CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan

The following description of the CHG Senior Living, LLC 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General and eligibility: The CHG Senior Living, LLC 401(k) Plan (the Plan) is a defined contribution profit sharing 401(k) salary deferred plan covering all eligible employees of, and sponsored by, CHG Senior Living, LLC (the Company) who have completed one month of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions: Participants may elect to contribute, on a tax deferred basis, up to 60 percent of their eligible compensation, subject to certain limitations under the Internal Revenue Code (IRC). Participants may also elect to make Roth contributions, on an after-tax basis. The Plan provides an automatic election of 3 percent of eligible compensation for all eligible employees. Employees may elect a different percentage or elect not to make any elective deferral contributions. Participants may also contribute amounts representing distributions from other qualified plans or individual retirement accounts. Catch-up contributions are allowed by the Plan as allowed by federal law.

In addition, the Company may make discretionary matching contributions in an amount subject to determination by the Board of Directors of the Company. During the year ended December 31, 2017, no discretionary matching contributions were made. The Company may also make discretionary profit sharing contributions for each eligible participant in an amount subject to determination on an annual basis by the Board of Directors of the Company. No profit sharing contributions were made during 2017.

Participant accounts: Each participant's account is credited with (a) the participant's contribution, (b) discretionary employer matching contributions and profit sharing contributions, if applicable, and (c) an allocation of Plan earnings and administrative expenses based on account balances, as defined by the Plan. Plan earnings are allocated based on the number of shares in each participant's account in each investment fund.

Participants' investment options: Participants direct the investment of their contributions and any employer contributions to be invested amongst various investment options offered by the Plan, which are more fully described in the Plan literature. Participants may change their investment options at any time.

Vesting: Participant contributions and actual earnings thereon are fully vested at all times. Vesting of discretionary employer contributions and actual earnings thereon are based upon the participant's years of service with the Company as listed below. Participants will become fully vested in all contributions upon death, disability, or normal retirement age.

Years of Service	Vesting Percentage
Less than 1 year	0%
1 year	25%
2 years	50%
3 years	75%
4 years	100%

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 1. Description of the Plan (Continued)

Notes receivable from participants: Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 minus the highest outstanding balance of notes receivable in the past twelve months, or 50% of the present value of their vested account balance. Participants are allowed to have no more than one note receivable outstanding at any time. The repayment period for notes receivable cannot exceed five years, except for notes receivable used for the purchase of a participant's primary residence, which must be paid back within fifteen years. These notes receivable are secured by the balance in the participant's account and bear interest at a commercially reasonable rate of interest as determined by the Plan Administrator. Principal and interest are paid ratably through payroll deductions. Interest rates on outstanding notes receivable as of December 31, 2017 were 5.25% with maturity through September 2022.

Payment of benefits: Benefits in the form of a lump sum payment may be distributed to a participant or a participant's beneficiary upon retirement, the participant's reaching the age of 59-1/2, death, disability, hardship or termination of employment. The Plan has a mandatory cash-out provision if the participant's vested balance is less than \$5,000. If the participants vested balance is less than \$5,000 but greater than \$1,000, benefits shall be distributed through a direct rollover into another qualified plan. If the participants vested balance is \$1,000 or less, benefits shall be distributed to the participant through a lump sum distribution.

Administrative expenses: The administrative expenses of the Plan are paid by the Plan, unless paid by the Company, at its discretion. Administrative expenses include participant based transaction expenses such as distribution and loan fees as well as Plan related expenses. Certain administrative functions are performed by officers or employees of the Company. No such officer or employee receives compensation from the Plan.

Forfeited accounts: Forfeited balances of terminated participants' non-vested accounts may be used in the following manner: restore forfeitures, reduce Company contributions, or to pay reasonable Plan expenses. At December 31, 2017 there were \$416 in forfeitures available for use. During 2017, amounts forfeited were \$416 and no forfeitures were used.

Note 2. Summary of Significant Accounting Policies

Basis of presentation: The accompanying financial statements have been prepared on the accrual basis of accounting.

Investment valuation and income recognition: Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchase and sales of securities are recorded on a trade date basis. Interest income is recorded on the accrual basis. Net appreciation in fair value of investments includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Notes receivable from participants: Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document. There was no allowance at December 31, 2017 as the loans are fully collateralized by the participants' accounts.

Use of estimates: The preparation of financial statements in conformity with generally accepted accounting principles in the United States of America, requires the Plan administrator to make estimates and assumptions that affect the reported amounts of net assets available for benefits and changes therein and disclosures of contingent assets and liabilities. Actual results may differ from those estimates.

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 2. Summary of Significant Accounting Policies (Continued)

Contributions and contribution receivables: Contributions are recorded on the accrual method of accounting. Contribution receivables are obligations arising from amounts owed to the Plan from the participants or the Employer that have not been included in the Plan's investments at year end. Contribution receivables are recorded at cost, which approximates their fair value. There were approximately \$8,955 of total contribution receivables at December 31, 2017.

Payment of benefits: Benefits are recorded when paid.

Recent accounting pronouncements: In August 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2018-13, *Fair Value Measurement (Topic 820): Disclosure Framework—Changes to Disclosure Requirements for Fair Value Measurement*, which modifies the disclosure requirements for fair value measurements by removing, modifying, or adding certain disclosures. ASU 2018-13 is effective for all entities for fiscal years, and interim periods within those fiscal years, beginning after December 15, 2019. An entity is permitted to early adopt any removed or modified disclosures and delay adoption of the additional disclosures until their effective date. The Plan is currently evaluating the impact of this new standard on its financial statements.

Subsequent events: The Plan Administrator has evaluated events or transactions for potential recognition or disclosure through July 29, 2019, the date on which the financial statements were available to be issued.

Note 3. Information Certified and Provided by John Hancock Life Insurance Company (U.S.A.)

The following is a summary of the Plan's asset and income information as of and for the year ending December 31, 2017, included throughout the Plan's financial statements and supplemental schedule, that was prepared by or derived from information provided by John Hancock Life Insurance Company (U.S.A.), the custodian of the Plan, and furnished to the Plan Administrator. The Plan Administrator obtained certification from the custodian that the information provided to the Plan Administrator by the custodian is complete and accurate to the best of their knowledge. Accordingly, as permitted by 29 CFR 2520.103-8 of the Department of Labor's (DOL) Rules and Regulations for Reporting and Disclosure under ERISA, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information which appears throughout the financial statements and the supplemental schedule related to the following assets:

	2017
Investments, at fair value:	
Pooled separate accounts	\$ 177,266
Cash	416
Notes receivable from participants	7,013
	<u>\$ 184,695</u>

The custodian also certified to the completeness and accuracy of \$12,995 of net appreciation of investments and \$96 of interest income from notes receivable from participants for the year ended December 31, 2017.

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements

ASC 820, Fair Value Measurements and Disclosures, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2: Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2017.

- **Pooled separate accounts:** Valued based on the net asset value (NAV) of shares held by the Plan based on the market value of its underlying investments as determined by John Hancock Life Insurance Company (U.S.A). The NAV is used as a practical expedient to estimate fair value.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

CHG Senior Living, LLC 401(k) Plan

Notes to Financial Statements

Note 4. Fair Value Measurements (Continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2017:

	Level 1	Level 2	Level 3	Total
:				
	\$ -	\$ -	\$ -	\$ -
Pooled separate accounts measured at NAV (i)				177,266
				<u>\$ 177,266</u>

- (i) In accordance with ASC 820-10, certain investments that were measured at NAV per share (or its equivalent) have not been classified in the fair value hierarchy. The fair value amounts presented in this table are intended to permit reconciliation of the fair value hierarchy to the items presented in the statement of net assets available for benefits.

Plan management evaluates the significance of transfers between levels based upon the nature of the investment and size of the transfer relative to total net assets available for benefits. For the year ended December 31, 2017, there were no transfers between levels.

The following table sets forth additional disclosures of the Plan's investments, whose fair value is estimated using NAV per share (or its equivalent) as a practical expedient as of December 31, 2017:

	Fair Value	Unfunded Commitment	Redemption Frequency	Redemption Notice Period
Pooled separate accounts:				
Asset allocation (a)	\$ 127,429	None	Immediately	None
Large U.S. equity (b)	36,567	None	Immediately	None
Small/mid U.S. equity (c)	9,499	None	Immediately	None
International (d)	1,372	None	Immediately	None
Fixed income (e)	2,399	None	Immediately	None
Total pooled separate accounts	<u>\$ 177,266</u>			

- (a) This asset class is generally comprised of various stocks, bonds, cash equivalents that automatically reduces its risk level as the investor reaches the target date.
- (b) This asset class includes funds that (i) invest in common stocks of companies that compose the Wilshire 5000 Index, (ii) large cap companies that may pay dividends and are well established in their market place.
- (c) This asset class generally invests in U.S. securities whose market capitalizations are outside of the Fortune 500. Investments are made in various stock exchanges and are based on securities with a high book value to market value ratio.
- (d) This asset class is generally comprised of investment options that invest in stocks or shares of ownership in a variety of non U.S. companies.
- (e) This asset class is generally comprised of investment options that invest in bonds or debt of a company or government entity (including U.S. and non-U.S.). It may also include real estate investment options that directly own property.

Notes to Financial Statements

Note 5. Parties-In-Interest

Parties-in-interest are defined under DOL regulations as any fiduciary of the Plan, any party rendering services to the Plan, the employer, and certain others. As such, transactions conducted with John Hancock Life Insurance Company (U.S.A.) and the Plan Sponsor qualify as party-in-interest transactions.

Note 6. Plan Termination

Although it has not expressed such intent, the Company reserves the right to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants will become fully vested in their accounts.

Note 7. Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

Note 8. Tax Status

The Plan has adopted a Volume Submitter Profit Sharing Plan with CODA, where it has received an opinion letter dated March 31, 2014 from the Internal Revenue Service as to the volume submitter plan's qualified status. The volume submitter plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving the opinion letter. The Plan Administrator believes the Plan is designed and is being operated in compliance with the applicable provisions of the Internal Revenue Code.
