To the Plan Administrator and Participants of
Logistics Support Incorporated 401(k) Profit Sharing Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Logistics Support Incorporated 401(k) Profit Sharing Plan, which comprise the Statements of Net Assets Available for Benefits as of June 30, 2018 (in liquidation) and December 31, 2017 (ongoing) and the related Statement of Changes in Net Assets Available for Benefits for the period January 1, 2018 through June 30, 2018 (in liquidation), and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph; however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Branch Banking and Trust Company, the trustee of the Plan, except for comparing information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of June 7, 2018 and December 31, 2017, and for the period January 1, 2018 through June 7, 2018, that the information provided to the plan administrator by the trustee is complete and accurate.

To the Plan Administrator and Participants of

Emphasis of Matter

As described in Note 1 to the financial statements, the governing body of Logistics Support Incorporated 401(k) Profit Sharing Plan approved a plan of liquidation on April 24, 2018, and management determined liquidation was imminent. As a result, the Plan has changed its basis of accounting from the ongoing plan basis used in presenting the 2017 financial statements to the liquidation basis used in presenting the period ended June 30, 2018 financial statements. Our opinion is not modified with respect to this matter.

Other Matter – Supplemental Schedule

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 (IN LIQUIDATION) AND DECEMBER 31, 2017 (ONGOING)

NOTE 1 - PLAN TERMINATION AND MERGER

On May 22, 2017, the Company was acquired by Z Systems Corporation (Z Systems). In conjunction with the acquisition, effective January 1, 2018, all employees of the Company were transferred to C2 Essentials, Inc., an outsourced professional employer organization under a co-employment relationship, contracted by Z Systems. In addition, effective January 1, 2018, the employees became eligible and all contributions were directed to the C2 Essentials, Inc. 401(k) Plan.

Further, effective June 8, 2018, the Company became an adopting employer of the C2 Essentials, Inc. 401(k)/Profit Sharing Plan (C2 Essentials Plan). The Logistics Support Incorporated 401(k) Profit Sharing Plan (Plan) merged into the C2 Essentials Plan with the C2 Essentials Plan being the surviving plan and the assets transferred effective June 7, 2018. Each participant's account in the Plan was allocated and is maintained under separate merger accounts under the C2 Essentials Plan. There was no activity in the Plan from the period June 8, 2018 through June 30, 2018.

NOTE 2 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan was a defined contribution plan of Logistics Support Incorporated (the Company) and was established on January 15, 2002. The Plan was subject to the provisions of ERISA.

Eligibility - Employees who had completed thirty (30) days of service and had attained age 19 were eligible to participate in the Plan. These employees were permitted to enter the Plan the first day of the month following the satisfaction of these requirements. The Plan excluded union employees, certain non-resident aliens and leased employees.

Participant Accounts - Each participant's account was credited with the participant's contributions and Company contribution(s), as well as allocations of Plan earnings or losses. Participant accounts were charged with an allocation of administrative expenses paid by the Plan. Allocations were based on participant earnings/losses, account balances, or specific participant transactions, as defined. The benefit to which a participant was entitled was the benefit that could be provided from the participant's vested account.

Investment Options - Participants were permitted to direct the investment of their contributions and Company contribution(s) into various registered investment companies (mutual funds) and a money market fund offered by the Plan.

Vesting - Participants were immediately vested in all contributions plus earnings thereon.

Notes Receivable from Participants - Participants could have borrowed from their fund accounts a minimum of \$1,000 up to a maximum amount equal to the lesser of (1) \$50,000, reduced by the excess of the participant's highest outstanding participant note balance during the 12-month period ending on the date of the loan, over the participant's current outstanding participant note balance on the date of the note or (2) 50% of the non-forfeitable participant account balance. Participants could have had only one note outstanding at a time. The notes were secured by the balance in the participant's account, bore interest at prime + 1% and must have been repaid within five (5) years.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 (IN LIQUIDATION) AND DECEMBER 31, 2017 (ONGOING)

NOTE 2 - DESCRIPTION OF PLAN - CONTINUED

Notes Receivable from Participants - continued - Principal and interest were paid ratably through semi-monthly payroll deductions. Effective January 1, 2018, semi-monthly payroll deductions ceased and resumed after the plan merger.

Payment of Benefits - Benefit payments were payable upon termination of employment, death, total or permanent disability or retirement at age 65 and could be made in the form of lump sum payments. The Plan could have made automatic distributions of vested account balances that were less than \$5,000 in accordance with plan provisions. Distributions from a participant's rollover account could have been made at any time. Hardship withdrawals and in-service withdrawals at age 59½ were also permitted, subject to provisions defined in the plan document.

NOTE 3 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates - The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires plan management to make estimates and assumptions that affect the reported amount of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results may differ from those estimates.

Liquidation Basis of Accounting - The Plan's financial statements are prepared on the liquidation basis of accounting.

Investment Valuation and Income Recognition - Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Plan management determines the Plan's valuation policies utilizing information provided by the Plan's trustee. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation/depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants - Notes receivable from participants were measured at their unpaid principal balance plus any accrued but unpaid interest. No allowance for credit losses was recorded as of June 30, 2018 and December 31, 2017. Delinquent participant notes were reclassified as distributions based on the terms of the plan document.

Payment of Benefits - Benefits are recorded when paid. An other receivable was recorded to account for outstanding distributions totaling \$51,453 as of December 31, 2017, which was redeposited to the Plan in 2018.

Expenses - Certain expenses of maintaining the Plan were paid by the Plan, unless otherwise paid by the Company. Expenses that were paid by the Company were excluded from these financial statements. Investment management fees of individual fund investments were charged to the respective investment and included in the net appreciation/depreciation of the investment, as they were paid through revenue sharing. Fees related to the administration of notes receivable from participants, participant distributions and recordkeeping fees were charged directly to the participant's account and are included in administrative expenses.

NOTE 4 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2

Inputs to the valuation methodology include (1) quoted prices for similar assets or liabilities in active markets; (2) quoted prices for identical or similar assets or liabilities in inactive markets; (3) inputs other than quoted prices that are observable for the asset or liability; and (4) inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2018 and December 31, 2017.

Money Market Fund: Valued at \$1 per share.

Registered Investment Companies: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The registered investment companies held by the Plan are deemed to be actively traded.

Classification within the fair value hierarchy table is based on the lowest level of any input that is significant to the fair value measurement. As of December 31, 2017, the Plan's assets at fair value were invested in a money market fund and registered investment companies and were classified as Level 1 within the fair value hierarchy.

NOTE 5 - INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

Certain information related to investments and notes receivable from participants disclosed in the accompanying financial statements, including investments and notes receivable from participants held at June 30, 2018 and December 31, 2017, and net appreciation in fair value of investments, interest income on notes receivable from participants, and dividend and interest income for the period ended June 30, 2018, was obtained or derived from information supplied to the plan administrator and certified as complete and accurate by Branch Banking and Trust Company (BB&T), the trustee of the Plan.

LOGISTICS SUPPORT INCORPORATED 401(K) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2018 (IN LIQUIDATION) AND DECEMBER 31, 2017 (ONGOING)

NOTE 6 - EMPLOYER CONTRIBUTION PAYABLE

During 2016, the plan sponsor identified an error in the calculation of the prevailing wage contribution resulting in an overpayment of \$17,003 to participants. The overpayment is to be refunded to the plan sponsor.

NOTE 7 - DELINQUENT CONTRIBUTIONS

DOL regulations require employee contributions be remitted as soon as they can be segregated from the plan sponsor's assets, but in no instance later than the fifteenth business day of the month following the month of the contribution. The Company's procedures allowed for the employee contributions to be remitted as soon as reasonably segregated. However, there were contribution payments during the years ended December 31, 2017 and 2016 that exceeded this practice and as such, the Company has determined that \$13,359 and \$52, respectively, of employee contributions were not remitted timely. The late deposits are to be self-corrected.

NOTE 8 - RELATED-PARTY AND PARTY IN INTEREST TRANSACTIONS

Plan investments included a money market fund managed by BB&T. BB&T was the trustee of the Plan, as defined, and therefore, this transaction qualified as a party in interest transaction.

BB&T provided certain administrative services to the Plan pursuant to the Daily Defined Contribution Fee Agreement (the Agreement) between the Company and BB&T. In conjunction with the Agreement, BB&T may receive revenue shared by certain mutual fund companies based on the dollar amount of assets or number of participant accounts invested with the fund. All mutual fund revenue sharing received by BB&T was credited to the Plan to reduce administrative expenses owed to BB&T from the Plan. The Plan or Company may make payments to BB&T for administrative expenses not covered by revenue sharing. BB&T also received compensation in the form of interest or similar income (float) on contributions, distributions and plan loan repayments. Recordkeeping fees of 0.6% of participant assets were charged annually. Fees paid by the Plan to BB&T amounted to \$11,894 for the period ended June 30, 2018.

NOTE 9 - TAX STATUS

The IRS had determined and informed Lenhart Pettit PC, by a letter dated March 31, 2014, that the prototype plan was designed in accordance with applicable sections of the IRC. The plan administrator believed that the Plan was designed, and was being operated, in compliance with the applicable requirements of the IRC and, therefore, believed that the Plan was qualified, and the related trust was tax-exempt.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the applicable authorities. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.
