Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were note able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Transamerica Financial Life Insurance Company (January 1, 2018 through December 31, 2018) and Mid Atlantic Trust Company (December 1, 2018 through December 31, 2018), the custodians of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the custodians hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the custodians as of and for the year ended December 31, 2018, that the information provided to the plan administrator by the custodians is complete and accurate.

Disclaimer of Opinion

Accordingly, we do not express an opinion on the 2018 financial statements referred to in the first paragraph.

Other Matter – Supplemental Information

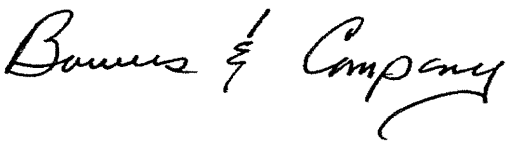

The supplemental schedule of assets held at end of year, as of December 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule.

Other Matter – 2017 Financial Statements

The financial statements of the Plan as of December 31, 2017 were audited by predecessor auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed the predecessor auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by Transamerica Financial Life Insurance Company, the custodian of the Plan. Their report, dated July 20, 2018, indicated that (a) because of the significance of the information that they did not audit, they were unable to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion and accordingly, they did not express an opinion on the financial statements and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Report on Form and Content in Compliance with DOL Rules and Regulations 2018

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN

The following description of the Schneider Packaging Equipment 401(k) Profit Sharing Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all employees of Schneider Packaging Equipment Co., Inc. and its affiliate Schneider Installation & Service Corp. (together referred to as the "Company") who are age eighteen or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 92% of pretax or taxed annual compensation, as defined in the Plan, subject to Internal Revenue Service (IRS) limitations. Participants who have attained age 50 before the end of the Plan year are eligible to make catchup contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employees are automatically enrolled in the Plan with a 3% payroll deduction and a one percentage point increase in their payroll deduction annually, up to a maximum of 6%, unless the employee submits notice to decline participation. The Company matches 50% up to 6% (total of 3%) of compensation that a participant contributes to the plan. The participant contributions and the employer matching contributions may be allocated to various investment options as directed by the participant.

In addition, the Company may also make discretionary contributions on the participants' behalf. This type of contribution shall be within the discretion of the Board of Directors of the Company and determined by a resolution. Participants must have one year of service to be eligible to receive a discretionary contribution. For the years ended December 31, 2018 and 2017, the Company elected not to make a discretionary contribution.

Participant Accounts

Each participant's account is credited with the participant's contribution and the employer's matching contributions plus allocations of (a) the Company's discretionary contribution; and (b) Plan earnings and (c) charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 1 – GENERAL DESCRIPTION OF THE PLAN – Continued

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. A participant is 100% vested in employer matching contributions and employer non-elective contributions plus actual earnings after five years of credited service.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or installments, either annually or more frequently. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A financial hardship withdrawal provision is available, enabling a participant to withdraw an amount to cover an immediate and heavy financial need, in accordance with current IRS regulations.

Forfeited Accounts

At December 31, 2018 and 2017, forfeited non-vested accounts totaled $8,880 and $7,073, respectively. Forfeitures can be utilized to reduce plan expenses or employer contributions. In 2018 and 2017, plan expenses were reduced by $0 and $8,585, respectively.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant loan fund. Loan terms range from 1 to 5 years or up to 25 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate (4.25% to 6.00%) commensurate with local prevailing rates as determined quarterly by the Plan administrator. Principal and interest are paid ratably through weekly payroll deductions.

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES

The accounting principles and practices which affect the more significant elements of the financial statements are:

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Investments held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit responsive investment contracts because contract value is the amount participants would receive if they were to initiate permitted transactions under the terms of the plan. The Statements of Net Assets Available for Benefits present the fair value of the investment contracts as well as the adjustment of the fully benefit responsive investment contracts from fair value to contract value. At December 31, 2018 and 2017, the fair value of the Plan's insurance company general account equals contract value. The Statements of Changes in Net Assets Available for Benefits is prepared using the contract value basis for fully benefit responsive investment contracts.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurement.

Purchases and sales are recorded on trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net investment gain (loss) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 2 – SIGNIFICANT ACCOUNTING POLICIES – Continued

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The participants pay for certain loan and administrative fees of the Plan. Other administrative expenses of the Plan have been paid by the Plan sponsor.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Date of Management's Review

Plan management has evaluated subsequent events and transactions that occurred between December 31, 2018 through July 23, 2019 which is the date the financial statements were available to be issued. Management has determined that such an event has occurred, which is discussed in Note 10.

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 3 – FAIR VALUE

The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Valuation techniques maximize the use of observable inputs. The three levels of the fair value hierarchy under Financial Accounting Standards Board Accounting Standards Codification ("FASB ASC") No. 820 are described as follows:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques uses need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual Funds: Valued at the net asset value ("NAV") of shares held by the plan at year end. Mutual funds held by the Plan are open-ended mutual funds that are registered with the U.S. Securities and Exchange Commission. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 3 – FAIR VALUE – Continued

Pooled Separate Accounts: Investments in the pooled separate accounts are investments in registered investment companies and are reported at fair value based on the quoted market price of the fund which represents the net asset value of the share (participation units) held at year end.

Insurance Company General Account: Investments in the general account are valued at contract value, which equals fair value.

Stable Value Common/Collective Trust Fund: A stable value fund that is composed primarily of fully benefit-responsive investment contracts that is valued at the NAV of units of the bank collective trust. The NAV is used as a practical expedient to estimate fair value. This practical expedient would not be used if it is determined to be probable that the fund will sell the investment for an amount different from the reported net asset value. Participant transactions (purchases and sales) may occur daily. If the Plan initiates a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that the securities liquidations will be carried out in an orderly business manner.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2018 and 2017.

	Assets at Fair Value as of December 31, 2018			
	Level 1	**Level 2**	**Level 3**	**Total**
Mutual Funds	$ 94,633	$ 0	$ 0	$ 94,633
Pooled Separate Accounts	10,287,261	0	0	10,287,261
Insurance Company General Account	0	265,456	0	265,456
Common/Collective Trust (a)	0	0	0	4,092
Total Assets at Fair Value	$ 10,381,894	$ 265,456	$ 0	$ 10,651,442

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 3 – FAIR VALUE – Continued

	Assets at Fair Value as of December 31, 2017			
	Level 1	**Level 2**	**Level 3**	**Total**
Pooled Separate Accounts	$ 11,827,955	$ 0	$ 0	$ 11,827,955

Total Assets at Fair Value	$ 11,827,955	$ 261,599	$ 0	$ 12,089,554

(a) In accordance with FASB ASC Subtopic 820-10, certain investments that were measured at net asset value per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the line items presented in the statements of net assets available for benefits.

Fair Value of Investments in Entities that use NAV Practical Expedient

The following table summarizes investments for which fair value is measured using the net asset value per share practical expedient as of December 31, 2018. There are no participant redemption restrictions for these investments; the redemption notice period is applicable only to the Plan.

December 31, 2018	**Fair Value**	**Unfunded Commitments**	**Redemption Frequency**	**Redemption Notice Period**
Common Collective Trust Fund	$ 4,092	N/A	Daily	30 Days

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY

The Plan has a fully benefit-responsive group annuity contract with Transamerica Financial Life Insurance Company ("TFLIC"). TFLIC maintains the contributions in a general account which is credited with contributions made under the contract, plus earnings, less participant withdrawals, and administrative expenses. The effective credited interest rate is set semi-annually and is effective on the first day of January and July. There is no stated minimum or maximum interest rate.

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 4 – INVESTMENT CONTRACT WITH INSURANCE COMPANY – Continued

Certain events limit the ability of the Plan to transact at contract value with the issuer. Such events include the following: (1) amendments to the plan documents (including complete or partial plan termination or merger with another plan), (2) changes to a plan's prohibition on competing investment options or deletion of equity wash provisions, (3) bankruptcy of the plan sponsor or other plan sponsor events that cause a significant withdrawal from the plan, or (4) the failure of the trust to qualify for an exemption from federal income taxes or any required prohibited transaction exemption under ERISA. The Plan administrator does not believe that the occurrence of any such value event, which would limit the Plan's ability to transact at contract value with participants, is probable.

The fully benefit-responsive contract does not permit the insurance company to terminate the agreement prior to the scheduled maturity date.

NOTE 5 – FINANCIAL INFORMATION CERTIFIED BY PLAN CUSTODIANS

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan administrator has obtained a certification from Transamerica Financial Life Insurance Company (January 1, 2017 through December 31, 2018) and Mid Atlantic Trust Company (December 1, 2018 through December 31, 2018), the custodians of the Plan, that all of the information provided by them is complete and accurate. Information included in the accompanying financial statements and supplemental schedule as of and for the years ended December 31, 2018 and 2017 pertaining to investments, notes receivable from participants, dividend and interest income, net investment gain (loss) from investments is presented in reliance solely upon those certifications.

NOTES TO FINANCIAL STATEMENTS
December 31, 2018 and 2017

NOTE 6 – INCOME TAX STATUS

The Employer has adopted the Paychex Inc. Prototype Non-standardized Profit Sharing Plan with CODA. The Plan received its latest determination letter from the IRS dated April 10, 2014, which states that the prototype plan is acceptable under Section 401(a) of the Internal Revenue Code ("IRC") and, therefore, is not subject to federal income tax under present law. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. As the Plan is tax-exempt, the Plan administrator has concluded that as of December 31, 2018 and 2017, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2015.

NOTE 7 – PLAN TERMINATION

Although it has not expressed an intention to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

NOTE 8 – RELATED-PARTY TRANSACTIONS AND PARTIES IN INTEREST TRANSACTIONS

Transamerica Financial Life Insurance Company and Mid Atlantic Trust Company are the Plan's custodians and therefore transactions with the custodians qualify as party-in-interest transactions. Fees incurred and paid directly by the Plan participants for recordkeeping, loan and benefit payment processing were approximately $500 and $9,200 for the years ended December 31, 2018 and 2017, respectively.
