Report of Independent Auditors

Plan Administrator
Colorado Premium Foods 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Colorado Premium Foods 401(k) Plan (the "Plan"), which comprise the statement of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the 2017 Financial Statements

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion on the 2017 Financial Statements

As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Transamerica Financial Life Insurance Company ("Transamerica"), acting as agent for Reliance Trust Company ("Reliance"), the trustee, and Ascensus Trust Company ("Ascensus"), the former trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that Transamerica, on behalf of Reliance, held the Plan's investment assets as of December 31, 2017, and executed investment transactions for the period December 27, 2017, through December 31, 2017, and Ascensus held the Plan's investment assets as of December 31, 2016, and executed investment transactions for the period January 1, 2017, through December 26, 2017. The Plan administrator has obtained certifications from Transamerica, on behalf of Reliance, as of December 31, 2017, and for the period December 27, 2017 through December 31, 2017, and Ascensus, for the period January 1, 2017, through December 26, 2017, that the information provided to the Plan administrator by Transamerica and Ascensus is complete and accurate.

Plan Administrator
Colorado Premium Foods 401(k) Plan

Disclaimer of Opinion on the 2017 Financial Statements

Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2017 Financial Statements paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion on the 2017 financial statements. Accordingly, we do not express an opinion on the 2017 financial statements.

Other Matter – Supplemental Schedule

The supplemental schedules of Delinquent Participant Contributions and Assets (Held at End of Year) as of and for the year ended December 31, 2017, are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion on the 2017 Financial Statements paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the 2017 financial statements and supplemental schedules, other than that derived from the information certified by Transamerica and Sentry, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – 2016 Financial Statement

The financial statement of the Plan as of December 31, 2016, was audited by predecessor auditors. As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Ascensus and American National Insurance Company. Their report, dated October 11, 2017, indicated that (a) because of the significance of the information they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2016 financial statement and (b) the form and content of the information included in the 2016 financial statement other than that derived from the information certified by the former trustees, was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Colorado Premium Foods 401(k) Plan

Notes to Financial Statements

December 31, 2017

1. Description of the Plan

The following description of the Colorado Premium Foods 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan available to eligible employees of Colorado Premium Foods and affiliates (collectively, the "Plan Sponsor"). Participation in the Plan is strictly voluntary, and employees can elect to participate on the first day of the month after attaining age 21 and completing one month of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

The Plan Sponsor is responsible for the administration of the Plan and effective December 27, 2017, has entrusted the maintenance of records and the day-to-day administration to TAG Resources, LLC ("TAG") who processes transactions through Transamerica Financial Life Insurance Company ("Transamerica"), agent for Reliance Trust Company, ("Reliance"), the trustee. Prior to December 27, 2017, the maintenance of records and day-to-day administration of the Plan was entrusted to Ascensus Trust Company ("Ascensus"), the former trustee.

Contributions

Participating employees may defer 401(k) contributions up to their pre-tax annual compensation, as defined in the Plan. In addition, participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollovers). Participants direct the investment of their contributions into various investment options offered by the Plan as listed in the schedule of assets (held at end of year). Participants can change the investment options previously elected at any time. Participant contributions have not always been remitted to the Plan in a timely manner; the Plan Sponsor makes a contribution for the lost earnings to the Plan, if required.

The Plan Sponsor makes safe harbor matching contributions equal to 100% of the participant's contribution up to 3% of the participant's compensation, plus 50% of the participant's contribution from 4% up to 5% of the participant's compensation. The Plan Sponsor may make discretionary profit-sharing contributions but did not make any during 2017.

Contributions are subject to certain Internal Revenue Service ("IRS") limitations. Receivables from the Plan Sponsor for contributions are unsecured.

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's safe harbor matching and discretionary profit-sharing contributions and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and safe harbor matching contributions plus actual earnings on these contributions. Vesting in the Plan Sponsor's discretionary profit-sharing contribution portion of their accounts plus related earnings thereon is based on years of vesting service in which the participants complete 1,000 hours of service, as follows:

Years of Service	Vesting Percentage
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%
5 but less than 6	80%
6 or more	100%

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate is set at the prime rate, as defined. Principal and interest are paid ratably through payroll deductions.

Payment of Benefits

If the participant's vested benefit in the Plan does not exceed $1,000 at the time of termination of employment, the participant's benefit must be distributed in a single lump-sum payment as soon as administratively feasible. If the participant's vested benefit in the Plan exceeds $1,000 at the time of termination of employment, the participant may elect to either maintain their account in the Plan, receive a lump-sum distribution or rollover their account balance into another individual retirement account. Participants may also withdraw their vested account balances at any time on or after the age of 59½, or upon retirement, death or disability.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's management determines the Plan's valuation policies utilizing information provided by Transamerica. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed as incurred. No allowance for credit losses has been recorded as of December 31, 2017 or 2016. If a participant ceases to make scheduled repayments and the Plan administrator deems the participant note receivable to be in default, the participant note receivable balance is reduced and a benefit payment recorded.

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

2. Significant Accounting Policies (continued)

Subsequent Events

The Plan has evaluated subsequent events through April 22, 2019, the date the financials were available to be issued.

Subsequent to December 31, 2017, benefit payments totaling approximately $1,522,000 have been distributed from the Plan. In addition, assets totaling approximately $508,000 have been transferred into the Plan from the Buedel Food Products 401(k) Plan.

3. Certified Information (Unaudited)

Transamerica, agent for the trustee, holds the Plan's cash at December 31, 2017, and executed transactions during the period from December 27, 2017, through December 31, 2017. Ascensus held the Plan's investment assets as of December 31, 2016, and executed transactions during the period from January 1, 2017, through December 26, 2017. Financial information relating to the cash and investments is included in the accompanying financial statements based on information supplied to the Plan administrator and certified as complete and accurate by Transamerica and Ascensus. That information, which has not been audited by independent auditors, is summarized below.

The value of investments in an interest-bearing cash account awaiting allocation to investments at Transamerica is $5,187,433 as of December 31, 2017. The value of investments in mutual funds is $3,047,976 as of December 31, 2016.

Notes receivable from participants total $94,010 and $65,929 as of December 31, 2017 and 2016, respectively. Interest earned on notes receivable from participants totaled $2,965 in 2017.

Net appreciation in investments totaled $682,844 in 2017. Interest and dividends received from mutual funds totaled $24,789 in 2017.

Fees paid by the Plan to parties-in-interest totaled $26,664 in 2017.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.

Level 2 Inputs to the methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value, which have not changed during 2017 or 2016:

Interest-bearing cash: Cash valued in U.S. dollars that is earning interest over a period of time.

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

4. Fair Value Measurements (continued)

Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31:

	Level 1	Level 2	Level 3	Total
2017:				
Interest-bearing cash	**$5,187,433**	**$ –**	**$ –**	**$5,187,433**
2016:				
Mutual funds	$3,047,976	$ –	$ –	$3,047,976

5. Related Party Transactions and Party-in-Interest Transactions

Plan investments were in the accounts of Ascensus, and therefore, these transactions qualified as party-in-interest transactions. Related party transactions include contributions from the Plan Sponsor.

6. Plan Termination

Although it has not expressed any intent to do so, the Plan Sponsor has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their Plan Sponsor contributions.

7. Income Tax Status

The Plan adopted a volume submitter plan which had received an advisory letter dated March 31, 2014, from the IRS which stated the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

8. Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.
