Report on the Financial Statements

We were engaged to audit the accompanying financial statements of the Thrall Enterprises, Inc. Employee Savings Plan, which comprise the statements of net assets available for benefits-modified cash basis as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits - modified cash basis for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting described in Note 2; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting our audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (hereinafter "ERISA"), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedules of delinquent participant contributions and assets (held at year end) as of December 31, 2018 are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA and are presented for the purpose of additional analysis and are not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedules referred to above.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

Basis of Accounting

We draw attention to Note 2 of the financial statements, which describes the basis of accounting. The financial statements and supplemental schedules were prepared on a modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Thrall Enterprises, Inc. Employee Savings Plan (the "Plan") provides only general information. Reference should be made to the plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering substantially all eligible employees of Thrall Enterprises, Inc., Nazdar Company, and GSI Technologies, LLC (the "Companies"). The assets of GSI Technologies, LLC were sold on October 10, 2017 and all employees of the company were terminated as of December 31, 2017. The Plan is subject to the provisions of ERISA. Employees who are at least 18 years of age and have completed two months of service are eligible to participate in the Plan. Temporary employees will become eligible for the Plan once they have reached age 21 and have completed at least 1,000 hours of service in one year. Eligible employees are automatically enrolled with an initial deferral percentage equal to 4% of salary (unless they elect a different deferral percentage or opt-out). In addition, the deferral percentage is increased 1% each year on May 1st (unless the participant later elects a different deferral percentage).

Contributions. Each year, participants may contribute up to a maximum amount of their pretax or after-tax annual compensation, as defined by the Internal Revenue Service and recorded in the plan document. Participants who have attained age 50 before the end of the plan year may make additional catch-up contributions. Participants may also contribute amounts representing rollovers from other qualified plans. The Companies' matching contributions are at the discretion of the Board of Directors and may range up to a maximum of 6% of annual compensation, as defined. Contributions are subject to certain limitations.

Participant Accounts. Each participant's account is credited with the participant's contribution, the Companies' matching contributions, if any, allocations of plan earnings (losses), and charged with an allocation of administrative expenses, if applicable. Allocations are based on participant account balances or earnings, as defined. The benefit to which a participant is entitled, is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their deferral contributions plus actual earnings or losses thereon. Vesting in the Companies' discretionary matching contributions plus actual earnings or losses thereon is based on years of continuous service. A participant is 100 percent vested after 3 years of service. Participants also become fully vested in the event of death, disability, retirement or Plan termination.

NOTE 1 - DESCRIPTION OF PLAN (CONTINUED)

Forfeited Amounts. Forfeitures can be used to reduce the Companies' matching contributions. As of December 31, 2018 and 2017, forfeited non-vested accounts totaled $39,623 and $27,023, respectively. There was $11,016 and $0 in forfeitures used to reduce the Companies' matching contributions in 2018 and 2017, respectively.

Investment Options. Upon enrollment in the Plan, participants are able to invest in a variety of investment choices as more fully described in the Plan document. Participants may change their investment options at any time during the year.

Neither the Plan nor the plan sponsor provides investment advice. Participants are encouraged to speak with a representative from Fidelity concerning matching their personal investment philosophies with the investment choices available within the Plan.

Payment of Benefits. Upon termination of service due to death, disability or retirement, a participant or beneficiary may receive benefits based on the participant's vested account balance. Benefits may be paid in a lump sum, installment payments, or an annuity.

Notes Receivable from Participants. Participants are allowed to take up to 2 general purpose loans against their individual Plan vested account balance. Generally, a participant may borrow from their fund accounts a minimum of $1,000, up to a maximum equal to the lesser of 50 percent of the participant's vested balance or $50,000. Loans are secured by the participant's account balance and must be repaid over 1 to 5 years, or over 10 years if the loan is for the purchase of a primary residence. Interest is charged on these loans at a rate equal to prime plus 2%. The interest rate to be utilized for any new loans is computed and documented within the first five business days of the next month following any change in the prime rate as reported by Reuters. Interest rates on current outstanding loans range from 5.25% to 9.50%. Principal and interest are paid ratably through payroll deductions.

Plan Amendments. Effective October 10, 2017 all active participants who made eligible contributions during the 2017 plan year and were employed by GSI Technologies, LLC on October 10, 2017 (the date that substantially all of the assets of GSI were sold) shall be entitled to received employer matching contributions for the plan year ended December 31, 2017, even though such participants were not employed on December 31, 2017.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared under the modified cash basis method of accounting. This method of accounting differs from accounting principles generally accepted in the United States of America because, under this method, income is recognized when received (except contributions, which are recognized on the accrual basis) and expenses are recognized when paid.

Use of Estimates. The preparation of financial statements in conformity with the modified cash basis of accounting requires the plan administrator to make estimates and assumptions that affect certain reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition. Investments are reported at fair value, with the exception of fully benefit-responsive investment contracts which are reported at contract value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 6 for a discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest and dividend income is recorded when received by the Plan. Fees paid to various mutual fund companies and the trustee are netted against investment returns prior to being posted to participant accounts.

Payment of Benefits. Benefits are recorded when paid.

At December 31, 2018, 118 former participants were separated from service with a total deferred vested benefit of $7,260,852.

At December 31, 2017, 135 former participants were separated from service with a total deferred vested benefit of $11,864,641.

Notes Receivable from Participants. Loans to participants are reported at their unpaid principal balance. Delinquent loans are reclassified as distributions based on the terms of the Plan document.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses. Administrative expenses for investment advice, third party record keeping, and the required annual audit for the years ended December 31, 2018 and 2017 were $57,112 and $58,645, respectively. Of these amounts, $28,390 and $34,250 was paid directly by the Plan sponsor for the years ended December 31, 2018 and 2017, respectively.

Date of Management's Review. Management has evaluated subsequent events through July 19, 2019, the date on which the financial statements were available to be issued.

NOTE 3 - TAX STATUS

Effective October 26, 2009, the Plan adopted a volume submitter defined contribution plan of Fidelity Management & Research Company. The Plan received an opinion letter dated March 31, 2014 from the Internal Revenue Service as to the volume submitter plan's qualified status; the plan opinion letter has been relied upon by this Plan. The Plan was most recently restated on November 4, 2015. Although the Plan has been amended since receiving the opinion letter, the Plan administrator believes that the Plan is designed, and is currently being operated, in compliance with the applicable requirements of the IRC and, therefore, believe that the Plan is qualified, and the related trust is tax-exempt.

Tax filings are subject to examination by authorities during the statute of limitations (generally three years). The plan administrator has not been contacted by authorities related to any previous tax filings under statute.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue their contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE 5 - INFORMATION PREPARED AND CERTIFIED BY TRUSTEE

The following information, as of and for the periods ending December 31, 2018 and 2017 included in the accompanying financial statements and supplemental schedules (when applicable), was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	2018	2017
Registered investment companies	$ 55,910,379	$ 63,449,517
Common/collective trusts	$ 1,403,623	$ 1,749,417
Interest and dividends	$ 3,497,593	$ 3,634,845
Net realized and unrealized (losses) gains	$ (6,864,704)	$ 7,277,868

NOTE 6 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used for investments for which Level 1 inputs are not available. Level 3 inputs would only be used if Level 1 or Level 2 inputs were not available. There are no plan assets requiring the use of Level 2 or Level 3 inputs for the periods presented.

NOTE 6 - FAIR VALUE MEASUREMENTS (CONTINUED)

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares as reported by the fund. The mutual funds held by the Plan are open-end mutual funds registered with the U.S. Securities and Exchange Commission. The funds must publish their daily net asset value and transact at that price. The mutual funds held by the Plan are considered to be actively traded.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

		Fair Value Measurements Using: Quoted Prices in Active Markets for Identical Assets (Level 1)
	Fair Value	
December 31, 2018		
Mutual funds	$ 55,910,379	$ 55,910,379
December 31, 2017		
Mutual funds	$ 63,449,517	$ 63,449,517

NOTE 7 - TRANSACTIONS WITH PARTIES-IN-INTEREST

Plan investments include shares of mutual funds and common/collective funds managed by Fidelity. Fidelity is the trustee as defined by the Plan, and therefore, these transactions qualify as party-in-interest transactions. Fees paid to Fidelity by the Plan were $28,722 and $24,395 for the years December 31, 2018 and 2017, respectively. Also, certain employees of the Companies provide administrative services to the Plan. These employees are not compensated by the Plan for such services. Certain other expenses are paid by the Companies on behalf of the Plan, such as the annual audit fee paid to the Plan auditor, Haywood Henn, P.C., and fees related to investment review and advice paid to PlanPilot, LLC.

All of these party-in-interest transactions are exempt from the prohibited transaction rules of ERISA.

NOTE 8 - RISKS AND UNCERTAINTIES

The plan participants invest in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amount reported in the statements of net assets available for benefits.

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500

The reconciling items noted below and on page 11 are primarily due to the difference between the basis of accounting used to prepare the financial statements and the Form 5500 (modified cash basis and cash basis, respectively), minor classification differences between various categories of income, deemed distributions of participant loans, and the fact that the common collective fund is reported at contract value in the financial statements and at fair market value on the Form 5500.

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500.

	2018	2017
Net assets available for benefits per the financial statements	$ 59,052,169	$ 66,937,895

NOTE 9 - RECONCILIATION OF FINANCIAL STATEMENTS TO SCHEDULE H OF FORM 5500 (CONTINUED)

The following is a reconciliation of changes in net assets available for benefits per the financial statements to the Form 5500.

	2018	2017

Benefits paid to participants and rollovers	(3,086)	61
Changes in net assets available for benefits per the Form 5500	$ (7,784,319)	$ 9,187,637

NOTE 10 - INVESTMENT CONTRACT WITH TRUST COMPANY

The Plan entered into a benefit-responsive investment contract with Fidelity. Fidelity maintains the contributions in a general account. The account is credited with earnings on the underlying investments and is charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and specific interest rate that is guaranteed to the Plan.

Because the guaranteed investment contract meets the criteria to be considered fully benefit-responsive, contract value is the relevant measurement attribute for that portion of the net assets available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets available for benefits at contract value. Contract value, as reported to the Plan by Fidelity, represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value.

NOTE 10 - INVESTMENT CONTRACT WITH TRUST COMPANY (CONTINUED)

There are no reserves against contract value for credit risk of the contract issuer or otherwise. The contract value of the investment contract at December 31, 2018 and 2017, was $1,403,623 and $1,749,417, respectively.

Certain events limit the Plan's ability to transact at contract value with Fidelity. Such events include the following: (a) amendments to the plan documents (including complete or partial Plan termination or merger with another plan), (b) changes to the Plan's prohibition on completing investment options or deletion of equity wash provisions, (c) bankruptcy of the plan sponsor or other plan sponsor events (for example, divestitures or spin-offs of a subsidiary) that cause a significant withdrawal from the Plan, or (d) the failure of the trust to qualify for exemption from federal income taxes or any required prohibited transaction under ERISA. Furthermore, certain events would allow the issuer to terminate the contract with the Plan and settle at an amount different from contract value. Examples of such events include (a) an uncured breach of the Plan's investment guidelines, (b) a material amendment to the contract without the issuer's consent, (c) a violation of a material obligation under the contract, or (d) a material misrepresentation. The Plan administrator does not believe that any events that would limit the Plan's ability to transact at contract value with plan participants or the issuer are probable of occurring.

The guaranteed investment contract does not permit Fidelity to terminate the agreement prior to the scheduled maturity date.

NOTE 11 - SUBSEQUENT EVENTS

As of February 1, 2019, the plan was amended to allow involuntary rollovers of vested account balances under $5,000 to an individual retirement plan designated by the Plan Administrator.

Also, in March 2019 changes were made to the Plan fee structure to facilitate a more equitable distribution of the administrative fees and increase transparency. There will now be a quarterly administrative fee of $12.50 per person and a quarterly asset based fee of 0.01425% of each participants' average monthly account balance. Going forward, all administrative fees will be charged separately from investment-related fees.
