Independent Auditors' Report

To the Administrative Committee of the
General Air Service & Supply Co.
Employee Stock Ownership Plan

We have audited the accompanying financial statements of General Air Service & Supply Co. Employee Stock Ownership Plan (the Plan), which comprise the statements of net assets available for benefits as of October 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended October 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility
Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement.

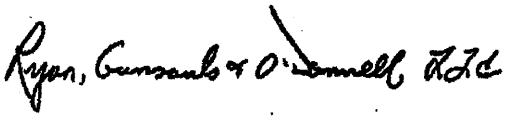

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of General Air Service & Supply Co. Employee Stock Ownership Plan as of October 31, 2018 and 2017, and the changes in its net assets available for benefits for the year ended October 31, 2018 in accordance with accounting principles generally accepted in the United States of America.

Report on Summarized Comparative Information
We have previously audited the General Air Service & Supply Co. Employee Stock Ownership Plan's 2017 financial statements and we expressed an unmodified audit opinion on those audited financial statements in our report dated April 14, 2017. In our opinion, the summarized comparative information presented herein as of and for the year ended October 31, 2017, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Report on Supplemental Information
Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedules of assets (held at year end), stockholders' report of common stock - unaudited, and share value history - unaudited, together referred to as "supplemental information," are presented for the purpose of additional analysis and are not a required part of the financial statements but are supplemental information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The supplemental schedule of assets (held at year end) has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole. The supplemental schedules of stockholders' report of common stock – unaudited and share value history - unaudited has not been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. We have not audited the supplementary information, and accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.
