Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the R.C. Hemm Glass Shops, Inc. Profit Sharing 401k Plan, which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall financial statement presentation.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Report on Compiled 2016 Financial Statements

Plan management is responsible for the accompanying financial statements of R.C. Hemm Glass Shops, Inc. Profit Sharing 401k Plan, which comprise the statement of net assets available for benefits as of December 31, 2016. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the 2016 financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by plan management. Accordingly, we do not express an opinion, a conclusion, or provide any form of assurance on the 2016 financial statements.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2017, and the changes in its net assets available for benefits for the year ended December 31, 2017, in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at end of year), referred to as the supplementary information, is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

R.C. HEMM GLASS SHOPS, INC. PROFIT SHARING 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 and 2016

NOTE A - DESCRIPTION OF THE PLAN

The following description of the R.C. Hemm Glass Shops, Inc. Profit Sharing 401k Plan is provided for general information purposes only. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit sharing retirement plan sponsored by R.C. Hemm Glass Shops, Inc., (the Company) and covers all eligible employees of the Company. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

Under the terms of the Plan, covered employees are eligible to become participants and participate in salary deferrals when they complete six months of service and have attained age 18. An eligible employee becomes a participant on the earlier of the first day of the plan year or the first day of the fourth, seventh, or tenth month coinciding with, or next following, the date on which the eligibility requirements were met. However, in order to share in any discretionary non-elective profit sharing contributions, a participant must earn at least 1,000 hours of service during the plan year and be employed as of the last day of the plan year.

Contributions

- (a) *Participant's voluntary salary reductions.* Participants may elect to contribute up to 100% of their compensation. Each participant's contribution may not exceed the federal maximum amount pursuant to section 402(g)(5) of the Internal Revenue Code. The Plan provides for catch-up contributions for participants over the age of fifty (50).
- (b) *A discretionary employer-matching contribution.* The matching contribution, if any, will be determined each year by the Board of Directors of the Company at its sole discretion. The Plan provides that deferrals of up to 4% of compensation are eligible to be matched. Matching contributions of \$76,647 and \$84,498 were contributed to the Plan by the Company for the years ended December 31, 2017 and 2016, respectively.
- (c) *A discretionary non-elective profit sharing contribution.* The non-elective profit sharing contribution, if any, will be determined each year by the Board of Directors of the Company at its sole discretion. This amount will be allocated based on compensation of all participants eligible to share in the discretionary amount. To qualify for the discretionary profit sharing contribution, a participant must have completed 1,000 hours of service during the plan year and be employed as of the last day of the plan year. For the years ended December 31, 2017 and 2016, the Company made no non-elective profit sharing contributions.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Participant Accounts

Each participant's account is credited or charged with the following:

- (a) The above contributions,
- (b) Rollover contributions,
- (c) Plan earnings,
- (d) Forfeitures, and
- (d) Plan expenses.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of thirty-three mutual fund or money market options.

Vesting

Participant vesting is based on service years. Participants are 100% vested in the voluntary salary deferrals, rollover contributions, and employer matching contributions. Discretionary non-elective employer contributions vest according to the following schedule:

<u>Years of Service</u>	<u>Non-Forfeitable Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Forfeited Accounts

Forfeitures of non-vested contributions will be used to first pay administrative expenses. The remaining forfeitures will be used to reduce future employer contributions payable under the Plan. In 2017 and 2016, no forfeitures were used to pay administrative expenses or fund employer contributions. There were no unallocated forfeitures at December 31, 2017 and 2016.

NOTE A - DESCRIPTION OF THE PLAN (Continued)

Payment of Benefits

Benefits are recorded when paid. Upon termination of service, a participant may elect to receive a lump sum distribution equal to the value of their account.

Amendments

Effective January 1, 2017, the Plan was amended to state that amounts forfeited from a participant's account shall be used to restore forfeitures or reduce Company contributions, or to pay reasonable plan expenses to the extent specified in the Adoption Agreement. Any such disposition of forfeitures from a participant's account shall be made no later than the end of the plan year following the plan year during which the forfeiture occurred.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The Plan prepares its financial statements using the accrual basis of accounting.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note D for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Administrative Fees

Trustee fees and administrative expenses are primarily paid by the Plan.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 and 2016

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounting Changes

In May 2015, the FASB issued ASU 2015-07, Fair Value Measurement (Topic 820): Disclosures for Investments in Certain Entities That Calculate Net Asset Value per Share, which exempts investments measured using the net asset value (NAV) practical expedient in ASC 820, Fair Value Measurement, from categorization within the fair value hierarchy. The guidance requires retrospective application and is effective for fiscal years beginning after December 15, 2016. Early adoption is permitted. Management elected to early-adopt the provisions of this new standard. Accordingly, the amendment was retrospectively applied resulting in simplified reporting of fair value hierarchies at December 31, 2017 and 2016, in Note D.

NOTE C - CONCENTRATION OF CREDIT RISK

The Plan maintains its cash balances in various money market funds. At various times during the year, some or all of these funds may be uninsured or exceed insurance limits.

NOTE D - FAIR VALUE MEASUREMENTS

FASB ASC 820-10, Fair Value Measurements, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820-10 are described below:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 - Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

R.C. HEMM GLASS SHOPS, INC. PROFIT SHARING 401K PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 and 2016

NOTE D - FAIR VALUE MEASUREMENTS (Continued)

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level with the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017.

Mutual funds and money market funds - Valued at the net asset value (NAV) of shares held by the Plan at year-end.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017.

	Assets at Fair Value as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Mutual funds	\$ 3,292,051	\$ 0	\$ 0	\$ 3,292,051

Total assets at fair value	<u>\$ 3,311,815</u>	<u>\$ 0</u>	<u>\$ 0</u>	<u>\$ 3,311,815</u>

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 and 2016

NOTE E - BENEFITS PAYABLE

As of December 31, 2017 and 2016, the vested benefit payable to participants terminated prior to year-end was \$239,655 and \$107,425, respectively.

NOTE F - PARTY-IN-INTEREST TRANSACTIONS

Certain plan investments are mutual funds and money market funds managed by Fidelity Institutional. Fidelity Institutional is the custodian; therefore, these transactions qualify as party-in-interest transactions.

NOTE G - INCOME TAX STATUS

Effective April 1, 1997, the Plan Sponsor adopted a Findley, Inc., prototype plan. Findley, Inc., obtained an Advisory Letter on March 31, 2014, in which the Internal Revenue Service (IRS) stated that the prototype plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended and restated since receiving the determination letter; however, the Plan Administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no income taxes have been provided for in the financial statements.

Accounting principles generally accepted in the United States of America require the Plan Administrator to evaluate tax positions taken by the Plan and recognize a tax liability for any uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan is subject to routine audits by tax authorities; however, there are currently no audits for any tax periods in progress.

NOTE H - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of termination of the Plan, participants will become one hundred percent (100%) vested in their accounts.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2017 and 2016

NOTE I - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE J - SUBSEQUENT EVENTS

Subsequent events were evaluated through March 22, 2019, which is the date the financial statements were available to be issued.
