DEHCO, INC. PROFIT SHARING PLAN

Elkhart, Indiana

NOTES TO FINANCIAL STATEMENTS

August 1, 2018 and December 31, 2017

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Dehco, Inc. Profit Sharing Plan (the "Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the Plan's provisions.

GENERAL

The Plan is a defined contribution plan covering substantially all employees of Dehco, Inc. (the "Company") who have six months of service and are age 18 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

In May 2018, the Company sold to Patrick Industries, Inc. As a result of its sale, in August 2018, the accounts of all employees were transferred out of the Plan to the Patrick Industries, Inc. 401(k) Employee Savings Plan.

CONTRIBUTIONS

Each year, participants may contribute up to the maximum allowed under the Internal Revenue Code ("IRC") of pretax annual compensation or as after-tax contributions (roth), as defined by the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified plans (rollover). Participants direct the investment of their contributions into various investment options offered by the Plan. Through May 30, 2018, the Company contributed a safe harbor matching contribution equal to 100% of the first 3% of employee salary deferrals and 50% of the next 2% of employee salary deferrals. The Plan was then amended to remove the safe harbor match and allow for a discretionary matching contribution. No additional employer matching contribution was made prior to merger with the Patrick Industries, Inc. 401(k) Employee Savings Plan. Additional profit sharing amounts may be contributed at the option of the Company. No discretionary profit sharing contribution was made for the period ended August 1, 2018. Contributions are subject to certain IRS limitations. Participants directed the investment of their contributions into various investment options offered by the Plan.

PARTICIPANT ACCOUNTS

Each participant's account is credited with the participant's contribution and Company matching contributions, as well as allocations of the Company's profit sharing contributions and Plan earnings. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances, or specific transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

VESTING

Participants are vested immediately in all contribution types plus actual earnings thereon.

NOTES RECEIVABLE FROM PARTICIPANTS

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. The loans are secured by the balance in the participant's account. The loan interest rate, determined at the issuance date, is set at 1% above the prime rate as published by the Wall Street Journal. Principal and interest are paid ratably through payroll deductions.

DEHCO, INC. PROFIT SHARING PLAN

Elkhart, Indiana

NOTES TO FINANCIAL STATEMENTS

August 1, 2018 and December 31, 2017

PAYMENT OF BENEFITS

Upon separation of service for any reason, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or periodic installments. Withdrawals may also be made when a participant attains age 59 1/2 or demonstrates financial hardship.

NOTE 2 - SUMMARY OF ACCOUNTING POLICIES

BASIS OF ACCOUNTING

The financial statements of the Plan are prepared on the accrual basis of accounting.

ESTIMATES

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Accordingly, actual results could differ from those estimates.

INVESTMENT VALUATION AND INCOME RECOGNITION

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

NOTES RECEIVABLE FROM PARTICIPANTS

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

OPERATING EXPENSES

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Company. Expenses that are paid by the Company are excluded from these financial statements. Other fees related to the administration of the Plan are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation of fair value of investments.

PAYMENT OF BENEFITS

Benefits are recorded when paid.

DEHCO, INC. PROFIT SHARING PLAN

Elkhart, Indiana

NOTES TO FINANCIAL STATEMENTS

August 1, 2018 and December 31, 2017

NOTE 3 - INVESTMENTS (UNAUDITED)

Alerus Financial, N.A, Custodian of the Plan, held the Plan's investments and executed transactions during the plan period. In accordance with the method of compliance permitted by Section 2520.103-8 of the Department of Labor's Rules and regulations for Reporting and Disclosure under ERISA, the plan administrator has obtained certifications from the Custodian with respect to the completeness and accuracy of the investment information, notes receivable from participants, and related income prepared and provided by the Custodian. This investment information, notes receivable from participants, and related income which is included in the accompanying 2018 and 2017 financial statements is based on information provided by the Custodian and has not been audited by the independent auditors of the Plan.

NOTE 4 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering service to the Plan, the employer and certain others. Notes receivable from participants are party-in-interest transactions. The Plan is not charged for administrative services performed on its behalf by employees of the Company. Some fees paid by the Plan for the investment management services are included in net appreciation in fair value of investments. The Plan paid other recordkeeping and administration fees in the amount of \$16,909 to the Custodian for the period ended August 1, 2018, which also qualify as party-in-interest transactions.

NOTE 5 - PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In 2018, the Plan Sponsor was acquired by another entity and effective August 1, 2018 the Plan was merged into the acquiring entity's retirement plan.

NOTE 6 - TAX STATUS

The Plan uses a volume submitter plan document sponsored by Alerus Financial N.A. ("Alerus"). Alerus received an opinion letter from the IRS dated March 31, 2014, which states that the volume submitter plan document satisfies the applicable provisions of the IRC. The Plan itself has not received a determination letter from the IRS, however, the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income tax has been included in the Plan's financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of August 1, 2018, no uncertain positions are taken or are expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

DEHCO, INC. PROFIT SHARING PLAN

Elkhart, Indiana

NOTES TO FINANCIAL STATEMENTS

August 1, 2018 and December 31, 2017

NOTE 7 - RISKS AND UNCERTAINTIES

Prior to the Plan merger (see Note 1), the Plan invested in various investment securities. Investment securities are exposed to various risks such as interest rate, market, liquidation and credit risks. Due to the level of risk associated with certain investment securities, it was at least reasonably possible that changes in the values of investment securities would occur in the near term and that such changes could have materially affected participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 8 - FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) *Accounting Standards Codification* (ASC) 820, *Fair Value Measurements and Disclosures*, establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy under FASB ASC 820-10 are described as follows:

Level 1 inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 inputs to the valuation methodology include the following:

- Quoted prices for similar assets or liabilities in active markets
- Quoted prices for identical or similar assets or liabilities in inactive markets
- Inputs other than quoted prices that are observable for the asset or liability
- Inputs that are derived principally from, or corroborated by, observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017.

- *Mutual Funds*. Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

- *Collective Trust Fund.* Valued at the net asset value of units of a bank collective trust. The NAV, as provided by the trustee of the collective trust, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the fund less its liabilities. This practical expedient is not used when it is determined to be probable that the fund will sell the investment for an amount different than the reported NAV. The collective trust investment objective is stability of principal and high current income. Participants' transactions (purchases and sales) may occur daily. The collective trusts primarily invest in guaranteed investment contracts.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level within the fair value hierarchy the Plan's assets at fair value as of December 31, 2017.

Investment Assets at Fair Value as of December 31, 2017

	Level 1	Level 2	Level 3	Total
Mutual funds	9,509,913	0	0	9,509,913
Total assets in the fair value hierarchy	9,509,913	0	0	9,509,913
Investments measured at net asset value *	0	0	0	323,211
Total investment assets at fair value	9,509,913	0	0	9,833,124

*In accordance with FASB Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statement of net assets available for benefits.

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2017. There are no participant redemption restrictions for these investments.

	Fair Value	Unfunded Commitments	Redemption Frequency (If Currently Eligible)	Redemption Notice Period
December 31, 2017:				
Collective trust fund	323,211	N/A	Daily	None
