulated Plan Benefits as of April 30, 2016	\$ 21,313,924
Increase (Decrease) in value due to:	
Decrease in discount period	\$ 1,449,803
Plan amendment	-0-
Assumption change	(134,823)
Benefits paid	(1,225,625)
Plan experience and benefit accrual	<u>840,229</u>
Total Net Increase	<u>929,584</u>
Value of Accumulated Plan Benefits as of April 30, 2017	<u>\$ 22,243,508</u>

Ohio Bricklayers Local No. 8 Pension Fund

Notes to Financial Statements
For the Years Ended April 30, 2018 and 2017

Note C - Actuarial Present Value of Accumulated Plan Benefits (continued)

Significant assumptions underlying the actuarial computations are as follows:

Assumed rate of return on investments - 7.0% per annum.

Mortality Rates- Non-disabled	RP-2014 with Blue Collar adjustment.
Disabled	RP-2014 Disabled Retiree Mortality Table.

Retirement Rates: Actives	Age	Rate
	55-58	0.05
	59-61	0.10
	62	1.00

Terminated vested Age 62

Retirement age prior year - Normal retirement age 62 or attained age if greater

Expense load - \$70,000 for 2017 and \$80,000 for 2016

Number of hours worked - 1,200 hours for 2017 and 1,249 for 2016

Actuarial cost method - Entry age normal

The foregoing actuarial assumptions are based on the presumption that the Plan will continue. If the plan were to terminate, different actuarial assumptions and other factors might be applicable in determining the actuarial present value of accumulated plan benefits. The computations of the actuarial present value of accumulated plan benefits were made as of May 1, 2017 and 2016. Had the valuations been performed as of April 30, there would be no material differences.

Note D - Fair Value Measurements

FASB ASC Topic 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. The framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of value hierarchy under FASB ASC Topic 820 are described as follows:

Level 1 Fair Value Measurements

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets.

Ohio Bricklayers Local No. 8 Pension Fund

Notes to Financial Statements
For the Years Ended April 30, 2018 and 2017

Note D - Fair Value Measurements (continued)

Level 2 Fair Value Measurements

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are delivered principally from or corroborated by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Fair Value Measurements

Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used to maximize the use of observable inputs and minimize the use of unobservable measurements.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at April 30, 2018 and 2017.

Money Market Funds: Valued at the closing price reported on an actively traded exchange.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Private REIT: The Plan is invested in the American Core Realty Fund, which is a Private Real Estate Investment Trust ("Private REIT"). The Private REITs measure their investment assets at fair value and report a NAV per share on a calendar quarter basis. In accordance with Accounting Standards Codification ("ASC") 820, the Plan has elected to apply the practical expedient and to value its investments in Private REITs at their respective NAVs at each quarter. For non-calendar quarter-end days, the Pricing Committee estimates the fair value of each private REIT by adjusting the most recent NAV for each REIT by the change in a proprietary benchmark that the Pricing Committee has deemed to be representative of the entire Private REIT market. In the event that a price is not provided by the Private REIT, the fair valuation procedures will be followed. As of April 30, 2018 and 2017, all of the Plan's investments in Private REITs were valued at the respective NAVs of the Private REITs. Redemptions of units of the American Core Realty Fund may be made at any time and are effective at the end of the calendar quarter in which the request is received by the fund.

The preceding method described may produce fair value calculations that may not be indicative of net realizable value or reflective of future values. Furthermore, although the plan believes its valuation is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value could result in a different fair value measurement at the reporting date.

Note E - Income Tax Status

The Internal Revenue Service issued its latest determination letter to the Fund on December 8, 2015 stating that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Note F - Concentrations

Employer Contributions

During the year ended April 30, 2018, there were two employers which represented 17% and 12% of total employer contributions to the Plan. During the year ended April 30, 2017, there was one employer which represented 26% of total employer contributions to the Plan.

Credit Risk

The Plan maintains its cash in bank deposit accounts at financial institutions. The balances, at times, may exceed current federally insured limits through the Federal Deposit Insurance Corporation of \$250,000, per institution.

Ohio Bricklayers Local No. 8 Pension Fund

Notes to Financial Statements
For the Years Ended April 30, 2018 and 2017

Note G - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for benefits.

Plan contributions are made and the actuarial present value of accumulated plan benefits are reported based on certain assumptions pertaining to interest rates, inflation rates and employee demographics, all of which are subject to change. Due to uncertainties inherent in the estimations and assumptions process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Note H - Related Party and Party-In Interest Transactions

Certain Plan investments are managed by PNC Bank and American Realty Advisors, custodians of the Plan. The Plan also has several arrangements with service providers for administrative expenses. These transactions are party in interest transactions under ERISA.

Note I - Plan Amendments

During the plan year ended April 30, 2018, the Plan was amended to indicate that a Participant or former Participant's monthly benefit should not be suspended for work in covered service during the months of June 2017 through December 2018.

Also, effective for all applications for Loss of Time/Weekly Disability Benefits under the Plan made on or after April 2, 2018, the following should be added as Section 10.07 of the Plan:

1. All claim denial notices will include:
 - a. An explanation as to why the Plan disagreed with the views of (1) health care of vocational professional who evaluated the claimant or advised the Plan or (2) a disability determination of the Social Security Administration.
 - b. If a denial is based on a medical necessity or experimental treatment or similar exclusion of limit, either an explanation of the scientific or clinical judgment for the determination or a statement that such explanation will be provided free of charge upon request.
 - c. The denial is following the final level of appeal provided by the Plan the calendar date by which the claimant must file a civil action under ERISA Section 502(a).
2. Denial Notices will be provided in a culturally and linguistically appropriate manner.
3. The Plan's decision to hire, compensate, terminate or promote any individual such as a claims adjudicator or medical or vocational expert will not be based on the likelihood that the individual will support a denial of benefits
4. Before the Plan denies an appeal, the Plan Administrator will provide the claimant, free of charge, with any new or additional rationale or evidence considered, relied upon, or generated by the Plan. Any such rationale or evidence will be provided to the claimant sufficiently in advance of the date on which a notice of decision is required to give the claimant a reasonable opportunity to respond prior to that date.

Plan Name: Bricklayers Local No. 8 Pension Plan

EIN: 34-6583348

PN: 001

Rationale for Selection of Significant Actuarial Assumptions

1. Interest Rate: Based on the Plan's target asset allocation, reflecting asset class future return expectations as determined by the Plan's investment consultant and publically available inflation expectations, anticipated risk premiums, and associated long-term capital market assumptions.

2. Mortality Rates: RP-2014 table used as base rates. Blue Collar adjustment used to reflect expected workforce mortality experience. RP-2014 Disabled Retiree table used to reflect expected disabled mortality experience. Both RP-2014 tables are adjusted to base year 2006 to reflect the mortality experience used to develop the RP-2014 table and for expected generational mortality improvement. Other adjustments are based on the Plan's most recent experience study, Society of Actuaries mortality studies, and expected generational mortality improvement from base year 2006 using Scale MP-2017.

3. Retirement Rates: Based on the Plan's most recent experience study.

4. Hours Worked: Based on prior year hours worked and adjusted for anticipated changes in future hours worked.

5. Termination/Disability Rates: Based on the Plan's most recent experience study.

Schedule MB, line 6 – Statement of Actuarial Assumptions/Methods

Plan Name: Bricklayers Local No. 8 Pension Plan

EIN: 34-6583348

PN: 001

Rationale for Selection of Significant Actuarial Assumptions

1. Interest Rate: Based on the Plan's target asset allocation, reflecting asset class future return expectations as determined by the Plan's investment consultant and publically available inflation expectations, anticipated risk premiums, and associated long-term capital market assumptions.

2. Mortality Rates: RP-2014 table used as base rates. Blue Collar adjustment used to reflect expected workforce mortality experience. RP-2014 Disabled Retiree table used to reflect expected disabled mortality experience. Both RP-2014 tables are adjusted to base year 2006 to reflect the mortality experience used to develop the RP-2014 table and for expected generational mortality improvement. Other adjustments are based on the Plan's most recent experience study, Society of Actuaries mortality studies, and expected generational mortality improvement from base year 2006 using Scale MP-2017.

3. Retirement Rates: Based on the Plan's most recent experience study.

4. Hours Worked: Based on prior year hours worked and adjusted for anticipated changes in future hours worked.

5. Termination/Disability Rates: Based on the Plan's most recent experience study.
