Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 4, which was certified by Mutual of America Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2018, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on the 2018 financial statements.

Other Matter – Supplemental Schedule

The supplemental schedule of Schedule H, Part IV, Line 4i – Schedule of Assets (Held at End of Year) as of December 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Other Matter – 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017, were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Mutual of America Life Insurance Company, the custodian of the Plan. Their report, dated September 12, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance With DOL Rules and Regulations 2018

NOTE 1 DESCRIPTION OF PLAN

The following description of the Typical Life Corporation 401(k) Savings Plan (the Plan) provides only general information. Participants should refer to the plan agreement for more complete information.

General:
The Plan is a defined contribution pension plan covering substantially all employees of Typical Life Corporation (the Agency). To be eligible to make salary deferrals, employees must complete six months of service. To be eligible for employer matching contributions, employees must additionally complete 1,000 hours during the Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Employee Contributions:
Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan, subject to certain IRS limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may designate a portion of their deferral contributions as after-tax contributions into a Roth account. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. Participants direct the investment of all contributions into various investment options offered by the Plan. The Plan includes an auto-enrollment provision, whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 1% of eligible compensation with automatic increases of 1% each year to a maximum deferral rate of 6%.

Employer Contributions:
The Agency may make a discretionary matching contribution to the Plan. Participants must make elective deferrals to the Plan to receive this matching contribution. The percentage of elective deferrals to be matched will be determined by the Agency and allocated to all eligible participants at the end of the Plan year. Participants must be employed on the last day of the plan year to receive the employer matching contribution. For the years ended December 31, 2018 and 2017, the Agency made discretionary matching contributions of $27,838 and $30,071, respectively. The Agency may also make non-elective contributions to the Plan. The non-elective contribution will be allocated to all employees eligible to participate in the Plan. The participant's share of the non-elective contribution is in proportion to their eligible earnings compared to the eligible earnings of the other employees who will also share in the contribution. There were no non-elective contributions made during 2018 and 2017. Contributions are subject to certain Internal Revenue Service (IRS) limitations.

Participant Accounts:
Each participant's account is credited with the participant's contribution and allocations of (a) the Agency's contributions, (b) plan earnings, and (c) forfeitures of terminated participants' nonvested accounts, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or accounts balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:
Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the employer matching and non-elective contributions is based on years of service. A participant is 100% vested after six years of credited service based on the following vesting schedule:

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Vesting (Continued):

Years of Service	Vesting Percentage
Less than 2	0 %
2	20
3	40
4	60
5	80
6	100

Regardless of the number of years of service, a participant's account balance becomes fully vested when a participant retires, becomes permanently disabled, or dies.

Notes Receivable from Participants:
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years, unless the loan is to acquire the participant's principal residence, in which case the loans may be for up to ten years. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with the current lending rates. Principal and interest is paid ratably through payroll deductions. At December 31, 2018 and 2017, interest rates ranged from 4.25% to 5.75%.

Payment of Benefits:
On termination of service due to death, disability, retirement, or other reasons, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or in installments under a systematic withdrawal plan. A participant may also receive benefits due to a hardship withdrawal or in-service distribution.

Forfeited Accounts:
At December 31, 2018 and 2017, forfeited nonvested accounts totaled $1,940 and $1,549, respectively. These accounts will be allocated to participants who are employed on the last date of the plan year. During 2018 and 2017, $1,555 and $3,034, respectively, of forfeited nonvested accounts were allocated to participants.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting:
The accompanying financial statements are prepared on the accrual basis of accounting. Contributions from employees are recorded in the period in which the Agency makes the authorized payroll deductions from Plan participants.

Use of Estimates:
The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition:
Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Investment Valuation and Income Recognition (Continued):
Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Employer Contributions:
Employer contributions to the Plan are recognized in the period for which the Plan sponsor has made a formal commitment to fund such amounts for the period. Contribution receivable includes legal or contractual requirements for the employer to make contributions applicable to past periods.

Notes Receivable from Participants:
Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Interest income is recorded on the accrual basis. No allowance for credit losses has been recorded as of December 31, 2018 and 2017.

Payments of Benefits:
Benefits are recorded when paid.

Administrative Expenses:
Certain expenses of maintaining the Plan are paid directly by the Agency and are excluded from these financial statements. Fees related to the administration of notes receivable from participants are charged directly to the participant's account and are included in administrative expenses. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

NOTE 3 FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described below:

Level 1 – Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 – Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical of similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full-term of the asset or liability.

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

Level 3 – Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The Plan's investments are reported at fair value on a recurring basis in the accompanying Statements of Net Assets Available for Benefits.

		Fair Value Measurements Using:		
	Fair Value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Significant Observable Inputs (Level 2)	Significant Unobservable Inputs (Level 3)
December 31, 2018:				
Investment Contract with Insurance Company	$ 9,534	$ -	$ 9,534	$ -

Pooled Separate Accounts*	564,943	-	-	-
Total	$ 575,001	$ -	$ 10,058	$ -

* In accordance with fair value measurement guidance, certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the amounts presented as investments in the Statements of Net Assets Available for Benefits.

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2018:

Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts**	$ 586,812	$ -	Immediate	None

NOTE 3 FAIR VALUE MEASUREMENTS (CONTINUED)

The following table sets forth additional disclosures of the Plan's investments whose fair value is estimated using net asset value per share (or its equivalent) as of December 31, 2017:

Investment	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled Separate Accounts**	$ 564,943	$ -	Immediate	None

** The pooled separate accounts file an annual form 5500 as a direct filing entity.

The fair value of pooled separate accounts is based on the net asset values (NAV) of the underlying shares held by the Plan at year-end. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the account less its liabilities, if any.

NOTE 5 INVESTMENT CONTRACT WITH INSURANCE COMPANY

Mutual of America Life Insurance Company maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan. The minimum interest rate is guaranteed to never go below 1.00%. As of December 31, 2018 and 2017, the interest rate amounted to 1.00%.

NOTE 6 TAX STATUS

The Agency adopted a non-standardized form of a prototype plan sponsored by Mutual of America Life Insurance Company. The prototype plan has received an opinion letter from the IRS, dated March 31, 2014, stating that the prototype plan is qualified under the appropriate section of the Internal Revenue Code (IRC). The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The plan administrator believes that the Plan is designed and is currently being operated in compliance with applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan. Management evaluated the Plan's tax positions and concluded that the Plan had maintained its tax-exempt status and had taken no uncertain tax positions that require recognition or disclosure in the financial statements. Therefore, no provision or liability for income taxes has been included in the financial statements. With few exceptions, the Plan is no longer subject to income tax examinations by the U.S. Federal, state, or local tax authorities for the years before December 31, 2015.

NOTE 7 PLAN TERMINATION

Although it has not expressed any intent to do so, the Agency has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of the Plan termination, participants will become 100% vested in the Agency contribution portion of their account.

NOTE 8 RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 9 PARTY-IN-INTEREST

Certain plan investments are managed by Mutual of America Life Insurance Company. Mutual of America Life Insurance Company is the custodian, as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for investment management and custody services are immaterial.

NOTE 10 SUBSEQUENT EVENTS

The Plan has evaluated subsequent events through July 16, 2019, which is the date the financial statements were available to be issued. There are no material subsequent events that require recognition or additional disclosure in these financial statements.
