PSI ASSOCIATES, INC. 401(k) EMPLOYEES' RETIREMENT PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of Plan

The following description of the PSI Associates, Inc. 401(k) Employees' Retirement Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General:

The Plan is a defined contribution plan covering significantly all employees of PSI Associates, Inc. (the "Plan Sponsor") and PSI Affiliates, Inc., a related employer (collectively, the "Company"), who have completed at least three months of service and are age 18 or older. Certain employees are excluded from participation, including residents of Puerto Rico, certain employees covered by a collective bargaining agreement, leased employees, and non-common law employees. Employees may enter the Plan on the first day of each Plan year, and the first day of the fourth, seventh, and tenth months of each Plan year. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

Contributions:

Participants may make pre-tax or Roth 401(k) contributions in any amount up to 100% of their compensation, subject to certain limits imposed by the Internal Revenue Service ("IRS"). The Plan also provides that participants who are projected to be age 50 or older by the end of the calendar year and who are making deferral contributions to the Plan may also make a catch-up contribution, subject to certain IRS limitations.

The Company may make discretionary non-elective contributions to the Plan. No such contributions were made for the years ended September 30, 2018 or 2017.

Participant Accounts:

Each participant's account is credited with the participant's contribution, the Company's discretionary non-elective contributions, an allocation of Plan earnings, and is charged with an allocation of administrative expenses. Allocations are based on participant earnings, account balances, or specific participant transactions, as defined. Participants direct their investment fund options. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting:

Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after six years of credited service (20% after year two, 20% each year thereafter).

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 1. Description of Plan (Continued)

Payment of Benefits:

A participant or his/her beneficiary, upon termination, death, disability, or retirement, receives payment of his/her vested account balance in the form of a lump sum distribution. A participant may defer receipt of his/her distribution until a later date, however, if his/her vested account balance is \$5,000 or less, Fidelity Management Trust Company (the "Trustee") will distribute any amount exceeding \$1,000 to an Individual Retirement Account or Annuity ("IRA") for the participant's benefit. If a participant's vested account balance is \$1,000 or less, the Trustee will distribute the amount to the participant as a lump sum distribution without the consent of the participant. Prior to such distribution, a participant may request that the amount be distributed directly to an IRA or other eligible retirement plan. Additionally, the Plan has provisions for an active participant to make in-service withdrawals from his/her account, subject to limitations and restrictions.

Forfeited Accounts:

Any forfeited non-vested accounts may first be used to pay administrative expenses. Any remaining amounts will be used to reduce future employer contributions to the Plan. Unutilized forfeited non-vested accounts totaled \$-0- and \$520 as of September 30, 2018 and 2017, respectively, and \$543 and \$960 was used to pay administrative expenses for the years ended September 30, 2018 and 2017, respectively.

Note 2. Summary of Significant Accounting Policies

- A. Basis of Accounting – The accompanying financial statements have been prepared on the accrual basis of accounting.
- B. Investment Valuation and Income Recognition – Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The Plan's management determines the Plan's valuation policies utilizing information provided by the investment advisers and the trustee. See Note 5 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

- C. Administrative Fees – Fees of the Plan are paid by the Company or the Plan at the discretion of the Company. In addition, certain transactions and account maintenance fees are charged to the affected participants.

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Note 2. Summary of Significant Accounting Policies (Continued)

- D. Use of Estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.
- E. Benefit Payments – Benefits are recorded when paid.
- F. Subsequent Events – The Plan has evaluated subsequent events through July 10, 2019, the date the financial statements were available to be issued.

Note 3. Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan, subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their accounts.

Note 4. Unaudited Information

The Trustee of the Plan holds the Plan's investment assets and executes transactions therein. The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Trustee has certified to the completeness and accuracy of all investments reflected in the statements of net assets available for benefits as of September 30, 2018 and 2017, the supplemental schedule of assets (held at end of year) as of September 30, 2018, the related investment activity reflected in the statements of changes in net assets available for benefits for the years ended September 30, 2018 and 2017, and investment related information in the accompanying notes to the financial statements. This information is unaudited by independent accountants.

Note 5. Fair Value Measurements

The Plan estimates the fair value of financial instruments using available market information and other generally accepted valuation methodologies. The inputs used to measure fair value are classified into three levels:

Level 1 – Quoted market prices in active markets for identical assets and liabilities

Level 2 – Observable market-based inputs or unobservable inputs that are corroborated by market data

Level 3 – Unobservable inputs in which little or no market data exists

Note 5. Fair Value Measurements (Continued)

The following is a description of the valuation methodologies used for plan assets measured at fair value:

- The fair value of the investments held in the money market fund and the registered investment companies is valued based on the quoted closing market prices in active markets for identical instruments, and these investments are classified as Level 1.
- The fair value of the investments in the collective investment trusts was based on their closing net asset value ("NAV"). The NAV was based on observable inputs and the market value of the underlying investments and is classified as Level 2. These investments were liquidated during 2017.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future values. There have been no changes in the methodologies used from 2017 to 2018. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables set forth by level the Plan's assets at fair value as of September 30, 2018 and 2017:

Assets at Fair Value as of September 30, 2018

Note 6. Income Tax Status

The Plan has adopted an approved volume submitter Plan document. This Plan document has obtained a determination letter dated March 31, 2014 from the IRS in which the IRS stated that the document, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving this determination letter. However, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code and, therefore, believes that the Plan is qualified and the related trust is tax-exempt.

The Plan's management has analyzed the tax positions taken by the Plan and has concluded that, as of September 30, 2018, there are no uncertain positions taken or expected to be taken that would require such recognition or disclosure in the financial statements.

Note 7. Party-in-Interest Transactions

Prior to 2017 certain Plan investments were held in collective investment trusts, which were managed by Aurum Wealth Management Group, LLC (the "Plan Advisor"). Also, Fidelity Management Trust Company is Trustee as defined by the Plan and related to Fidelity Investments Institutional Operations Company, Inc. (the "Recordkeeper"). Administrative expenses in the amount of \$36,410 and \$32,633 were paid to the Recordkeeper and Plan Advisor during the years ended September 30, 2018 and 2017, respectively. These transactions qualify as party-in-interest transactions.

Note 8. Risks and Uncertainties

The Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
