Independent Auditors' Report

Plan Administrator
Lorain County Alcohol and Drug Abuse
Services, Inc. 403(b) Plan
Lorain, Ohio

**Report on the Financial Statements**

We were engaged to audit the accompanying financial statements of the Lorain County Alcohol and Drug Abuse Services, Inc. 403(b) Plan (the "Plan"), which comprise the statements of net assets available for benefits as of June 30, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended June 30, 2018, and the related notes to the financial statements.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Bases for Disclaimer of Opinion paragraphs, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

**Bases for Disclaimer of Opinion**

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Charles Schwab Bank, the Custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certifications from the Custodian as of June 30, 2018 and 2017, and for the year ended June 30, 2018, that the information provided to the plan administrator by the Custodian is complete and accurate.

In addition, because of inadequacies in the Plan's records for the periods prior to January 1, 2009, we were unable to perform auditing procedures with respect to individual participant account balances accumulated from inception of the Plan or to satisfy ourselves as to the basis on which participants' equity is stated as of June 30, 2018 and 2017, or the propriety of the distributions to participants who terminated and withdrew from the Plan during the year ended June 30, 2018.

**Disclaimer of Opinion**

Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

**Report on Supplementary Information**

The supplemental schedule of assets (held at end of year) as of June 30, 2018 is presented for purposes of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matters described in the Bases for Disclaimer of Opinion paragraphs, we do not express an opinion on this supplemental schedule.

**Report on Form and Content in Compliance With DOL Rules and Regulations**

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## Note 1. Description of Plan

The following is a summary of certain provisions of the Lorain County Alcohol and Drug Abuse Services, Inc. 403(b) Plan (the "Plan"). Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

### Participation

The Plan is a defined contribution plan under Section 403(b) of the Internal Revenue Code ("IRC") covering all qualified employees of Lorain County Alcohol and Drug Abuse Services, Inc. ("LCADA"), established as of July 1, 1980. The Plan uses a negative election format in which employees are automatically enrolled when they become eligible. Unless otherwise directed by the participant, 1% of eligible compensation is withheld and invested in the Plan's qualified default investment alternative. Employees are eligible to participate in the employer matching and non-elective contributions after six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

### Contributions

Participants may elect to make pre-tax or Roth after-tax contributions up to 100% of their eligible earnings, as defined by the Plan, subject to certain limitations of the Plan and the IRC. LCADA may make discretionary non-elective contributions to all eligible participants who are employed on the last day of the plan year. Non-elective contributions are allocated to participants on the basis of relative plan compensation. The employer non-elective contributions were $60,780 for each of the years ended June 30, 2018 and 2017 and were funded after the end of each plan year-end. LCADA may also make discretionary matching contributions to all eligible employees, but no such contributions were made for 2018.

### Participants' Accounts

Standard Life Insurance Company ("Standard") maintains individual accounts for each participant. These accounts are credited with participants' contributions, LCADA's contributions and related earnings, and charged with an allocation of any administrative expenses. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

### Vesting

Participants are vested immediately in their own elective contributions as well as the employer matching and non-elective contributions and earnings thereon.

### Payment of Benefits

A participant, upon severance of employment due to death, disability, termination or retirement, may elect to receive his/her vested account balance in the form of lump sum. Additionally, the Plan has provisions for active participants to make in-service and hardship withdrawals from their accounts, subject to limitation and restrictions.

## Note 1. Description of Plan (Continued)

### Termination Provisions

LCADA anticipates and believes that the Plan will continue indefinitely; however, LCADA reserves the right to terminate the Plan at any time by an action of its Board of Trustees subject to the provisions of ERISA. In the event of termination of the Plan, participants will become 100% vested in their account balance and the assets then remaining in the funds will be allocated and distributed to participants in accordance with the terms and provisions of the Plan.

## Note 2. Summary of Significant Accounting Policies

### Basis of Accounting

The financial statements of the Plan have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Investments held by a defined contribution plan are required to be reported at fair value, except for fully benefit-responsive investment contracts. Contract value is the relevant measure for the portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount participants normally would receive if they were to initiate permitted transactions under the terms of the Plan.

The financial statements of the Plan do not include amounts related to certain investment contracts which became inactive prior to January 1, 2009. As contemplated in the Department of Labor's Field Assistance Bulletin No. 2009-02, *Annual Reporting Requirements for 403(b) Plans*, LCADA has made a good faith effort to determine the population of plan participants and has included amounts related to all known contracts in these financial statements. Accordingly, these financial statements are acceptable to the Department of Labor as part of the Plan's Form 5500 filing. However, because of the uncertainty involved in ascertaining all previous arrangements, it is possible that contracts may exist related to this Plan which have not been included in these financial statements and those amounts may be material. Accounting principles generally accepted in the United States of America require these amounts to be included in the financial statements.

### Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

### Investment Valuation and Income Recognition

Investments are reported at fair value (except for fully benefit-responsive investment contracts, which are reported at contract value). Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 and Note 5 for discussion of fair value measurements and the Guaranteed Investment Contract, respectively.

## Note 2. Summary of Significant Accounting Policies (Continued)

### Investment Valuation and Income Recognition (Continued)

Purchases and sales of investment securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

### Payment of Benefits

Benefits are recorded when paid by the Plan.

### Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by LCADA. Expenses that are paid by LCADA are excluded from these financial statements. Investment related expenses are included in net appreciation in fair value of investments. Certain transactions and account maintenance fees are charged to the affected participants.

### Evaluation of Subsequent Events

The Plan has evaluated subsequent events through April 8, 2019, the date the financial statements were available to be issued.

## Note 3. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

- Level 1 – Quoted market prices in active markets for identical assets and liabilities
- Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data
- Level 3 – Unobservable inputs in which little or no market data exists

Following is a description of the valuation methodology used for assets measured at fair value. There have been no changes in the methodology used from 2017 to 2018.

Registered Investment Companies – The fair value of investments held in Registered Investment Companies is determined based on their quoted closing market prices in active markets for identical investments and is classified as Level 1.

The preceding method described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation method is appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

**Note 3. Fair Value Measurements (Continued)**

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of June 30, 2018 and 2017:

| | Assets at Fair Value as of June 30, 2018 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Registered Investment Companies | $ 868,176 | $ - | $ - | $ 868,176 |

| | Assets at Fair Value as of June 30, 2017 | | | |
|---|---|---|---|---|
| | Level 1 | Level 2 | Level 3 | Total |
| Registered Investment Companies | $1,003,008 | $ - | $ - | $1,003,008 |

**Note 4. Unaudited Information**

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Charles Schwab Trust Company, the Custodian, has certified to the completeness and accuracy of all investments reflected in the statements of net assets available for benefits at June 30, 2018 and 2017, the supplemental schedule of assets (held at end of year) at June 30, 2018, the related investment activity reflected in the statement of changes in net assets available for benefits for the year ended June 30, 2018 and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

**Note 5. Guaranteed Investment Contract**

The Plan holds an investment contract which meets the fully benefit-responsive investment contract criteria and, therefore, is reported at contract value. Contract value is the relevant measure for fully benefit-responsive investment contracts because this is the amount received by participants if they were to initiate permitted transactions under the terms of the Plan. Contract value represents contributions made under the contract, plus interest, less participant withdrawals, and administrative expenses.

The investment contract held by the Plan is a Guaranteed Investment Contract. The contract issuer is contractually obligated to repay the principal and interest at a specified interest rate that is guaranteed to the Plan. The crediting rate is based on a formula established by the contract issuer but is guaranteed to be at least 1%. The crediting rate is reviewed on a quarterly basis for resetting. The contract cannot be terminated before the scheduled maturity date.

**Note 5. Guaranteed Investment Contract (Continued)**

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the Plan document (including complete or partial plan termination or merger with another plan), (2) changes to the Plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan or (4) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The plan administrator does not believe that any events which would limit the Plan's ability to transact at contract value with participants are probable of occurring.

**Note 6. Income Tax Status**

The Plan has been designed to qualify under Section 403(b) of the IRC. The terms of the Plan have been prepared to conform with the sample language provided by the IRS in Revenue Procedure 2007-71. The Plan is required to operate in conformity with the IRC to maintain the tax-exempt status for plan participants under section 403(b).

The plan administrator has analyzed tax positions taken by the Plan and has concluded that, as of June 30, 2018, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

**Note 7. Party-in-Interest Transactions**

The Plan has a Guaranteed Investment Contract with Standard Life Insurance Company. Standard is the record keeper as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions.

Administrative expenses in the amount of $18,147 were paid to Standard during the year ended June 30, 2018. These transactions qualify as party-in-interest transactions.

**Note 8. Risks and Uncertainties**

The Plan holds various investment options in combinations of investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

**Note 9. Reconciliation to Form 5500**

The following is a reconciliation of net assets available for benefits per the financial statements at June 30, 2018 and 2017 to the Form 5500:

| | 2018 | 2017 |
