Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of January 1, 2018 and December 31, 2017, and the changes in net assets available for benefits for the period ended January 1, 2018 and the year ended December 31, 2017, in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter - Plan Merger

As further discussed in Note 7, the Plan was merged into the Eagle Family Foods Group LLC 401(k) Plan effective January 1, 2018. Our opinion is not modified with respect to that matter.

1. Summary Description of Plan

The following description of Cornfields Merger Sub LLC 401(k) Profit Sharing Plan and Trust (the Plan) provides only general information with respect to the Plan. Participants should refer to the Plan Adoption Agreement for a complete description of the Plan's provisions.

General

The Plan was established effective May 1, 1997 (inception of the Plan) and amended effective June 1, 2017. The Plan is a defined contribution plan covering all non-union employees, as defined in the Adoption Agreement, of Cornfields Merger Sub LLC (the Company) who have completed three months of consecutive service and attained 21 years of age. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

As more fully described in Note 7, the Plan was merged into the Eagle Family Foods Group LLC 401(k) Plan effective January 1, 2018; as of this date participants were not permitted to make contributions to the Plan; direct or diversify their investments in the Plan; or obtain a loan, distribution, or in-service withdrawal from the Plan.

Contributions

Participants may defer up to 90% of their pretax annual compensation as defined in the Adoption Agreement, subject to Internal Revenue Service limitations for the applicable year. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also elect to make Roth deferral contributions. The Plan allows participants to contribute amounts representing distributions from other qualified plans (rollover). The Company makes safe harbor matching contributions in an amount equal to 100% of elective deferral contributions that do not exceed 3% of the employee's compensation for the Plan year plus 50% of the amount of the employee's elective deferral contributions that exceed 3% of the employee's compensation that do not exceed 5% of the employee's compensation, if applicable. The Company may elect to make discretionary profit sharing contributions in excess of the match subject to certain limitations and eligibility requirements. During 2018 and 2017, the Company did not elect to make any discretionary profit sharing contributions. Participants direct the investment of their contributions into various investment options offered by the Plan.

Participant Accounts

Each participant's account is credited with the participant's contributions and Company safe harbor matching contributions, as well as allocations of the Company's discretionary profit sharing contribution and Plan earnings or losses on these contributions.

Vesting

Participants are vested immediately in their contributions, and the Company's safe harbor matching and discretionary profit sharing contributions, plus actual earnings thereon.

Cornfields Merger Sub LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Payment of Benefits

On termination of service due to death, disability, normal retirement, or termination of employment for reasons other than death, disability or retirement; a participant may elect to receive the value of the vested interest in his or her account in the form of a single lump-sum payment, partial payments, installment payments, or annuity contracts.

In-service withdrawals are permitted from vested balances upon attaining age 59½.

Notes Receivable from Participants

Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 95% of 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at 1% over prime, fixed for the duration of the loan except as otherwise required by law. The Plan allows participants to have only one loan outstanding at a time against their vested account balance in the Plan. Principal and interest is paid ratably through payroll deductions over a period not to exceed 4.5 years (54 months), unless the loan was used to construct or purchase a primary residence, in which case the repayment term may be extended.

Forfeitures

Forfeitures, if any, are used to pay expenses of the Plan or to reduce future employer contributions to the Plan. As of January 1, 2018 and December 31, 2017, there were no unallocated forfeitures. No forfeitures were utilized during the period ended January 1, 2018 and the year ended December 31, 2017.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared in accordance with accounting principles generally accepted in the United States of America.

As more fully described in Note 7, the Plan was merged into the Eagle Family Foods Group LLC 401(k) Plan on January 1, 2018; accordingly, the financial statements as of and for the period ended January 1, 2018, the effective date of the merger, are presented together with the prior year financial statements as of and for the year ended December 31, 2017.

Notes Receivable from Participant Accounts

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document. No allowance for credit losses has been recorded as of January 1, 2018 and December 31, 2017.

Cornfields Merger Sub LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Administrator determines the Plan's valuation policies utilizing information provided by the investment advisors and trustee. See Note 3 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Plan Administration and Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Fees related to distributions and to the administration of notes receivable from participants are charged directly to the participant's account. Investment-related expenses are included in the net appreciation of fair value of investments.

Use of Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Evaluation of Subsequent Events

The Plan has evaluated subsequent events through April 3, 2019, the date the financial statements were available to be issued, for possible recognition or disclosure in the financial statements.

Cornfields Merger Sub LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

3. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobserved inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurements.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodology used for assets measured at fair value.

Shares of registered investment companies: Valued at the daily closing price as reported by the fund. Registered investments companies held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. Registered investments companies held by the Plan are deemed to be actively traded.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

During 2018, the Plan's assets were transferred to the Eagle Family Foods Group LLC 401(k) Plan (see Note 7).

Cornfields Merger Sub LLC 401(k) Profit Sharing Plan and Trust

Notes to Financial Statements

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2017:

	Fair Value Measurements as of December 31, 2017			
	Level 1	Level 2	Level 3	Total
Shares of registered investment companies	\$ 1,919,955	\$ -	\$ -	\$ 1,919,955
Total investments at fair value	\$ 1,919,955	\$ -	\$ -	\$ 1,919,955

4. Income Tax Status

Effective January 1, 2016, the Plan began using a prototype plan document provided by Paychex which received an opinion from the Internal Revenue Service (IRS) dated April 10, 2014, stating that the prototype document satisfies the provisions of Section 401 of the Internal Revenue Code. The Plan itself has not received a determination letter from the IRS; however, the Plan's management believes that the Plan is currently designed and being operated in compliance with the prototype plan document. Therefore, no provision for income taxes has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the tax authorities. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of January 1, 2018 and December 31, 2017, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

5. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA (see Note 7).

6. Related Party Transactions

Transactions that qualify as parties-in-interest consist of participant loans.

7. Plan Merger

Effective January 1, 2018, the Plan merged into the Eagle Family Foods Group LLC 401(k) Plan and assets of \$1,960,409 were merged into that plan. The Plan ceased to exist as of this date and all of the rights, privileges, duties, and obligations of the Plan were assumed by the Eagle Family Foods Group LLC 401(k) Plan. Participants from the Plan remain 100% vested in the assets transferred into the Eagle Family Foods Group LLC 401(k) Plan and in any new employer contributions made under the Eagle Family Foods Group LLC 401(k) Plan.
