INDEPENDENT AUDITORS' REPORT

To the Plan Participants and Plan Administrator of the Amended and Restated Crane Co. Savings and Investment Plan

We have audited the accompanying financial statements of the Amended and Restated Crane Co. Savings and Investment Plan (the "Plan"), which comprise the statements of assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets available for benefits of the Amended and Restated Crane Co. Savings and Investment Plan as of December 31, 2018 and 2017, and the changes in assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Schedule

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at year end) as of December 31, 2018 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. Such schedule has been subjected to the auditing procedures applied in our audits of the financial statements and certain additional procedures, including comparing and reconciling such schedule directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, such schedule is fairly stated in all material respects in relation to the financial statements as a whole.

INDEPENDENT AUDITORS' REPORT

To the Plan Participants and Plan Administrator of the Amended and Restated Crane Co. Savings and Investment Plan

We have audited the accompanying financial statements of the Amended and Restated Crane Co. Savings and Investment Plan (the "Plan"), which comprise the statements of assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Plan's preparation and fair presentation of the financial statements, in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets available for benefits of the Amended and Restated Crane Co. Savings and Investment Plan as of December 31, 2018 and 2017, and the changes in assets available for benefits for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplemental Schedule

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule of assets (held at year end) as of December 31, 2018 is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This schedule is the responsibility of the Plan's management and was derived from and related directly to the underlying accounting and other records used to prepare the financial statements. Such schedule has been subjected to the auditing procedures applied in our audits of the financial statements and certain additional procedures, including comparing and reconciling such schedule directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, such schedule is fairly stated in all material respects in relation to the financial statements as a whole.

AMENDED AND RESTATED CRANE CO. SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2018 AND 2017

1. DESCRIPTION OF THE PLAN

The following description of the Amended and Restated Crane Co. Savings and Investment Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's information.

General — The Plan is a defined contribution plan covering certain United States of America ("U.S.") employees of Crane Co. and its subsidiaries (the "Company") and includes a qualified cash or deferred arrangement under Section 401(k) of the Internal Revenue Code of 1986, as amended (the "Code"). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Vanguard Fiduciary Trust Company ("Vanguard") serves as the trustee and recordkeeper of the Plan, and a Master Trust agreement between Crane Co. and Vanguard ("the Master Trust") was set up to hold all Crane Co. common stock held by the Plan — see Note 4. The Master Trust consisted solely of Crane Co. common stock which included (a) Company matching contributions, and (b) participants' deferred savings contributions that participants have elected to invest in Crane Co. common stock, and was qualified as an Employee Stock Ownership Plan, as defined in Section 4975 of the Code.

On January 10, 2018, the Company acquired Crane & Co. Currency, Inc ("Crane Currency"). As a result of the transaction, the Crane Companies Retirement Savings Plan was legally merged into the Plan effective April 1, 2018, at which time the employees of Crane Currency began participating in the Plan. During the year ended December 31, 2018, Crane Companies Retirement Savings Plan's net assets available for benefits totaling \$156,131,274 were transferred to the Plan.

On April 28, 2017, the Company acquired Westlock Controls ("Westlock"). As a result of the transaction, the Pentair Inc. Retirement Savings and Stock Incentive Plan participants became eligible to participate in the Plan effective January 1, 2018. During the year ended December 31, 2018, Pentair Inc. Retirement Savings and Stock Incentive Plan's net assets available for benefits totaling \$7,088,120 were transferred to the Plan.

Plan Amendments — The Plan was originally effective January 1, 1985 and was most recently restated effective January 1, 2016. The Plan was most recently amended July 24, 2018.

As of August 1, 2017, the previously frozen ELDEC Corporation and Interpoint Corporation Retirement Plan (the "ELDEC Plan") was legally merged into the Plan, with certain protected distribution options and other benefits retained for the ELDEC plan participants. ELDEC Plan's assets available for benefits totaling \$79,383,479 were transferred to the Plan.

As of April 1, 2018, the Crane Companies Retirement Savings Plan was legally merged into the Plan effective April 1, 2018 at which time the employees began participating in the Plan. See the General section above for further information.

Administration of the Plan — The authority to manage, control and interpret the Plan is vested in the Administrative Committee (the "Committee") of the Company. The Committee, which is appointed by the Board of Directors of the Company, appoints the plan administrator and is the named fiduciary within the meaning of ERISA.

Participation — Subject to certain conditions, U.S. employees of Crane Co. and participating Crane Co. subsidiaries whose terms of employment are not subject to a collective bargaining agreement or are not otherwise eligible to participate in a separate 401(k) plan of the Company are eligible to participate in the Plan upon completing the enrollment process following their date of hire.

Effective January 1, 2016, new or rehired employees are automatically enrolled in the Plan, unless the employee affirmatively opts out of participation, at a pre-tax deferral rate of 3% of the employee's eligible compensation. An employee who is automatically enrolled may affirmatively elect a different rate or to make all or a portion of his or her deferrals on an after-tax basis. Automatic contributions are invested in the Vanguard Target Retirement Fund option with a target retirement date closest to the year when the participant will reach age 65, unless the participant affirmatively elects to invest his or her deferrals into one or more of the other Plan investment fund options.

Effective August 1, 2017, temporary employee eligibility under the Plan was amended to provide that temporary employees would become eligible to participate upon completing six months of service, regardless of the number of hours of service completed.

Contributions and Funding Policy — Participants may elect to contribute to the Plan from one to 75% of their pre-tax annual compensation, as defined in the Plan. The contribution limit for highly compensated employees, defined as those whose annual earnings equal at least \$120,000 in both 2018 and 2017, is limited to 10%. Those participants who meet the eligibility requirements may contribute additional amounts (age 50 catch-up); these additional contributions are ineligible for a Company matching contribution. Contributions are invested in funds selected by the participant. Contributions are subject to certain Internal Revenue Code limitations.

The Company contributes on a matching basis 50% of the first 6% of each participant's deferred savings.

AMENDED AND RESTATED CRANE CO. SAVINGS AND INVESTMENT PLAN

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2018 AND 2017

In accordance with the Code, participant pretax contributions could not exceed \$18,500 and \$18,000 in 2018 and 2017, respectively. Discrimination tests are performed annually; any test discrepancies would result in refunds to the participants (see Note 10).

In addition to participant deferral contributions and Company matching contributions on those deferrals, the Plan provided a 3% non-matching Company contribution to certain participants who were not eligible to participate in the Company-sponsored defined benefit pension plan (the "Crane Pension Plan") or the ELDEC Plan due to freezing of participation in those plans effective January 1, 2006. Effective January 1, 2013, employees no longer earn future benefits in the domestic defined benefit pension plan. As such, all domestic employees now receive the 3% non-matching Company contribution.

Rollover Contributions — Rollover contributions from other qualified plans are accepted by the Plan. Rollover contributions represent participant account balances of employees transferred from other non-company qualified plans.

Investments — Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers registered investment companies, collective trust funds (including stable value funds), money market funds and a Crane Co. common stock fund as investment options for participants.

Effective January 1, 2016, a participant will not be able to invest more than 20% of his or her total plan account balance in the Crane Co. Common Stock Fund investment option which was included in the Master Trust. Balances in the Crane Co. Common Stock Fund exceeding 20% were grandfathered, but the participant may not be able to contribute to or transfer money from other Plan investments to the Crane Co. Common Stock Fund while the fund balance exceeds the 20% limit.

Participant Accounts — Individual accounts are maintained for each participant of the Plan. Each participant's account is credited with the participant's contribution, the Company's matching or other contribution and Plan earnings, and charged with withdrawals, Plan losses and administrative fees (see Note 2). Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting — Participant contributions plus actual earnings, thereon, are immediately vested. Vesting for Company contributions are as follows:

Years of Service	Vested Interest
Less than 1 year	None
1 year but fewer than 2	20%
2 year but fewer than 3	40%
3 year but fewer than 4	60%
4 year but fewer than 5	80%
5 years or more	100%

Participants whose employment terminates by reason of death, permanent disability or retirement are fully vested. Participants are fully vested upon the attainment of age 65.

Forfeited Accounts — When certain terminations of participation in the Plan occur, the non-vested portion of the participant's account, as defined by the Plan, represent a forfeiture. As of December 31, 2018 and 2017, forfeited non-vested accounts totaled \$167,543 and \$439,409, respectively. These accounts will be used to reduce future Company contributions. Company contributions were reduced by \$1,359,578 and \$674,801 from forfeited non-vested accounts during the years ended December 31, 2018 and 2017, respectively.

Payment of Benefits — Upon retirement, disability, termination of employment or death, a participant or designated beneficiary will receive a lump sum payment equal to the participant's account balance. If the participant's account balance is greater than \$1,000, the participant may elect to defer the withdrawal until reaching the age of 65. A participant may apply to the Committee for a distribution in cases of hardship. The Committee has the sole discretion to approve or disapprove hardship withdrawal requests, in accordance with the Code.

Effective August 1, 2017, the Plan was amended to allow participants to select other types of distributions, including partial payments and installments.

Notes Receivable from Participants — Participants may borrow from their accounts a minimum of \$1,000 up to a maximum equal to \$50,000 or 50% of their vested account balance, whichever is less. Loans are secured by an assignment of the participant's vested interest in the Plan, and bear interest at the prevailing prime lending rate as of the date the loan is made, plus 2%. Principal and interest are paid ratably through payroll deductions. Loan terms range from

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2018 AND 2017

one to five years or up to 15 years for the purchase of a primary residence. Participants may not have more than two loans outstanding at any time. As of December 31, 2018, participant loans have maturities through 2037 at interest rates ranging from 3.25% to 10.0%.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the significant accounting policies followed in preparation of the financial statements of the Plan.

Basis of Accounting — The financial statements of the Plan have been prepared in conformity with accounting principles generally accepted in the United States of America ("GAAP").

Use of Estimates — The preparation of financial statements in conformity with GAAP requires Plan management to make estimates and assumptions that affect the reported amounts of assets available for benefits and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Risks and Uncertainties — The Plan utilizes various investment instruments, including registered investment companies, collective trust funds (including stable value funds), money market funds and a Crane Co. common stock fund. Investment securities, in general, are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the financial statements.

Included in investments at December 31, 2018 and 2017, are shares of the Company's common stock amounting to \$72,766,517 and \$100,093,568, respectively. This investment represents 8% and 12% of total investments at December 31, 2018 and 2017, respectively. A significant decline in the market value of the Company's stock would significantly affect the net assets available for benefits.

Investment Valuation — The Plan's investments are stated at fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Investment Transactions and Income Recognition — Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Management fees and operating expenses charged to the Plan for investments in the registered investment companies and common collective trusts are deducted from income earned on a daily basis and are not separately reflected. Consequently, investment management fees and operating expenses are reflected as a reduction of investment return for such investments.

Notes Receivable from Participants — Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as benefits paid to participants based on the terms of the plan document.

Administrative Expenses — Plan administrative expenses that are not otherwise paid out of the Plan assets are paid by the Company in compliance with the terms of the plan document and ERISA guidance. In addition, personnel and facilities of the Company used by the Plan for its accounting and other activities are provided at no charge to the Plan. Commission fees and administrative expenses incurred by the Master Trust are paid by the respective funds through automatic unit deductions. Participant loan fees are paid by the participant through automatic deductions. If Plan participants elect to participate in the Vanguard managed account program, they are required to pay the related fees.

Payment of Benefits — Benefit payments to participants are recorded upon distribution. There were no participants, who have elected to withdraw from the Plan, but have not yet been paid as of December 31, 2018 and 2017.

New Accounting Standards Not Yet Effective —

In August 2018, the Financial Accounting Standards Board ("FASB") issued ASU 2018-13, *Fair Value Measurement (Topic 820) - Disclosure Framework - Changes to the Disclosure Requirements for Fair Value Measurement*, which amends certain disclosure requirements of ASC 820, *Fair Value Measurements and Disclosures*. ASU 2018-13 removes the requirement to disclose the amount of and reasons for transfers between level 1 and level 2 of the fair value hierarchy as well as the policy for timing of transfers between levels. ASU 2018-13 also modified the disclosure for investments in certain entities that calculate NAV to disclose the timing of liquidation of an investee's assets and the date when restrictions from redemption might lapse only if the investee has communicated the timing to the Plan or announced the timing publicly. It also clarifies the measurement uncertainty disclosure to communicate information about the uncertainty in measurement as of the reporting date. ASU 2018-13 will be effective for from the quarter ending September 30, 2020. The

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2018 AND 2017

Plan is currently evaluating the impact of this ASU on its financial statements but does not expect the ASU to have a significant impact on the Plan's financial statements. The Plan has elected not to early adopt.

New Accounting Standards Adopted —

In February 2017, the FASB issued ASU 2017-06, *Plan Accounting: Defined Benefit Pension Plans (Topic 960), Defined Contribution Pension Plans (Topic 962), and Health and Welfare Benefit Plans (Topic 965)*, which relates to the reporting requirements for an employee benefit plan with an interest in a master trust. ASU 2017-06 requires a plan's interest in that master trust and any change in that interest to be presented in separate line items in the statement of net assets available for benefits and in the statement of changes in net assets available for benefits, respectively. ASU 2017-06 removes the requirement to disclose the percentage interest in the master trust for plans with divided interests and require that all plans disclose the dollar amount of their interest in each of those general types of investments, which supplements the existing requirement to disclose the master trusts balances in each general type of investments. There are also increased disclosure requirements. ASU 2017-06 is effective for fiscal years beginning after December 15, 2018 with early adoption permitted. As of August 1, 2017, all of the assets of the Master Trust were transferred into the Plan, therefore, there will be no effect on the statements of assets available for plan benefits or the changes therein.

Subsequent Events — Subsequent events were evaluated through the date the financial statements were issued. As a result of the Plan's evaluation, no subsequent events, except as noted in Note 12, require adjustment to or disclosure in these financial statements.

3. FAIR VALUE MEASUREMENTS

ASC 820, *Fair Value Measurements and Disclosures*, provides a framework for measuring fair value. Fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value, as follows: Level 1, which refers to securities valued using unadjusted quoted prices from active markets for identical assets; Level 2, which refers to securities not traded on an active market but for which observable market inputs are readily available; and Level 3, which refers to securities valued based on significant unobservable inputs. Assets are classified in their entirety based on the lowest level of input that is significant to the fair value measurement. The Plan's policy is to recognize significant transfers between levels at the end of the reporting period.

Following is a description of the valuation methodologies used for assets measured at fair value:

Investments in registered investment companies: Valued at the daily closing price as reported by the fund based on quoted market prices from active markets and categorized as Level 1.

Money Market Fund: Short-term money market accounts are categorized as Level 1. They are valued at amortized cost, which approximates fair value.

Company Stock Fund: Valued at the closing price reported on the active market on which the individual securities are traded. The Company's common stock is categorized as Level 1.

Collective Trust Funds: Valued at the net asset value ("NAV") of shares of a bank collective trust held by the Plan at year-end. The NAV is used as a practical expedient to estimate fair value and is based on the fair value of the underlying investments held by the fund less its liabilities. Participant transactions (issuances and redemptions) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure the securities liquidations will be carried out in an orderly business manner.

Stable Value Funds - The stable value funds are each composed primarily of fully benefit-responsive investment contracts and are valued at the net asset value of units of the collective trust. The net asset value is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the issuer reserves the right to require 12 months' notification in order to confirm that securities liquidations will be carried out in an orderly business manner.

4. INTEREST IN MASTER TRUST

The Plan participated in a Master Trust to hold Crane Co. common stock. As of August 1, 2017, all of the assets of the Master Trust were exchanged into the Crane Co. Common Stock Fund. Prior to the transfer, the Master Trust consisted of an undivided interest in an investment account of the Master Trust and was administered by the Trustee. Use of the Master Trust permitted the commingling of trust assets with the assets of the Eldec Plan for investment and administrative purposes. Although assets of these plans were commingled in the Master Trust, the Trustee maintained supporting records for the purpose of allocating the net gain or loss of the investment account to the participating plans. The net investment income of the investment assets was allocated by the Trustee to each participating plan based on the relationship of the interest of each plan to the total of the interests of the participating plans.

The net assets and investments of the Master Trust at December 31, 2018 and 2017 are summarized as follows:

	2018	2017
Investment in Master Trust—at fair value Crane Co. common stock	\$ —	\$ —
Percentage of total Master Trust related to the Plan	n/a	n/a

Investment income of the Master Trust for the year ended December 31, 2018 and 2017 is summarized below:

	2018	2017
Investment income of the Master Trust	\$ —	\$ 4,377,720
Plan's interest in investment income of the Master Trust	\$ —	\$ 4,300,930

5. STABLE VALUE FUNDS

The Vanguard Retirement Savings Trust II is a collective trust fund sponsored by Vanguard, the Morley Stable Value 20-II is a collective trust fund sponsored by Principal Global Investors Trust Company and the Fidelity Managed Income Portfolio II is a collective trust fund sponsored by Fidelity Management Trust Company (collectively, the "Funds"). The beneficial interest of each participant is represented by units. Units are issued and redeemed daily at the Fund's constant NAV of \$1 per unit. Distribution to the Fund's unit holders is declared daily from the net investment income and automatically reinvested in the Funds on a monthly basis, when paid. It is the policy of the Funds to use its best efforts to maintain a stable NAV of \$1 per unit; although there is no guarantee that the Funds will be able to maintain this value.

Participants ordinarily may direct either the withdrawal or transfer of all or a portion of their investment at contract value. Contract value represents contributions made to the Funds, plus earnings, less participant withdrawals and administrative expenses. Certain events may limit the ability of the Plan to transact at contract value with the collective trust funds (for example, partial or complete termination of the Plan or its merger with another plan, plant closings, layoffs, bankruptcy, mergers, early retirement incentives, certain transfers of assets from the collective trust funds) and may also limit the ability of the collective trust funds to transact at contract value with the participants. Plan management believes that the occurrence of events that would cause the Funds to transact at less than \$1 per unit is not probable.

6. NET ASSET VALUE PER SHARE

The following tables set forth a summary of the Plan's investments whose values were estimated using a reported NAV at December 31, 2018 and 2017.

Investment	Fair Value Estimated Using NAV as of December 31, 2017				
	Fair Value*	Unfunded Commitment	Redemption Frequency	Other Redemption Restrictions	Redemption Notice Period
Vanguard Retirement Savings Trust III (a)	\$ 97,114,751	None	Immediate	see Note 5	None

* The fair values of the investments have been estimated using the NAV of the investment

- (a) This fund seeks to provide participants with an attractive rate of interest and safety of principal by investing in investment contracts issued by financial institutions and in contracts that are backed by high quality bonds and bond mutual funds.
- (b) These funds seek to provide capital appreciation and current income consistent with its current asset allocation for investors planning to retire and leave the workforce in or within a few years of the target retirement year.

7. EXEMPT PARTY-IN-INTEREST TRANSACTIONS

Certain Plan investments are shares of Crane Co. common stock and registered investment companies managed by Vanguard. Crane Co. is the Plan sponsor and Vanguard is a trustee as defined by the Plan (see Note 1), and, therefore, these transactions qualify as exempt party-in-interest transactions. Balances of these funds as of December 31, 2018 and 2017 were \$726,366,316 and \$663,440,462, respectively. These funds had net investment (loss) income of \$(46,139,966) and \$86,590,350 for the years ended December 31, 2018 and 2017, respectively. Fees incurred for investment management services, if any, were paid by the Plan as a reduction in the return on investment.

As of December 31, 2018 and 2017, the Plan held 1,008,126 and 1,121,874 shares, respectively, of common stock of Crane Co., the sponsoring employer, with a cost basis of \$45,706,899 and \$48,331,397, respectively, and fair value of \$72,766,517 and \$100,093,568, respectively. During the year ended December 31, 2018 and 2017, the Plan recorded investment (loss) income of \$(15,483,590) and \$21,625,118, respectively, related to its investment in the common stock of Crane Co., which was held through the Plan's investment into the Master Trust until July 31, 2017.

Certain officers and employees of the Company (who may also be participants in the Plan) perform administrative services related to the operation and financial reporting of the Plan. The Company pays these individuals salaries and also pays other administrative expenses on behalf of the Plan.

8. PLAN TERMINATION

The Company expects to continue the Plan indefinitely, but reserves the right to modify, suspend or terminate the Plan at any time, which includes the right to vary the amount of, or to terminate, the Company's contributions to the Plan. In the event of the Plan's termination or discontinuance of contributions hereunder, the interest of each participant in benefits earned to such date, to the extent then funded, is fully vested and non-forfeitable. Subject to the requirements of the Code, the Board of Directors shall thereupon direct either (i) Vanguard to hold the accounts of participants in accordance with the provisions of the Plan without regard to such termination until all funds in such accounts have been distributed in accordance with such provisions, or (ii) Vanguard to immediately distribute to each participant all amounts then credited to the participant's account as a lump sum.

9. FEDERAL INCOME TAX STATUS

The Internal Revenue Service (the "IRS") has determined and informed the Company by letter dated July 20, 2017 that the Plan and related trust are designed in accordance with applicable sections of the Code. The Plan had been amended since the effective date of the determination letter; however, the Company and the Plan Administrator believe that the Plan was designed and was being operated in compliance with the applicable requirements of the Code and the Plan and related trust continued to be tax-exempt. Therefore, no provision for income taxes is included in the Plan's financial statements.

NOTES TO FINANCIAL STATEMENTS

AS OF AND FOR THE YEARS ENDED DECEMBER 31, 2018 AND 2017

10. ACTUAL DEFERRAL PERCENTAGE ("ADP") TESTING

Based on non-discrimination tests, the Plan passed the ADP test in 2018. The ADP test is designed to limit the extent to which the elective contributions made on behalf of highly compensated employees (per IRS regulations) may exceed the level of elective contributions made on behalf of non-highly compensated employees.

The Plan did not pass the ADP test in 2017. The Company corrected this compliance issue in a timely manner in accordance with the requirements and procedures of the Code and IRS Employee Plans Compliance Resolution System (EPCRS). The correction involved remitting a portion of the elective contributions (and any earnings on those contributions) to the affected participants in an amount sufficient to pass the test.

Considering the remedial actions taken and to be taken pursuant to the provisions of the Plan document and the Code, management believes that this compliance issue will not affect the tax-exempt status of the Plan.

11. RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500

The following is a reconciliation of net assets available for benefits and changes in assets available for benefits per the financial statements to the Form 5500 as of December 31, 2018 and 2017:

Net income per Form 5500	<u>\$ (73,902,998)</u>	<u>\$ 117,376,216</u>

12. SUBSEQUENT EVENTS

Effective January 1, 2019, the Plan permits union employees to participate if the applicable collective bargaining agreement ("CBA") between the Company and the union expressly provides for such participation. Union employees at the Company's Barksdale location began participating in the Plan on January 1, 2019, pursuant to the CBA ratified between the Company and the union in 2018, which also provided for the freezing of participation by union members in the Crane Co. Pension Plan for All Eligible Employees effective as of December 31, 2018.
