Report of Independent Auditors

To the Investment and Retirement Plans Committee
The Lighthouse for the Blind, Inc. Tax-Deferred Annuity Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of The Lighthouse for the Blind, Inc. Tax-Deferred Annuity Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statement of changes in net assets available for benefits for the year ended December 31, 2018, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL's) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Fidelity Management Trust Company, the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the Plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the custodian as of December 31, 2018 and 2017, and for the year ended December 31, 2018, that the information provided to the Plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The Schedule H, line 4(i) – schedule of assets (held at end of year) as of and for the year ended December 31, 2018, is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on this supplemental schedule.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Note 1 - Description of Plan

The following description of The Lighthouse for the Blind, Inc. Tax-Deferred Annuity Plan (the Plan) provides only general information. Participants should refer to the Plan agreement, as amended, for a more complete description of Plan provisions.

General – The Plan is a 403(b) salary deferral and profit sharing plan covering substantially all employees of The Lighthouse for the Blind, Inc., and is subject to provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). The Lighthouse for the Blind, Inc. (the Organization) is the Plan's sponsor and serves as Plan administrator.

Eligibility – Employees of the Organization who normally work 20 hours or more per week are eligible to make elective deferral contributions to the Plan. Participants reaching age 21 and completing one year of service in which at least 1,000 hours are worked are eligible to receive employer contributions.

Contributions – Participants may elect to contribute between 1% and 100% of eligible compensation to the Plan each year. The Plan automatically enrolls participants by deferring 3% of their salary in the first year and increasing the contribution by 1% annually until it reaches 6% unless otherwise elected by the participant. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Organization may elect to make discretionary nonelective contributions and safe-harbor matching contributions to the Plan. Nonelective contributions are allocated to participants based on their relative compensation adjusted for service period and class of employment (salary or hourly). Participants must be employed on the last day of the Plan year to receive nonelective contributions. Safe-harbor matching contributions are 100% of the employee contribution up to 6% of their compensation. The Organization has \$479,608 of nonelective contributions accrued for the year ended December 31, 2018. These nonelective contributions were disbursed to the Plan and allocated to participant accounts subsequent to year end. Contributions are subject to regulatory limitations.

Participant accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Organization's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances, as defined. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are fully vested in their salary deferrals, safe-harbor matching and actual earnings thereon. Vesting in the Organization's discretionary nonelective contributions is based on years of service with increases in increments of 20% per year until fully vested after five years.

Payment of benefits – On termination of service due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's account balance, or regular installments. For termination of service for other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. If the vested account balance is less than \$5,000 an automatic distribution will be made.

The Lighthouse for the Blind, Inc. Tax-Deferred Annuity Plan Notes to Financial Statements

Note 1 – Description of Plan (continued)

Forfeitures – Forfeitures are the non-vested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and in general are used to offset Plan expenses.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting – The financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, using the accrual method of accounting.

Use of estimates – The preparation of financial statements in accordance with generally accepted accounting principles requires the use of estimates and assumptions that may affect certain amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment valuation – Investments are stated at fair value as certified by the Plan's custodian, Fidelity Management Trust Company. Fair value is the price that would be received to sell an asset or paid to transfer a liability (i.e., the exit price) in an orderly transaction between market participants at the measurement date. See Note 3 for discussion of fair value measurements.

Income recognition – Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. The net appreciation in fair value of investments consists of both the realized gains or losses and unrealized appreciation and depreciation of those investments.

Payment of benefits – Benefits are recorded when paid.

Expenses – Administrative expenses related to operating and maintaining the Plan are paid by the Organization. Investment advisory fees, recordkeeping fees and transaction fees are paid by participants in the Plan. Other investment related fees are paid indirectly through the return on Plan assets.

Subsequent events – Subsequent events are events or transactions that occur after the statement of net assets available for benefits date but before financial statements are available to be issued. The Plan recognizes in the financial statements the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the statement of net assets available for benefits, including the estimates inherent in the process of preparing the financial statements. The Plan's financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the statement of net assets available for benefits but arose after the statement of net assets available for benefits date and before financial statements are available to be issued. The Plan has evaluated subsequent events through July 23, 2019, which is the date the financial statements were available to be issued.

Note 3 - Fair Value Measurements

The framework for measuring fair value provides a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1) and the lowest priority to unobservable inputs (level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;

Level 2 – Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability;

Level 3 – Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Shares of registered investment company funds are valued using the net asset value (NAV) provided by the administrator of the fund. The NAV is based on the value of the underlying assets owned by the fund, minus its liabilities, and then divided by the number of shares outstanding. The NAV is a quoted price in an active market and is classified within level 1 of the valuation hierarchy.

The valuation methods used by the Plan may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The Lighthouse for the Blind, Inc. Tax-Deferred Annuity Plan

Notes to Financial Statements

Note 3 – Fair Value Measurements (continued)

The following table discloses by level the fair value hierarchy of the Plan's assets:

	Investment Assets at Fair Value as of December 31, 2018					
	Level 1	Leve	el 2	Level 3		Total
Registered investment companies	\$ 22,010,595	\$		\$		\$ 22,010,595
	Investment Assets at Fair Value as of December 31, 2017					
	Level 1	Leve	el 2	Lev	el 3	Total
Registered investment companies	\$ 24,293,673	\$		\$		\$ 24,293,673

Note 4 - Tax Status

The Plan administrator adopted the provisions of the Lesourd and Patten, P.S. 403(b) Prototype Plan and believes the Plan meets the qualification requirements under Section 401(a) and is tax exempt under provisions of the Internal Revenue Code.

In accordance with guidance on accounting for uncertainty in income taxes, management evaluated the Plan's tax positions and does not believe the Plan has any uncertain tax positions that require disclosure or adjustment to the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 5 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risks. It is reasonably possible, given the level of risk associated with investment securities that changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

Note 6 - Information Certified by the Custodian

The Plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, Fidelity Management Trust Company, the custodian of the Plan, has certified to the completeness and accuracy of:

• Registered investment companies reflected on the accompanying statements of net assets available for benefits as of December 31, 2018 and 2017.

8

Note 6 – Information Certified by the Custodian (continued)

- Net depreciation in fair value of investments, dividends, and interest reflected on the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2018.
- Investments reflected on the supplemental schedule of assets (held at end of year) as of December 31, 2018.

Note 7 - Party-In-Interest Transactions

Plan investments include shares of registered investment company funds managed by Fidelity Corporation (Fidelity). Fidelity Management Trust Company is the custodian of the Plan and an affiliate of Fidelity and, therefore, transactions with these entities qualify as exempt party-in-interest transactions. The Plan paid \$59,229 for recordkeeping services to Fidelity and \$20,000 for investment advisory services to other parties for the year ended December 31, 2018.

Note 8 - Plan Termination

Although it has not expressed any intention to do so, the Organization has the right to terminate the Plan and discontinue its contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

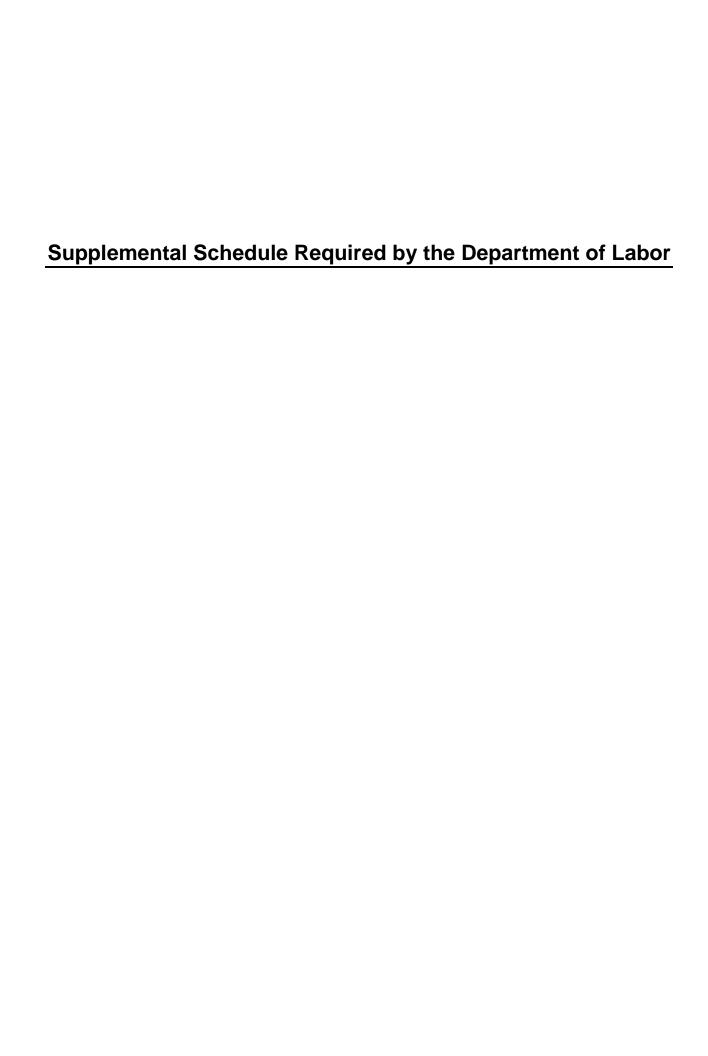

Note 9 - Reconciliation to Form 5500

The Form 5500 has certain classifications of assets and income that differ from amounts shown on the accompanying financial statements. These differences relate to classification only and have no effect upon net assets available for benefits for either period.

Note 10 - Subsequent Events

Effective January 1, 2019, the Organization's Board of Trustees approved an amendment to the tax deferred annuity plan to allow for Roth contributions to be made by employees.

On March 22, 2019, the Plan received \$2,637,141, representing the rollover of funds from a terminated pension plan.
