The Moorings Club, Inc. 401(K) Profit Sharing Plan Notes to Financial Statements

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of The Moorings Club, Inc. (the “Club”) 401(K) Profit Sharing Plan (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General — The Plan is a defined contribution plan established effective January 1, 1998 and amended and restated throughout the years to comply with tax legislation. The Plan covers substantially all employees who have completed at least one year of service and are at least 21 years of age. Plan entry dates are semiannual. Employees covered under a collective bargaining agreement may not participate, unless the agreement requires the employee to be included under the Plan. Nonresident aliens who do not receive any earned income from the Employer which constitutes United States source income may not participate in the plan. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Participant Contributions — Participants may contribute up to 100% of pre-tax annual compensation (with certain exclusions), up to the maximum amount permitted by the Internal Revenue Service. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also make a rollover transfer to the Plan in the amount which constitutes (1) an eligible rollover distribution (subject to Sections 408(a), 408(b), 401(a), 403(a), 403(b), or 457(b) of the Code) or (2) a rollover contribution. Participants direct the investment of their contributions into various investment options offered by the Plan.

Employer Contributions — The Club may, at its sole discretion, match participant contributions in an amount determined by the Club, up to 6% of compensation. During the year ended December 31, 2017, the Club matched 50% of employee deferrals up to a maximum of 1% of employee’s compensation. Forfeitures of terminated participants’ non-vested accounts may be used to reduce the amount the Club contributes to participants’ accounts. Additional discretionary contributions may be contributed at the option of the Club’s Board of Governors. No additional discretionary contributions were made during the year ended December 31, 2017. Contributions are subject to certain limitations.

Account Allocation — Each participant’s account is credited with the participant’s contribution and an allocation of (1) the Club’s contribution, (2) Plan earnings or losses, (3) a portion of administrative expenses, and (4) forfeitures of participants’ non-vested accounts. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s account.

The Moorings Club, Inc. 401(K) Profit Sharing Plan Notes to Financial Statements

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Vesting — Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Club's discretionary matching and additional discretionary contributions portion of their accounts is based on years of services, defined as 1,000 hours worked in a twelve-month period. After two years, a participant vests at a rate of 20% each year and is 100% vested after six years of credited service.

Notes Receivable from Participants — Participants may borrow from their account balances a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their account balance. The loans are secured by the vested portion of the participant's account and bear interest at prime plus 1%. Loan repayments are amortized over a period not to exceed five years except for the purchase of a primary residence, in which case the term may be longer. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits — Upon termination of service due to death, disability, or retirement, a participant or the participant's beneficiary may elect to receive the value of the participant's vested interest in his or her account as a lump sum payment, a roll over distribution, or over a specified installment period as soon as administratively possible or as statutorily required.

Forfeited Accounts — Forfeited non-vested account balances were \$316 and \$9 at December 31, 2017 and 2016, respectively. These accounts will be used to reduce future employer contributions. During the year ended December 31, 2017, no forfeitures were used to reduce the Club's contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting — The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates — The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition — The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade date basis. Interest income is accrued when earned. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

The Moorings Club, Inc. 401(K) Profit Sharing Plan Notes to Financial Statements

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivable from Participants — Notes receivables from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. If a participant does not make repayments and the plan administrator considers the note receivable to be in default, the note receivable balance is reduced, and the delinquent participant note receivable is reclassified as a deemed distribution based on the terms of the Plan document. As of December 31, 2017 and 2016, no allowance for credit losses has been recorded.

Payment of Benefits — Benefits are recorded when paid.

Operating Expenses — The majority of expenses of maintaining the Plan are paid by the Plan sponsor, The Moorings Club, Inc. and the remaining are direct expenses of participant activity.

NOTE 3 - FAIR VALUE MEASUREMENTS

FASB ASC 820-10, *Fair Value Measurements and Disclosures*, established a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.
- Level 2 Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of the unobservable inputs.

The Moorings Club, Inc. 401(K) Profit Sharing Plan Notes to Financial Statements

NOTE 3 - FAIR VALUE MEASUREMENTS (CONTINUED)

Following is a description of the valuation methodologies used for assets measured at fair value.

Level 1 - Fair Value Measurements

Money market and mutual funds are valued at fair value or net asset value. These funds are valued using the daily closing price as reported by the fund. Money market and mutual funds are open-end funds that registered with the Securities and Exchange Commission (Level 1 inputs). These funds are determined to have a readily determinable fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the fair value of the Plan's investments as of December 31, 2017:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 1,615,570	\$ 1,615,570	\$ -	\$ -
Money market funds	48,094	48,094	-	-
Total investment assets at fair value	\$ 1,663,664	\$ 1,663,664	\$ -	\$ -

The following table sets forth by level, within the fair value hierarchy, the fair value of the Plan's investments as of December 31, 2016:

	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Mutual funds	\$ 1,179,807	\$ 1,179,807	\$ -	\$ -
Money market funds	42,267	42,267	-	-
Total investment assets at fair value	\$ 1,222,074	\$ 1,222,074	\$ -	\$ -

NOTE 4 - PLAN TERMINATION

Although it has not expressed intent to do so, the Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

NOTE 5 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

NOTE 6 - RELATED PARTY TRANSACTIONS

Plan investments include money market and mutual funds managed by Charles Schwab & Co., Inc. and Charles Schwab Bank. Charles Schwab & Co., Inc. was the custodian of Plan assets as of December 31, 2016, and for the period from January 1, 2017 through December 19, 2017. Charles Schwab Bank was the custodian of Plan assets for the period from December 19, 2017 through December 31, 2017. Therefore, the transactions with these custodians qualify as party-in-interest. The Plan also uses recordkeeping services provided by CMC Interactive, LLC. Fees paid directly by the Plan for custodian and recordkeeping services was \$6,705 for the year ended December 31, 2017. The Plan sponsor pays directly any other fees related to the Plan's operations.

NOTE 7 - TAX STATUS

The IRS has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 8 - DATE OF MANAGEMENT'S REVIEW

In accordance with accounting principles generally accepted in the United States of America, management has evaluated the existence of any subsequent events occurring through February 28, 2019, the date that the financial statements were available to be issued, and has determined that no material events occurred that would require disclosure.
