Independent Auditor's Report

To the Plan Administrator and Participants
Optimum Employer Solutions Retirement Plan

Report on the Financial Statements

We have audited the accompanying financial statements of Optimum Employer Solutions Retirement Plan (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2016 and 2015, and the related statement of changes in net assets available for benefits for the year ended December 31, 2016, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements and supplemental schedules that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2016 Financial Statements

Our responsibility is to express an opinion on the 2016 financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the 2016 financial statements.

Auditor's Responsibility for the 2015 Financial Statements

Our responsibility is to express an opinion on the 2015 financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matters described in the Basis for Disclaimer of Opinion on the 2015 Financial Statements paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2015 Financial Statements

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the investment assets held by Transamerica Financial Life Insurance Company, the custodian of the Plan, and transactions in those assets were excluded from the scope of our audit of the Plan's 2015 financial statements, except for comparing the information provided by the or custodian, which is summarized in Note 7, with the related information included in the financial statements.

Disclaimer of Opinion on the 2015 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2015 Financial Statements paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on the 2015 financial statements. Accordingly, we do not express an opinion on these financial statements.

Opinion on the 2016 Financial Statements

In our opinion, the financial statements, referred to above, of the Plan, as of December 31, 2016, and for the year then ended, present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2016, and the changes in net assets available for benefits for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules as listed in the accompanying index are presented for the purpose of additional analysis and are not a required part of the 2016 financial statements, but are supplementary information required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Such information is the responsibility of the plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the 2016 financial statements. The information has been subjected to the auditing procedures applied in the audit of the 2016 financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the 2016 financial statements or to the 2016 financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the 2016 financial statements as a whole.

Report on Form and Content of the 2015 Financial Statements in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2015 financial statements, other than that derived from the information certified by the custodian have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

OPTIMUM EMPLOYER SOLUTIONS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Optimum Employer Solutions Retirement Plan (the "Plan") provides only general information about the Plan. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan was adopted on May 23, 2006 to qualify as a defined contribution retirement plan for Optimum Employer Solutions, LLC's (the "Plan Sponsor") eligible employees. This Plan was established for the purpose of providing retirement benefits to the Plan Sponsor's eligible employees in accordance with the Plan. The Plan is intended to satisfy the provisions of Section 401(k) of the Internal Revenue Code ("IRC") of 1986, as amended. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is a multiple-employer plan and each client of the Plan Sponsor (employer) sets the eligibility, matching, and vesting terms specific to their participants under a separate adoption agreement.

Plan Administration

The Plan Sponsor is the Plan's administrator and Transamerica Financial Life Insurance Company ("Transamerica") was the Plan's custodian and served as the Plan's record keeper as of December 31, 2015 and for the period from January 1, 2016 to March 31, 2016 and Slavic Integrated Administration ("Slavic") is the Plan's trustee and record keeper from April 1, 2016 to December 31, 2016. Slavic maintains an investment agreement with Fidelity Life Insurance Company (the "Custodian").

Contributions

Each participant may elect to contribute a prescribed percentage of his or her compensation to the Plan, subject to certain IRC limitations, up to a maximum amount of \$18,000 for the 2016 Plan year. Participants that are 50 years of age or older who have met the IRC annual deferral limit may contribute a catch-up contribution of up to \$6,000 for 2016. Participants may also rollover amounts representing distributions from other qualified plans. In addition, participants may elect to contribute a percentage of eligible compensation into the Plan on an after-tax basis.

All contributions to each participant's account are self-directed by the participant in one or more of the investments offered under the Plan.

OPTIMUM EMPLOYER SOLUTIONS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE 1 - DESCRIPTION OF PLAN, continued

Forfeited Amounts

Forfeited amounts from terminating participants' non-vested accounts are used to reduce employer contributions for the Plan year immediately following the Plan year in which the forfeiture occurs. For the year ended December 31, 2016, employer contributions were not reduced by forfeited non-vested accounts. At December 31, 2016, forfeited non-vested balances totaled \$3,974.

Participants' Accounts

Individual accounts are maintained for each of the Plan's participants to reflect each participant's contributions and related employer contributions, as well as each participant's share of the Plan's income and any related administrative expenses. Allocations of the Plan income and expenses are based on the proportion that each participant's account balance bears to the total of all participant account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Payment of Benefits

Upon termination of service including death, disability or retirement, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account. These payments may be paid in a lump sum payment or paid in installments over time.

Hardship Withdrawals

A withdrawal from a participant's account may be permitted if the participant has a financial hardship for certain specific reasons as defined in the Plan document. For the year ended December 31, 2016, there were no hardship withdrawals.

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

OPTIMUM EMPLOYER SOLUTIONS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation

Investments are stated at fair value (see Note 4). Net appreciation or depreciation in fair value of investments for the period is reflected in the accompanying statement of changes in net assets available for benefits. Purchases and sales of securities are reflected on a trade-date basis. Interest income is recorded on an accrual basis.

Payment of Benefits

Benefits are recorded when paid.

Participant Loans

Participants may borrow from their accounts up to 50% of their vested account balance up to a maximum of \$50,000. The loans are secured by the balance in the participant's account and must be repaid at a fixed interest rate, which is commensurate with local prevailing rates. Loans must be repaid within five years, unless the loan was for the purchase of a principal residence. In this case, the repayment period may be extended.

Administrative Expenses

Certain administrative functions are performed by officers or employees of the Company; no such officer or employee receives compensation from the Plan for these services. Certain of the Plan's expenses are paid by the participants and certain expenses are paid by the Company, as provided by the Plan document. Investment-related expenses are included in net appreciation in fair value of investments.

NOTE 3 - INVESTMENT OPTIONS

Contributions made on behalf of the participants are invested in various funds according to participant elections. Participants may direct the investment contribution into the various options offered by the Plan. Participants may change investment elections at any time via telephone or via Internet access with the Slavic.

NOTES TO FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan measures fair value of its investments in accordance with Accounting Standards Codification Topic 820 (“ASC 820”). ASC 820 defines fair value as the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal, or in the absence of a principal market, the most advantageous market for the asset or liability, in an orderly transaction between market participants on the measurement date. ASC 820 also establishes a fair value hierarchy that requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. The standard describes three levels of inputs in priority that may be used to measure fair value:

Level 1—Quoted prices in active markets for identical assets or liabilities;

Level 2—Observable inputs other than quoted prices included within Level 1, such as quoted prices for similar assets or liabilities; quoted prices in markets that are not active; inputs other than quoted prices that are observable for the asset or liability (such as interest rates and yield curves, credit risks, and default rates) or other inputs that are principally derived from or corroborated by observable market data by correlation or by other means; and

Level 3—Unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

The following is a description of the valuation methodologies used for the investments measured at fair value, including the general classification of such investments pursuant to the valuation hierarchy.

Mutual Funds

The fair value of the Plan’s investments in mutual funds is based upon quoted prices in active markets, which represent the net asset value of shares held, classified as Level 1 investments.

As of December 31, 2016, the Plan’s investments measured at fair value on a recurring basis were as follows:

	December 31, 2016			Total
	Quoted Prices In Active Markets for Identical Assets (Level 1)	Significant Other Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)

OPTIMUM EMPLOYER SOLUTIONS RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

December 31, 2016 and 2015

NOTE 4 - FAIR VALUE MEASUREMENTS, continued

Pooled Separate Accounts

As of December 31, 2015, the Plan's pooled separate accounts invest primarily in mutual funds, and the fair value of each pooled separate account is based upon the fair value of the underlying mutual fund which is determined based upon its net asset value and which also represents its closing market price.

The value of the Plan's investment in the pooled separate accounts represents the value of the Plan's interest in the overall value of the pooled separate accounts. The pooled separate accounts are valued at fair value by using the net asset value ("NAV"). The NAV, as provided by the trustee of the pooled separate accounts, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by each fund less its liabilities. This practical expedient would not be used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. Participant transactions (purchases and sales) may occur daily. In accordance with the relevant accounting guidance, certain investments that are measured at fair value using the NAV per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy.

NOTE 5 - INCOME TAX STATUS

Effective May 23, 2006, the Plan was amended to adopt a prototype plan offered by the Custodian. The Custodian received a favorable determination letter from the Internal Revenue Service ("IRS") for its prototype 401(k) plan on March 31, 2008. The Company conforms the operations of the Plan to the prototype plan, thereby allowing the Company to rely on Slavic's current and future IRS determination letters. The Plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Continued qualification is dependent on the Plan's future operations.

In accordance with U.S. GAAP, the Plan administrator is required to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain income tax position that is more-likely-than not to be sustained upon audit by the Internal Revenue Service ("IRS"). An uncertain income tax position will not be recognized if it has less than a 50% likelihood of being sustained. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2016 and 2015, there are no uncertain positions taken or expected to be taken that would require the recognition of a liability (or asset) or disclosure in the financial statements. The Plan administrator does not foresee material changes to the gross uncertain income tax position liability (or asset) of the Plan within the next twelve months. The Plan is subject to routine audits by the IRS, however, there are currently no audits for any tax periods in progress. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2013.

December 31, 2016 and 2015

NOTE 6 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan agreement to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their account balances.

NOTE 7 - SUMMARY OF UNAUDITED INFORMATION

As of December 31, 2015, the Plan administrator elected the method of annual reporting permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Transamerica has certified that the following data in the accompanying financial statements is complete and accurate:

- Total investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2015.

NOTE 8 - RELATED PARTY TRANSACTIONS

The Plan has investments with the Custodian. The Plan has incurred certain administrative fees with Transamerica, Slavic and the Custodian. In addition, the Plan has loans with its participants. Transamerica, Slavic, the Custodian and the Plan participants are considered parties-in-interest under ERISA. All of these transactions are considered exempt party-in-interest transactions under ERISA.

NOTE 9 - RISKS AND UNCERTAINTIES

The Plan provides for investments in any combination of investment funds with different investment strategies. These investment funds are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investments and the level of uncertainty related to changes in the value of investments, it is at least reasonably possible that changes in risks in the near term would materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statement of changes in net assets available for benefits.
