EVITE 401(k) SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

(1) Description of the Evite Plan

The following description of the Evite 401(k) Savings Plan formerly known as the Liberty Interactive 401(k) Savings Plan (the “Evite Plan”) is provided for general information purposes only. Participants should refer to the plan document for more complete information. The Evite Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Benefits are not guaranteed by the Pension Benefit Guarantee Corporation.

(a) General

Prior to March 9, 2018 the Evite Plan was known as the Liberty Interactive 401(k) Savings Plan and was sponsored by Qurate Retail, Inc., formerly named Liberty Interactive Corporation prior to the reorganization discussed in note 9. The plan is a defined contribution plan and was established effective January 1, 2012.

As of March 9, 2018 the Plan was amended to reflect a change in plan sponsor to Evite, Inc. (“Evite” or the “Company”) and a change of plan name to the Evite 401(k) Savings Plan. The Plan Administrative Committee of the Evite Plan serves as Plan Administrator for the Evite Plan.

The Evite Plan enables participating employees of Evite, Inc. to receive benefits upon retirement or other termination of employment. Employees of Evite who are at least 18 years of age are eligible to participate in the Evite Plan immediately upon hire.

(b) Plan Transfers

On February 15, 2018, the Evite Plan transferred assets in the amount of \$21,398,924 including participant loans outstanding of \$32,240 and related forfeitures of \$68,193 which reflected accounts of participants of certain non-participating employers in the Evite Plan to the Liberty Media 401(k) Savings Plan sponsored by Liberty Media Corporation.

(c) Contributions

Subject to the Internal Revenue Service (“IRS”) limitations described below, participants may make pre-tax contributions to the Evite Plan of up to 75% of their compensation, as defined. Pursuant to the terms of the Evite Plan, Evite will make matching contributions as follows, as approved by the Company:

% of participant contributions	Maximum match as a % of eligible compensation
50%	3%

All participant contributions and employer matching contributions are subject to limitations as determined annually by the IRS. Employee pre-tax contributions were limited to \$18,500 and \$18,000 in 2018 and 2017, respectively. Combined employee pre-tax and employer matching contributions per participant (excluding catch-up contributions) were limited to \$55,000 and \$54,000 in 2018 and 2017, respectively. Catch-up contributions, as defined in the Economic Growth and Tax Relief Reconciliation Act of 2001, are permitted for those eligible employees at least 50 years of age, are not matched by the employer, and are limited to \$6,000 in 2018 and 2017. Evite reserves the right to change the matching contribution amounts at any time.

EVITE 401(k) SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

Employer and employee contributions, both vested and unvested, can be invested in any investment option offered in the Evite Plan, including a brokerage account option, known as Brokeragelink, as directed by the participant.

(d) Rollovers

Participants may elect to rollover amounts from other qualified plans or individual retirement accounts into the Evite Plan provided that certain conditions are met.

(e) Participant Accounts

Each participant's account is credited with (a) the participant's contributions, (b) employer matching contributions, and (c) allocations of plan earnings and losses, as determined by the plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(f) Benefit Payments

Distributions from the Evite Plan may be made to a participant upon attaining the age of 59 ½, death, total disability, financial hardship, or termination of employment. Distributions and other withdrawals are processed on a daily basis. Upon separation from service, vested account balances of \$1,000 or less (including rollovers) will automatically be distributed absent a request for distribution or rollover by the participant. Upon separation from service, vested account balances that exceed \$1,000 but do not exceed \$5,000 (including rollovers) will automatically be rolled over in cash to an IRA selected by the Plan Administrator absent a request for distribution or rollover by the participant.

(g) Notes Receivable from Participants

Participants may borrow from their plan accounts a minimum of \$1,000 up to the lesser of \$50,000 or 50% of their vested account balance. Notes receivable, other than those transferred from other plans, must be repaid within five years and bear interest at a rate equal to the prime rate of interest in effect on the last day of the month preceding the month in which the loan was made plus 1%. The interest rate for new loans will be updated monthly on the first day of the following month for any changes to the prime rate that occur during any given month. Notes receivable transferred from other plans retain the repayment terms and interest rates in effect at the time of transfer. Notes receivable are secured by the vested balance in the participant's account. At December 31, 2018, outstanding notes receivable had interest rates ranging from 5.00%-6.25% and maturity dates through July, 2023. Principal and interest repayments are paid ratably through payroll deductions or through the use of automatic bank draft after termination of employment.

(h) Forfeitures

Forfeitures of employer contributions (due to participants' termination prior to full vesting) are first used to pay qualified Evite Plan expenses, with any excess used to reduce the participating employers' future employer matching contributions. Forfeitures aggregated \$41,867 and \$15,591 during 2018 and 2017, respectively. Forfeitures of \$20,022 and \$116,322 were used to pay Evite Plan expenses during 2018 and 2017, respectively. Forfeitures of \$0 and \$39,254 were used to offset employer matching contributions during 2018 and 2017, respectively. Unused forfeitures aggregated \$8,096 and \$54,217, respectively, at December 31, 2018 and 2017.

(i) *Investment Options*

As of December 31, 2018, the Evite Plan had various mutual fund investment options. The mutual funds include money market, bond, real estate, domestic and international stock funds, small to large cap funds, growth and value funds, and six asset allocation funds based on target retirement dates. In addition, the Evite Plan offers the Brokeragelink option, whereby participants can elect to invest in publicly traded investments and mutual funds not offered directly by the Evite Plan. A complete list of investment options can be found on Schedule I to these financial statements. Evite Plan participants may change investment options and contribution percentages at any time.

(j) *Vesting*

Participant contributions and rollover contributions are always fully vested. Participants acquire a vested right in employer matching contributions, other than employer contributions transferred from other plans, as follows:

<u>Years of service</u>	<u>Vesting percentage</u>
Less than 1	0%
1 year	50%
2 years	100%

Employer matching contributions transferred from other plans vest according to the terms specified in the transferor plans.

(k) *Trust Fund Managed by Fidelity Management Trust Company ("Trustee")*

Prior to March 9, 2018, under the terms of a trust agreement between Qurate Retail and the Trustee, the Trustee managed a trust fund on behalf of the Liberty Interactive 401(k) Savings Plan and was granted authority concerning purchases and sales of investments of the trust fund.

As of March 9, 2018, under the terms of a trust agreement between Evite and the Trustee, the Trustee manages a trust fund on behalf of the Evite Plan and has been granted authority concerning purchases and sales of investments for the trust fund.

(l) *Recordkeeping Services*

Under the terms of a service agreement, Fidelity Workplace Services LLC provides recordkeeping service to the Evite Plan.

(2) **Summary of Significant Accounting Policies**

(a) *Basis of Presentation*

The accompanying financial statements of the Evite Plan have been prepared on the accrual basis of accounting and present the net assets available for benefits and the changes in those net assets.

EVITE 401(k) SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

(b) Valuation of Investments

Investments are reflected in the accompanying financial statements at fair value. Fair value represents the closing prices at December 31, 2018 and 2017 for those securities having readily available market quotations. See Note 6 for additional information regarding the Evite Plan investments.

Securities and investment transactions are accounted for on the trade date. The cost basis of such shares distributed is determined using the average cost method. Dividend income is recorded on the ex-dividend date. Income, including interest income, from other investments is recorded as earned on an accrual basis.

The net appreciation or depreciation in fair value of investments (net realized and unrealized gains or losses) is reflected in the accompanying statements of changes in net assets available for benefits and is determined as the difference between the market value at the beginning of the year (or date purchased during the year) and selling price or year-end market value.

(c) Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus accrued but unpaid interest. Delinquent notes receivable are reclassified as deemed distributions based upon the terms of the Evite Plan.

(d) Distributions to Participants

Distributions requested by participants or required by the terms of the Evite Plan are recorded when paid.

(e) Plan Expenses

Any employer contribution amounts forfeited pursuant to the terms of the Evite Plan may be used to pay allowable Evite Plan administrative expenses including legal fees, audit and tax preparation fees, printing and mailing fees, investment and advisor fees and record keeper and trustee fees, except that the fees charged by the Trustee for participant loans and qualified domestic relations orders are paid by the participant utilizing such feature and plan participation fees are paid by participants with balances in the plan. Any additional administrative expenses of the Evite Plan are paid by Evite, and are excluded from these financial statements.

(f) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America ("GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions and deductions during the reporting period. Actual results could differ from those estimates.

(3) Plan Termination

Although Evite has not expressed any intent to terminate the Evite Plan, it may do so at any time, subject to the provisions of ERISA. The Evite Plan provides for full and immediate vesting of all participant accounts upon termination of the Evite Plan.

(4) Concentrations, Risks and Uncertainties

The Evite Plan invests in various investment securities. Investment securities are exposed to various risks such as significant world events, interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term. As of December 31, 2018 and 2017 there were 3 and 2 investments that represented over 10% of investments held, respectively. See the supplemental Schedule of Assets (held at end of year) for a complete listing of all investments held at December 31, 2018.

(5) Income Taxes

Evite has adopted a volume submitter plan sponsored by Fidelity Management and Research Company that received an opinion letter from the IRS dated March 31, 2014 stating that the written form of the volume submitter plan document is qualified under section 401(k) of the Internal Revenue Code ("IRC"), and that any employer adopting this form of the plan will be considered to have a plan qualified under section 401(a) of the IRC. Once qualified, the plan is required to operate in conformity with the IRC to maintain its qualification. The Evite Plan administrator believes that the Evite Plan is being operated in accordance with the applicable requirements of the IRC, and therefore believes the Evite Plan is qualified and the related trust is tax-exempt as of December 31, 2018 and 2017.

GAAP requires plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Evite Plan administrator has analyzed the tax positions taken by the Evite Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Evite Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits in progress for any tax periods.

Fair Value Measurements

GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1

Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Evite Plan has the ability to access.

- Level 2

Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

EVITE 401(k) SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3

Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Certain investments are reported at fair value on a recurring basis in the statements of net assets available for benefits. The following methods and assumptions were used to estimate the fair values:

Mutual funds and money market funds— Mutual funds and money market funds are valued at the daily closing price as reported by the fund. Mutual funds held by the Evite Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value and to transact at that price. The mutual funds and money market funds held by the Evite Plan are deemed to be actively traded and are classified as Level 1.

Brokeragelink account—This asset category represents a separate brokerage account that offers a wide range of investment opportunities including mutual funds and common stocks listed on major U.S. exchanges. The fair value of common stocks and other exchange traded investments that are publicly traded is based on the closing price per the primary stock exchange on which they are traded and are classified as Level 1. The fair value of mutual funds is based on the net asset values of shares held at year-end and are classified as Level 1.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Evite Plan's valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date. There were no changes in methodologies or leveling in 2018 and 2017.

A summary of the Evite Plan's Level 1 investments measured at fair value is as follows:

	December 31,	
	2018	2017
Mutual Funds	\$ 5,978,309	26,415,565
Brokeragelink accounts	48,765	783,450
Investments at fair value	<u>\$ 6,027,074</u>	<u>27,199,015</u>

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or model-based valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period. For the years ended December 31, 2018 and 2017, there were no transfers in or out of Level 1, 2, or 3.

(7) Related Party and Party-in-Interest Transactions

Certain plan investments are shares of mutual funds managed by the Trustee. Through the Brokeragelink option, some participants may have holdings of certain related party securities. Fidelity receives revenue sharing from certain mutual fund companies. See footnote 2(e) for administrative expenses to be paid to other service providers of the Plan. The Plan also issues loans to participants which are secured by the vested

portion of the participant's accounts. These transactions qualify as party-in-interest, which are exempt from prohibited transaction rules.

(8) Summary of Financial Information Certified by the Trustee

The Plan Administrator has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee of the Evite Plan has certified that the following data included in the accompanying financial statements is complete and accurate:

- Investments, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2018 and 2017.
- Notes receivable from participants, as shown in the Statements of Net Assets Available for Benefits as of December 31, 2018 and 2017.
- Net investment (loss) income, as shown in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2018 and 2017.
- Interest on notes receivable from participants, as shown in the Statements of Changes in Net Assets Available for Benefits for the years ended December 31, 2018 and 2017.
- Investment amounts in note 6 as of and for the years ended December 31, 2018 and 2017.
- The Schedule of Assets (held at end of year) as of December 31, 2018 as shown on Schedule I.

(9) Reorganization

On March 9, 2018, Qurate Retail completed the transactions contemplated by the Agreement and Plan of Reorganization (as amended, the "reorganization agreement," and the transactions contemplated thereby, the "Transactions") among General Communication, Inc. ("GCI") and Liberty Interactive LLC, a Delaware limited liability company and a direct wholly-owned subsidiary of Qurate Retail ("LI LLC"). Pursuant to the reorganization agreement, GCI amended and restated its articles of incorporation (which resulted in GCI being renamed GCI Liberty, Inc. ("GCI Liberty")) and effected a reclassification and auto conversion of its common stock. After market close on March 8, 2018, Qurate Retail's board of directors approved the reattribution of certain assets and liabilities from Qurate Retail's Ventures Group to its QVC Group, which was effective immediately. The reattributed assets and liabilities included cash, Qurate Retail's interest in ILG, FTD, certain green energy investments, LI LLC's exchangeable debentures, and certain tax benefits.

Following these events, Qurate Retail acquired GCI (renamed "GCI Liberty") through a reorganization in which certain Qurate Retail interests, assets and liabilities attributed to the Ventures Group, were contributed (the "contribution") to GCI Liberty in exchange for a controlling interest in GCI Liberty. Qurate Retail and LI LLC contributed to GCI Liberty their entire equity interests in Liberty Broadband, Charter, and LendingTree, the Evite operating business and other assets and liabilities attributed to Qurate Retail's Venture Group (following the reattribution), in exchange for (a) the issuance to LI LLC of a number of shares of GCI Liberty Class A Common Stock and a number of shares of GCI Liberty Class B Common Stock equal to the number of outstanding shares of Series A Liberty Ventures common stock and Series B Liberty Ventures common stock on March 9, 2018, respectively, (b) cash and (c) the assumption of certain liabilities by GCI Liberty.

Following the contribution, Qurate Retail effected a tax-free separation of its controlling interest in the combined company, GCI Liberty, to the holders of Liberty Ventures common stock in full redemption of all outstanding shares of such stock, in which each outstanding share of Series A Liberty Ventures common stock was redeemed for one share of GCI Liberty Class A common stock and each outstanding share of Series B Liberty Ventures common stock was redeemed for one share of GCI Liberty Class B common stock. Simultaneous with the closing of the Transactions, QVC Group common stock became the only outstanding common stock of Qurate Retail, and thus QVC Group common stock ceased to function as a tracking stock.

EVITE 401(k) SAVINGS PLAN

Notes to Financial Statements

December 31, 2018 and 2017

On May 23, 2018, each share of Series A QVC Group common stock and Series B QVC Group common stock was reclassified into one share of Series A common stock and Series B common stock of Qurate Retail, Inc., respectively.

On May 10, 2018 GCI Liberty was reincorporated from the state of Alaska to the state of Delaware and each outstanding share of GCI Liberty Class A common stock and GCI Liberty Class B common stock was automatically converted into one share of GCI Liberty Series A common stock and CGI Liberty Series B common stock, respectively.

(10) Subsequent Events

The Plan Administrator has evaluated subsequent events through May 17, 2019, which is the date the financial statements were available to be issued, and has not identified any reportable events subsequent to December 31, 2018.
