INDEPENDENT AUDITORS' REPORT

Plan Administrator
Local 81134 IUE-CWA 401(k) Plan:

We were engaged to audit the accompanying financial statements of Local 81134 IUE-CWA 401(k) Plan, which comprise the statements of net assets available for benefits as of June 30, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Ascensus Trust Company and Charles Schwab Bank, the trustees of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. LOCAL 81134 IUE-CWA 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS FOR THE YEARS ENDED JUNE 30, 2018 AND 2017

1. DESCRIPTION OF PLAN

The following description of Local 81134 IUE-CWA 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution savings plan established by Datwyler Pharma Packaging USA, Inc. (the Sponsor) and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Participation in the Plan is entirely voluntary. An eligible employee is any person employed by Datwyler Pharma Packaging USA, Inc. and a member of Local 81134 IUE-CWA who has completed one hour of service and is employed on the next Plan entry date. The Plan entry date is the first payroll period following completion of the eligibility requirements.

The Trustees are responsible for the oversight of the Plan, including determining the appropriateness of the Plan's investment offerings and monitoring investment performance. Ascensus Trust serves as the trustee of the Plan assets at June 30, 2018 and Charles Schwab Bank served as the trustee of the Plan assets at June 30, 2017. Ascensus is the third-party administrator and record keeper at June 30, 2018 and KT Administrators, Inc. was the third-party administrator and record keeper at June 30, 2017. No officer or employee of the Sponsor receives compensation from the Plan.

Contributions - Participants may contribute up to 100% of pretax compensation, as defined in the Plan. The Sponsor is required to make nonelective contributions at a rate of \$1.10 per hour worked by the employee. Required nonelective contributions by the Sponsor were \$523,341 in 2018 and \$534,217 in 2017. The Sponsor may, but is not required to, make discretionary contributions to the Plan. There were no discretionary contributions for 2018 and 2017. Participants direct the investment of their contributions and sponsor contributions into one or more mutual funds currently available through the Plan.

Excess Contributions - Contributions made by certain active participants during a plan year are returned to them in order to satisfy the relevant nondiscrimination provisions of the Plan. There were no excess deferral contributions payable at June 30, 2018 and 2017.

Participants' Accounts - Each participant's account is credited with its proportionate share of employee elective deferrals, the Sponsor's nonelective contributions and the Plan's earnings. Allocations of contributions and Plan earnings are based on participants' elective deferrals, account balances or hours worked, as provided in the Plan agreement. Each participant is entitled only to the benefits that can be provided from that participant's account.

Vesting - Participants are immediately vested in their contributions plus earnings thereon. Participants' vested interests in Sponsor nonelective contributions increase from 20% after the first year of service to 100% after the fifth year.

Investment Options - Upon enrollment in the Plan, a participant may direct contributions, in any increment, to approximately 20 different investment options. Investments are held in individual mutual funds. Participants can refer to the 401(k) investment summary, provided by the trustee, for detailed descriptions of investment options.

Payment of Benefits - Upon termination of employment, participants receive vested interests either in a lump-sum amount or over a period of time not exceeding beyond the participant's life expectancy (or the life expectancy of the participant and his designated beneficiary). There were no benefits payable to terminated participants at June 30, 2018 and 2017.

Forfeiture Accounts - Forfeitures may be used to reduce the amount of any legally permitted expenses incurred in connection with the administration of the Plan which are not otherwise paid by the Sponsor or to reduce the Sponsor's future contributions. There were no forfeitures used during the plan years ended June 30, 2018 and 2017. Forfeited nonvested accounts at June 30, 2018 and 2017 were \$978 and \$153, respectively.

Notes Receivable from Participants - Participants may borrow from their account up to a maximum of 50% of their total vested account balance, not to exceed \$50,000. There are no loans issued for less than \$1,000 and participants may only have one loan at a time. Transactions are treated as transfers between an investment fund and notes receivable. Notes receivable must be repaid within five years unless the purpose is to acquire, construct or reconstruct a principal residence. Each note is secured by the balance in the participant's account and bears a market rate of interest. Interest rates ranged from 4.24% to 6% at June 30, 2018. Note repayments are made by automatic payroll deduction.

Tax Status - The trust established under the Plan to hold the Plan's assets is qualified pursuant to the appropriate section of the Internal Revenue Code (IRC), and, accordingly, the trust's net investment income is exempt from income taxes. The Internal Revenue Service has determined and informed the Sponsor by a letter dated January 1, 2018 that the Plan and related trust are designed in accordance with applicable sections of the IRC. Although the Plan has been amended since receiving its acceptance under section 401 of the IRC, the plan administrator and sponsor believe that the Plan is designed and currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Tax years 2015 and later remain open and subject to examination.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

The Plan has evaluated subsequent events through April 4, 2019, the date the financial statements were approved and authorized by the Plan administrator.

Use of Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts and disclosures of net assets available for benefits as of the date of the financial statements and the reported amounts of changes in net assets available for benefits during the reporting period. Actual results could differ from those estimates.

Risks and Uncertainties - The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Investment Contracts - Investment contracts held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

ASU 2015-12 clarifies that the measurement and presentation requirements of a fully benefit-responsive investment contract apply only to direct investments. The Plan has an indirect investment in the MetLife Stable Value Series 25053, through a bank collective trust fund for which Reliance Trust Company serves as trustee and investment manager, at June 30, 2018. Therefore the statements of net assets available for benefits present the fair value of the investment contract.

The plan had no investment contracts at June 30, 2017.

Investment Valuation and Income Recognition - The Plan's investments in securities are stated at fair value determined using year-end market prices which represent the net asset value of shares held by the Plan. Ascensus Trust Company and Charles Schwab Bank provided market prices to the Plan at June 30, 2018 and 2017, respectively. Unrealized gains or losses are allocated to participants' accounts. Security transactions are recorded on trade dates; the specific-identification method is used in computing gains or losses. Investment income is stated net of investment fees.

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest.

Payment of Benefits - Benefits are recorded when paid.

Expenses of the Plan - The Sponsor has elected to pay certain administrative expenses of the Plan and provides administrative services at no cost to the Plan. If not paid by the Sponsor, administrative expenses become a liability and are paid out of the Plan. Administrative expenses paid from the Plan are fees charged to each participant for notes receivable and distribution processing as well as custodian fees.

3. INVESTMENTS

The following information included in the Plan's financial statements and supplemental schedule as of June 30, 2018 and for the period January 21, 2018 through June 30, 2018 was obtained from data prepared by Ascensus Trust Company, the current trustee of the Plan. The Plan's financial statements as of June 30, 2017 and for the period July 1, 2016 through January 20, 2018 was obtained from data prepared by Charles Schwab Bank, the former trustee of the Plan. The plan administrator has obtained certifications from both trustees that such information is complete and accurate. The following represents the fair values of the investments in the separate identifiable funds administered by the trustees:

	2018	2017
Investments, at fair value	\$ 4,452,996	\$ 3,423,403
Notes receivable from participants	334,463	149,425
Interest and dividend income	83,360	67,092
Net appreciation in fair value of investments	235,039	290,370

4. FAIR VALUE MEASUREMENTS

The Plan's measurement of fair value for assets and liabilities is based on the framework established in the fair value accounting guidance. The framework is based on the inputs used in valuation, gives the highest priority to quoted prices in active markets, and requires that observable inputs be used in the valuations when available. The three levels of the hierarchy are as follows:

- Level 1: observable inputs such as unadjusted quoted prices in active markets for identical assets or liabilities
- Level 2: inputs other than quoted prices included in active markets that are observable either directly or indirectly
- Level 3: unobservable inputs in which there is little or no market data, which requires the Plan to develop its own assumptions

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2018 and 2017.

Money market cash fund: Valued at the net asset value of the underlying assets.

Mutual funds: Valued at the net asset value (NAV) of fund shares held by the plan at year end.

Common and Collective Trust: The guaranteed investment contract is valued based on a) issuer ratings as determined by credit ratings which are published by ratings agencies and b) the present value of the change in each contract's replacement cost.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different valuation methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of June 30, 2018:

	Level 1	Level 2	Total
Mutual funds	\$ 4,190,289		\$ 4,190,289
Common/Collective Trust		\$ 262,707	262,707
Total investment assets at fair value	<u>\$ 4,190,289</u>	<u>\$ 262,707</u>	<u>\$ 4,452,996</u>

The following table sets forth by level, within the fair value hierarchy, the Plan's investment assets at fair value as of June 30, 2017:

	Level 1	Level 2	Total
Money market accounts	\$ 157,045		\$ 157,045
Mutual funds	<u>3,266,358</u>		<u>3,266,358</u>
Total investment assets at fair value	<u>\$ 3,423,403</u>		<u>\$ 3,423,403</u>

6. NONPARTICIPANT-DIRECTED INVESTMENTS

Information about the net assets and the significant components of the changes in net assets relating to the nonparticipant-directed investments is as follows:

	2018	2017
Net assets	<u>\$ 978</u>	<u>\$ 153</u>
Changes in net assets:		
Forfeitures from participants	\$ 782	
Earnings	<u>43</u>	<u>\$ 1</u>
Net increase in net assets	<u>\$ 825</u>	<u>\$ 1</u>

7. PARTY-IN-INTEREST TRANSACTIONS

The Plan invests in funds managed by the trustee (or affiliates of the trustees) of the Plan, therefore, these transactions qualify as party-in-interest transactions.

8. PLAN TERMINATION

Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of plan termination, participants will become 100% vested in their accounts.
