Independent Auditor's Report

To the Advisory Committee of
Cantey Hanger 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Cantey Hanger 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

The Advisory Committee of
Cantey Hanger 401(k) Plan

Other Matter

The supplementary information listed in the table of contents as of December 31, 2018 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplementary information.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary information, other than that derived from the information certified by the custodian, have been audited by us in accordance with U.S. GAAS and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Cantey Hanger 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Cantey Hanger 401(k) Plan (the Plan) provides only general information. Participants should refer to the *Plan document*, which is available from Plan management, for a more complete description of the Plan's provisions. The Plan is sponsored by Cantey Hanger LLP (the Partnership), which is also the Plan Administrator.

General

The Plan, which was originally established effective June 1, 1974, is a defined contribution profit sharing plan covering substantially all employees of the Partnership who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Partnership's Management Committee is responsible for oversight of the Plan. An Advisory Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Partnership's Management Committee.

Contributions

Participants may contribute to the Plan, pursuant to a salary reduction arrangement, up to limitations determined by the Internal Revenue Code (the Code). Participant contributions are allocated among investments based upon participant elections. Some or all of a participant's contributions may be designated as a Roth Deferral Contribution. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions are invested in a designated fund until changed by the participant.

The Partnership may designate a discretionary profit sharing contribution, which is allocated to each participant in the ratio of each participant's covered compensation to the total covered compensation of all participants. In addition, the Partnership may make a 3 percent safe harbor non-elective contribution to all Plan participants. During years in which the safe harbor provision is not elected, the Partnership may make discretionary qualified non-elective contributions. Such contributions are made for the benefit of non-highly compensated participants who are not partners of the Partnership. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Partnership's safe harbor non-elective contributions, if any, in the case of non-highly compensated participants, discretionary qualified non-elective contributions, and discretionary profit sharing contributions, (b) Plan earnings and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings, or account balances, as defined within the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and any employer safe harbor contributions to the Plan plus actual earnings thereon. Vesting in the participants' share of the Partnership's discretionary contributions and earnings or losses thereon is in accordance with the following schedule:

Years of Service	Vesting Percentage
0 -1	1%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Partnership contributions become fully vested in the event of retirement at age 65, disability, or death of a participant.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Notes generally must be repaid within five years; however, if the note is for a primary residence, the term can exceed five years. A participant may have a maximum of three outstanding notes. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon separation of service due to death, disability, retirement, or termination of employment, a participant or their beneficiaries may elect to receive either in a lump sum amount or other mode of settlement equal to the value of the participant's vested interest in his or her account. The Plan requires all benefit payments less than or equal to $5,000 to be paid in the form of a lump sum. Benefit payments greater than $5,000 may be paid in the form of a lump sum payment or substantially equal installments. In-service withdrawals of vested balances are permitted if the participant has attained 59½ years of age or is in certain qualified active military duty.

Forfeited Accounts

At December 31, 2018 and 2017, forfeited nonvested accounts totaled $36,870 and $435, respectively. Forfeitures are allocated to the accounts of all participants as an additional qualified non-elective contribution, or used to pay Plan expenses. During the years ended December 31, 2018 and 2017, forfeitures allocated to participants totaled $0 and $4,929, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Advisory Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance companies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. Defaulted participant loans are recorded as distributions on the terms set forth in the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

All costs and expenses incurred in administrating the Plan, principally fees for investment management services, may be paid out of Plan assets unless paid by the Partnership, at the Plan Administrator's option. Employees of the Partnership perform certain administrative functions with no compensation from the Plan. Administrative costs paid by the Partnership are not reflected in the accompanying financial statements.

Accounting Changes

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, Fair Value Measurement (Topic 820): *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurements*. The ASU modifies the disclosure requirements on fair value measurements in Accounting Standards Codification (ASC) Topic 820. The ASU is effective for all reporting periods beginning after December 15, 2019, with early adoption permitted. An entity may elect to early adopt any removed or modified disclosures upon issuance of this Update and delay the adoption of the additional disclosures until the effective date. Plan management is evaluating the impact of the adoption of this ASU on the Plan's financial statements.

Plan Management's Review of Subsequent Events

The Plan has evaluated subsequent events through July 30, 2019, the date these financial statements were available to be issued.

Note 3. Certified Investments

Except as noted below, all investment information disclosed in the accompanying financial statements and supplementary information, including investments held and notes receivable from participants at December 31, 2018 and 2017, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained or derived from information provided to Plan management and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan. Life insurance contracts held by the Plan at December 31, 2018 and 2017, and investment income thereon for the years then ended were not certified by the custodian.

Note 4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurement,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, money market funds, exchange-traded funds, and common stocks that are valued on the basis of readily determinable market prices.

Common collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Life insurance contracts: Valued at their cash surrender value, which approximates fair value.

The following table sets forth by level, with the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

	2018	2017
Level 1		
Mutual funds	$ 20,211,856	$ 24,051,487
Money market funds	2,540,598	793,241
Self-directed brokerage accounts	620,582	568,820
	23,373,036	25,413,548
Level 2		
Life insurance contracts	337,187	326,550
Total assets in the fair value hierarchy	23,710,223	25,740,098
Investments measured at net asset value		
Common collective trust	640,185	642,609
Investments at fair value	$ 24,350,408	$ 26,382,707

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2018 and 2017:

	2018	2017
Common collective trust		
Fair value	$ 640,185	$ 642,609
Unfunded commitment	None	None
Redemption frequency	Immediate	Immediate
Other redemption restrictions	None	None
Redemption notice period	None	None

Note 5. Related Party and Party in Interest Transactions

As described in Note 2, the Plan pays certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Partnership contributions.

Note 7. Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Partnership by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Code.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, market and credit risks. Market values of investments may decline for a number of reasons, including change in prevailing market and interest rates, increase in defaults and credit rating downgrades. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefit.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2018 and 2017 to the Form 5500:

	2018	2017
Net assets available for benefits per the financial statements	$ 24,841,076	$ 26,936,056
Employer contributions receivable	(298,958)	(314,379)

Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator ("you") in completing the Form 5500 Schedule C[1] by identifying different types of compensation paid with respect to the product utilized by your plan.

As permitted under the Schedule C rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate or a formula or rate.

- Where an actual dollar amount of compensation is disclosed, no further notation regarding compensation calculations is generally provided.
- Where an estimate of the compensation amount is disclosed, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount.
- Where a formula or rate is provided to report compensation, we have used a reasonable method to arrive at the estimate and we have described the method used to arrive at the estimated amount. This formula or rate may be disclosed to describe the compensation to which it applies under the Schedule C rules. Alternatively, for purposes of Schedule C disclosure or in connection with your fiduciary review of the compensation paid with respect to the services, products and investment options utilized by the plan, you may calculate and disclose an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies.

Please note that, unless otherwise indicated in the descriptions contained in this report, direct compensation is presented on a plan year basis 01/01/2018 - 12/31/2018 and indirect compensation is presented on a calendar year basis ending 12/31/2018.

This report includes compensation actually paid to or by MassMutual within the indicated plan year as part of your MassMutual-serviced product. *(Note: If the plan year period or plan year end indicated in this Schedule C reporting package is incorrect, please notify your MassMutual customer service representative immediately).* This report does not include amounts deducted from plan assets and paid to third parties (other than MassMutual). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here from other service providers as is described below.

Please note that we have provided suggested service codes with respect to services provided through our product. Please review all Schedule C and other Form 5500 materials with your experienced benefits counsel and other professionals to determine the most appropriate codes for your plan. In addition, please note that because plans with fewer than 100 participants (as of the beginning of the plan year) are generally not required to file Schedule C, you should refer to the instructions provided by the IRS for Schedule C and/or review the applicability of Schedule C to your plan with your experienced tax/benefits counsel, to determine whether it is necessary for the plan to report the information contemplated by this report.

Please contact your MassMutual Service Team should you require additional information regarding the compensation paid to or by MassMutual with respect to your plan.

*****

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice, advice to plans regarding compliance with ERISA reporting compliance, or accounting or other professional services. As described above, the information contained in this report may not cover all of the compensation received by the plan's service providers. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

---

[1]Please refer to the Schedule C of the Form 5500 and its instructions (available at: http://www.dol.gov/ebsa/5500main.html), and please confer with experienced benefits counsel and other professionals, to determine the applicability of Schedule C to your plan.

Please note that if there is a discrepancy between the total direct fees reported above and the sum of the direct fees reported below, you should contact your other service providers or your plan records to identify the recipient(s) of the fees and any other information relevant to your Schedule C filing.

Recipient: MassMutual Retirement Services, LLC EIN: 26-1589907

Service Codes: 15, 37, 38, 49, 59, 60, 61, 63, 64, 65, 72, 99, 50 (if direct compensation amount reflected below)

Direct Compensation **$0.00**

The total amount identified above reflects fees deducted from plan assets at the plan administrator's direction for the 2018 plan year for the above named recipient. Please review other service providers, below, to determine whether direct fees were also paid to them. Also, please review your records to determine whether other service providers may have received any compensation not reported below (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, or a plan auditor).

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to MassMutual Retirement Services, LLC ("MMRS") are the net result of aggregating direct compensation after the effects of adjustments processed in 2018, some of which may have pertained to prior years.

Indirect Compensation

Recordkeeping Service Fees	Payor: Frost Bank	EIN: 74-0635455	**$2,452.50**
Float compensation	Payor: Reliance Trust Company	EIN: 58-1428634	**$165.70**

This is an estimate based on the average annual rate of float compensation (0.43% for 2018) earned on certain processing bank accounts for the 2018 calendar year multiplied by an estimate of the assets related to uncashed checks.* This estimate does not include float earned for any other reason (e.g., if amounts remitted to MassMutual cannot be immediately invested because they are not in good order). Please review or request a copy of the current float disclosure for more information about the other circumstances in which float is earned.

* A complete listing of distribution checks that remain outstanding for your plan is available on the Retirement Plan Access web site under the Standard Reports section (Report R03998-Outstanding Distribution Checks). Uncashed check assets will continue to remain in a float-earning bank account until such time direction is received from the Plan Sponsor, subject to applicable regulation. The Plan Sponsor should consult with the Plan's/Plan Sponsor's tax advisor or benefits counsel to determine if assets attributable to uncashed checks should be included on the Form 5500 filing.

Plan Expense Payment	Payor: Charles Schwab & Co., Inc.	EIN: 94-1737782	**$355.54**

This is the total amount paid during the calendar year to MassMutual for assets held in the plan's self-directed brokerage account(s).

Non Monetary Compensation

Please note that items of nonmonetary compensation need to be reported for Schedule A or C (Form 5500) purposes if they exceed certain *de minimus* amounts. Transactions generating nonmonetary compensation may include gifts, gratuities, or certain types of in-kind benefits. In addition, if applicable to the plan, MassMutual agents may qualify for certain forms of non-monetary compensation as a result of the sale of MassMutual contracts. These forms of non-monetary compensation include health, vision, life and disability coverage; matching contributions to 401(k) plans; cash balance and nonqualified pension plan contributions; participation at MassMutual-sponsored conferences based on recognition; and other non-monetary compensation (meals, entertainment, prizes, awards, gifts). If applicable, each plan in the agent's book of business is allocated compensation based on a pro rata basis using the number of plans representing the agent's book of business as of 12/31/2018.Information concerning reportable transactions undertaken between or among non-MassMutual parties may not be available to MassMutual. Please consult with your legal or tax advisors if you have any questions.

The above list includes any investment option held by the plan on at least one month end during the 2018 calendar year. To arrive at an estimate of the dollar amount that MassMutual received from each fund, multiply the rate of fees received from each fund by your plan's year-end balance (or if the fund was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the fund at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

[*] Please note that, in 2018, MassMutual and/or its affiliates received fees paid with respect to the plan's funds from the plan's investments. For additional information, including information pertaining to fees paid to MassMutual and/or its affiliates or fees paid to Frost Bank, please refer to the plan's 408(b)(2) disclosure statement, as updated and supplemented.

Independent Auditor's Report

To the Advisory Committee of
Cantey Hanger 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Cantey Hanger 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

The Advisory Committee of
Cantey Hanger 401(k) Plan

Other Matter

The supplementary information listed in the table of contents as of December 31, 2018 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplementary information.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary information, other than that derived from the information certified by the custodian, have been audited by us in accordance with U.S. GAAS and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Cantey Hanger 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Cantey Hanger 401(k) Plan (the Plan) provides only general information. Participants should refer to the *Plan document*, which is available from Plan management, for a more complete description of the Plan's provisions. The Plan is sponsored by Cantey Hanger LLP (the Partnership), which is also the Plan Administrator.

General

The Plan, which was originally established effective June 1, 1974, is a defined contribution profit sharing plan covering substantially all employees of the Partnership who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Partnership's Management Committee is responsible for oversight of the Plan. An Advisory Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Partnership's Management Committee.

Contributions

Participants may contribute to the Plan, pursuant to a salary reduction arrangement, up to limitations determined by the Internal Revenue Code (the Code). Participant contributions are allocated among investments based upon participant elections. Some or all of a participant's contributions may be designated as a Roth Deferral Contribution. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions are invested in a designated fund until changed by the participant.

The Partnership may designate a discretionary profit sharing contribution, which is allocated to each participant in the ratio of each participant's covered compensation to the total covered compensation of all participants. In addition, the Partnership may make a 3 percent safe harbor non-elective contribution to all Plan participants. During years in which the safe harbor provision is not elected, the Partnership may make discretionary qualified non-elective contributions. Such contributions are made for the benefit of non-highly compensated participants who are not partners of the Partnership. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Partnership's safe harbor non-elective contributions, if any, in the case of non-highly compensated participants, discretionary qualified non-elective contributions, and discretionary profit sharing contributions, (b) Plan earnings and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings, or account balances, as defined within the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and any employer safe harbor contributions to the Plan plus actual earnings thereon. Vesting in the participants' share of the Partnership's discretionary contributions and earnings or losses thereon is in accordance with the following schedule:

Years of Service	Vesting Percentage
0 -1	1%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Partnership contributions become fully vested in the event of retirement at age 65, disability, or death of a participant.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Notes generally must be repaid within five years; however, if the note is for a primary residence, the term can exceed five years. A participant may have a maximum of three outstanding notes. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon separation of service due to death, disability, retirement, or termination of employment, a participant or their beneficiaries may elect to receive either in a lump sum amount or other mode of settlement equal to the value of the participant's vested interest in his or her account. The Plan requires all benefit payments less than or equal to $5,000 to be paid in the form of a lump sum. Benefit payments greater than $5,000 may be paid in the form of a lump sum payment or substantially equal installments. In-service withdrawals of vested balances are permitted if the participant has attained 59½ years of age or is in certain qualified active military duty.

Forfeited Accounts

At December 31, 2018 and 2017, forfeited nonvested accounts totaled $36,870 and $435, respectively. Forfeitures are allocated to the accounts of all participants as an additional qualified non-elective contribution, or used to pay Plan expenses. During the years ended December 31, 2018 and 2017, forfeitures allocated to participants totaled $0 and $4,929, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Advisory Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance companies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. Defaulted participant loans are recorded as distributions on the terms set forth in the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

All costs and expenses incurred in administrating the Plan, principally fees for investment management services, may be paid out of Plan assets unless paid by the Partnership, at the Plan Administrator's option. Employees of the Partnership perform certain administrative functions with no compensation from the Plan. Administrative costs paid by the Partnership are not reflected in the accompanying financial statements.

Accounting Changes

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, Fair Value Measurement (Topic 820): *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurements*. The ASU modifies the disclosure requirements on fair value measurements in Accounting Standards Codification (ASC) Topic 820. The ASU is effective for all reporting periods beginning after December 15, 2019, with early adoption permitted. An entity may elect to early adopt any removed or modified disclosures upon issuance of this Update and delay the adoption of the additional disclosures until the effective date. Plan management is evaluating the impact of the adoption of this ASU on the Plan's financial statements.

Plan Management's Review of Subsequent Events

The Plan has evaluated subsequent events through July 30, 2019, the date these financial statements were available to be issued.

Note 3. Certified Investments

Except as noted below, all investment information disclosed in the accompanying financial statements and supplementary information, including investments held and notes receivable from participants at December 31, 2018 and 2017, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained or derived from information provided to Plan management and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan. Life insurance contracts held by the Plan at December 31, 2018 and 2017, and investment income thereon for the years then ended were not certified by the custodian.

Note 4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurement,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, money market funds, exchange-traded funds, and common stocks that are valued on the basis of readily determinable market prices.

Common collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Life insurance contracts: Valued at their cash surrender value, which approximates fair value.

The following table sets forth by level, with the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

	2018	2017
Level 1		
Mutual funds	$ 20,211,856	$ 24,051,487
Money market funds	2,540,598	793,241
Self-directed brokerage accounts	620,582	568,820
	23,373,036	25,413,548
Level 2		
Life insurance contracts	337,187	326,550
Total assets in the fair value hierarchy	23,710,223	25,740,098
Investments measured at net asset value		
Common collective trust	640,185	642,609
Investments at fair value	$ 24,350,408	$ 26,382,707

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2018 and 2017:

	2018	2017
Common collective trust		
Fair value	$ 640,185	$ 642,609
Unfunded commitment	None	None
Redemption frequency	Immediate	Immediate
Other redemption restrictions	None	None
Redemption notice period	None	None

Note 5. Related Party and Party in Interest Transactions

As described in Note 2, the Plan pays certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Partnership contributions.

Note 7. Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Partnership by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Code.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, market and credit risks. Market values of investments may decline for a number of reasons, including change in prevailing market and interest rates, increase in defaults and credit rating downgrades. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefit.

Independent Auditor's Report

To the Advisory Committee of
Cantey Hanger 401(k) Plan

Report on the Financial Statements

We were engaged to audit the accompanying financial statements of Cantey Hanger 401(k) Plan (the Plan), which comprise the statements of net assets available for benefits as of December 31, 2018 and 2017, and the related statements of changes in net assets available for benefits for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audit in accordance with auditing standards generally accepted in the United States of America (U.S. GAAS). Because of the matter described in the *Basis for Disclaimer of Opinion* paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by the custodian of the Plan, except for comparing such information with the related information included in the financial statements. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the years ended December 31, 2018 and 2017, that the information provided to the plan administrator by the custodian is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

The Advisory Committee of
Cantey Hanger 401(k) Plan

Other Matter

The supplementary information listed in the table of contents as of December 31, 2018 is required by the DOL's Rules and Regulations for Reporting and Disclosure under ERISA and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the *Basis for Disclaimer of Opinion* paragraph, we do not express an opinion on the supplementary information.

Report on Form and Content in Compliance With DOL Rules and Regulations

The form and content of the information included in the financial statements and supplementary information, other than that derived from the information certified by the custodian, have been audited by us in accordance with U.S. GAAS and, in our opinion, are presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

Cantey Hanger 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the Cantey Hanger 401(k) Plan (the Plan) provides only general information. Participants should refer to the *Plan document*, which is available from Plan management, for a more complete description of the Plan's provisions. The Plan is sponsored by Cantey Hanger LLP (the Partnership), which is also the Plan Administrator.

General

The Plan, which was originally established effective June 1, 1974, is a defined contribution profit sharing plan covering substantially all employees of the Partnership who are age 21 or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Partnership's Management Committee is responsible for oversight of the Plan. An Advisory Committee determines the appropriateness of the Plan's investment offerings, monitors investment performance, and reports to the Partnership's Management Committee.

Contributions

Participants may contribute to the Plan, pursuant to a salary reduction arrangement, up to limitations determined by the Internal Revenue Code (the Code). Participant contributions are allocated among investments based upon participant elections. Some or all of a participant's contributions may be designated as a Roth Deferral Contribution. The Plan includes an auto-enrollment provision whereby all newly eligible employees are automatically enrolled in the Plan unless they affirmatively elect not to participate in the Plan. Automatically enrolled participants have their deferral rate set at 3 percent of eligible compensation and their contributions are invested in a designated fund until changed by the participant.

The Partnership may designate a discretionary profit sharing contribution, which is allocated to each participant in the ratio of each participant's covered compensation to the total covered compensation of all participants. In addition, the Partnership may make a 3 percent safe harbor non-elective contribution to all Plan participants. During years in which the safe harbor provision is not elected, the Partnership may make discretionary qualified non-elective contributions. Such contributions are made for the benefit of non-highly compensated participants who are not partners of the Partnership. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Partnership's safe harbor non-elective contributions, if any, in the case of non-highly compensated participants, discretionary qualified non-elective contributions, and discretionary profit sharing contributions, (b) Plan earnings and (c) forfeitures of terminated participants' nonvested accounts. Allocations are based on participant earnings, or account balances, as defined within the Plan document. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are vested immediately in their contributions and any employer safe harbor contributions to the Plan plus actual earnings thereon. Vesting in the participants' share of the Partnership's discretionary contributions and earnings or losses thereon is in accordance with the following schedule:

Years of Service	Vesting Percentage
0 -1	1%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

Partnership contributions become fully vested in the event of retirement at age 65, disability, or death of a participant.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50 percent of their vested account balance. Notes generally must be repaid within five years; however, if the note is for a primary residence, the term can exceed five years. A participant may have a maximum of three outstanding notes. The loans are secured by the balance in the participant's account and bear interest at rates commensurate with local prevailing rates as determined by the Plan Administrator. Principal and interest is paid ratably through payroll deductions.

Payment of Benefits

Upon separation of service due to death, disability, retirement, or termination of employment, a participant or their beneficiaries may elect to receive either in a lump sum amount or other mode of settlement equal to the value of the participant's vested interest in his or her account. The Plan requires all benefit payments less than or equal to $5,000 to be paid in the form of a lump sum. Benefit payments greater than $5,000 may be paid in the form of a lump sum payment or substantially equal installments. In-service withdrawals of vested balances are permitted if the participant has attained 59½ years of age or is in certain qualified active military duty.

Forfeited Accounts

At December 31, 2018 and 2017, forfeited nonvested accounts totaled $36,870 and $435, respectively. Forfeitures are allocated to the accounts of all participants as an additional qualified non-elective contribution, or used to pay Plan expenses. During the years ended December 31, 2018 and 2017, forfeitures allocated to participants totaled $0 and $4,929, respectively.

Note 2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) requires Plan management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's Advisory Committee determines the Plan's valuation policies utilizing information provided by the investment advisers, custodians, and insurance companies. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded at the ex-dividend date. Net appreciation (depreciation) in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Interest income is recorded on the accrual basis. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2018 and 2017. Defaulted participant loans are recorded as distributions on the terms set forth in the Plan document.

Payment of Benefits

Benefits are recorded when paid.

Expenses

All costs and expenses incurred in administrating the Plan, principally fees for investment management services, may be paid out of Plan assets unless paid by the Partnership, at the Plan Administrator's option. Employees of the Partnership perform certain administrative functions with no compensation from the Plan. Administrative costs paid by the Partnership are not reflected in the accompanying financial statements.

Accounting Changes

In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, Fair Value Measurement (Topic 820): *Disclosure Framework – Changes to the Disclosure Requirements for Fair Value Measurements*. The ASU modifies the disclosure requirements on fair value measurements in Accounting Standards Codification (ASC) Topic 820. The ASU is effective for all reporting periods beginning after December 15, 2019, with early adoption permitted. An entity may elect to early adopt any removed or modified disclosures upon issuance of this Update and delay the adoption of the additional disclosures until the effective date. Plan management is evaluating the impact of the adoption of this ASU on the Plan's financial statements.

Plan Management's Review of Subsequent Events

The Plan has evaluated subsequent events through July 30, 2019, the date these financial statements were available to be issued.

Note 3. Certified Investments

Except as noted below, all investment information disclosed in the accompanying financial statements and supplementary information, including investments held and notes receivable from participants at December 31, 2018 and 2017, and net appreciation (depreciation) in fair value of investments, interest and dividends, and interest income on notes receivable from participants for the years then ended, was obtained or derived from information provided to Plan management and certified as complete and accurate by Reliance Trust Company, the custodian of the Plan. Life insurance contracts held by the Plan at December 31, 2018 and 2017, and investment income thereon for the years then ended were not certified by the custodian.

Note 4. Fair Value Measurements

FASB ASC 820, *Fair Value Measurement,* provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability; and
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2018 and 2017.

Mutual funds and money market funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Plan are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their net asset value (NAV) and to transact at that price. The mutual funds held by the Plan are deemed to be actively traded.

Self-directed brokerage accounts: Accounts primarily consist of mutual funds, money market funds, exchange-traded funds, and common stocks that are valued on the basis of readily determinable market prices.

Common collective trust: Valued at the NAV of units of a bank collective trust. The NAV, as provided by the custodian, is used as a practical expedient to estimate fair value. Participant transactions (purchases and sales) may occur daily. Were the Plan to initiate a full redemption of the collective trust, the investment advisor reserves the right to temporarily delay withdrawal from the trust in order to ensure that securities liquidations will be carried out in an orderly business manner.

Life insurance contracts: Valued at their cash surrender value, which approximates fair value.

The following table sets forth by level, with the fair value hierarchy, the Plan's investments at fair value as of December 31, 2018 and 2017:

	2018	2017
Level 1		
Mutual funds	$ 20,211,856	$ 24,051,487
Money market funds	2,540,598	793,241
Self-directed brokerage accounts	620,582	568,820
	23,373,036	25,413,548
Level 2		
Life insurance contracts	337,187	326,550
Total assets in the fair value hierarchy	23,710,223	25,740,098
Investments measured at net asset value		
Common collective trust	640,185	642,609
Investments at fair value	$ 24,350,408	$ 26,382,707

Fair Value of Investments in Entities that Use NAV

The following table summarizes investments measured at fair value based on NAV per share as of December 31, 2018 and 2017:

	2018	2017
Common collective trust		
Fair value	$ 640,185	$ 642,609
Unfunded commitment	None	None
Redemption frequency	Immediate	Immediate
Other redemption restrictions	None	None
Redemption notice period	None	None

Note 5. Related Party and Party in Interest Transactions

As described in Note 2, the Plan pays certain expenses related to Plan operations and investment activity to various service providers. These transactions are party-in-interest transactions under ERISA.

Note 6. Plan Termination

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Partnership contributions.

Note 7. Income Tax Status

The Internal Revenue Service (IRS) has determined and informed the Partnership by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Code.

Note 8. Risks and Uncertainties

The Plan invests in various investment securities that are exposed to various risks, such as interest rate, market and credit risks. Market values of investments may decline for a number of reasons, including change in prevailing market and interest rates, increase in defaults and credit rating downgrades. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such changes could materially affect participant account balances and the amounts reported in the statements of net assets available for benefit.

Note 9. Reconciliation of Financial Statements to Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements at December 31, 2018 and 2017 to the Form 5500:
