Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information described in Note 5, which was certified by John Hancock Life Insurance Company, the custodian of the Plan (the custodian), except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matters

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

LONGVIEW BRIDGE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

Note 1 – Description of Plan:

The following brief description of Longview Bridge 401(k) Plan ("the Plan", "we", or "our") provides only general information. Participants should refer to the Plan agreement for a complete description of our provisions.

General

We are a defined contribution plan and are subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Plan eligibility includes substantially all eligible employees of Longview Bridge & Road, Ltd., MAC Asphalt, Ltd., and MAC Transportation, Ltd. (the Company or the Employer). John Hancock Life Insurance Company (John Hancock) serves as our custodian and the third-party administrator is Retirementplans.com. The custodian is responsible for managing the Plan's investment assets. The third-party administrator performs such duties as preparation of the Form 5500, participant record keeping, and compliance.

Eligibility and Participant Contributions

Employees of the Company are eligible to become a participant in the Plan following completion of three months of service and after attaining age 21. Participants may elect to contribute up to 100 percent of their compensation, but not to exceed the annual 401(k) limitation, including catch-up contributions for participants who have attained age 50 before the end of the Plan year.

Employer Contributions

The Company does not offer any form of employer matching or profit sharing contributions.

Participant's Account

Each participant's account is credited with the applicable contributions, and allocations of Plan earnings based on the participant's individual account balances and investment options selected.

Investment Options

A participant may direct employee contributions to be invested in any of the investment options with John Hancock. The investment options include funds held inside a group annuity contract.

Vesting

Participants are immediately vested in their voluntary contributions plus actual earnings thereon.

Payment of Benefits

Upon death, disability, retirement, or termination, a participant may elect to receive a lump-sum distribution equal to the vested balance of their account or may elect to have the distribution rolled over to another qualifying plan.

At December 31, 2018, there were no Plan assets allocated to accounts of persons who had withdrawn from the Plan but had not been paid.

Participant Loans

Participants may borrow from their fund accounts up to the lesser of 50 percent of their vested account balance, or $50,000, on the date of loan request. All loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Principal and interest is paid ratably through payroll deductions.

LONGVIEW BRIDGE 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

Note 1 – Description of Plan: (continued)

Withdrawal by Participants

Participants may make withdrawals from their account for hardship purposes as defined by the Plan document. Subsequent to a hardship withdrawal, no contributions by the employee can be made to the Plan during the six months immediately following the month in which the hardship withdrawal is received.

Plan Termination

Although it has not expressed any intent to do so, the Company may elect to terminate the Plan entirely at any time subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in their accounts.

Party-in-Interest and Related Party Transactions

Certain Plan investments are shares of investment options that are managed by the Trustee or its affiliates. The Plan and its participants pay both direct and indirect fees to the Trustee for investment management services. We may pay directly certain other fees related to Plan operations. Transactions such as these qualify as party-in-interest transactions. Notes receivable from participants are also considered party-in-interest transactions.

Note 2 – Significant Accounting Policies:

Basis of Presentation

Our financial statements have been prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are charged directly to the borrowing participant's account and are included in administrative expenses when incurred. As of December 31, 2018, and 2017, no allowance for credit losses has been recorded. If a participant does not make loan repayments and the plan administrator considers the participant loan to be in default, the loan balance is reduced, and the delinquent participant note receivable is recorded as a benefit payment based on the terms of the Plan document.

Investment Valuation and Income Recognition

The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 8 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on an ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

These investments are exposed to various risks, such as interest rate, market, and credit risks. Due to the risks associated with certain investment securities, it is at least reasonably possible that changes in the market value of these investments may occur in the near term and that such changes could materially affect the amounts reported in the statement of net assets available for plan benefits.

Note 2 – Significant Accounting Policies: (continued)

Payment of Benefits

Benefits are recorded when paid.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires us to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of additions to and deductions from those estimates. Accordingly, actual results may differ from those estimates.

Note 3 – Investments:

The Plan has entered into a group variable funding agreement with John Hancock. John Hancock maintains the contributions in pooled separate accounts which are invested in units of John Hancock's investment funds. The accounts are credited with investment results of the funds and charged for Plan withdrawals and administration expenses charged by John Hancock. The agreement is included in the financial statements at estimated fair value as reported by John Hancock.

Note 4 – Concentration of Credit Risk:

The Plan contains certain investment options, whose balances represent a significant concentration of Plan investments. For the year ended December 31, 2018, Life Style balanced, growth, and moderate funds represented 78 percent of total investments, and each individually represented in excess of 10 percent of total investments. For the year ended December 31, 2017, Life Style balanced, growth, and moderate funds represented 69 percent of total investments, and each individually represented in excess of 10 percent of total investments.

Note 5 – Information Prepared and Certified by Plan Custodian:

The Plan Committee has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. The assets of the Plan are held by the custodian.

The Plan Committee has received certification from the custodian of the market value of all of the Plan's investments as of December 31, 2018 and 2017, and of interest income and net appreciation (depreciation) in fair value of investments for the years ended December 31, 2018 and 2017. The Plan's financial statements and supplemental schedule H, line 4i - schedule of assets (held at end of year) as of December 31, 2018, have been prepared based upon this certified information and reflect the amounts certified by the custodian.

The Plan's independent public accountants did not perform auditing procedures with respect to this information certified as complete and accurate by the custodian, except for comparing such information to the related information included in the financial statements and supplemental schedule.

Note 6 – Administration of Plan Assets:

The Plan assets are held by the custodian of the Plan. Employee contributions are invested by the custodian as directed by our Plan trustees and Plan participants. Administrative and other operating expenses for the Plan are paid from Plan assets except for certain administrative expenses paid by the Company which were $8,763 in 2018 and $8,225 in 2017.

Note 7 – Income Tax Status:

The Plan has adopted John Hancock's prototype non-standardized plan document. The non-standardized plan document received an opinion letter from the Internal Revenue Service dated March 31, 2008, stating that the plan document was acceptable under the applicable sections of the Internal Revenue Code (IRC). The Plan was amended December 31, 2009 to comply with IRS changes. The Plan has not requested or obtained its own determination letter confirming the tax-exempt status of the Plan. However, the Plan Administrator believes that the plan is currently designed and is operating in compliance with applicable requirements of the IRC. Therefore, the Plan Administrator expects that the Plan and the trust will continue to be exempt from taxes under the IRC. Therefore, no provisions for income taxes have been included in the Plan's financial statements. The Plan administrator believes the Plan is no longer subject to income tax examinations for years prior to 2015.

Note 8 – Fair Value Measurements:

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefit. Following is a description of the valuation methodologies used for investments held within the group annuity contract which are measured at fair value.

> **Pooled Separate Accounts (With Underlying Mutual Fund Investments): Valued based on the observable net asset value (NAV) of the underlying investments. NAV, as provided by the trustee, is used as the readily determinable fair value. The pooled separate account is maintained in the general account of John Hancock and is credited with earnings of the underlying assets, participant withdrawals, and administrative expense.**
>
> **Guaranteed Interest Accounts (Unallocated Funds): Valued based on liquidation value as defined by actuarial formula under the terms of the contract. The fixed income account is maintained in the general account of John Hancock and is credited with earnings of the underlying assets, participant withdrawals, and administrative expense.**

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 – inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority; Level 2 – observable inputs, such as, quoted market prices of similar assets or liabilities in active markets or for identical assets or liabilities in markets that are not active; and Level 3 – inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

Note 8 – Fair Value Measurements: (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017.

	2018	2017
Level 2:		
Pooled Separate Accounts	**$ 398,432**	$ 466,911
Guaranteed Interest Accounts	**7,166**	2,781
Investments at Fair Value	**$ 405,598**	$ 469,692

Note 9 – Correction of Operational Errors and ERISA Violations:

As allowed by the IRS and DOL certain corrective actions are made available to Plan sponsors via self-correction and Voluntary Fiduciary Correction Programs (VFCP). In the event of an operational error or ERISA violation, we first seek to self-correct findings and if necessary, complete the appropriate VFCP procedures. The Plan, participants, and beneficiaries are intended to be restored to the condition that would have existed if the error or violation had not occurred. Management is not aware of any errors, violations, or corrective actions that need to be taken at this time.

Note 10 – Subsequent Events:

We have evaluated subsequent events through July 26, 2019, the date which the financial statements were available to be issued.
