Independent Auditor's Report

Plan Administrator
Swedeco, Inc. 401(k) Plan & Trust

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Swedeco, Inc. 401(k) Plan & Trust (the "Plan"), which comprise the statements of net assets available for benefits as of December 31, 2017, and the related statement of changes in net assets available for benefits for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Plan management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by First American Bank, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2017, and for the year then ended, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Plan Administrator
Swedeco, Inc. 401(k) Plan & Trust

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Plan Sponsor elected to merge the assets of the Plan with the ROA 401(k) Plan, a multiple employer plan, effective December 31, 2017. Our opinion is not modified with respect to that matter.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements, other than that derived from the information certified the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Other Matter – 2016 Financial Statement

The financial statement of the Plan as of December 31, 2016, was audited by predecessor auditors. As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by First American Bank, the trustee of the Plan. Their report, dated October 10, 2017, indicated that (a) because of the significance of the information they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the 2016 financial statement and (b) the form and content of the information included in the 2016 financial statement other than that derived from the information certified by the custodian, was presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Notes to Financial Statements

December 31, 2017

1. Description of the Plan

The following description of the Swedeco, Inc. 401(k) Plan & Trust (the “Plan”) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan’s provisions.

General

The Plan is a defined contribution plan available to eligible employees of Swedeco, Inc. (the “Plan Sponsor”). Participation in the Plan is strictly voluntary, and employees can elect to participate on the first day of January or July after attaining age 21 and completing one year of eligible service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”).

Effective December 31, 2017, the Plan merged with the ROA 401(k) Plan, a multiple employer plan, and all assets of the Plan were transferred out.

The Plan Sponsor is responsible for the administration of the Plan and has entrusted the maintenance of records and the day-to-day administration to First American Bank, the trustee of the Plan (the “Trustee”).

Contributions

Participating employees may defer 401(k) contributions up to their pre-tax annual compensation, as defined in the Plan. In addition, participants who have attained the age of 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans (rollover); there were no participant rollovers to the Plan during 2017. Participants direct the investment of their contributions into various investment options offered by the Plan as listed in the schedule of assets (held at end of year). Participants can change the investment options previously elected at any time.

The Plan Sponsor may make a discretionary matching, profit sharing and qualified nonelective contribution to the Plan. For 2017, the Plan Sponsor elected to make matching contributions equal to 50% of the employee’s contributions up to 3% of the employee’s compensation. During 2017, the Plan Sponsor did not make a discretionary profit sharing or qualified nonelective contribution to the Plan.

Contributions are subject to certain Internal Revenue Service (“IRS”) limitations. Receivables from the Plan Sponsor for contributions are unsecured.

Swedeco, Inc. 401(k) Plan & Trust

Notes to Financial Statements (continued)

1. Description of the Plan (continued)

Participant Accounts

Each participant's account is credited with the participant's contributions, the Plan Sponsor's discretionary matching, profit sharing and qualified nonelective contributions and Plan earnings or losses. Participant accounts are charged with an allocation of administrative expenses that are paid by the Plan. Allocations are based on participant earnings, account balances or specific participant transactions, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions and discretionary qualified nonelective contributions plus actual earnings on these contributions. Vesting in the Plan Sponsor's discretionary matching contribution and discretionary profit sharing contribution portion of their accounts plus related earnings is based on years of vesting service in which the participants complete 1,000 hours of service, as follows:

<u>Years of Service</u>	<u>Vesting Percentage</u>
Less than 2	0%
2 but less than 3	20%
3 but less than 4	40%
4 but less than 5	60%

Payment of Benefits

If the participant's vested benefit in the Plan does not exceed \$1,000 at the time of termination of employment, the participant's benefit must be distributed in a single lump-sum payment as soon as administratively feasible. If the participant's vested benefit in the Plan exceeds \$1,000 at the time of termination of employment, the participant may elect to either maintain their account in the Plan, receive a lump-sum distribution or rollover their account balance into another individual retirement account. Participants may also withdraw their vested account balances at any time on or after the age of 59½, or upon retirement, death or disability.

2. Significant Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures and changes therein. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan Sponsor's management determines the Plan's valuation policies utilizing information provided by the Trustee. See Note 4 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold, as well as held, during the year.

Benefits Paid to Participants

Benefits are recorded when paid.

Administrative Expenses

Certain expenses of maintaining the Plan are paid by the Plan, unless otherwise paid by the Plan Sponsor. Expenses paid by the Plan Sponsor are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Subsequent Events

The Plan has evaluated subsequent events through June 11, 2019, the date the financials were available to be issued.

Reclassifications

Certain amounts in the prior year have been reclassified to conform with 2017 classifications.

3. Certified Information (Unaudited)

The Trustee holds the Plan's investment assets and executes transactions therein. Financial information relating to those investments is included in the accompanying financial statements based on information supplied to the Plan administrator and certified as complete and accurate by the Trustee. That information, which has not been audited by independent auditors, is summarized below.

The fair value of investments totaled \$1,747,148 as of December 31, 2016.

During 2017, net appreciation in fair value of investments totaled \$200,634 and dividends totaled \$37,601.

Fees paid by the Plan to parties-in-interest totaled \$7,123 in 2017.

The Plan had two investments representing greater than 20% of net assets available for benefits as of December 31, 2016.

4. Fair Value Measurements

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

- Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan can access.
- Level 2 Inputs to the methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability;
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.
- Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liabilities fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

4. Fair Value Measurements (continued)

Following is a description of the valuation methodologies used for assets measured at fair value, which have not changed during 2017 or 2016:

Mutual Funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Common Collective Trusts: Valued daily using publicly available quoted market prices of the underlying investments held by the trust account at year-end.

Classification within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The following table sets forth by level, within the fair value hierarchy, the Plan's investments as of December 31, 2016:

	Level 1	Level 2	Level 3	Total
Mutual Funds	\$ —	\$1,109,659	\$ —	\$1,109,659
Common Collective Trusts	—	637,489	—	\$ 637,489
Total	\$ —	\$1,747,148	\$ —	\$1,747,148

5. Related Party Transactions and Party-in-Interest Transactions

Plan investments are in accounts of the Trustee and therefore, these transactions qualify as party-in-interest transactions. Related party transactions include contributions from the Plan Sponsor.

6. Income Tax Status

The Plan adopted a volume submitter plan which had received an advisory letter dated March 31, 2014, from the IRS which stated the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code ("IRC"). Although the plan has been amended since receiving the advisory letter, the Plan administrator and the Plan's tax counsel believe the Plan is designed and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

7. Risks and Uncertainties

The Plan invests in various investment securities, which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and amounts reported in the statements of net assets available for benefits.
