The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan permits employees to contribute to the Plan at their own discretion. The Company makes matching contributions calculated as 50% of the participant's salary deferral contribution up to 6% of the participant's compensation but shall not exceed $3,000 each fiscal year.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contribution, and plan earnings and charged with administrative costs. Each participant chooses the fund or funds in which contributions are to be invested. Contributions may be allocated between the funds in any integral percentage. A participant may change the fund or funds into which their contributions are invested or transfer all or any portion of their account balance between funds upon proper notification of the plan administrator or by initiating the change/transfer on their own using the plan custodian's, Nationwide Trust Company, FSB (Nationwide) website or by calling the Nationwide voice response unit. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus net earnings thereon. Vesting of the Company's contributions portion of their account is based upon the earlier of the vesting schedule below, plan termination, the occurrence of normal retirement age (65), occurrence of eligibility for early retirement, and death or disability (permanent and total) while actively employed.

HOMESTEAD FUNDING CORP. 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2018 AND 2017

1. DESCRIPTION OF THE PLAN

Payment of Benefits

Pursuant to plan documents, participants receive their benefits in a single lump sum amount equal to the value of the participant's vested interest in their account.

Forfeitures

Forfeited non-vested account balances are applied first toward reducing administrative expenses and then toward the Company's matching contributions in accordance with the plan document. For the years ended December 31, 2018 and 2017, forfeitures of $9,800 and $-0-, respectively, were used toward the Company's matching contributions.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting. The accompanying financial statements are prepared in accordance with accounting principles generally accepted in the United States of America.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions, which affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan offers participants the option to choose from a diversified portfolio of registered investment companies ("mutual funds") investments and a guaranteed investment account, which is managed pursuant to an investment contract with Nationwide. The contract with Nationwide provides for guaranteed interest rates, which are established annually. The guaranteed interest rate at December 31, 2018 and 2017 was 2.35% and 2.20%, respectively. Nationwide has determined this guaranteed investment contract is fully benefit responsive, and is presented at contract value.

Participants can allocate various percentages of their salary deferral to any of these mutual funds. The fair values of the mutual funds fluctuate daily. The mutual funds' investments are diversified and are not concentrated in any industry or geographic location.

Purchases and sales of investments are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Investment income recognized by the Plan includes earnings from investments, net gains (losses) realized from the sale of investments, and the net changes in the unrealized appreciation (depreciation) of investments.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Investment Valuation and Income Recognition

Interest income on notes receivable from participants is recognized by the Plan in the period in which it is earned based on the outstanding principal balance times the stated interest rate at the date the note receivable originated.

Fair Value Measurements

Financial Accounting Standards Board Accounting Standards Codification Topic 820, *Fair Value Measurements* establishes a framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs in valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted market prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements).

The three levels of the fair value hierarchy are described as follows:

- Level 1 - Inputs to the valuation methodology are quoted prices (unadjusted) for identical assets or liabilities in active markets.

- Level 2 - Inputs to the valuation methodology include quoted prices for similar assets and liabilities in active markets and inputs that are observable for the asset or liability, either directly or indirectly, for substantially the full term of the financial instrument.

- Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. The following is a description of the valuation methodologies used at December 31, 2018 and 2017. There have been no changes in the methodologies used for the years ended December 31, 2018 and 2017.

The registered investment companies (mutual funds) and the Federated Government Obligation Premier Fund are traded on the stock market and are valued at their adjusted unit values on the last business day of the fiscal year and are valued using level 2 inputs based on unadjusted quoted market prices for similar assets within active markets.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methodologies are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Deposits to the fixed contract are guaranteed in both principal and interest, assuring that the funds will grow at specified rates. The investments are credited with interest on a net daily basis at annual effective interest rate. The annualized effective interest for the years ended December 31, 2018 and 2017 were 2.35% and 2.20%, respectively. The investments are presented at contract value as determined by Nationwide.

Benefits

Benefit payments to participants are recorded when paid.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Plan Expenses

All costs and expenses incurred in connection with the operation of the Plan, other than loan maintenance fees, are paid by the Company and are not included in the financial statements. Administrative expenses paid by the Company were $20,864 and $16,395 for the years ended December 31, 2018 and 2017, respectively.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

3. ITEMS CERTIFIED BY THE CUSTODIAN OF PLAN'S ASSETS

The Plan's Custodian of the Plan's Assets, Nationwide Trust Company, FSB, furnished certain financial information to the plan administrator and certified as to its completeness and accuracy. These certifications were provided by the Custodian of the Plan's assets for the years ended December 31, 2018 and 2017. This information included, but was not limited to, summaries of investments, investment transactions, net appreciation (depreciation) in the fair value of investments, and investment income earned.

The summarized certified information as of December 31, is as follows:

	2018	2017
Investments		
Registered investment companies (mutual funds), fair values	$ 15,804,663	$ 15,137,639
Fixed account, contract value	641,972	563,546
	$ 16,446,635	$ 15,701,185

4. NOTES RECEIVABLE FROM PARTICIPANTS

During the year ended December 31, 2013, the Plan was amended to no longer permit new loans to participants or beneficiaries. Prior to the amendment, participants were approved to borrow the lesser of 50% of their account balances or $50,000 with the minimum loan amount of $1,000. The loans were secured by the participant's account (subject to the terms of the Plan and in accordance with applicable legal requirements) and were payable over a period no longer than five years, together with interest at market rates. However, loans made for the purchase of a primary residence may not exceed 30 years. At December 31, 2018 and 2017, participant loans were $-0- and $342, respectively.

5. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA.

6. INCOME TAX STATUS

The Internal Revenue Service (IRS) has determined and informed the Company by a letter dated March 31, 2014, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC and therefore believe that the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2018 and 2017, there are no uncertain positions taken or expected to be taken that would require the recording of a liability or disclosure in the financial statements.

7. PARTIES IN INTEREST

The following organizations are considered parties-in-interest based upon their relationship as service providers to the Plan:

Creative Pension Consultants - Third Party Administrator
Marvin and Company, P.C. - Plan Audit Firm
Nationwide Trust Company, FSB - Plan Custodian of Assets & Investment Advisor
Morgan Stanley Smith Barney, LLC – Security Brokerage
Homestead Funding Corp. - Plan Sponsor
IRON Financial – 3(21) Co-Fiduciary

Certain plan investments are shares of mutual funds managed by Nationwide Trust Company, FSB. Nationwide Trust Company, FSB is the custodian as defined by the plan document and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment management and other administrative services are included in net appreciation (depreciation) of registered investment companies (mutual funds) in the amount of $131,400 and $121,412 for the years ended December 31, 2018 and 2017, respectively. Contract administrator fees by the Plan were $3,374 and $1,852 for the years ended December 31, 2018 and 2017, respectively.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

9. SUBSEQUENT EVENTS

Effective January 1, 2019, the Plan was amended as follows:

a. The plan will allow for Roth deferrals. Roth deferrals will be matched and are available for hardship distributions subject to plan limitations.

Management has evaluated events subsequent to the statement of net assets available for benefits of December 31, 2018 through August 1, 2019, which is the date these financial statements were available to be issued, and have determined that there are no additional subsequent events that require recording or disclosure.
