INDEPENDENT AUDITORS' REPORT

To the Administrative Committee of the
Human Capital, LLC 401(k) Plan & Trust

Report on the Financial Statements

We have audited the accompanying financial statements of Human Capital, LLC 401(k) Plan & Trust (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2016 and 2015, and the changes in its net assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental Schedule H, Line 4i – Assets Held for Investment Purposes at End of Year, referred to as “supplemental information,” is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplemental information required by the Department of Labor’s Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan’s management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

NOTE A – Plan Description

The following description of the Human Capital, LLC 401(k) Plan & Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The purpose of the Plan is to provide future retirement benefits for all eligible employees. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan offers a 401(k) option to multiple employers. The Companies participating in this multiple employer plan include the following: America Group Retirement Strategy Centers, Ann Arbor Fabrication, Arteva Homes, Inc. & Arterra Realty, LLC, Brookline Financial Management Co., Cutaneous Lymphoma, PLC, Dawn Donut Systems, Inc./Management Diversified, Inc., Educational Enhancements, Inc., Farmington Vision Clinic, Genesee County Bar Association, Hinnendael & Associates, Jordan C. Beck & Associates, Larson & Associates, Macomb County Bar Association, Inc., PDS Services, LLC, Precision Race Services, Resinoplast USA, Inc., Robinson Dental Group, PLLC, Sandbear Express and VLS dba Errand Express. All participating employers of this multiple employer plan have signed joinder agreements that enable them to accept or modify the elections of a master plan document to meet their needs. Each company's adopted plan agreement should be referenced by the participants for additional information regarding plan specifications.

Custodian

Slavic Integrated Administration, Inc. is the custodian of the Plan. Slavic Integrated Administration, Inc. invests all employee and employer contributions, as well as earnings thereon, pursuant to the terms of the Plan.

Contributions

The Plan allows participants to elect to defer a portion of their compensation (either a specific dollar amount or a deferral percentage) up to the maximum amount currently allowed by law, plus any catch-up contributions as allowed for by the Internal Revenue Service and the plan document. The employer may contribute a discretionary percentage of the amount deferred by the employee. The employer may also contribute a discretionary amount determined each year by the employer. Contributions are accumulated and invested, as directed by participants, in a trust fund held by the custodian.

Effective October 1, 2014, the Plan allows participants to make after-tax Roth 401(k) contributions as specified on their election form, and any combination of Pre-tax and Roth contributions will be allowed.

Participant Accounts

Each participant's account is credited with an allocation of (a) the Company's contribution; (b) the employees' voluntary contributions, transfer contributions, and rollover contributions; and (c) Plan earnings. The accounts are charged for any withdrawals, distributions, and administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTE A – Plan Description (Continued)

Vesting

Participants are fully vested immediately with respect to employee contributions, rollovers and earnings thereon. Each plan provides vesting of employer contributions; see specific joinder agreements for service criteria, vesting percentages, and the policies regarding vesting upon termination.

Investments

Participants direct the investment of their contributions under options offered by the Plan.

Forfeitures

Participant forfeitures are applied against that employer's Company contributions or plan expenses. There were no forfeited non-vested funds at December 31, 2016 and \$700 at December 31, 2015. The 2015 forfeited funds were used to offset future employer contributions or plan expenses.

Notes Receivable from Participants

Participant loans are permitted under the Plan. The rules are covered in a separate loan application form and promissory note form. Loans must be applied for through the Plan Administrator. All loans are limited to 50% of the Participant's vested account balance, provided such loan does not exceed \$50,000. The \$50,000 maximum amount will be reduced by the Participant's highest outstanding loan balance in the previous 12 months, even if amounts have been repaid. The term of the loan may not exceed five years unless the loan is for the purchase of a qualified principal residence. Loans are not allowed from Roth contributions and any gains thereon; however, Roth balances will be utilized in assessing the 50% loan limit.

Payment of Vested Benefits

Participants, or their beneficiaries, are entitled to receive the entire amount or installments of their interest in the Plan upon retirement, death, total or permanent disability, employment termination or reaching the age of 59 1/2, as defined in the Plan. If the participant's vested balance is less than \$1,000, the entire sum will be distributed as soon as possible following the participant's separation from service.

Administrative Expenses

The Plan pays administrative expenses to the extent that the Company does not pay them, except for loan and distribution fees that are paid by participants.

Tax Status

The Internal Revenue Service (IRS) has determined and informed the trustee by a letter dated August 24, 2004, that the prototype plan and related trust are designed and in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter, however, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE A – Plan Description (Continued)

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE B – Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of Benefits

Benefits are recorded when paid.

Investment Valuation and Income Recognition

The Plan's investments are held in mutual funds. Investments are stated at fair market value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as those held during the year.

Subsequent Events

The Plan has performed a review of events subsequent to the statement of net assets available for benefits date through May 24, 2017, the date the financial statements were available to be issued.

NOTE C – Investments

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

	<u>2016</u>	<u>2015</u>
Mutual Funds	<u>\$ 292,542</u>	<u>\$ (213,478)</u>

NOTE D – Fair Value Measures

Fair Value Measurement

Generally accepted accounting principles establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under generally accepted accounting principles are described as follows:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2 Inputs to the valuation methodology include:
- quoted prices for similar assets or liabilities in active markets;
 - quoted prices for identical or similar assets or liabilities in inactive markets;
 - inputs other than quoted prices that are observable for the asset or liability;
 - inputs that are derived principally from or corroborated by observable market data by correlation or other means.
- If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

All the Plan's investments are held in mutual funds for which fair value is determined as the net asset value (NAV) of shares held by the Plan at year end.

The preceding methods may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.
