COMMUNITY HEALTH ALLIANCE RETIREMENT PLAN

Notes to Financial Statements

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying financial statements of Community Health Alliance Retirement Plan (the "Plan") have been prepared on the accrual basis of accounting using accounting principles generally accepted in the United States of America (GAAP).

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Investment transactions are accounted for on the trade date (the date the order to buy or sell is executed). The cost of investments sold is computed on an average cost basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Investment securities, in general, are exposed to various risks such as interest rate, credit and overall market volatility risks. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Benefit Payments

Benefit payments are recorded when paid.

Related-Party Transactions

Certain Plan investments are investments managed by Principal Trust Company. Principal Trust Company is the asset custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest.

Several employees of Community Health Alliance (the "Company") provide administrative services to the Plan. These services include Plan oversight and day-to-day Plan administration. The Plan is not charged by the Company for the services of the employees to the Plan.

Expenses

Certain expenses and costs of administering the Plan were paid by the Company and, accordingly, are not reflected in the Plan's financial statements. Certain investment related expenses are included in net appreciation of fair value of investments.

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events

The Company has evaluated subsequent events through April 12, 2019, which is the date these financial statements were available to be issued.

NOTE 2 DESCRIPTION OF THE PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions. During 2018 the Thrift plan of Transitional Living 403(B), Inc, was merged into the Community Health Alliance Retirement Savings Plan resulting in a transfer of $914,382 in assets into the plan.

General

The original effective date of the Plan was October 1, 2014. The Plan is a defined contribution plan. Substantially all employees of the Company who are expected to work at least 1,000 hours during their first 12 months of service are eligible to participate in the Plan. Eligibility for employer contributions requires the participant to attain age of 18. The Plan is subject to the Employee Retirement Income Security Act of 1974 (ERISA).

During 2017, Sojourner Recovery Services, Inc. entered into a management agreement with Community Health Alliance whereby Community Health Alliance would provide centralized services for Sojourner Recovery Services, Inc. As a result of the agreement all Sojourner Recovery Services, Inc. employees became employees of Community Health Alliance. Following this agreement, the Plan was restated, effective May 15, 2017. The restatement changed the plan sponsor from Sojourner Retirement Services, Inc. to Community Health Alliance. The restatement also changed the plan year end from September 30 to June 30, causing a nine month plan year ended June 30, 2017.

Notes Receivable from Participants

Loans are not permitted under the Plan. In accordance with a proposed Plan amendment, outstanding loans of participants who begin participation in the Plan as a result of a merger or acquisition will continue to be administered under the Plan until they are paid in full or are considered in default.

Rollover Contributions

Participants may rollover their taxable portion of funds previously held for their account in another qualified employee benefit plan to the Plan on a tax-free basis.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

Contributions

Each year, participants may contribute up to 100% of compensation, as defined by the Plan, on a pretax or after-tax (Roth) basis. However, contributions may not exceed limitations established under Section 402(g) of the Internal Revenue Code of 1986 as amended ($18,000 at June 30, 2018). For 2018, Section 414(v) of the Internal Revenue Code of 1986 as amended allowed a maximum catch-up contribution of $6,000 which is available to participants over 50 years of age who have 15 or more years of service. Participants who do not complete a salary deferral agreement by the date the eligibility requirements are met have 2% of their base compensation automatically withheld. The Company contributes a discretionary match on a pay period basis. During 2018, the Company contributed a discretionary match of 200% of the first 1% of base compensation that a participant contributes to the Plan for employees with less than 5 years of service, 200% of the first 1.5% of base compensation that a participant contributes to the Plan for employees with between 5 and 10 years of service, and 200% of the first 2% of base compensation that a participant contributes to the Plan for employees with more than 10 years of service. The Company may also make a non-elective discretionary contribution. The Company did not make a non-elective contribution in 2018. Participants designate the percentage of their total contribution to be invested in any of the Plan's investment funds. Participants may change the percentage of contributions invested in each account and may make transfers between accounts anytime during the year.

Participant Accounts

Each participant's account is credited with the participant's and Company's contributions and a pro-rata allocation of the Plan's earnings. The pro-rata allocation is based upon the proportion of individual account balances to total participants' account balances in the respective investment funds. Each participant's account is reduced by participant withdrawals, as applicable. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants become immediately vested at the time of participation in the Plan in their contributions plus actual earnings thereon. Vesting in the Company's matching contribution portion of their accounts, plus actual earnings thereon is based on years of continuous service. Participants become partially vested after one year with 100% vesting being attained after two years. Non-vested portions of participant accounts that are forfeited upon payment of benefits are retained in the Plan and used to reduce future employer contributions or pay Plan administrative expenses. Forfeited non-vested accounts totaled $0 at June 30, 2018 and June 30, 2017. For the year ended June 30, 2018, forfeitures in the amount of $2,216 were used to reduce employer contributions and administrative expenses.

Payment of Benefits

Upon a participant's retirement, death, total and permanent disability, other termination of employment with the Company, or termination of the Plan, the participant's account is eligible for distribution in a lump sum.

Eligible participants who have both attained age 59 1/2 and are 100% vested may elect partial in-service withdrawals.

NOTE 2 DESCRIPTION OF THE PLAN (CONTINUED)

In conditions of "financial hardship" a participant may apply to the Plan Administrator for approval to withdraw that portion of their 403(b) retirement account balance necessary to meet the financial hardship, subject to the limitations of the Plan and the Internal Revenue Code ("IRC").

Upon termination of the Plan, the assets will be distributed to participants in accordance with the Plan's provisions and existing laws and regulations.

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification (ASC) 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities and the lowest priority to unobservable inputs.

The hierarchy is broken down into three levels based on the ability to observe inputs as follows:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in methodologies used at June 30, 2018 and June 30, 2017.

Mutual funds: Valued at the daily closing price as reported by the fund. The mutual funds held by the Plan are open-ended mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish the NAV and to transact at that price.

The method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2018:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 1,480,994	$ -	$ -	$ 1,480,994
	$ 1,480,994	$ -	$ -	$ 1,480,994

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2017:

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 354,459	$ -	$ -	$ 354,459
	$ 354,459	$ -	$ -	$ 354,459

NOTE 4 TAX STATUS

The Plan Sponsor and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.

NOTE 5 INFORMATION CERTIFIED BY THE CUSTODIAN

The following information provided by Principal Trust Company was certified by them to be accurate and complete:

(a) The assets held by Principal Trust Company as of June 30, 2018 and June 30, 2017, as well as the transactions involving these assets for the year period ended June 30, 2018 and the nine month period ended June 30, 2017.

(b) The amount of investment income for the year ended June 30, 2018.

(c) The supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year) at June 30, 2018.

NOTE 6 PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event that the Plan is terminated, participants would become 100% vested in their accounts.
