Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on conducting the audits in accordance with auditing standards generally accepted in the United States of America. Because of the matter described in the Basis for Disclaimer of Opinion paragraph, however, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion.

Basis for Disclaimer of Opinion

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 and 4, which was certified by Capital Bank and Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule of assets (held at end of year). We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the ten months ended October 31, 2018 and year ended December 31, 2017, that the information provided to the Plan administrator by the trustee is complete and accurate.

Disclaimer of Opinion

Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we have not been able to obtain sufficient, appropriate audit evidence to provide a basis for an audit opinion. Accordingly, we do not express an opinion on these financial statements.

Other Matter

The supplemental schedule of assets (held at end of year) as of October 31, 2018 is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 and is presented for the purpose of additional analysis and is not a required part of the financial statements. Because of the significance of the matter described in the Basis for Disclaimer of Opinion paragraph, we do not express an opinion on the supplemental schedule referred to above.

Basis of Accounting

As discussed in Note 2 to the financial statements, the Board of Directors of the Plan Sponsor voted to merge the Plan with that of its acquiring company, effective prior to October 31, 2018. As a result, the Plan has changed its basis of accounting from the ongoing basis used in presenting the 2017 financial statements to the liquidation basis used in presenting the 2018 financial statements.

Report on Form and Content in Compliance with DOL Rules and Regulations

The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, is presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

401(k) PLAN
Notes to Financial Statements
October 31, 2018 and December 31, 2017

NOTE 1 DESCRIPTION OF PLAN

The following brief description of Summit Health & Rehab Services, Inc. 401(k) Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General

The Plan is a 401(k) Profit Sharing Plan covering all employees of Summit Health & Rehab Services, Inc. and related entities (the Employer) who have one year or more of service with a minimum of 1,000 hours of service and are age twenty-one or older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Summit Health & Rehab Services, Inc. is the Plan's Sponsor.

Plan Merger

On July 1, 2018 the Summit Health & Rehab Services, Inc. 401(k) Plan was frozen to additional participant enrollment and any new participant or employer contributions. Effective October 23, 2018 the Summit Health & Rehab Services, Inc. Board of Directors voted to merge the Plan with the HealthPro-Heritage 401(k) Plan. As of the merger effective date, the Summit Health & Rehab Services, Inc. 401(k) Plan transferred 100% of the assets available for benefits to the HealthPro-Heritage 401(k) Plan. The transfer resulted in no change in value, vested balance, or available benefits for the transferred participants. In conjunction with the merger all transferred Summit Health & Rehab Services, Inc. 401(k) Plan participants were enrolled in the HealthPro-Heritage 401(k) Plan.

Tax Status

The Plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service (IRS) stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America (GAAP), require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of October 31, 2018 and December 31 2017, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Employee Contributions

Eligible employees can defer up to 100% of their eligible compensation into the Plan, up to the maximum allowed by the Internal Revenue Code (IRC). Participants are allowed to make additional catch-up contributions to the Plan if they are 50 years of age or older as of the end of the Plan year. Additionally, participants are permitted to make rollover contributions to the Plan from individual retirement accounts.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Employer Contributions

At the discretion of the Employer, a contribution may be made as a percentage of the employee's eligible compensation, not to exceed the employee's allowable deferral contribution amount. Contributions are made to the Plan each pay period.

Participant Accounts

Each participant's account is credited with the participant's contributions, the Employer's contributions, and an allocation of investment income net of investment expenses. Expense allocations are determined as defined in the Plan document. Participants may direct their account balances into a variety of investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account balance.

Automatic Deferral

The Plan contains automatic deferral provisions whereby the Employer, as to each participant affected, will withhold as the automatic deferral amount, 2% from the participant's compensation each payroll period unless the participant makes a contrary election.

Vesting of Accounts

Participants are immediately 100% vested in their individual deferral contributions and earnings thereon. Participants are 100% vested in any employer discretionary contributions at the completion of a six-year vesting schedule.

Payment of Benefits

On termination of service due to death, disability, or retirement, a participant may elect to receive a lump-sum amount equal to, or a portion of, the value of the vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution, or a rollover to another retirement account. Participants may also receive in-service distributions from their vested interest once they have attained age 59½. Benefits are recorded when paid.

Hardship Withdrawals

The Plan does not permit hardship withdrawals.

Participant Loans

The Plan does not permit participant loans.

NOTE 1 DESCRIPTION OF PLAN (CONTINUED)

Forfeited Accounts

Forfeitures may occur the last day of the Plan year in which the former participant incurs five consecutive 1-year breaks in service, or where the former participant receives the distribution of the entire vested portion of the participant's account. Forfeitures may be used to pay administrative expenses and then used to reduce Employer contributions, if any. Forfeited balances included in the Plan assets as of October 31, 2018 and December 31, 2017 were \$0 and \$373, respectively. Forfeitures totaling \$5,920 were transferred as a part of the Plan merger on October 23, 2018. During the year ended December 31, 2017, forfeitures used to pay administrative fees or reduce Employer contributions totaled \$8,460.

Terminated Participants

Plan participants included 96 terminated participants with vested balances of \$303,230 which were transferred with the Plan merger on October 23, 2018. Plan participants included 65 terminated participants with vested balances of \$189,871 at December 31, 2017.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements of the Plan have been prepared on the accrual basis of accounting. For the ten months ended October 31, 2018, the Plan has changed its basis of accounting from the ongoing basis, used in presenting the 2017 financial statements, to the liquidation basis. This change to the liquidation basis of accounting is the result of the merger and transfer of all Plan assets of the Summit Health & Rehab Services, Inc. 401(k) Plan to the HealthPro-Heritage 401(k) Plan.

Estimates

The preparation of financial statements in conformity with GAAP requires the Plan administrator to make estimates and assumptions that affect the reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end.

Purchases and sales of securities are recorded on a trade-date basis. Interests income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Expenses

Administrative expenses incurred by the Plan may be paid by the Plan unless paid by the Employer. Expenses paid by the Employer are excluded from these financial statements. Investment related expenses are included in net appreciation (depreciation) in fair value of investments.

Risk and Uncertainties

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

Subsequent Events

Management has evaluated subsequent events through August 13, 2019 the date the financial statements were available to be issued. As of August 13, 2019 the Plan had not been formally terminated.

NOTE 3 FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. GAAP establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value.

This hierarchy consists of three broad levels:

Level 1 - inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities.

Level 2 – inputs consist of significant observable inputs other than the prices quoted in active markets for identical assets or liabilities, such as quoted prices in active markets for similar assets or liabilities.

Level 3 – fair value measurements are based upon significant unobservable inputs.

Level 1 have the highest priority, while Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

NOTE 4 INFORMATION CERTIFIED BY THE TRUSTEE (UNAUDITED)

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's *Rules and Regulations for Reporting and Disclosure* under ERISA. Accordingly, investments and related investment income included in the accompanying financial statements for the ten months ended October 31, 2018 and year ended December 31, 2017, and supplemental schedule as of October 31, 2018, have been compiled from statements certified as complete and accurate by Capital Bank and Trust / American Funds, the trustee, in accordance with DOL regulations.

The Plan's independent accountants did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental information.
