Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 9, which was certified by Huntington Bank, the trustee of the plan, except for comparing the information with the related information included in the financial statements. The Plan administrator has informed us that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee, as of and for the years ended August 31, 2018, and 2017, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

We were engaged for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule, as described in the table of contents, which is the responsibility of Plan management, is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, it is inappropriate to and we do not express an opinion on the supplemental schedule referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

GENERAL PLUG & MANUFACTURING CO. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan:

The following description of the General Plug & Manufacturing Co. (Company) 401(k) Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions. The Company includes all related companies with a similar ownership as General Plug & Manufacturing Company.

- A. General - The Plan is a defined contribution plan covering employees of the Company who have completed one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
- B. Contributions - Each year, participants may contribute pretax annual compensation, as defined in the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers twenty investment options for participants. The Company was offering a discretionary matching contribution of 50% of the first 4% of base compensation that a participant contributes to the Plan for only certain companies, but not all. Additional profit sharing amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.
- C. Participant Accounts - Each participant's account is credited with the participant's contributions, allocations of the Company's contributions, Plan earnings, and are charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- E. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion (when appropriate) of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after five years of credited service.
- F. Participant Loans - Participants may borrow from their fund accounts at a minimum of \$1,000 up to a maximum of 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear interest at rates that are commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest is paid ratably through monthly payroll deductions.

See Accompanying Notes.

GENERAL PLUG & MANUFACTURING CO. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan (continued):

- G. Payment of Benefits - On termination of service due to death, disability or retirement, a participant may receive a lump-sum amount equal to the value of the participant's vested interest in his or her account or a series of payments from his or her account.
- H. Forfeited Accounts - At August 31, 2018 and 2017 forfeited non-vested accounts totaled \$3,697 and \$2,741 respectively. These accounts will be used to reduce future employer contributions.

Note 2. Summary of Significant Accounting Policies:

- A. Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.
- B. Estimates - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
- C. Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. Pooled separate accounts and registered investment companies are valued at quoted market prices that represent the net asset value of shares held by the Plan at year-end. Participant notes receivable are valued at cost, which approximates fair value.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- D. Payment of Benefits - Benefits are recorded when paid.
- E. Subsequent Events - Subsequent events were evaluated through May 14, 2019, which is the date the financial statements were available to be issued.
- F. Third Party Administrator -The Plan maintained Huntington Bank during the audit period and all Plan provisions remained the same.

GENERAL PLUG & MANUFACTURING CO. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 3. Plan Administrative Expenses:

Certain administrative expenses of the Plan have been paid by the Plan sponsor.

Note 4. Fair Value Measurements:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels:

Level I – Quoted prices are available in active markets for identical financial instruments as of the reporting date.

Level II – Pricing inputs are other than quoted prices in active markets, which are either directly or indirectly observable as of the reporting date, and fair value is determined through the use of models or other valuation methodologies.

Level III – Pricing inputs are unobservable for the financial instrument and include situations where there is little, if any, market activity for the financial instrument. The inputs into the determination of fair value require significant management judgment or estimation.

The assets fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following is a description of the valuation methodologies used for assets of the Plan measured at fair value at August 31, 2018:

Mutual Funds – Valued at the daily closing price as reported on the respective public stock exchange on which they are traded, \$4,914,105 (Level I).

Note 6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Note 7. Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated March 31, 2008, that the Plan and related trusts are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan has adopted Accounting Standards Codification 740-10 which required recognition of and disclosures related to uncertain tax positions. As of and during the year ended August 31, 2018, the Plan had no uncertain tax positions to report. With limited exceptions, the Plan is no longer subject to income tax examinations for any years earlier than 2013 for federal income tax purposes.

GENERAL PLUG & MANUFACTURING CO. 401(k) PROFIT SHARING PLAN
NOTES TO FINANCIAL STATEMENTS

Note 8. Risk and Uncertainties (continued):

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
